FROM: Emy Flores, Ed.D., Assistant Superintendent, Educational Services

PREPARED BY: Robin Gilligan, Director, Student Support Services

SUBJECT: **APPROVE/RATIFY NONPUBLIC AGENCY MASTER CONTRACT WITH SOUNDS SMART SPEECH THERAPY FOR CONTRACTED SERVICES FROM NOVEMBER 26, 2018 THROUGH JUNE 30, 2019**

Background: Nonpublic agencies support student educational programs through a variety of services, which may include occupational therapy, speech therapy, physical therapy, behavioral intervention, etc.

The rates for this nonpublic agency are as follows:

SLP	\$90/per 60 min
Group speech therapy (max 3 students)	\$50/per 60 min/per student
Speech-language evaluations	\$600/each
IEP meetings, consults, reports	\$90/per 60 min

Rationale: Nonpublic agency services are utilized when the District does not have the ability to have staff in the area of service. While we are able to provide most services from within, it is sometimes necessary to contract outside for certain specialized services.

A copy of this contract is available for review in the Superintendent's Office.

Funding: Total cost of this contract is to be in the amount of the individualized service contract and is to be paid from the Student Support Services General Fund (#710).

Recommendation: Approve/Ratify Nonpublic Agency Master Contract with Sounds Smart Speech Therapy for contracted services from November 26, 2018 through June 30, 2019.

DATE: December 11, 2018

TO: Robert Pletka, Ed.D., District Superintendent

FROM: Wes Kriesel, Interim Chief Officer & Director, Innovation and Instructional Support

SUBJECT: **APPROVE AGREEMENT WITH ANAHEIM HILTON FOR SERVICES RELATED TO FSD FEST ON APRIL 5 & 6, 2019**

Background: The Fullerton School District (FSD) has a well-established tradition of outstanding student engagement events including the annual robotics competitions known as Robot Nation, the District film festival and Innovation Experience, as well as events that were introduced last year, including the 6th grade Passion Agents Conference, the Spotlight Speakers event and the E-sports tournament. In the past, these events were held on different days and at different venues; this year, FSD will host these six signature District events plus arts showcase experiences over two days (Robot Nation, Spotlight Speakers, and Innovation Experience on April 5, and Passion Agents Conference, Esports tournament, and FSD Film Festival on April 6) at the Anaheim Hilton.

Rationale: FSD Fest provides a world class venue and conference experience which appeals to a wide range of student interests and passions through which they can deepen their understanding of their own talents, strengths and interests that has been developing through the districtwide PATHFinder initiative. This conference style event supports all sites as they develop their PATHFinder offerings to help students create meaningful connections to college, career and beyond.

Funding: Total cost not to exceed \$45,000 from the Unrestricted General Fund.

Recommendation: Approve agreement with Anaheim Hilton for services related FSD Fest on April 5 & 6, 2019.

STANDARD TERMS AND CONDITIONS

Assignment/Confirmation of Function Space: The Schedule of Events listed on the first page of this Agreement indicates the space that is tentatively being held for you and will be held on a definite basis upon signing of this Agreement by both parties. You agree to confirm with us the assigned function space before printing any materials listing specific meeting or function locations. If for any reason the function space reserved is not available for your Event, you agree that we may substitute space of appropriate size and comparable quality for your Event.

Banquet Services: The following mandatory timeline relates to final menus and program meal functions (if any):

- Given that food and beverage prices fluctuate in accordance with market conditions, menu prices for planned food and beverage functions will be established not earlier than **six (6) months** prior to your Event. At that time, we will confirm in writing your menu prices for your planned food and beverage functions.
- In order to confirm meeting room assignments, no later than **90 days** prior to your major arrival day, we require that you re-confirm your programmed meal functions and anticipated number of attendees. At that time, we will re-confirm in writing your Schedule of Events. After that date, the Hotel will release any meeting space in your Schedule of Events not assigned to a specific meeting or function for your Group. We may continue to hold such meeting rooms if you advise us in writing that you will guarantee payment of such meeting rooms to the Master Account. If you have not guaranteed such meeting rooms, you agree that Hotel may offer unused meeting rooms held on your behalf to other customers.
- At **90 days** prior to your arrival date, we will review the number of requests for room assignments that have been made by your attendees in order to compare your obligations herein with your actual likely performance. Should it appear at that time that the actual number of

attendees will fall below the attendance we expect based upon your reserved Room Block, the Hotel reserves the right to assign alternate meeting space commensurate with your reduced space needs as indicated by your attendees' requests for room assignments.

- Your Catering Manager will contact you at least **thirty (30) days** before your Event to review and re-confirm the details for your Event, including menus, decorations, entertainment and beverage service. We require that your final menu selections and room set specifications be completed and received at least **thirty (30) days** prior to your major arrival day.
- If for any reason your final menu selections and room set specifications are provided to the Hotel **fourteen (14) days** or less prior to your major arrival day, Hotel may, in our sole discretion, make Chef's Selections for food product based on your delayed submission of final menu selections, and you agree to accept such substitutions.
- Due to supply chain logistics that are out of the control of the Hotel including seasonal availability of product, holidays and weekends, if for any reason you do not provide the Hotel with your final menu selections and room set specifications at least ten (10) days prior to your major arrival day, the Hotel will assess an extra fee equal to \$1.00 per menu per person to offset extra costs Hotel may incur when placing expedited food product orders to Hotel's suppliers.
- Upon review of your final menus and Event requirements, Event Orders will be sent by Hotel to you within **five (5) business days** to confirm all final arrangements and prices, which Event Orders will serve as a part of this Agreement. If you do not advise Hotel of any changes on the Event Orders by the date requested by Hotel, you agree that the Event Orders will be considered accepted by you as correct and you will be billed accordingly.
- At least **72 hours (three days)** before your Event, you must inform us of the exact number of people who will attend your Event functions by contacting your assigned Event Manager by email or phone. Guarantees by text message cannot be accepted. We will not undertake to serve more than **3%** above this guaranteed minimum.

Supplemental Surcharges: Supplemental surcharges are charges added to your Master Account bill to pay for costs incurred by the Hotel in connection with additional equipment, administration, and staffing necessary for the Event. These surcharges will be solely retained by the Hotel and are not distributed to hourly or tipped employees. Examples include, but are not limited to, early sets, late end times, outdoor venues, resets, refreshes, cleaning and other service that require staffing above normal levels and/or services outside of the normal scope contracted and paid products and services.

Payment Terms: We require that you pay an initial deposit of **\$5,000.00** at the time that you sign and return this Agreement to us. You agree to pay the entire remaining balance of the estimated Master Account charges by cash, credit card or by certified check at least three (3) business days prior to your Event or by personal bank check no later than two weeks prior to your Event.

All charges can be paid by a major credit card that we accept. Please contact us for a then-current list of those major credit cards that our Hotel accepts as of the Event dates. Currently, Hilton Worldwide accepts MasterCard, Visa, Diners Club, American Express and JCB International.

We reserve the right to check your credit status at any time before the commencement of the Event, and we reserve the right to increase the amount of deposits and/or pre-payments should there be a negative change in your financial status. You expressly consent to our conducting any such credit checks. If advance payments or deposits are not paid on a timely basis, the Hotel will have the right, at its option, to consider the Agreement cancelled and will be entitled to cancellation damages as provided in this Agreement.

If credit has not been approved for your Event, you will provide us with a valid credit card to which all estimated Master Account charges will be charged no later than **3 business days prior to arrival**. If credit has been approved, we request that you provide us with your credit card information at the time of your Event so that we may charge the credit card account at departure when you advise us of your approval of the Master Account bill. If any charges are disputed, you agree that we may charge the undisputed charges to the credit card account immediately and the remainder will be charged upon resolution.

