Student Support Services Referrals/Comments	

****This plan is part of the CSU/GETC GE transfer pathway and offers only an FCC certificate. Math course choice coincides with major choice. Please meet with a HS or FCC counselor for complete major requirements and university admission criteria. All IGETC courses must be passed with a C grade or better for credit with UC schools.**

I have been advised to the course(s) of study necessary in reaching my stated goal. If I change my goal, I am to see a counselor to revise/update this student education plan.
