Your #1 Artist: Mr. Frei

Hello Rangers,
The 2023-2024 school year is in the books...literally...THIS BOOK! One of the coolest things about yearbooks are their ability to freeze moments in time - forever. You'll spend the next few decades moving from place to place, packing, unpacking, organizing and reorganizing - and you'll often stumble upon this book. You'll pull it out, flip through it, and remember . . . The good times, the struggles, the accomplishments, the heartbreaks, the triumphs - all will come flooding back. You'll marvel at your 10 year reunion about how fast time flies, and proudly share stories of your own children's accomplishments at your 20. Then at your 30, as the greys start to creep in, the nostalgia will be real.

Let this yearbook serve as a reminder to where you've been, and who you were with. Many of the friendships forged here will last a lifetime. Don't be afraid to reach out to some of them over the years as life happens - when you inevitably fall out of touch. It doesn't take long to bring it all back - the laughter will feel new again, and you'll ask "why don't we do this more often?"

Special thank you to the dedicated yearbook staff that has been tirelessly documenting EVERY event at North this year. The work that they put into this book beautifully showcases the wonderful experience that is North High School!

Sincerely,
Mr. Frei

This year, we wanted to highlight North's biggest hits, including North beating South in multiple sports, the spring musical, prom and so much more. These hits influenced the theme of the Spotify look for the 2023-2024 book. Make sure to scan the QR codes to find a song that fits the vibe of the spread!

Ashley Gard took English IV at North this year. She enjoyed “hanging out with with Mrs. Fryman [during class].” She said her favorite thing about Mrs. Fryman was that "She is one of the sweetest people I've ever met.” While working, Gard liked listening to all kinds of music. Her most listened to song was “Not Strong Enough” by Boygenius.

Kay Federer (12) worked on a mosaic worksheet for her mosaic project in Ceramics II. “Previous art gave me inspiration [for this design]. I chose to create a lighthouse, water clouds...” Federer said she liked ceramics because she could be creative and turn her ideas into physical art.

Maria Aboytes said her favorite part about school has been the staff she encountered. "The school year went pretty good. I made new friends, and the events they do during the school day are really fun to do with them." Aboytes' favorite classes were Ceramics I and II because "it's fun to make the projects." While working, Aboytes' liked listening to Indie rock.

During their 7th period, Lizzy Gardner (12) and Mason Harries (11) spent their time working as student aides for the office. During their free time, they sat with one of their friends, Eric Kononow (11), and they talked until they had to deliver a pass. While working in the Union, they talked about the upcoming prom. Gardner said she was most excited to hear Nastasha Bedingfield's song "Unwritten" at prom.

Zoe Sanderson (11) said that her favorite memory from the year was when she first got to perform with the treble choir at the fall concert. Of course, Sanderson's favorite subject was choir. Sanderson said that her favorite artist is The Weekend, so it only makes sense that her favorite song is "Party Monster" by The Weekend because of the beat drops in it.

During 6th period, Evan Scott (11) worked on a project for his English 4 class. The objective of the project was to create a setting and character that replicated a story similar to *The Canterbury Tales*. Scott said he enjoyed this project because he was able to be creative and create cool characters.

This was Mr. Chauby's second year being a substitute. When asked what made him want to become a substitute, he explained, "I've been thinking about going back to school for teaching. My mom used to be a teacher here, and she was the principal." He chooses to sub at North because he grew up in Chardon and used to play against North in sports.

Devin Nix (12), Hunter Copley (12), Sydney Wolf (12), and Tyler Majors (12)

Ms. Mitch was a first year teacher at North. She chose to be a high school teacher because she likes interacting with students and watching them pursue their goals. She said, "My favorite part is being with the students and getting to know their story."

Ms. Mitchell is a freshman English teacher and the boy's golf coach. She wanted to become an English teacher due to the teachers that always helped and supported her, and she wanted to do that for other kids. Ms. Mitchell chose to teach English because "I love being able to have discussions about stories."

TECC Programs

Juniors and seniors have the option to join a TECC program of their choice, which is a decision they make during their sophomore year. It is a process where students apply and are then interviewed for the program of their choice. Between our district and other surrounding districts, North students have various options based on their interests. Some programs offered include nursing, teaching, construction, welding, information technology, cosmetology, as well as many more. TECC offers high skilled level classes and real-life experiences, while gaining possible college credits. This is a great opportunity to gain experience in a field that a student is interested in prior to graduation.

