The quizzes and incentives are for employees only and are based on topics that are related to good health practices. The incentives are funded from wellness savings through the benefits provider.

If these are being funded by the benefits provider, why are we seeing these expenses from the district? What items are being purchased from Sams Club?

The funds are held at the district in a dedicated gift/donation fund and this is why they are paid through HUSD Accounts Payable. The items purchased for the quizzes were beach towels and sunscreen.
