Subject: Consent/Waiver Form for COOP Athletics for 2025-2026

By signing this consent form your son/daughter has your permission to participate in COOP athletics, which allows your child to practice and play in games. This is also a waiver to remind parents/guardians that the public school COOP sports do not mandate coaches, assistants, or volunteers to receive Safe Environment training.

Virtus Protecting God's Children® for adults two hour live training is offered through our Catholic Schools to all coaches, assistants and volunteers of the Coop schools; however, we are not able to mandate their attendance.

You agree to assume all risks associated due to your child's involvement in competitive sports, practices, games and/or travel to and from said public school COOP activities.

You agree to hold harmless Rochester Catholic Schools, Lourdes High School, or anyone acting on its behalf as a coach, a coaching assistant or administrator harmless in the event of a violation of the Safe Environment program while participating under the supervision of the public school COOP.