Volunteering Validation

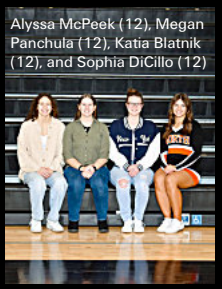

Sydney Barzal (11) received her certificate at the National Honor Society (NHS) Ceremony. She is an active member of the club and explained, "National Honor Society has been a pleasure to be apart of. It has opened many new friendships and volunteering opportunities. My first volunteering activity was at Royalview helping kids find Christmas presents for their families. Giving a few hours out of my day was well worth it to see the smiles on these kids faces. The Royalview Valentine's Day Dance was another magical experience, seeing all these kids get dressed up and run around. NHS helps kids to get out of their comfort zones and makes the community better with every event."

Outstanding Officer

Sophia DiCillo (12) never dreamed that one day she would be giving a speech to the new inductees of the National Honor Society. She was chosen by Mrs. Cvelbar to take the role of secretary and has filled the position to the highest degree. In this position, she is expected to maintain good grades, plan and carry out meetings, volunteer to earn service hours, and provide other members with assistance to their needs. DiCillo shared, "Being a National Honor Society officer is an amazing honor and title. I am very proud to be apart of NHS. It is an amazing experience to help others and volunteer my time for those in need. I am very grateful to be apart of something so amazing at North."

Throughout the school year, the yearbook staff comes together to make the yearbook. Every student works tirelessly to bring North this yearbook, whether it's taking photos, writing stories, or finding students to interview.

Taylor Bard (12)
(1st year)
Bard said picking a favorite was hard, but she loves being able to customize her work and being able to work on her own time.

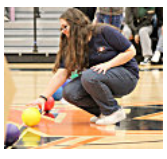

Katie Bucy (12)
(1st year)
Bucy has said that her favorite part about yearbook is her creative freedom.

Sophia DiCillo (12)
(3rd year)
DiCillo says that her favorite part of year book is being able to create freely and make fun entertaining designs and templates.

Amanda Dobida (12)
(1st year)
Dobida's favorite part of yearbook is being able to work at her pace and being able to see her work come together to create the yearbook.

Ashley Gard (12)
(1st year)
Gard says that her favorite part of yearbook is the relationships that she has been able to develop because of yearbook class.

Emerson Hren (12)
(3rd year)
Hren said her favorite part of yearbook is the creative liberty she gets while designing the yearbook.

Ms. Woolnough

Ms. Woolnough, also known as Ms. W, was this year's extended substitute, while Mrs. Fryman was out on maternity leave. Ms. Woolnough spent the first semester with the yearbook students teaching them the necessary skills to begin working on the yearbook. She successfully kept the yearbook up and running while working alongside with Mrs. Fryman at home.

Maddie Kissinger (12)
(3rd year)
Spending three years side by side with Mrs. Fryman creating the yearbook has been Kissinger's favorite part of yearbook. She also enjoys using it as her creative avenue.

Angel Pitt (12)
(1st year)
In her first year, Pitt says that yearbook class is more than just yearbook to her, and she loves being able spend time with her friends.

Sophia DiCillo (12) and Elizabeth Gardner (12)

Angelina Pitt (12) and Ellyse Malden (10)

"Look at this Photograph"

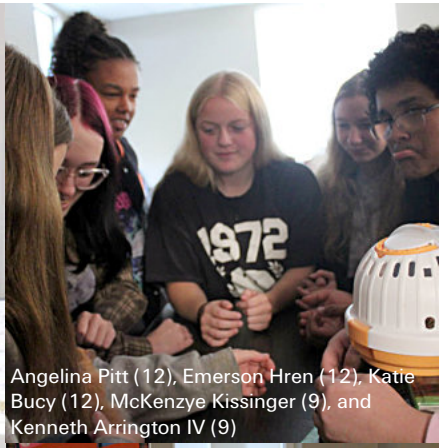

The yearbook students have a love for photography and attempt to capture emotion at every school related event. Every year, yearbook editors are responsible for training the new staff on how to use the camera and online software. They show them what settings to use for indoor and outdoor events, and Mrs. Fryman goes over types of pictures to ensure there is a variety of pictures and people covered.

River Livengood (9) and Faith Billhardt (10) compete with horses at the Lake County Fair each year. They both have been competing for four years. "My favorite part about working with horses is riding and just being around horses," shared Billhardt. Billhardt owned one horse named Sarge. Unfortunately, she and her family had to put him down in May. Livengood shared, "I decided to compete with horses to show what I can do with my horse." Her horse's name is Sundi. Both girls hope to continue competing in the future.

On April 8, 2024, school was closed so that students could view the solar eclipse. While some people were fortunate enough to be in totality, others had to travel. "I liked when it got really cold. The transition between hot and cold was cool," said Mrs. Fryman, who watched the eclipse with her family.