If payment of all undisputed charges is not received within thirty (30) days after your receipt of the final invoice, a finance charge of 1.5% per month, or the maximum amount allowed by law, whichever is less, will accrue on the unpaid, undisputed amount, commencing on the date of receipt of the final invoice. If any charges are disputed, then the parties agree to work in good faith to resolve the disputed invoiced charges in a timely manner, and you agree to pay the remainder immediately upon resolution of the dispute.

Cancellation Damages: You guarantee that your Event will provide the Total Minimum Anticipated Revenue. You agree and understand that, in the event of a cancellation or lack of full performance by you, our actual damages would be difficult to determine. Therefore, you agree that should you cancel your Event for any reason other than due to a valid Impossibility occurrence, including changing your meeting/function site to another hotel, you will pay as liquidated damages and not as a penalty, a percentage of the Total Anticipated Revenue for your Event, plus any applicable state and/or local taxes as required by law, calculated as follows:

Date of Hotel's Receipt of Cancellation Notice	Percentage of Total Minimum Anticipated Revenue Owed	Amount of Cancellation Damages Owed
Cancellation between date of signing and 12/31/2018 :	25 % =	\$11,250.00
Cancellation between 01/01/2019 and 02/01/2019 :	50 % =	\$22,500.00
Cancellation between 02/02/2019 and date of arrival	100 % =	\$45,000.00

Total Anticipated Revenue for this Event is **\$45,000.00**.

Payment of cancellation damages is due within 30 days following your written notice of cancellation to us. We may consider your notice of cancellation to be invalid and thus may not release accommodations held until payment of the applicable cancellation damages is received; therefore delay in payment may result in higher cancellation damages owed.

Guarantee of Anticipated Revenue: If the Event is held, but the Hotel does not realize the Total Anticipated Revenue from your Event, you agree to pay damages to the Hotel for lack of performance. The damages owed will be the amount necessary for the Hotel to receive no less than **100%** of the Total Anticipated Revenue from your Event (exclusive of gratuities, service charges, supplemental surcharges, applicable federal, state or local taxes or any other fees outside of food and beverage product sales). You will be charged based on the Event guarantee that you give us or the Total Anticipated Revenue indicated at the time you signed this Agreement, whichever is greater.

Impossibility: Neither party shall be responsible for failure to perform this Agreement if circumstances beyond their reasonable control (including, but not limited to: acts of God; terrorist attacks in the city in which Hotel is located; or declared war in the United States) make it illegal or impossible for the Hotel to hold the Event. The affected party may terminate this Agreement without liability upon written notice to the other party within ten (10) days of the occurrence.

Indemnification: To the fullest extent permitted by law, you agree to protect, indemnify, defend and hold harmless the Hotel, Hotel's Owner, and Hilton Worldwide, Inc., and each of their respective owners, managers, partners, subsidiaries, affiliates, officers, directors, employees and agents (collectively, the "Hotel Indemnified Parties"), from and against any and all claims, losses or damages to persons or property, governmental charges or fines, penalties, and costs (including reasonable attorney's fees) (collectively, "Claim(s)"), in any way arising out of or relating to the Event that is the subject of this Agreement to the extent such any such Claim(s) arise out of the negligence, gross negligence or intentional misconduct of Group's employees, agents, contractors, or attendees. Nothing in this indemnification shall require you to indemnify the Hotel Indemnified Parties for that portion of any Claim arising out of the negligence, gross negligence or intentional misconduct of the Hotel Indemnified Parties. This section shall survive any termination or expiration of this Agreement.

Insurance: You agree to maintain insurance reasonably commensurate with all activities arising from or connected with your Event, including, but not limited to, general liability insurance, with limits not less than \$2,000,000 per occurrence, covering personal injury, property damage, and other liability arising from your Event, and you agree to add Hotel and Hilton Worldwide, Inc. as additional insureds under all applicable policies for your Event. With respect to any claims or other liability for which you are responsible, your insurance will apply as primary to any insurance maintained by the Hotel Indemnified Parties.

Please note that obtaining and maintaining appropriate insurance protects you by providing coverage to you by paying the Hotel for damages that occur during your Event and which you would otherwise be required to pay under the indemnification clause. For informational purposes only, single event insurance (sometimes called "private event insurance" or "special event insurance") may be available for purchase at reasonable rates, including from reputable online insurance providers. When purchasing single event insurance, you should select general liability and property damage coverage.

Hotel agrees to maintain general liability insurance with limits not less than \$5,000,000 per occurrence, covering liability for personal injury, property damage, liquor liability, and automobile liability, as well as Workers Compensation insurance per applicable laws and Employers Liability insurance. Upon written request, each party shall make evidence of coverage available to the other party. For hotels that participate in Hilton Worldwide's general liability insurance program, proof of such insurance coverage is satisfied by a Memorandum of Insurance available at: <http://www.marsh.com/moi?client=0291>. The Hotel can confirm whether they participate.

Governing Law: The Agreement will be governed by and interpreted pursuant to the laws of the state in which Hotel is located, excluding any laws regarding the choice or conflict of laws.

Dispute Resolution: The parties will use their commercially reasonable efforts to informally and timely resolve any dispute concerning any matter related to this Agreement by presenting the dispute to senior representatives of Hotel and Group for their discussion and possible resolution in the order set forth herein; *provided, however*, a dispute relating to patents, trademarks, trade dress, copyrights, trade secrets, and/or infringement of intellectual property rights shall not be subject to this provision. All negotiations pursuant to this section are confidential and shall be treated as compromise and settlement negotiations for purposes of applicable rules of evidence. If within a period of thirty (30) calendar days after submission of a disputed matter in accordance with this clause, the respective senior representatives are unable to agree upon a resolution of such dispute, then either party may give notice to the other party of its intention to pursue arbitration. Arbitration of disputes arising out of or in connection with this Agreement will be resolved using one arbitrator before JAMS or American Arbitration Association in the state and city in which Hotel is located, or the closest available location. The parties further agree that in any arbitration proceeding, they may conduct reasonable discovery pursuant to the arbitration rules, and any arbitration award will be enforceable in State or Federal court.

Collection/Attorney's Fees: The parties agree that if any dispute arises in any way relating to or arising out of this Agreement, the prevailing party in any arbitration or court proceeding will be entitled to recover an award of its attorney's fees and costs, plus pre and post judgment interest. If we retain the services of a collection agency or attorney to assist in the collection of any amounts due to us under this Agreement, you will pay all expenses incurred by us in such collection efforts.

Additional Terms & Conditions: By signing where indicated below, you are agreeing that in addition to the terms and conditions of this Agreement as outlined above, this Agreement is also comprised of all the general terms and conditions set forth in the Catering Sales Event Agreement – Additional Terms and Conditions (collectively, the "**Additional Terms and Conditions**") located on the following web site: <http://hiltondistribution.com/us-cateringsales/addlterms.htm>

Entire Agreement: This Agreement, together with the Standard Terms and Conditions (attached hereto and incorporated herein by reference), the above-referenced **Additional Terms and Conditions**, appendices, addenda and exhibits attached hereto (if any), upon signature by both parties below, constitutes the entire agreement between the parties and may not be amended or changed unless done so in writing and signed by the parties. If this Agreement or any attachments thereto are returned signed but with changes, it shall not constitute an acceptance, but rather a counteroffer by you that may be accepted or rejected in writing by us in our sole discretion. Once both you and we sign this Agreement, all provisions reserved on your behalf will be *confirmed* and therefore subject to the terms of this Agreement.

The undersigned expressly agree and warrant that they are authorized to sign and enter into this Agreement on behalf of the party for which they sign.

