Required Steps to Participate in MSHSAA-Sponsored Sports and Activities

We are excited to announce that the Rockwood School District has partnered with *FinalForms*, an online forms and data management service, which will replace our previous system (PRIVIT). *FinalForms* allows you to complete and electronically sign athletic and activity participation forms for your student. We are asking the parents or guardians of all students planning to participate in sports or activities to create an account in *FinalForms* and register their student(s).

Please register at <https://rockwood-mo.finalforms.com/> and follow the prompts to create your account and sign the required forms.

- Click here for the [Parent and Student Registration Directions](#). This information is also found in the Parent Playbook of your *FinalForms* settings. If you require any support during the process, scroll to the bottom of the screen and click “Get Help”.
- For MSHSAA-sponsored sports, a Medical Eligibility Form will be required for participation. Please take this form to your physician to fill out during the physical examination. Once complete, please upload Page 5 to *FinalForms*.
(Please note: Physical examination dates and forms will not transfer from PRIVIT.)
<https://www.mshsaa.org/resources/SportsMedicine/MSHSAA-PPE-MH-SSMB.pdf>
- Once you have completed your account, electronically signed all forms, and uploaded a current MSHSAA Medical Eligibility Form, your account will be changed to “Eligible” - highlighted in green in *FinalForms*. This means that your student is now eligible to participate.
- You will be required to sign your forms once per year or after any update to the system. Your account can be reviewed at any time to verify that it is current.

***** VERY IMPORTANT *****

Final Forms documents must be completed and submitted for verification by the Summit Activities Office no later than Monday, **AUGUST 4, 2025, to ensure participation in tryouts beginning Monday, **AUGUST 11, 2025**.**