Every year, the marching band and cheerleaders perform at the Hall of Fame induction. The past Rangers enjoyed watching the current Rangers show off their school spirit.

35 seniors received scholarships on May 7, 2024, for all of their hard work and dedication during their four years of high school. A total of $55,800 was given out. Maddie Kissinger (12), who was awarded the Lens Scholarship said, "It was a special night for all of us. We are now one step closer to pursing our goals."

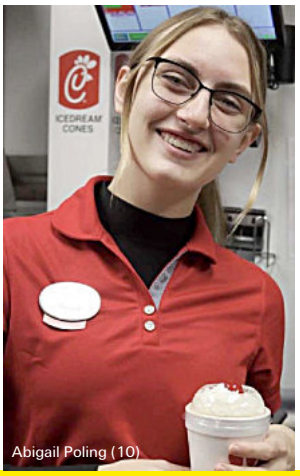

Twice a year, the drama club goes to Playhouse Square to see a musical. This serves as a reward for all of their hard work on their productions. Kylie Vannatter (10) said, "My favorite part about going to Playhouse is being able to see the talent and wonders of theater with friends."

"Work Work Work"

Students at North not only put forth effort in school, but many students also obtain after school jobs. Students have a wide range of jobs, including working as servers, retail workers, lifeguards, restaurant workers, and babysitters. Junior Matthew McCloud said his favorite part about working is "meeting and talking to new people."

"You're An All Star"

During the Mayfield game, Daniel Tadic (12) kicked a record-breaking 50-yard field goal. When asked how he felt about the kick, he responded "I felt good. I was mostly focused on the moment. I went to the sideline, and my coach told me I broke the record. I was pretty happy with it." In regards to the end of his high school football season, he said "It's unfortunate that it's over. Being on the football team was so much fun. Never a dull moment with those kids and coaches. Football was always something I looked forward to, and, sadly, I won't have that anymore." He sends off his school spirit with a simple “Go Rangers!”

"The highlight of my football season was being on the field one last time with my teammates on senior night."

Now Playing: Varsity Football

On October 6th, 2023, North beat South for the first time in five years. The Rangers won with a final score of 10-3. Scoring for North were seniors Daniel Tadic and Zachary Rummel. Coach Dodd shared, "I'm just happy for the kids. I'm happy for the community and for the fan base." Between the marching band, student section, and cheerleaders, the energy in the stadium was unmatched. It was a great environment for everyone. When asked about the win, Sawyer Piasecki (11) said, "It means a lot to me, especially for my seniors. I wouldn't be able to do it without them. They push me through practice. A big thanks to them."

Freshman and JV Football

The best game of the freshman season was against Madison with a final score of 27-0. Jackson Sakal (in the photo to the right) had twelve pancakes, which is the result of a block by an offensive lineman knocking the defender flat on their back like a pancake.

Sydney Barzal (11) was one of the starting offensive linemen for JV and the only girl in the football program. Barzal said "Luckily for me, I started playing in 3rd grade. This gave me a good and trusting relationship with my teammates over the years. My hardest challenge is the opponents on the other team. When they notice you are a girl, they start to treat you differently. Boys do not like it when a girl beats them, especially in football. I've been called a few names that were not the nicest. I just had to brush them off and keep doing my job. It is a huge accomplishment when you show them that you are better. Some people are going to comment about it, but I just keep my head up and keep doing my job. I've been blessed with a great team and people who find it interesting rather than tear me down. I love this sport, and I'm grateful I have been able to play for so long."

Sousaphone Mix ⊕

"My initial reaction to the (sousaphone) feature was abject terror as the song was introduced to us as possibly the most difficult song we would ever play. After a while of practice, that terror turned to excitement. My favorite part of the feature was just playing the song. The sousaphone generally plays the baseline of a song, so being the part that everyone was looking at was something I had never experienced before."

-Lyrics by Colin Wiley (11)

Field Commander Mix ⊕

"I became junior field commander because I was interested in learning the inner workings of the marching band. When I found out that I got the position, I was excited. My favorite part of being field commander is learning and making solutes with the senior field commander, Cameron Kizlik. I also enjoy performing every Friday night. Being field commander has taught me a lot about marching band and music."

-Lyrics by Poling (11)

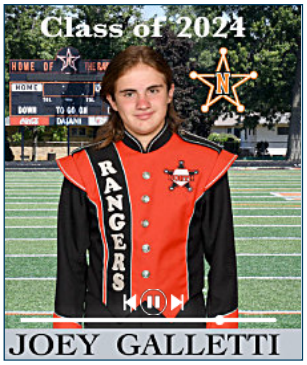

Bass Guitar Mix ⊕

"I was surprised to learn about the bass guitar features as we usually do not have any kind of pit. My favorite part of being featured was just getting to play the bass since it is different from what we normally do. “Jailhouse Rock” by Elvis Presley was my favorite song to play because of the walking bass line or continuous quarter notes during the song. I am glad I got to end my senior year with an exciting feature."