DISCUSSION/ACTION ITEM

DATE: December 11, 2018

TO: Robert Pletka, Ed.D., District Superintendent

FROM: Robert R. Coghlan, Ph.D., Assistant Superintendent, Business Services

SUBJECT: **APPROVE THE DISTRICT'S FIRST INTERIM FINANCIAL REPORT WITH A POSITIVE CERTIFICATION. PER STATE GUIDELINES, A POSITIVE CERTIFICATION INDICATES THAT, BASED UPON CURRENT PROJECTIONS, THE DISTRICT WILL MEET ITS FINANCIAL OBLIGATIONS FOR THE CURRENT AND SUBSEQUENT TWO FISCAL YEARS**

Background: The First Interim Report is one of three financial reports that school districts are required to report to the State and provide to the public annually. The report presents the results of actual financial operations through October 31 and the projected budget for the fiscal year for all District funds. A three-year projection for the General Fund is also included. The complete First Interim Report in the required State format, along with a descriptive narrative and comparative financial projections, is included for the Board's review.

Rationale: The District is required by Education Code to submit periodic financial reports to its oversight bodies. In order to judge a District's financial stability, these reports also include a three-year projection for the General Fund. The District is required to certify its financial outlook as Positive, Qualified, or Negative.

Funding: The District is showing in excess of the 3% required General Fund Unrestricted Reserve as of June 30, 2021.

Recommendation: Approve the District's First Interim Financial Report with a Positive Certification. Per State guidelines, a Positive Certification indicates that, based upon current projections, the District will meet its financial obligations for the current and subsequent two fiscal years.

Subject: First Interim Report

The District's First Interim Financial Report consisting of current year financial statements and budgets for all funds, as well as the required State reports, is attached. This memo provides a narrative overview of the report.

Background

The District is required to formally report to our community, the Orange County Department of Education (OCDE), and the State of California our actual financial results of operations three times a year. In addition to providing July 1 through year-to-date results, the reports also provide projected results for future periods. The required reports are as follows:

<u>Report</u>	<u>Reports Actual Financial Results through:</u>	<u>Due Date:</u>
First Interim	October 31	December 15
Second Interim	January 31	March 15
J-200 Unaudited Actuals	June 30	September 15

Financial Reports Included—First Interim Report to Board

The following reports are provided in this document:

- First Interim Budget Projections (showing the Original Adopted Budget and the revised First Interim Budget)
- First Interim State Report (SACS format)
- Multi-year Projections
- State Criteria and Standards

Year-to-date financial statements reflect actual financial results from the District's accounting system, which is maintained through OCDE on the Bi-Tech accounting system. For the First and Second Interim Reports, results are on a cash basis (no accruals are booked). Accruals are recorded for the year-end financial statements.

Current year budgets and multi-year projections are based on information provided by OCDE, the California Department of Education, School Services of California, and other relevant professional sources. A summary of the various factors used is attached at the end of this memo. Additional discussion is provided below.

Current Year Budget

At First Interim, the District updates its original 2018-19 budget (adopted by the Board of Trustees on June 19, 2018) to reflect current financial projections.

There are four material changes to the budget reflected in the First Interim: a decrease by \$2,064,830 in the estimated amount of Mandate Reimbursement one-time funding to be received, an increase in LCFF revenue, a decrease in salaries due to a reduction in staff and open positions, and a decrease in various line item budgets due to revisions to the budget since June.

Mandated Cost Reimbursement Revenues: In the final adopted budget, the Legislature, for the fifth year in a row, adjusted the anticipated one-time appropriation for a payment to be made to all districts meant to buy down prior year mandated cost claims owed to the districts. The District previously estimated this at \$344/ADA (Average Data Attendance), but at adoption, this was decreased to \$184/ADA. After passage of the final State budget, the new estimated amount for Fullerton School District (FSD) is \$2,375,763. This amount has been adjusted in revenue for 2018-19.

Salaries: The original budget was prepared on the assumption of no change in full-time-equivalent (FTE) teachers. At the end of 2017-18, the District offered a PARS, which 34 teachers accepted. The teachers that were hired to replace the retired staff came in at a lower cost than anticipated. There were also adjustments made for vacancy positions.

Routine First Interim Budget Adjustments: In addition to the non-routine items noted above, the District reviews all of its accounts and has adjusted its First Interim budget projections to reflect the following:

- Based upon current enrollment data, the District may adjust its revenue accounts that are based on Average Data Attendance (ADA). If start-of-school enrollment is materially different from budget projections, revenues will be recalculated based upon updated ADA projections. Second month enrollment totaled 12,996—295 less than second month enrollment for the 2017-18 school year. In the case of declining enrollment, the State “holds harmless” a District for the first year, allowing the District to claim the (higher) prior-year ADA for apportionment funding. Therefore, the District is still using 2017-18 Second Period ADA of 12,954 in its enrollment projection in the First Interim budget. The effect of the 2018-19 declining enrollment is reflected in the 2019-20 projection (Discussed further below).
- Categorical revenue accounts updated to most recent grant/entitlement letters and other information received from the State and federal governments. Corresponding expenditure accounts are also adjusted accordingly. Indirect costs are updated to reflect changes in total estimated expenditures.
- Other income accounts analyzed and adjusted to reflect year-to-date receipts and estimated year-end amounts.
- Revenues and expenditures of programs that receive contributions from the General Fund updated to current projections and encroachment accounts adjusted accordingly.
- Salary and benefit accounts adjusted to reflect updated staffing levels and changes to benefit costs, including health insurance costs.
- All expenditure accounts analyzed and adjusted to reflect year-to-date expenditures and estimated expenditures to finish the year.

LCFF: The District projected its LCFF revenue for the June budget based upon factors published in the Governor’s May Revise. The final budget approved by the Legislature in late June did have an increase in COLA. This resulted in an increase of \$430,987 in 2018-19.

At the original adopted budget, the District projected an Unrestricted General Fund net loss for the 2018-19 fiscal year of (\$2,900,046). After all of the above adjustments, the 2018-19 updated First Interim budget reflects a net decrease of (\$782,327).

The revised unrestricted ending balance is projected at \$31,016,146, or 21.65% of the General Fund expenditures which includes \$4,000,000 of assigned reserves and \$4,297,617 reserve for economic uncertainties. This amount is \$26,718,529 above the State-required 3% reserve.

Multi-Year Projections

The most important element of the First Interim Report is the three-year projection for the General Fund. In this forecast, the District projects its financial prognosis for the current and subsequent two years. The purpose of the projection is to report to its stakeholders on the continued fiscal viability of the District. The projection provides the rationale for the District's choice of certification options (Positive, Qualified, or Negative) on its Certification of Financial Condition.

Please refer to the attached summary for details of the significant variables and assumptions used in the preparation of the District's three-year projection.

The following discusses the most significant items in the three-year projection:

LCFF: The District is utilizing the Department of Finance's estimated COLAs and LCFF Funding Rate percentages.

Fullerton School District is reporting a 52.65%, 53.48%, and 53.48% Unduplicated Percentage of enrollment for 2017-18 through 2019-20 based on a rolling three-year average.

ADA: Based upon the 2018-19 drop in enrollment, the District is projecting a decrease in apportionment earning ADA of 282 in 2019-20. There is currently a projected decrease of 100 ADA for 2020-21.

Mandated Cost Reimbursement One-time Revenues: One-time revenues and related expenditures are adjusted for in the three-year projection. No additional one-time revenues are projected after the 2018-19 budget year.

Employee Compensation: Normal ongoing step and column increases are included in the three-year projection. There is no adjustment for salary change in the three-year projection. Also in 2019-20, the budget projection includes \$1,237,362 for projected increases in STRS and PERS rates to be paid by the District. An additional \$801,664 is added in 2020-21.

Budget Additions/Decreases: \$312,000 in additional costs for the Dual Immersion program at Raymond and Pacific Drive have been added to the 2019-20 and 2020-21 projections. The budget includes approximately \$644,000 for attrition in 2019-20 and 2020-21 projections. No other budget augmentations, other than routine inflationary increases, have been added.

