

COMMUNITY KICKBACKS

The Pittsburgh Public Schools Board of Directors has voted to hold a series of public hearings related to proposed building closures outlined in the Future-Ready Facilities Plan. For a schedule and more info about public hearings visit us at pghschools.org/publichearing.

In addition to these hearings, the District will gather input on the current draft of the Future-Ready Facilities Plan and collect feedback to inform transition planning should the Board approve a final plan. Stakeholders are invited to share their input through community conversations, surveys, and in-person engagements across various neighborhoods—including our **PPS Community Kickbacks**!

While you're there, you can also:

Enroll your child for the upcoming school year...

Register for the PPS summer reading program...

Learn about job opportunities with PPS...

Enjoy food, music, and good vibes with the PPS Crew...

...and much more!
