

Comprehensive Progress Report

Mission:

Our mission is to provide a positive and equitable learning environment for all scholars through the use of collaboration, rigorous instruction, and diverse learning experiences. Scholars will strive for success and develop a growth mindset while immersed in computer science.

Vision:

Our vision is to empower scholars to become innovators in an evolving world through the use of computer science.

Goals:

Provide duty-free instructional planning time for every teacher under G.S. 115C-105.27 and 301.1, with the goal of providing an average of at least five hours of planning time per week, to the maximum extent that the safety and proper supervision of students may allow during regular student contact hours.