Items Not Yet Accounted for in Three-year Projection

Negotiated Increase to Employee Compensation: The District has not reached agreement with the Fullerton Elementary Teachers Association (FETA) or California School Employees Association (CSEA) bargaining unit for 2018-19. Therefore, no additional amount has been added into the projection.

Ending Fund Balances

Taking into account all of these changes to the three-year projection, the District projects net decreases in the current and subsequent fiscal years in the Unrestricted General Fund. The projected Unrestricted General Fund ending fund balance percentages are as follows:

Fiscal Year Ended	*Available Funds Percentage	Assigned Funds Percentage	Total Percentage
June 30, 2019	18.86%	2.79%	21.65%
June 30, 2020	17.76%	2.87%	20.63%
June 30, 2021	14.78%	2.80%	17.58%

*Available Funds include Unassigned Funds and 3% Minimum Reserve for Economic Uncertainties.

Required Disclosure under Education Code section 42127(a)(2)(b) regarding reasons for Ending Fund Balances above the State-recommended minimum level

Education Code section 42127(a)(2)(b) requires a statement of reason that substantiates the need for assigned and unassigned ending fund balances in excess of the minimum reserve standard for economic uncertainties for each fiscal year be identified in the budget.

The Board of Trustees of the Fullerton School District currently maintains a prudent reserve which provides for anticipated future expenditures for technology, instructional materials, and other necessary instructional expenditures. The District must also have funds available to mitigate the costs of declining enrollment to the District. Additionally, the reserve is maintained to provide for unplanned or emergency expenditures that might occur in the future. The District must also plan for future facilities needs. Finally, the District must plan for future downturns in the State economy which could negatively affect the District's budget.

Projected Unrestricted Ending Fund Balance:

	Unassigned	Assigned	3% Minimum Reserve	Amount Above 3% Minimum Reserve
June 30, 2019	\$22,718,529	\$4,000,000	\$4,297,617	\$26,718,529
June 30, 2020	\$20,612,924	\$4,000,000	\$4,189,812	\$24,612,924
June 30, 2021	\$16,881,572	\$4,000,000	\$4,298,015	\$20,881,572

Certification

Based upon current projections and budget assumptions regarding State funding and the District's financial condition, the District is certifying with a **Positive Certification**. Per State guidelines, a Positive Certification indicates that, based upon current projections, the District **will** meet its financial obligations for the current fiscal year and subsequent two fiscal years.

Conclusion

The First Interim Report is an important document in the District's ongoing communications to its stakeholders. The report and certification provide accountability and evidence of stewardship to our community.

CONSENT ITEM

DATE: November 13, 2018
TO: Robert Pletka, Ed.D., District Superintendent
FROM: Robert R. Coghlan, Ph.D., Assistant Superintendent, Business Services
SUBJECT: ACCEPT GIFTS AND AUTHORIZE DISTRICT STAFF TO EXPRESS THE BOARD OF TRUSTEES' APPRECIATION TO ALL DONORS

Background: According to Board Policy 3290(a), the Board of Trustees may accept any bequest, gift of money, or property on behalf of the District. Gifts must be deemed suitable for a purpose by the Board of Trustees and be used in an appropriate manner. However, it is the policy of the Board of Trustees to discourage all gifts which may directly or indirectly impair the Board of Trustees' commitment to providing equal educational opportunities to the students of the District. As indicated in the above-mentioned Board Policy, the District Superintendent approves gifts designated for a specific school for acceptance at that school. Descriptions of gifts presented for acceptance are included on the attachment. Gifts for specific dollar amounts are noted, non-monetary gifts are identified, and the donor is responsible for reporting the value to the Internal Revenue Service.

Rationale: The Board of Trustees of the Fullerton School District gratefully accepts monetary and non-monetary gifts from public and private entities. These gifts help reduce the costs of school materials, curriculum, and extracurricular student activities.

Funding: The funding received from gifts will be deposited in appropriate District funds.

Recommendation: Accept gifts and authorize District staff to express the Board of Trustees' appreciation to all donors.

CONSENT ITEM

DATE: October 9, 2018
TO: Robert Pletka, Ed.D., District Superintendent
FROM: Robert R. Coghlan, Ph.D., Assistant Superintendent, Business Services
SUBJECT: **ACCEPT GIFTS AND AUTHORIZE DISTRICT STAFF TO EXPRESS THE BOARD OF TRUSTEES' APPRECIATION TO ALL DONORS**

Background: According to Board Policy 3290(a), the Board of Trustees may accept any bequest, gift of money, or property on behalf of the District. Gifts must be deemed suitable for a purpose by the Board of Trustees and be used in an appropriate manner. However, it is the policy of the Board of Trustees to discourage all gifts which may directly or indirectly impair the Board of Trustees' commitment to providing equal educational opportunities to the students of the District. As indicated in the above-mentioned Board Policy, the District Superintendent approves gifts designated for a specific school for acceptance at that school. Descriptions of gifts presented for acceptance are included on the attachment. Gifts for specific dollar amounts are noted, non-monetary gifts are identified, and the donor is responsible for reporting the value to the Internal Revenue Service.

Rationale: The Board of Trustees of the Fullerton School District gratefully accepts monetary and non-monetary gifts from public and private entities. These gifts help reduce the costs of school materials, curriculum, and extracurricular student activities.

Funding: The funding received from gifts will be deposited in appropriate District funds.

Recommendation: Accept gifts and authorize District staff to express the Board of Trustees' appreciation to all donors.

SUBJECT: **AWARD CONTRACT TO RUG-ED PRODUCTS, INC., PURSUANT TO THE STATE OF CALIFORNIA MULTIPLE AWARD SCHEDULES (CMAS) CONTRACT NUMBER 4-18-00-0120A, FOR THE PURCHASE OF NON-INFORMATION TECHNOLOGY COMMODITIES**

Background: The California Multiple Award Schedules (CMAS) contracts are established using products, services, and prices from already existing competitively assessed and cost-compared multiple award contracts. The products, equipment, services, and prices are occasionally listed with the Federal General Services Administration (GSA) multiple award schedule as well. California contract terms and conditions and procurement codes and policies are added to these products, equipment, services, and prices by the District as required.

The District's Purchasing Department has considered procurement methods for the purchase of technology protective cases and related items and finds that, as applicable, it is in the best interest of the District to procure those items utilizing the CMAS Contract Number 4-18-00-0120A. This contract expires on February 27, 2020. A copy of the contract is available in the Superintendent's Office.

Rationale: Per the provisions of Public Contracts Code section 20118 the governing board may authorize by purchase order or contract the purchase of equipment, materials or supplies without advertising for bids, if the Board has determined it to be in the best interest of the district.

Approval of this request will allow the District to utilize a cost-effective means of purchasing non-information technology commodities as required throughout the District.

Funding: Funding not to exceed \$300,000 is from the General Fund.

Recommendation: Award contract to Rug-Ed Products, Inc., pursuant to the State of California Multiple Award Schedules (CMAS) Contract Number 4-18-00-0120A, for the purchase of non-information technology commodities.

SUBJECT: **APPROVE CONTRACT BETWEEN FULLERTON SCHOOL DISTRICT AND FAST DEER CHARTER, INC., TO PROVIDE TRANSPORTATION FOR FIELD TRIPS, EFFECTIVE OCTOBER 10, 2018 THROUGH JUNE 30, 2019**

Background: Occasionally, schools request transportation for field trips to be accomplished at times that conflict with home-to-school route schedules. In the past, the District has contracted with Fast Deer Bus Charter, Inc., to provide transportation for field trips in situations as previously described. Fullerton School District seeks to enter into a contract, effective October 10, 2018 through June 30, 2019, with Fast Deer Bus Charter, Inc., to provide field trip transportation on an as-needed basis.

The Fullerton School District's Transportation Department books field trips with the least expensive carrier that can perform the requested work when the District's drivers cannot accomplish the required task.

