### By Special to the Intermountain Catholic

In honor of Catholic Schools Week, which was Jan. 26- Feb. 1, the St. Olaf Catholic School community in Bountiful collected 2,107 individual donations, including 863 pounds of food for the food pantry at the Center of Hope in North Salt Lake and a large donation of toiletries, pet food and household goods for fire victims in Los Angeles. These were given to Annie's Crepes and Cakes in Bountiful to be distributed in California. Additionally, the school's eighth-grade leaders assembled food kits for Catholic Community Services. Shown are some of the items donated to the Center of Hope.
