Scope & Sequence Structure by Quarter

Please note that the customization changes to the description of Domains and Big Ideas are noted in the justification document.

Domain Three domains structure the overall framework for Secondary English Language Arts Standards: Language, Texts, and Practices. Cherokee County School District has adapted the domains' associated Big Ideas to match the rigor and responsibility that define our literacy instruction.

Big Idea Each domain is organized into Big Ideas that serve as overarching goals for student learning across grade levels.

Standard: Standards represent specific knowledge and skills that students should learn or master across grade bands.

Expectation: Standards are broken down by grade level through expectations. **Grammar, Usage, and Mechanics expectations in bold should be mastered by the end of the grade level.**

Language Domain (K-2, 3-5, 6-8, 9-12) Students learn and apply the structures and conventions of standard English. Students analyze how grammar works in reading and writing. Students expand vocabularies and determine word meanings as they relate to reading and writing.

Grammar Conventions Cherokee County students observe, analyze, and use the structures and conventions of Standard English grammar, usage, and mechanics as they interpret and construct texts.

Vocabulary Cherokee County students engage in a wide range of written and spoken activities during which they expand and deepen their vocabularies, build word analysis skillsets (morphology), and determine or clarify the meanings of words and phrases

Texts Domain (K-2, 3-5, 6-8, 9-12) Students think critically and creatively as they develop the knowledge and skills to actively engage with a variety of texts.

Context Cherokee County students investigate the relationships between authors, purposes, and audiences of texts, and analyze the influence of contextual factors.

Structures & Style Cherokee County students analyze and use organizational structures and styles to shape ideas and information.

Techniques Cherokee County students evaluate and apply various techniques to comprehend and shape meaning.

Research & Analysis Cherokee County students use, discuss, analyze, and curate texts as they engage in various conversations, activities, and projects about a range of grade-level texts and topics.

Periods & Movements Cherokee County students demonstrate knowledge of dominant themes, genres, and verbal styles of literature from a particular time period.

Practices Domain (K-12) Students engage routinely in four literacy practices that ground, shape, and inform the expectations of the Foundations, Language, and Texts domains.

Engagement & Intention for Comprehension & Composition (EICC) Cherokee County students develop personal and academic identities as readers and writers, approaching texts for a variety of tasks and purposes and engaging in reading and writing processes in order to deepen comprehension and strengthen composition.

Situating Texts (ST) Cherokee County students develop and apply a multilayered understanding of context, author, audience, and purpose to ground and propel the interpretation and construction of texts.

Author's Craft (AC) Cherokee County students apply knowledge of author's craft to enhance the interpretation and construction of texts.

Collaboration & Presentation (CP) Cherokee County students build and share knowledge as they engage with others in a range of settings and for a variety of purposes.
