

**Mountview Middle School
Summer Reading Program
Optional Note-taking Sheet - Fiction**

Student Name: _____ Entering Grade: _____

Directions: In September, students will be asked to share, both orally and in writing, their favorite book that they read this summer. Although no written assignment is required to be passed in at the beginning of the school year, we are providing note taking sheets for both fiction and non-fiction books that students may find helpful to keep track of their reading. Upon their return to school, students will have a brief assignment where they will share their favorite book, and they will be asked to include direct quotations. Therefore, it is advised that students have access to the text or fill in the note taking sheets if this is not an option. **(You may make a copy of this document and type directly into it, or you may print it off and handwrite the information on white lined paper.)**