"I Think I Found Myself a Cheerleader"

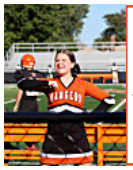

This freshman cheer team's positive attitude and unwavering dedication have made them an important part of the school community. We can't wait to see what the future holds for these young cheerleaders. With their determination and passion, they are great school ambassadors. Some of them shared their favorite memory from this season, which included the Homecoming game, when North played Madison, cheer camp, and so much more.

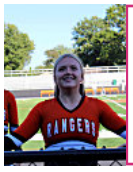

Alexandra Kelbach (9) and Emma Nagel (9)

What is your favorite memory from this season?

"My favorite memory was cheer camp because I got to meet everyone and get to know them."

Number One, that's right!

This year the varsity cheer team competed in the 13th Annual Cheerleading Challenge, where they placed 1st overall. They competed against schools like Mentor, Lake Catholic, and others in the surrounding area. The team included seniors: Sophia DiCillo, Ella Zappola, Olivia DeCamillo, and Aysha Nkhuwa; juniors: Leah Damberger, Alana Albanese, Annie Gillespie, Cadence Hensel, Heavin Hanley, and Jenna Blackburn; and sophomores: Cara Caldwell, Rylee Smith, Holly Mosnik, and Adriana Floran.

Rival Game Eve

Every year, the night before the North vs. South game, the cheerleaders come together to decorate the football team's locker room. It was decorated with orange and black balloons, streamers, markers, and baskets for the seniors help to get the men of North ready for the game!

Volleyball's Biggest Hits

Two games this season stood out to the JV team. The first game was the North vs. South game where the girls dominated. It had been a few years since the team defeated South, and they were excited to win. The second game that stood out to the girls was in honor of former volleyball player, Jelena Grmaca, who passed away. Even though the girls on the JV team never knew her, it was a special moment for all of them to celebrate her.

We Play For Jelena

Jelena Grmaca, a former volleyball player, fought a long battle with an aggressive childhood brain cancer, DIPG. Jelena passed away on March 19, 2022, and continues to play a huge role in the North Volleyball program to this day. To honor Jelena's memory on her 16th birthday, the volleyball team played for her and came out with a victory against a very tough Chardon volleyball team. Gianna Latini (11) described Jelena as "a sweet, caring, strong, genuine person who was able to put a smile on everyone's faces. She always had unconditional love for her family, friends, and volleyball." She was a great teammate and friend all in one!

All Records Are Meant to Be Broken

Senior Jaiden Anderson achieved an amazing accomplishment: breaking the North Volleyball record for career setting assists! She recorded an amazing 1,696 assists during her time at North, while surpassing the previous record of 1,260. Anderson said, "when I found out I broke the record I was ecstatic because it felt like such an accomplishment. I worked really hard these past four years, and I feel that being at the top of that record board makes me really proud and will keep me as a part of North Volleyball."

"Can You Dig It?"

During Samantha Cantrell's senior year at North, she achieved 1,000 digs! She earned her 1,000th dig in the final game of the season, which was a playoff game against Mayfield. This is an amazing achievement! Cantrell said, "I found out I got my 1,000th dig while I was sitting in the locker room with my teammates after my last high school game ever. It was a great feeling to hear that I earned my 1,000th dig after four years of hard work, and having my teammates and coaches celebrate for me was a bittersweet ending to a great four years of volleyball with some of my favorite people ever!"

When asked how it felt as a freshman on varsity, Lacey Staska (9) responded, "At first I was nervous and didn't know what to expect, but the girls were all so welcoming and supportive. This season definitely challenged me, but I'm so grateful I got the opportunity."

When asked how it felt to close out her senior season, Cameron Welty (12) said, "It feels bittersweet, but I'm also excited for what's to come. I'm confident in the underclassmen to carry on our legacy. I have loved all of the ups and downs through these last four years, and I'm beyond excited to continue my journey playing volleyball at the University of Mount Union!"

When asked about her feelings about her astonishing invitation to the Ohio Varsity Underclassmen Showcase, Morgan Petrecca (10) stated that she was "honored to have this opportunity and to represent North."

