Note: Facilities may not be available due to maintenance		

* The Governing Board has granted the Superintendent and/or Administrative Designee authority to negotiate reasonable facility use fees outside of those listed above when doing so would be in the best interest of the District's goals or mission, or the request is for multiple use days, weeks, or months during the fiscal year.

**Police must be contracted directly with the appropriate police department if coverage is desired.

(c) District personnel hourly charges are based upon average hourly rates incurred plus benefit costs for opening, set up, and closing; with a 2-hour minimum per event.

(d) Additionally, a per day charge for deep cleaning after the event will be charged to comply with the District mitigation plan, if deemed necessary by the Director of Operations.

Pursuant to ARS §15-1105.E. proof of liability insurance is required for such use or lease of school property, in addition to any fees required. Third party liability insurance coverage may be obtained through Gather Guard https://app.gatherguard.com
