Re: Off Campus Privileges / OFF CAMPUS ID/ School Year 2025- 2026

Leaving campus is a unique privilege for juniors and seniors and with the privilege comes responsibility. Please reinforce with your child the importance of being safe, courteous, and accountable. All students that drive off campus are expected to drive safely and slowly, obey all signs, wear their seatbelts, keep their audio systems turned down and above all use good judgement while on campus.

To leave campus for lunch, Daytona State College (DSC), On the Job Training Periods (OJT), off campus online VOL/FLVS classes, and/or Senior Shortened Day (SSD) students must adhere to the following:

- A consent form signed by parent/guardian and kept on file at the school for the student to leave early
- Payment of \$20.00 for off campus privilege (yearly)

For **SSD/OJT/DSC or VOL/FLVS** students please check the appropriate box below:

- SSD** – Senior Shortened Day (additional criteria and form needed)
- OJT** – On the Job Training (additional criteria and packet needs completed and approved)
- DSC** – Daytona State College (currently enrolled)
- VOL/FLVS** online classes (off campus options available)
- OFF CAMPUS LUNCH ONLY**

ONLY for **off campus lunch** the following criteria must be met:

- Must have earned an unweighted 2.5 GPA or higher
- If a student has 10 or more tardies/absences combined for the class period after lunch, their off-campus lunch privilege may be revoked.
- You may not transport a student off campus who is not eligible for off -campus privilege. No students can be in the trunks of cars, hiding in the back seat etc. First offense will be revocation of drivers off campus privilege.

With your help we can ensure a safe environment at Seabreeze High School. Please know that, if your child has their privilege suspended or revoked for one of the above reasons, refunds will not be provided.