Friday Night Lights

Friday Night Football is an American tradition that brings students together. In the student section, every grade is invited. Our student section supports all of our football, cheerleading, and band members. The event opens the door for more involvement in school spirit because three leaders pick the themes. The themes change every year; however, the orange and black stays. At North there is a deep-rooted rivalry against South, and every year the theme is orange and black when North plays against South. It is the biggest game of the year, and this year the Rangers took the victory over the Rebels.

Francesco Gjinplaku (12) said his favorite theme was Red, White, and Blue because he got to wear his Albanian flag as the red.

Ella Zappola (12) said that her favorite theme was Yellow and Red to support Jack Sawyer.

"Welcome to New York" (North's Version)

The City that Never Sleeps

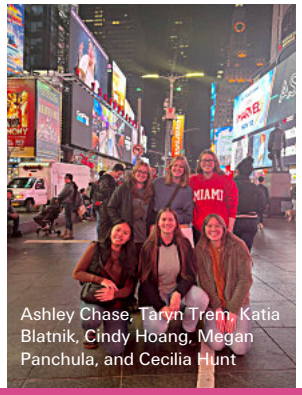

After four years without a senior trip, this year North brought it back! The seniors chose to go to one of the biggest cities in the world, New York City. A total of 41 students went to see everything the city has to offer, including Times Square, The Hard Rock Café, the Natural History Museum, The One World Trade Center, 9/11 Memorial, and so much more. The group stayed there for three days. Some of the most memorable parts included seeing the city at night, seeing The One World Trade Center Observatory, and also visiting Central Park, which is the location of the John Lennon Memorial. Overall, the group of seniors had a blast visiting The Big Apple.

"It's Been Waiting for You"

After a very long eight hour bus ride, the first stop was Times Square, where students toured the Hard Rock Café, Rockefeller Center, and all the stores Time Square had to offer. Some of the most famous stores included the M&M Store, Hershey's Chocolate World, The Lego Store, Disney Store and so much more. Tyler Majors shared, "I will never forget the times walking around Times Square at night with all of my friends." Ashley Chase described her experience in Times Square as "Bustling." Everyone who had the chance to attend will always remember this trip.

Girls Varsity Vibe

Alexandria Hamilton (11) has been playing basketball since she was five years old and is a well-rounded player due to her experience. As she reflected on this past season and the seniors that are graduating, she mentioned Katie Bucy and how "playing without her on the court is not the same at all." Even though some of her closest teammates are graduating, Hamilton anticipates next season saying, "I am really excited for it to be my senior season and be able to play with Kaitlin again." She is ready to lead the team and take on a new season with a new team.

Senior Night

In addition to clinching the WRC title, this year's Senior Night was one the boys will remember. As the Rangers reflect on the season, they look back on the best memories that were made. All of the seniors had a similar response that their favorite memories from the season were both winning the WRC Conference Title and beating South in both of the rivalry games. As the seniors look back on their years at North, they all agreed that this was a season that they will never forget.

"Victory for North High"

The North Rangers did not just beat the South Rebels once, but twice during the regular season. The first game was at South with a final score of 68-54. Then, they played at home with a final score of 65-61. The Rangers truly overpowered the Rebels. Junior Nathan Tadiello reflects on both games: "Beating South twice felt really good, especially since we haven't done that for at least 10 years and this is something we have been working at all season." To add to the rivalry, the WRC Conference was on the line. North had to win in order to stay in the running for the number one seed to later play Mayfield for the conference title. The team collectively agreed that the goal was not to share the title, so beating South was a must. Senior Bryce Frasure explained the importance of the game: "It was a super important game because it put us two games ahead in the conference, and we needed this win to have another chance to secure the number one seed in the conference."

Solo and Ensemble is a local competition where band and choir students can either perform a solo or in an ensemble with other people. On the day of the competition, students perform for a judge where they are ranked on things like technique, intonation, tone, and interpretation. Students are then given a rank one to five: one being the highest and five being the lowest.

Joscelynn Carrigan (12) and Kaylynn Putzbach (12) have both been part of the swim team for three years, and this was Ryan Oliver's (12) second year. When the seniors were asked about what they liked most about being on the swim team, Carrigan said, "Since nobody really knows we have a swim team, our team is pretty close." Oliver said, "When I was chasing Chris in the pool, the coach was laughing at us hysterically. That was definitely one of my favorite moments." Then Putzbach said, "I think how close our team got. We went to Top Golf and we did things outside of practice, and I think the success and happiness we built in our team is really important."

Playing Next: Wrestling

This year Coach Jeremy Clarke joined the team. He plans to continue to promote the program and recruit students in the hallway to boost the numbers in the wrestling room. Clarke was asked about his team and he said, “We have a super young team, but we have experience and we have room to grow.” Overall, the wrestling team had a successful season with Dylan Preston winning the WRC title.

