

# Post-Results Services

## Information for Candidates

On Results Day, if your grade is not what you were expecting, or you do not receive the necessary grades you need for 6th Form, college, or university, please refer to the guidance below:

### Access to Scripts (ATS)

- Speak to your subject teacher or Head of Department if you would like them to access your script(s).
- This is a free service that will help your teacher advise you if you should apply for a Review of Marking (ROM).
- See the Exams Office to complete a (blue) candidate consent form.

### Review of Marking (ROM)

- Please note this is not a re-mark.
- If you decide to go ahead with a ROM, you must see the Exams Office to complete a (yellow) candidate consent form.
- Please note that only if a ROM leads to an overall subject grade change is there no follow-up cost. Otherwise, there is a cost per script (costs overleaf for reference). School will cover these costs if the ROM has been agreed with your teacher. If you would like a ROM against your teacher's advice and it does not lead to an overall subject grade change, you will be invoiced for the costs.
- **Please note that there is no grade protection for reviews of marking.** This means that your marks and subject grades may be lowered, confirmed, or raised as a result.

All Post-Results Services documents can be found on the school website by navigating to **STUDENTS – Examinations**.

Please give your signed Candidate Consent Form/s to a member of the Exams Team or email to the Exams Officer, Jeanette Proctor at [Proctor.J@stowevalley.com](mailto:Proctor.J@stowevalley.com)