Fast Deer Bus Charter, Inc., has met the insurance liability requirements of the District. Each bus provided by the contractor will pass a safety inspection by District mechanics prior to departure on a field trip in order to ensure the safety of the District's students.

Rationale: The District is committed to providing safe, efficient transportation services to its students. In times when the District's Transportation Department cannot provide such services, contracts such as this are required.

Funding: Funding is from the General Fund and School Site Funds not to exceed \$30,000.

FROM: Robert R. Coghlan, Ph.D., Assistant Superintendent, Business Services

PREPARED BY: J.D. Mancha, Assistant Director, Transportation Services

SUBJECT: APPROVE CONTRACT BETWEEN FULLERTON SCHOOL DISTRICT AND TRANSPORTATION CHARTER SERVICES, INC., TO PROVIDE TRANSPORTATION FOR FIELD TRIPS, EFFECTIVE OCTOBER 10, 2018 THROUGH JUNE 30, 2019

Background: Occasionally, schools request transportation for field trips to be accomplished at times that conflict with home-to-school route schedules. In the past, the District has contracted with Transportation Charter Services, Inc., to provide transportation for field trips in situations as previously described. Fullerton School District seeks to enter into a contract, effective October 10, 2018 through June 30, 2019, with Transportation Charter Services, Inc., to provide field trip transportation on an as-needed basis.

The Fullerton School District's Transportation Department books field trips with the least expensive carrier that can perform the requested work when the District's drivers cannot accomplish the required task.

Transportation Charter Services, Inc., has met the District's insurance liability requirements. Each bus provided by the contractor will pass a safety inspection by District mechanics prior to a field trip departure in order to ensure the safety of the District's students.

Rationale: The District is committed to providing safe, efficient transportation services to its students. In times when the District's Transportation Department cannot provide such services, contracts such as this are required.

Funding: Funding is from the General Fund and School Site Funds not to exceed \$30,000.

Recommendation: Approve contract between Fullerton School District and Transportation Charter Services, Inc., to provide transportation for field trips, effective October 10, 2018 through June 30, 2019.

Background: Improving student academic and behavior outcomes is about ensuring all students have access to the most effective and accurately implemented instructional and behavioral practices and interventions possible. Positive Behavioral Intervention and Supports (PBIS) provide an operational framework for achieving these outcomes. More importantly, PBIS is not a curriculum, intervention, or practice, but rather it is a decision-making framework that guides selection, integration, and implementation of the best evidence-based academic and behavioral practices for improving important academic and behavior outcomes for all students.

Rationale: Participating schools are delegated into different tier/cohort groups and will benefit from PBIS trainings. School teams are comprised of teachers, support staff, and site administrators who will participate in the trainings. The PBIS tiered behavior system compliments the Response to Intervention (RtI) pyramid and is part of the Multi-Tiered Systems of Support (MTSS) framework for FSD. Re: Proposal *OC Healthy Schools Initiative*

Introduction:

Thank you for the opportunity to submit a proposal on behalf of the Orange County Department of Education (OCDE) Health Sciences Team, which is committed to providing quality health and nutrition education, physical education/physical activity, and wellness programming to Orange County districts and schools. OCDE has provided nutrition, physical activity, and wellness services to Fullerton School District (FSD) schools for over 11 years and is currently providing services across the district. As OCDE renews funding agreements with local partners and secures new funding from community partners, we continue to seek a partnership with FSD so that we may continue supporting safe and healthy school environments that nurture the health and academic achievement of all students.

This proposal will outline funding and services to be provided during the 2018-2019 school year. CONSENT ITEM

DATE: September 25, 2018

TO: Robert Pletka, Ed.D., District Superintendent

FROM: Robert R. Coghlan, Ph.D., Assistant Superintendent, Business Services

SUBJECT: ACCEPT GIFTS AND AUTHORIZE DISTRICT STAFF TO EXPRESS THE BOARD OF TRUSTEES' APPRECIATION TO ALL DONORS

Background: According to Board Policy 3290(a), the Board of Trustees may accept any bequest, gift of money, or property on behalf of the District. Gifts must be deemed suitable for a purpose by the Board of Trustees and be used in an appropriate manner. However, it is the policy of the Board of Trustees to discourage all gifts which may directly or indirectly impair the Board of Trustees' commitment to providing equal educational opportunities to the students of the District. As indicated in the above-mentioned Board Policy, the District Superintendent approves gifts designated for a specific school for acceptance at that school. Descriptions of gifts presented for acceptance are included on the attachment. Gifts for specific dollar amounts are noted, non-monetary gifts are identified, and the donor is responsible for reporting the value to the Internal Revenue Service.

Rationale: The Board of Trustees of the Fullerton School District gratefully accepts monetary and non-monetary gifts from public and private entities. These gifts help reduce the costs of school materials, curriculum, and extracurricular student activities.

Funding: The funding received from gifts will be deposited in appropriate District funds.

Recommendation: Accept gifts and authorize District staff to express the Board of Trustees' appreciation to all donors.

SUBJECT: APPROVE ORDER AGREEMENT BETWEEN FULLERTON SCHOOL DISTRICT AND NATIONAL CENEMEDIA FOR MOVIE THEATER MARKETING CAMPAIGN

Background: The Board of Trustees has expressed interest in increasing public communication with parents and the community on the services and programs in our schools. The proposed board item on the Movie Theater Marketing Campaign will feature a Dream Big video spot and poster at local theaters and will provide the community and parents insight into Dream Big, a new initiative to strengthen personalized learning in the District. Dream Big works to implement Board Goal #1 by helping students identify interests, map educational pathways, and provide guidance to students about school to career options. The initial movie theater marketing will highlight the innovation and accomplishments of FSD students and will include a 30 second spot and a physical display in the movie theater lobby that will run for sixteen weeks.

The movie theater campaign will serve as an enrollment campaign highlighting our Dream Big Initiative through marketing at the AMC movie theater in Fullerton and two Edwards theaters in Brea. NCM is the company responsible for the movie theater advertising. The full package will run at the Fullerton AMC 20, Brea Edwards 12 East, and Brea Edwards 10 West. The District qualifies for bundled cost for the campaign to run for 16 weeks. The 16-week marketing campaign includes a 30 second spot aired 1,176 times on 42 movie screens reaching an audience of over 600,000 people and a large poster/standee in the movie theater lobby at the AMC Fullerton.

Rationale: Fullerton School District is committed innovative methods for public relations and a movie theater marketing campaign is able to reach new and large audiences while showcasing the District. The FSD movie theater marketing campaign will run during a busy season at the movie theaters and will reach an expanded and captive audience.

Funding: Cost of \$19,200 to be paid from Superintendent's budgets 526 and 527.

Recommendation: Approve Order Agreement between Fullerton School District and National CineMedia for Movie Theatre Marketing Campaign.

If there is no Agency for this Insertion Order, "Advertiser" replaces "Agency" in all instances in the IAB Terms and Section III(c) of the IAB Terms is deleted. In the event of any conflict between the terms of this Agreement and the IAB Terms, the terms of this Agreement will control.
- 4. Fees and Payment.** Advertiser will pay all fees as specified on each Order within 30 days of invoice. If any Advertiser Content or Advertising is rejected by NCM, Advertiser will promptly replace the Advertiser Content or Advertising with Advertiser Content or Advertising acceptable to NCM so as not to delay the schedule for the display of the Advertising. Advertiser will maintain back-up copies of all Advertiser Content and Advertising and NCM will not be liable for loss or damage to any Advertiser Content or Advertising. materials in workmanship. Advertiser further covenants that if Advertiser at any time fails to have all rights necessary to enable NCM to perform its obligations and exercise its rights under this Agreement, Advertiser will obtain all such rights, and will be solely responsible for any liability of either party arising out of any claim, allegation, suit or proceeding alleging that either party does not have such rights.