"My overall experience as a wrestler this year has been hands down the best I've had so far. My teammates are great as well as my coaches. I'm pushed everyday to do my best and handle business. I faced a few challenges this year, such as North's Matteucci Memorial Tournament and the Riverside Rumble, but I brushed them aside and took them as learning moments. My favorite match by far would have to be the North vs. South match. What I do to prepare myself every time before going on the mat is getting warmed up, clearing my head, and thinking 'what are you going to do on that mat?' What I want to improve on is my speed and sharpening my best moves while drilling others. I also want to improve by working harder, getting stronger, and becoming smarter."

I love being able to show up and see all my friends. I also love that it gives everyone another dance to look forward to after homecoming but before prom."

Paylin Oostdyk (9), Amaya Majette (9), Sophia Petro (9), and Ava Mitchell (9)

Some of the highlights of winter formal included getting ready with friends and having fun on the dance floor. "My favorite part of winter formal was getting dressed up and dancing all night with my best friends," said freshman Paylin Oostdyk. Nevaeh Martin (12) also shared that she "had the best time dancing with my friends."

Peter Meros (12), Samantha Cantrell (12), Adriana Brenner (12), Matthew Dupnock (10), and Jaiden Anderson (12)

The music at winter formal made the night even more special. Adriana Brenner (12) said her favorite part of the dance was "when my whole friend group got in a big circle and rocked back and forth together to the slow songs." Similarly, senior Alyssa McPeek said, "my favorite part was definitely dancing around and singing with my friend group all night."

"We're All in This Together"

Nathan Sagendorph (10) said his favorite part of baseball is celebrating a win with his teammates by listening to music and messing around on the bus. One challenge the team faced was not working together as a team. At the start of the season the team struggled to work together, so they weren't hitting or playing well. However, by the end of the season, the team figured out how to play as a team and it resulted in several wins to close out the season.

Topping the Hilltoppers

Led by Junior Tyler Leasure, the Rangers rallied to score 17 runs in a 5-inning run-rule victory over Chardon. This was the first win for the Rangers after a slow start to the season. Leasure had a team high of 4 RBIs. He said, "Winning against Chardon was a much needed boost for us after a challenging start to the season."

Senior Night Sean

On Thursday, May 2, 2024, the Ranger Baseball team took the field to celebrate their eight seniors. Senior Sean Register understood the assignment, going 3 for 3 at the plate with 3 RBIs. He helped to lead his team to a tough 12-10 win over the visiting Lake Catholic Cougars!

Clean Sweep

Following the huge win against Chardon, the Rangers continued to rally, sweeping North Olmsted in a double header. The boys scored a total of 23 runs that day. Junior Sawyer Piasecki went 3 for 4 and commented on his success by saying, "Every time I went up to the plate, I was just looking to do my job and go back side to advance runners."

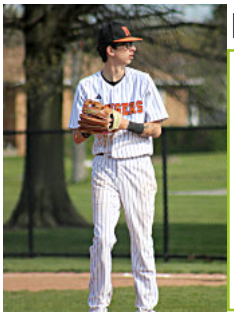

Breen Machine

Going 2 for 3 with 4 RBIs, Junior Jacob Breen helped lead the Rangers to a huge 7-5 win over the 2023 Division II State Champions, Kenston. Breen doubled in the first inning, scoring two runs and singled in the second inning, scoring one. He also led the Rangers on the base path with two of the teams 4 stolen bases. Breen reflected on the win saying, "It feels good to win. The bats were hot and we were getting hits at the right time."

Victorious Against the Vikings

The Rangers lead off batter, Devin Nix (12), led his team by going 2 for 3 at the plate in their win against Villa Angela-St. Joseph. He helped his team by driving in an RBI and being spotless in the field. Nix reflected on the game by saying, "It felt really good to contribute and help to get my team on the track to win, especially because I was in a little bit of a slump a few games prior."

Marsh Mayhem

Keegan Marsh (12) went the distance in the Rangers 4-1 win over rival South in their game at the Captain's Stadium. He pitched 7 innings only allowing 4 hits, no earned runs, walking 1, and striking out 6. Marsh said, "The win felt good knowing that we lost the first game to South. It felt great to get the last laugh with the team we have."

Brady Pennza (10) and Andrew Gunton (12)

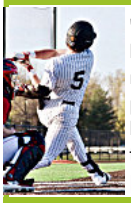

What is something you cannot play without and why?

