

SUMMER SCHOOL

The district's summer program of instructional offerings shall be for the purpose of remediation, enrichment **and retention of academic skills. Elementary students will have an open enrollment period in May of each year. Secondary students will be surveyed to determine interest in having a summer session. Secondary students needing to retake the HSPE will be offered a 2-week refresher course during the summer in the subject area of need. The summer program will be offered free of charge each year as long as the district is able to absorb the cost. In the event that it becomes necessary to charge a fee,** ~~Fees shall be charged to cover costs for which revenues are not otherwise provided. To the extent that the district can absorb the cost,~~ those fees may be waived or reduced for students whose families would have difficulty paying the full fee. The USDA Child Nutrition Program guidelines shall be used to determine qualifications for waivers or reduction. Priority in fee waivers and reductions shall be given to remediation courses. Parents shall be informed of the availability of any fee waivers or reductions in the notice of the summer school program. **The District reserves the right to cancel the summer program.**