9. Disclaimer and Limitation of Liability. NCM PROVIDES ALL NCM CONTENT AND ALL SERVICES PERFORMED BY NCM UNDER THIS AGREEMENT "AS-IS" AND "AS-AVAILABLE." ANY UNEXCUSED FAILURE BY NCM TO PERFORM ANY OBLIGATION UNDER THIS AGREEMENT WILL AFFECT ONLY THE OBLIGATION WITH RESPECT TO WHICH THE FAILURE OCCURRED AND WILL IN NO WAY AFFECT ANY OTHER OBLIGATIONS OF NCM UNDER THIS AGREEMENT. NOTWITHSTANDING THE FOREGOING, ADVERTISER'S SOLE AND EXCLUSIVE REMEDY FOR NCM'S FAILURE TO EXHIBIT THE ADVERTISING AS SET FORTH ON THE ORDER WILL BE FOR NCM TO "MAKE-GOOD" (MAKE AVAILABLE TO ADVERTISER AN ALTERNATIVE TIME PERIOD OF REASONABLY COMPARABLE VALUE FOR THE RE-EXHIBITION OF SUCH ADVERTISING) WITHIN A REASONABLE TIME PERIOD FOLLOWING NOTICE OF THE FAILURE FROM ADVERTISER.

10. Indemnification. Advertiser is responsible for and will indemnify, defend, and hold harmless NCM and its subsidiaries, exhibitors and affiliates, and their owners, officers, directors, employees and agents, from and against any and all direct and indirect losses, damages, liabilities, costs and expenses (including reasonable attorneys' fees) resulting from or arising out of any: (1) actual or alleged breach by Advertiser of a provision of this Agreement; (2) negligence or willful misconduct on the part of Advertiser; (3) exhibition, distribution, display, performance, reproduction, or other use by NCM of the Advertising, Advertiser Content or Promotional Materials; or (4) damage to property or injury to or death of any person directly or indirectly caused by any use or misuse of any Advertiser Content or Advertising, including, without limitation, any Promotional Materials or other packaging or materials used in connection therewith. NCM will provide Advertiser with notice of any such claim or allegation, and NCM has the right to participate in the defense of any such claim at its expense.

11. Termination and Remedies. NCM may terminate this Agreement immediately upon any breach by Advertiser of this Agreement (in addition to any other available remedy) or upon not less than 30 days' notice to Advertiser for any other reason. Upon termination for breach by Advertiser, Advertiser will not be entitled to the refund of any prepaid fees. Upon any termination, NCM is not required to preserve or maintain any Advertiser Content or Advertising. If Advertiser desires NCM to provide Advertiser with a copy of any Advertiser Content or Advertising, Advertiser must notify NCM in writing within 60 days of the last exhibition of the Advertising (such copy to be provided at Advertiser's sole expense).

12. Cancellation. Advertiser may not modify or cancel this Agreement except by written consent of NCM.

13. Insurance. Advertiser represents that it maintains a general liability insurance policy (with a financially sound and reputable insurance company) in such amounts as Advertiser deems reasonably adequate for its business and as required to perform its obligations hereunder. NCM and its affiliates will be named as additional insureds on such policy, and the policy will provide that it will not be subject to modification or cancellation without at least thirty (30) days' prior written notice to NCM. Upon request, Advertiser will furnish NCM with a certificate of insurance evidencing the foregoing coverage before the advertising is exhibited.

14. Additional Terms. Advertiser may not assign or otherwise transfer this Agreement or any of Advertiser's rights hereunder without the prior permission of NCM. Any attempt to do so in violation of the foregoing sentence will be null and void. This Agreement will be binding on the parties and upon their heirs, personal representatives, executors, administrators, successors and assigns. The parties agree for themselves and their heirs, personal representatives, executors, administrators, successors or assign to execute any instruments and to perform any acts that may be necessary or proper to carry out the purposes of this Agreement. This Agreement will be governed by the laws of the State of Colorado excluding its conflict of laws principles. The parties hereby irrevocably consent to the exclusive jurisdiction and venue in the state and federal courts sitting in Arapahoe County, Colorado for any dispute concerning the interpretation or effect of this Agreement. In all such disputes arising under this Agreement, the parties expressly waive all constitutional and statutory rights to trial by jury. In any action to enforce the terms of this Agreement, the prevailing party will be entitled to recover all of its costs relating thereto, including, without limitation, reasonable attorneys' fees, court costs and any other costs of collection. The relationship between the parties under this Agreement is one of independent contractors. The waiver by either party of a breach of any provision of this Agreement will not operate or be interpreted as a waiver of any other or subsequent breach. If any provision of this Agreement is deemed unenforceable, such provision will be changed and interpreted to accomplish the objectives of such provision to the greatest extent possible under applicable law and the remaining provisions will continue in full force and effect. Any failure or delay in performance by NCM will be excused (and will not constitute a breach of this Agreement) to the extent due to any cause not reasonably within NCM's control, including, without limitation, third party acts, omissions or failures, casualty, labor disputes, governmental action or acts of God. This Agreement sets forth the entire understanding of the parties and supersedes any and all prior oral and written agreements or understandings between the parties regarding the subject matter of this Agreement. In the event that any terms that may appear on an Advertiser's or agency's form of purchase order, insertion order, or other order form vary from or conflict with the terms of this Agreement (including without limitation pre-printed terms), the terms of this Agreement will control. This Agreement does not and is not intended to confer any rights or remedies upon any person other than the parties. If Advertiser executes this contract as an agency or media buyer for a client, such Advertiser and its client shall be jointly and severally responsible for all payments hereunder.

SUBJECT: APPROVE WRITE BRAIN ALL INCLUSIVE PUBLISHED AUTHORS PACKAGE

Background: Write Brain books inspires students of all ages to use their imaginations and create their own stories, which they record by hand in richly illustrated books. SUBJECT: APPROVE RECOMMENDATION FROM COMMITTEE ON ASSIGNMENTS FOR 2018/2019

Background: Education Code Section 44258.7(c) and (d) allows a full-time credentialed teacher with special skills and preparation outside his/her credential authorization to be assigned to teach in an 'elective' area of his or her special skills in a full-time assignment, provided the assignment is approved by the local Committee on Assignments. As delineated in the same Education Code, composition of the Committee on Assignments shall include an equal number of teachers, selected by teachers, and school administrators, selected by school administrators.

Rationale: Approving the recommendation made by the Committee on Assignments will allow the District to staff classes as expeditiously as possible while adhering to State requirements for teaching assignments.

The Board of Trustees is required to adopt the "Declaration of Need for Fully Qualified Educators" at a public meeting certifying that there may be an insufficient number of certificated persons who meet the District's specific employment criteria for identified positions. The completed Declaration is filed with the Commission on Teacher Credentialing and permits the District to obtain short-term certifications as needed during the school year.

SUBJECT: **APPROVE/RATIFY INDEPENDENT CONTRACTOR AGREEMENT BETWEEN FULLERTON SCHOOL DISTRICT AND MURALS FOR SCHOOLS FOR COMPLETED EXTERIOR ARTWORK**

Background: Woodcrest Elementary is part of the PBIS Sustainability Group. As a school that has been part of PBIS for the last seven years, Woodcrest is always looking for ways to bring ideas to promote this program, as well as to motivate students to do their best. This year, Woodcrest School's goal is to become an AVID school with a focus on college and career promotion and increasing students' awareness of both PBIS and AVID. Working toward those goals, a mural that exemplifies both PBIS schoolwide expectations and AVID college promotion has been created.

Rationale: This mural will serve as a constant reminder to students, staff, and families of the school's commitment to both PBIS and AVID in a beautiful and artistic way. The mural is an embodiment of the things that Woodcrest Elementary stands for. In addition, the mural adds a level of curb appeal and makes the campus more inviting. Tables will be added at a future date so that the outdoor learning space is more appealing for students.

Funding: The total cost is not to exceed \$6,990. ASB will pay \$4,000, and \$2,990 will be paid from discretionary site funds.