"My contacts because I play bad with my glasses on."
Patrick Keough (11)

"I never talk bad about the other team because I don't want karma, and I always throw with the same throwing partner."
Sean Register (12)

"I cannot play without praying before the game. It helps to remind me to be gracious of the people and opportunities that have gotten me to where I am today. "
Braylon Rolf (10)

"Biofreeze because it helps with my arm pain, which has been bothering me for ages."
Hayden Prohaska (12)

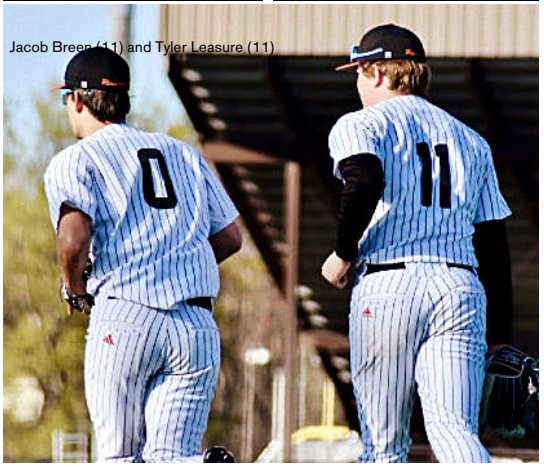

"I cannot play without my sliding mitt because it protects my wrist, which I broke twice."
Ashton Richardson (12)

"I can't play without my team. They are my family and brothers. We have been through so much together and always have each others backs."

"Down at Myrtle Beach"

Over Spring Break, the softball team traveled down to Myrtle Beach, South Carolina, to participate in some pre-season games. Not only is this a great experience for the girls to play different teams from different states, but it also allows for some great team bonding. While there, the girls went 4-2.

"The Winner Takes it All"

This year, the Lady Rangers had a remarkable season as they finished first in the Western Reserve Conference. The Rangers sealed the deal in a 2-0 win over Riverside. This was a huge win for the senior heavy team as it was not only a big game, but it was also the last time the seniors would play all together. The girls had an amazing season finishing 19-8 overall and 9-1 in the conference. The last time the North Softball Team held a conference title was back in 2015.

Running All Over the Rebels

One of the biggest traditions the North softball team has is playing under the lights at Todd Field against their rival South. This year, the girls secured the win in a 11-1 run-rule. Every batter got a hit one through nine and the bats were hot! Lily Namestnik, Taylor Bard, and Breonna Preston all hit over the fence home runs. When asked how it felt to play in a game that big, Namestnik responded, "It was just an overall amazing game to watch and play in." Pitcher Amanda Dobida was backed by an outstanding offense and defense, but she went the distance to shut South down, only allowing two hits. Alyssa Hall hit a single to left field to send Alyssa McPeek to home, which ended the game in a walk off in the fifth inning. This was the last time all ten seniors got to play this annual North vs. South under the lights game together.

Dominating the Hilltoppers

This year the softball team was able to dominate the Chardon Hilltoppers twice. Due to strong pitching from Senior Amanda Dobida and multiple hits, this led the Rangers to a 5-2 victory at home and a 14-7 win at Chardon. This is the first time in over four years North Softball has beat Chardon.

Legally Blonde: The Musical

This year's spring musical was *Legally Blonde.* The play is based off of the 2001 book and film about Elle Woods going to law school to try to get her boyfriend back after he breaks up with her. After Elle finds out how the law can be used to help others, she discovers that she enjoys law school. She uses the information learned in class to help win cases. She finds out she doesn't have to change who she is to do something important.

Liv Erickson (12) and Victoria Lipnicki (11) played Elle Woods and Emmett Forrest in the musical *Legally Blonde.* When they were both asked about their favorite song to perform, both said "Take It Like A Man." In addition, Erickson also said "So Much Better" because it's her solo and she said she had a lot of fun with it. Lipnicki said her favorite part about the musical was the "Gay or European" scene because "it's funny and the song is very upbeat." Erickson's favorite parts were both "Chip on my Shoulder" and all of Act Two because "the courtroom scene is the most fun thing ever." They explained the process of preparing to perform in front of a live audience as chaotic and a lot of work, but in the end, everything went perfectly and they had fun throughout the entire process. Lipnicki commented "We are all light haired by law," while Erickson said "thank you to every single person who had any part involved with the show. The shows are so big, and we could not do it without every person doing their part. I also want to say, if you saw the show or the preview and you liked what you saw, maybe give drama a try; you meet so many new people, and you could never go wrong with joining drama."

