

How are we implementing PBIS Tier 1 at Edison?

Edison Elementary uses a Tier 1 PBIS system using SOAR. Students are Safe, take Ownership, have a growth Attitude, and are Respectful and Responsible on a daily basis. Students recite the SOAR promise every morning during announcements. Students are expected to SOAR in every location of the school building and throughout their school day. Students are rewarded for their positive behaviors by earning dojo points, blue tickets, and student of the month.

PBIS Tier 1 goals this year:

- 100% of teachers use Class Dojo as a Tier 1 reward system and communication platform
- Teachers use class dojo data to analyze student behavior for quarterly incentives
- Implementation of Tier 1 systems with fidelity
- Teachers use Second Step to re-teach behavioral expectations
- Incorporate the Positive Energy Bus schoolwide
- Have quarterly energy bus assemblies

PBIS Tier 1 goals implemented this year:

- Continue to improve our Tier 1 systems and behaviors for majority of our students
- Continue to implement Quarterly Incentives
- 100% of teachers use weekly and monthly incentives to encourage more frequent positive behaviors
- 3-5 levels implement more reinforcing rewards to older students
- Gather more input from the community
- Send out a behavioral contract for school expectations and a personalized code of conduct
- Have each family sign off on behavioral expectations at school
- More community involvement and outreach for our Tier 1 systems
- Implementation of Zones of Regulation
- Reduce Suspensions
- School Wide Positive Energy Bus

Attendance Last Year:

84%

Attendance This Year:

91%

- Our goal next year is to continue to improve student attendance.

How are we implementing PBIS Tier 2 at Edison?

This was Edison's second year implementing Tier 2 systems. Tier 2 is aimed at students who do not respond to Tier 1 PBIS and need a more targeted intervention to promote positive behavior. Tier 2 has been focused on establishing effective interventions, putting at-risk students in interventions that match their behavioral needs, and monitoring student progress in these interventions. At Edison, we have SOAR some more, Kid Counselors, Mentoring with High School students, Check in, Check out, and Social Skill groups with the family liaison.

PBIS Tier 2 goals this year:

- Establish Tier 2 interventions
- Students not responding to Tier 1 interventions get placed in Tier 2 interventions
- Supporting students between Tier 1 and Tier 3
- Use EduClimber to monitor disciplinary data and make data-driven decisions

PBIS Tier 2 Focus this year

- Continue to implement and make our Tier 2 systems efficient and effective
- Strategic placement system of Tier 2 students
- 80% of teachers will use Tier 2 referral system for at-risk students
- More community involvement in Tier 2 systems and students: South students Mentoring Program, Kid Counselors Program
- Parent meetings for Tier 2 students

Tier 3 focus for next year and goals

- Establish Tier 3 team
- Implement Identification of Tier 3 students
- Establish and implement Tier 3 processes
- Implement systematic Tier 3 interventions