Recommendation: Approve/Ratify Independent Contractor Agreement between Fullerton School District and Murals for Schools for completed exterior artwork.

NOW, THEREFORE, the parties agree as follows:

1. **Services to be provided by Contractor.** Contractor shall provide **painting and design work installation of a mural at Woodcrest Elementary School**

hereinafter referred to as “Services.”

2. **Term.** Services were begun August 14, 2018, and completed August 17, 2018.

4. **Expenses.** District shall not be liable to Contractor for any costs or expenses paid or incurred by Contractor in performing Services for District, except as follows: **N/A**

5. **Independent Contractor.** Contractor, in the performance of the Services pursuant to this Agreement, shall be and act as an independent Contractor. Contractor understands and agrees that he/she and all of his/her employees shall not be considered officers, employees or agents of the District, and are not entitled to benefits of any kind or nature normally provided employees of the District and/or to which District’s employees are normally entitled, including, but not limited to, State Unemployment Compensation or Workers’ Compensation. Contractor assumes the full responsibility for the acts and/or omissions of his/her employees or agents as they relate to the Services to be provided under this Agreement. Contractor shall assume full responsibility for payment of all federal, state, and local taxes or contributions, including unemployment insurance, social security and income taxes with respect to Contractor’s employees.

6. **Materials.** Contractor shall furnish, at its own expense, all labor, materials, equipment, supplies and other items necessary to complete the Services to be provided pursuant to this Agreement, except as follows: **N/A**

Contractor further agrees that all writings, materials, compositions, recordings, teleplays, and/or video productions prepared for, written for, or otherwise (hereinafter referred to as “Content”) submitted by Contractor to the District and/or used in connection with the Services set forth in this Agreement, reflect the intellectual property of, and copyright interests held by District and shall not be copied or used in whole or in part by Contractor without District’s express written permission. Contractor understands and agrees that all Content produced under this Agreement is the property of District and cannot be used without District’s express written permission. Contractor acknowledges and agrees that District shall have all right, title and interest in said Content, including the right to secure and maintain the copyright, trademark, and/or patent of said Content in the name of the District.

8. Standard for Performance of Services. The Contractor shall perform the Services in the manner of one who is a recognized specialist in the types of services to be performed. Time is of the essence in this Agreement. All deadlines set forth in the Agreement are binding and may be modified only by subsequent written agreement of the parties.

9. Termination. District may, at any time, with or without reason, terminate this Agreement and compensate Contractor only for Services satisfactorily rendered to the date of termination. Written notice by District shall be sufficient to stop further performance of Services by Contractor. Notice shall be deemed given when received by the Contractor or no later than three days after the day of mailing, whichever is sooner.

District may terminate this Agreement upon giving of written notice of intention to terminate for cause. Cause shall include: (a) material violation of this Agreement by the Contractor; or (b) any act by Contractor exposing the District to liability to others for personal injury or property damage; or (c) Contractor is adjudged a bankrupt, Contractor makes a general assignment for the benefit of creditors or a receiver is appointed on account of Contractor’s insolvency. Written notice by District shall contain the reasons for such intention to terminate and unless within thirty (30) days after service of such notice the condition or violation shall cease, or satisfactory arrangements for the correction thereof be made, this Agreement shall upon the expiration of the thirty (30) days cease and terminate. In the event of such termination, the District may secure the required Services from another Contractor. If the cost to the District exceeds the cost of providing the service pursuant to this Agreement, the excess cost shall be charges to and collected from the Contractor. The foregoing provisions are in addition to and not a limitation of any other rights or remedies available to District. Written notice by District shall be deemed given when received by the other party, or no later than three days after the day of mailing, whichever is sooner.

10. Hold Harmless. Contractor agrees to and does hereby indemnify, hold harmless and defend the District and its governing board, officers, employees and agents from every claim or demand made and every liability, loss, damage or expense, of any nature whatsoever, which may be incurred by reason of:

(a) Liability for damages for: (1) death or bodily injury to person; (2) injury to, loss or theft of property; or (3) any other loss, damage or expense arising out of (1) or (2) above, sustained by the Contractor or any person, firm or corporation employed by the Contractor, either directly or by independent contract, upon or in connection with the Services called for in this Agreement, however caused, except for liability for damages referred to above which result from the sole negligence or willful misconduct of the District or its officers, employees or agents.

(b) Any injury to or death of any person(s), including the District's officers, employees and agents, or damage to or loss of any property caused by any act, neglect, default, or omission of the Contractor, or any person, firm or corporation employed by the Contractor, either directly or by independent contract, arising out of, or in any way connected with, the Services covered by this Agreement, whether said injury or damage occurs either on or off District's property, except for liability for damages which result from the sole negligence or willful misconduct of the District or its officers, employees or agents.

(c) Any liability for damages which may arise from the furnishing or use of any copyrighted or uncopied matter or patented or unpatented invention under this Agreement.

11. Insurance. Contractor shall insure Contractor's activities in connection with the Services under this Agreement and agrees to carry insurance to ensure Contractor's ability to adhere to the indemnification requirements under this Agreement.

11.1 Contractor shall, at Contractor's sole cost and expense, maintain in full force and effect the following insurance coverage from a California licensed insurer with an A, VIII, or better rating from A.M. Best or an approved self insurance program, sufficient to cover any claims, damages, liabilities, costs and expenses (including attorney fees) arising out of or in connection with Contractor's fulfillment of the obligations under this Agreement:

(2)	Products/Completed Operations Aggregate	\$1,000,000
(3)	Personal and Advertising Injury	\$1,000,000
(4)	General Aggregate (Not Applicable to the Comprehensive Form)	\$1,000,000

The policy may not contain an exclusion for coverage of claims arising from claims for sexual molestation or abuse. This policy shall include or be endorsed to include abuse and molestation coverage of at least \$3,000,000 or each occurrence.

b. Business Automobile Liability Insurance for owned, scheduled, non-owned, or hired automobiles with a combined single limit not less than \$1,000,000 per occurrence. (Required only if the Contractor drives on behalf of the District in the course of performing Services.)

c. Professional Liability Insurance with a limit of \$1,000,000 per occurrence, if applicable.

d. Workers' Compensation and Employers Liability Insurance in a form and amount covering Contractor's full liability under the California Workers' Compensation Insurance and Safety Act and in accordance with applicable state and federal laws. The policy shall be endorsed with the insurer's waiver of rights of subrogation against the District.

e. Employment Practices Liability (EPL) and Directors and Officers (D&O) coverage with the following limits: \$1,000,000 per occurrence

It should be expressly understood, however, that the coverage and limits referred to under a., b. and c. above shall not in any way limit the liability of the Contractor.

11.2 No later than five (5) days from execution of this Agreement by the District and Contractor, and prior to commencing the Services under this Agreement, Contractor shall provide District with certificates of insurance evidencing all coverages and endorsements required hereunder.

Contractor shall provide prior written notice to the District thirty (30) days in advance of any non-renewal, cancellation, or modification of the required insurance. The certificates of insurance providing the coverages referred to in clauses *a* and *b* above shall name District, its Governing Board, officers, and employees, as additional insureds with appropriate endorsements. In addition, the certificates of insurance shall include a provision stating "Such insurance as is afforded by this policy shall be primary, and any insurance carried by District shall be excess and noncontributory." Failure to maintain the above mentioned insurance coverages shall be cause for termination of this Agreement.

12. Assignment. The obligations of the Contractor pursuant to this Agreement shall not be assigned by the Contractor.

13. Compliance With Applicable Laws. The Services completed herein must meet the approval of the District and shall be subject to the District's general right of inspection to secure the satisfactory completion thereof. Contractor shall comply with the requirements of California Education Code section 45125.1, and shall provide to District all criminal background clearance(s) through fingerprints for Contractor (and all Contractor employees, if any) as required by the District. The District may require the Contractor and Contractors' employees to submit to additional criminal background checks at the District's sole and absolute discretion.