In regards to playing live music in the pit for an audience, the following was shared: Chloe Carrig (12) said, "It was my first year in pit orchestra as a senior, but I could not be happier to join this year. I had so much fun in the pit with everyone, and it was so fun and different to play aux and sound effects!" Poling (11) said, "Playing shows all the way through was what made the shows fun. My favorite shows to play were 'What You Want', 'Whipped Into Shape', and 'Bend and Snap'!"

"Being the light lead for drama means having an important role in setting the scene, highlighting scenes, and enhancing the overall atmosphere of the performance through lighting effects. It involves technical skills, working closely with the director and other crew members, and it's a chance to shine behind the scenes and contribute to the magic of the stage." - Andrew Galletti (10)

PBIS Bash

On May 20, 2024, freshmen, sophomores, and juniors celebrated their last day of class before finals began with a bash, hosted by PBIS. Students could jail the teacher using Ranger Bucks so they could go outside to play games on the football field, run through inflatables, play jumbo sized board games, buy snacks, or just hangout outside on the bleachers. There were 3 food trucks providing donuts and coffee, ice cream, and snow cones. Jayne Fletcher (10) said her favorite part of the PBIS Bash was "hanging out with my friends and getting out of class." At the end of the day, there was a kick ball game between students and the staff.

Up Next:
Cedar Point Trip

Every year many students go to Cedar Point for an end of the year reward. Students from choir, band, math, and some science classes are able to attend. Adriana Floran (10) said that she was looking forward to the trip because she would was able to ride coasters with a friend who had never been to Cedar Point. Breonna Buchanan (10) shared that her favorite part was "getting to ride Valravn because it was super scary."

"A Night to Remember"

The prom theme this year was Enchanted Forest, which was voted on by the student body. The theme consisted of beautiful types of colorful flowers, twinkling lights, and lush greenery, which captured the enchantment and beauty of prom night. There was a flower wall set up for a cute photo opportunity and a sparkled back drop for the photo booth.

Elizabeth Gardner, Olivia Proctor and Molly Delaney

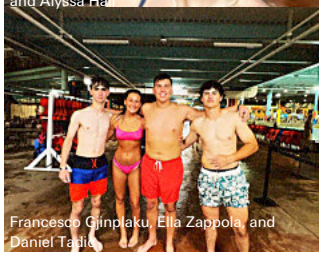

With every new prom season, there are new trends. This year's major prom trend was having a bouquet instead of a corsage. Both are very beautiful choices, as people tend to match their corsage or bouquet to their dress. Vanessa Anthony said she chose to go with a bouquet because she "think[s] it's a cute way to match prom dresses in a unique way instead of a corsage."

Amanda Bobida, Maya Schiciano, Cami Welty, Samantha Cantrell, Gianna Latini, Lola Taylor Bard, and Alyssa McPeek

After Prom

After Prom this year was held at Kalahari Resorts. The senior class left for the water park at 12:00am and stayed up all night enjoying the water park activities. Alyssa Hall said her favorite part of After Prom was "Going down the toilet bowl slide with all my friends and playing Laser Tag in the arcade area at Kalahari."

To begin the commencement, senior class vice president Sydney Wolf led the Pledge of Allegiance. Senior class president Alyssa Hall then gave a speech saying "I want to congratulate every graduate here on this incredible achievement. We finally did it and it has been such a journey." The class of 2024 had two salutatorians: Tyler Burgham and Cecilia Hunt, and three valedictorians: Cole Phares, Alexander Vitello, and Brian Wilson Jr. Both Phares and Vitello gave speeches. In his speech, Vitello said "After thirteen long years of school, we're finally here. It is an understatement to say our lives have changed during our time at school because truthfully, the majority of our lifetimes have been defined alongside a school setting. In fact, our lives have not just changed throughout these years, but they're developed from a virtually blank slate."

"With every broken bone, I swear I lived"

During graduation, Chorale sang "I Lived" by OneRepublic and "Homeland" by Grace Coberly.

"When I think of this class's future there's no uncertainty in my mind, each of you has a strength whether you think you do or not. If you don't, it is there, you just have to look, and I believe that this day is the beginning of that realization. So I'll say it again, be proud that you are here because the reason you are here is because you wanted to be here, so thank yourselves, and congratulations."

WE CREATED THIS YEARBOOK FOR YOU!

Our staff tried to make sure that we have created an inclusive yearbook with as few mistakes as possible. If you have any concerns about the book or recommendations for next year, please put them in writing, suggest a way to solve the problem, and bring them to the yearbook room. Please remember this yearbook is created by students for students. We try to make it great, but it is not a professional publication. Although we have made every attempt to make this an accurate account of the year, some errors are bound to occur. It is our hope that, as a student, you will share with staff members what you like about the book.

Sincerely,
Mrs. Fryman and the 2024 Yearbook Staff
