POSITION: Speech Language Pathologist 10 MONTH

REPORTS TO: Supervisor of Special Education

LOCATION: Various Locations (Including home and community settings)

NATURE OF WORK:

This is a professional position to meet the individual needs of students through direct service and consultation to staff and families to support communication development and/or progress in the general education curriculum.

ESSENTIAL FUNCTIONS:

- Ability to professionally relate to and collaborate with co-workers, students, and community members
- Ability to understand and maintain confidentiality
- Ability to use technology effectively to complete tasks
- Ability to report to work daily and on time
- Ability to organize, supervise, coordinate and establish priorities of tasks to be completed
- Ability to work independently in the absence of detailed instructions and to follow complex oral and/or written instructions
- Ability to communicate orally or in writing, courteously and tactfully, with staff, students, parents, and the community in a timely manner
- Possess excellent time management skills and the ability to take initiative and make decisions within assigned responsibility in a challenging, fast-paced professional environment and be flexible in work responsibilities and hours
- Possess knowledge of the programs, policies, and procedures of the St. Mary's County Public Schools
- Ability to assess and evaluate student language learning needs
- Ability to develop long- and short-term learning goals and instructional supports

DUTIES AND RESPONSIBILITIES:

- Diagnoses student speech, language, and other communicative disorders through analysis of test results, observation, teacher consultation, and information from parents
- Writes assessment reports to effectively communicate results to families
- Develops and implements IFSP/IEP for students with speech/language impairments
- Consults with/coach teachers and parents regarding the various aspects of speech/language skills development and their impact on achievement
- Collaborates with staff and families to support the development of communication skills
- Serves as a resource person to families/school personnel in the development and selection of materials to address the needs of students in communication skills development
- Conducts work in schools, homes and community-based settings
- Maintains data on students in speech/language therapy
- Participates in IFSP/IEP team meetings for students having speech/language impairments
- Provides cohesive, well-planned lessons to address speech and language needs of students as they relate to the general education curriculum
- Supports parents/teachers in a coaching model to address ongoing language learning

- Completes transition assessments for children transitioning from Infants and Toddlers
- Completes logs for attendance and Medical Assistance
- Maintains individual student data to measure progress on IFSP/IEP goals and objectives
- Supports parents/teachers in a coaching model to address ongoing language learning
- Performs other related and nonrelated job duties as assigned

QUALIFICATIONS:

Required:

- Master's degree in speech pathology
- Must hold current Maryland License issued by the Board of Examiners or hold an historic credential issued by the Maryland State Department of Education for Speech Pathology.

TERM OF EMPLOYMENT:

Full-time ten-month position

SALARY GRADE RANGE: The salary for this EXEMPT position will be based on EASMC Specialist Career Ladder for ten-month employees.

BARGAINING UNIT ELIGIBILITY: EASMC
