

Cuyamaca Outdoor School

Progressive Corrective Action Plan

Safety and wellbeing are the top priorities at Cuyamaca Outdoor School (COS). To ensure that every student feels safe and has the opportunity to be successful during their week at COS, students are held accountable for their own behavior and choices.

We hope and expect each and every child to make positive choices throughout the week to ensure that they - and their peers - can participate fully in their once-in-a-lifetime, fun, and engaging week at COS. However, if a student makes a poor choice and violates school and/or COS behavior expectations, even if prompted by others to do so, this Corrective Action Plan will be implemented. Any behavior violations not listed in this plan will be addressed on a case-by-case basis.

Please review this Progressive Corrective Action Plan with your child before their trip to COS.

We look forward to having a wonderful week at COS with your child!
