West Regional Athletic Complex

Design Project

School Board Member District 2

Estimated Cost: $8,999,791

The 2023 general obligation bond referendum presents us with a unique opportunity to enhance the learning environment and educational opportunities for our students. It aims to offer more academic options, alleviate overcrowding, and support safe schools. Here are the highlights of the project that will impact our school communities:

The West Regional Athletic Complex bond project, in its design phase, envisions the creation of a dynamic multi-sport regional athletic competition hub. The complex will feature a gymnasium, natatorium, stadium, fields, and additional ancillary spaces. This state-of-the-art facility is designed to cater to a range of sports and athletic events, providing a versatile platform for competitions and fostering a vibrant sports culture in the community. Through thoughtful design, the project aims to offer athletes and spectators a modern and engaging environment that supports various sports activities and encourages community participation.
