

Comprehensive Progress Report

Mission:

We remove barriers, ignite curiosity, and inspire students to become change agents.

Vision:

We empower dreamers.

Goals:

By June 2022, Stoney Creek students in grades 3-5 will exceed the GLP target of 38% and the CCR target of 27% in reading as measured by the EOG. By June 2022, Stoney Creek students in grades K-2 will increase proficiency in reading by 10 percentage points from BOY to EOY as measured by the EL Education benchmark assessments. All students will receive a minimum of 1 hour of standard based whole group instruction using the EL curriculum in order to ensure equity across the school. All students will receive a minimum of 30 minutes of differentiated small group instruction based on data in order to meet their individual needs. (A2.04, A4.01, B3.03).

By June 2022, Stoney Creek students in grades 3-5 will exceed the GLP target of 43% and the CCR target of 24.5% in math as measured by the EOG. By June 2021, Stoney Creek students in grades k-2 will increase proficiency in math by 10 percentage points from BOY to EOY as measured by the CMS quarterly assessments. All students will actively engage and participate in EnVision 20/20 math curriculum each day. (A2.04, A4.01, B3.03).

By June 2022, Stoney Creek will decrease the number of unexcused absences by 10% as compared with 2020-2021 results. All students will be encouraged to attend school on-time, all day, every day. (A4.06, E1.06)

Stoney Creek will provide duty-free instructional lunch period for every teacher every day to the extent that the safety and proper supervision of students may allow as required by G.S. 115C-105.27(b)(6). (A4.06).

Stoney Creek will provide duty-free instructional planning time for every teacher under G.S. 115C-105.27(b)(7) and -301.1, with the goal of providing an average of at least five hours of planning time per week to the maximum extent that the safety and proper supervision of students may allow during regular student contact hours. (A.2.04)

Stoney Creek will provide a positive school climate under CMS regulation JICK-R, by promoting a safe learning environment free of bullying and harrassing behaviors. All students will participate in the House system, which works to promote healthy relationships across grade levels, build student capacity to positive interact with all stakeholders and reinforces school rules. (A4.06).

By June 2022, Stoney Creek students in Grade 5 will exceed the GLP target of 65.2% and the CCR target of 55.8% in science as measured by the EOG. All students will engage in their NCSCOS grade level standards for science instruction each day. (A2.04, A4.01, B3.03).