13.2 Tuberculosis Testing. Contractor and Contractor's employees, if any, providing Services to students shall provide evidence of appropriate tuberculosis screening

prior to the performance of the Services and provide annual certification thereafter. Contractor shall complete and submit to District any required documentation to verify compliance.

14. Permits/Licenses. Contractor and all Contractor's employees or agents shall secure and maintain in force such permits and licenses as are required by law in connection with the furnishing of Services pursuant to this Agreement.

15. Employment With Public Agency. Contractor, if an employee of another public agency, agrees that Contractor will not receive salary or remuneration, other than vacation pay, as an employee of another public agency for the actual time in which Services are actually being performed pursuant to this Agreement.

16. Entire Agreement/Amendment. This Agreement and any exhibits attached hereto constitute the entire Agreement among the parties to it and supersedes any prior or contemporaneous understanding or Agreement with respect to the Services contemplated, and may be amended only by a written amendment executed by both parties to the Agreement. This Agreement incorporates by this reference, any exhibits, which are attached hereto and incorporated herein.

18. Non Waiver. The failure of District or Contractor to seek redress for violation of, or to insist upon, the strict performance of any term or condition of this Agreement, shall not be deemed a waiver by that party of such term or condition, or prevent a subsequent similar act from again constituting a violation of such term or condition.

19. Notice. SUBJECT: APPROVE INDEPENDENT CONTRACTOR AGREEMENT BETWEEN THE FULLERTON SCHOOL DISTRICT AND ADVTECH ENVIRONMENTAL, INC., FOR WORK AS REQUIRED BY THE SANTA ANA REGIONAL WATER QUALITY CONTROL BOARD, EFFECTIVE SEPTEMBER 25, 2018 THROUGH JUNE 30, 2019

Background: As a result of the removal of a leaky underground storage tank in 1988, the District engaged in groundwater monitoring and reporting. This monitoring indicated a need for soil remediation beginning in 2010. In the fall of 2012, after more than two years of soil remediation work, the low quantities of contaminants being removed led the Santa Ana Regional Water Quality Control Board (SARWQCB) to direct the District to conduct a new soil analysis. In July of 2018, the SARWQCB determined the gasoline contamination in soil and/or groundwater beneath the site appeared to have been adequately assessed and mitigated and that the environmental case closure might be appropriate at this time. The District will contract with ADvTECH Environmental, Inc., a qualified firm that provides a competitive fee schedule.

Rationale: The SARWQCB requires the District to engage in the Well Destruction Program, in accordance with the guidance set forth in the California State Leaking Underground Storage Tank Program, and in conjunction with our understanding of ongoing communications between the District and the SARWQCB.

Funding: The cost for these services from the Routine Maintenance Fund is not to exceed \$32,850. The District is currently a claimant on the State Underground Storage Tank Cleanup Fund and anticipates being reimbursed for the majority of the costs associated with this closure.

Recommendation: Approve Independent Contractor Agreement between the Fullerton School District and ADvTECH Environmental, Inc., for work as required by the Santa Ana Regional Water Quality Control Board, effective September 25, 2018 through June 30, 2019.

Subject: Destruction of Monitoring and Vapor Wells
Fullerton District, Maintenance & Operation Department

Dear Ms. May:

As a follow-up to your email request, attached herein is a summary and cost estimate for work tasks for the destruction of vapor and groundwater monitoring wells at the subject property. These work tasks are for the purposes of site closure, as per the District's on-going communications with the State of California, Regional Water Quality Control Board, Santa Ana Region (SA-RWQCB). The Well Destruction Program is being performed in accordance with the guidance set forth in the CA State Leaking Underground Storage Tank Program, and in conjunction with our understanding of on-going communications between the District and the SA-RWQCB.

Project Task Activities

Task I. Well-Destruction – Groundwater Wells

The following activities associated with this Task I are as follows:

- A. Develop Work Plan for Well Destruction;
- B. Retain Certified Well Driller for Well Destruction/Abandonment (C-57 licensed);
- C. Apply for Permits for Well Destruction/Property Restoration;
- D. Conduct Destruction of Monitoring Wells;
- E. Well Destruction Report and Documentation;
- F. Health & Safety/Expenses/Mobilization; and
- G. Meetings, Agency Correspondence and Project Management.

Task II. Destruction and Removal Vapor Well System

These tasks will be conducted concurrently with Task I activities. The breakdown is for purposes of costing this activity.

- A. Demolition and Site Restoration Contractor;
- B. Permits for Well Removal/Destruction, as needed; and
- C. Reporting and Site Restoration Documentation.

The work plan will address the proposed activities for the destruction of all wells at the Districts' site. The destruction of these wells will either be by pressure grouting/sealing of the wells, or by over-reaming of all original well material and sealing the open nominal hole. The methodology will be decided upon in discussions with the District and SA-RWQCB, taking into account future use of the property.

All waste cutting will be retained on-site in 55-gal drums or a large roll-off bin for eventual disposal by the District. ADvTECH will assist in the coordination; however, any waste manifests will require the District representative's signature.

Upon completion of all activities, ADvTECH will prepare a summary well destruction report. This report will include a description of work performed, methodology, permits, disposal manifests, and field analytical data as necessary.

FUNDING REQUEST – PROJECT COSTS

Task No.	Description	ADvTECH		Subcontractors	Total Cost
		Labor	Expense		
I.	Well Decommissioning – Groundwater Wells Work Plan, Lab Testing, H&S, Project Management, Equipment, Permits	\$6,525	\$1,500	\$17,250	\$25,275

II.	Reporting, and File of Permits and Records, Project Management, Geotracker	\$4,850	\$725		\$5,575
			Total Costs:		\$32,850

The total estimated cost for the proposed Scope of Work is **\$32,850**. This is a cost not-to-exceed. Use of funds allocated for this work will be incurred on a Time & Material basis in accordance with our Fee Schedule attached hereto. Services and cost estimates for the C-57 licensed drilling subcontractor are based on the prevailing wage structure. This is an estimate of costs; however, should unusual circumstances arise as identified by ADvTECH and or the District, then added funds would be requested and reviewed prior to work being performed. All activities proposed are to fulfill the District's case-closure requirements.

SUBJECT: **APPROVE WORDS ALIVE PARENT ENGAGEMENT PROGRAM AGREEMENT EFFECTIVE SEPTEMBER 26, 2018 THROUGH MAY 31, 2019**

Background: Research shows that teaching children reading proficiency before third grade is instrumental in ensuring their success as readers in the future. For this reason, Words Alive developed an integrated read aloud program for early literacy. This Early Literacy Intervention model ensures that children receive critical reading experiences crucial to pre-literacy development, preparing them for kindergarten and beyond. The Words Alive program focuses on empowering parents with the confidence, techniques, and materials that lead to deepened reading engagement with their children.

The program is a seven-session, 1-1/2 hour per week course designed to engage approximately 25-30 parents at Pacific Drive, Valencia Park, Maple, and Hermosa Drive.

Rationale: LCAP Goal 4 focuses on increased parent/community involvement. Both State and federal programs require districts to utilize funding to support parents in the involvement in their school community.

Funding: Cost is not to exceed \$10,000 and is to be paid from District Title III federal funds (#224).

Recommendation: Approve Words Alive Parent Engagement Program Agreement effective September 26, 2018 through May 31, 2019.

Contractor further agrees that all writings, materials, compositions, recordings, teleplays, and/or video productions prepared for, written for, or otherwise (hereinafter referred to as "Content") submitted by Contractor to the District and/or used in connection with the Services set forth in this Agreement, reflect the intellectual property of, and copyright interests held by District and shall not be copied or used in whole or in part by Contractor without District's express written permission. Contractor understands and agrees that all Content produced under this Agreement is the property of District and cannot be used without District's express written permission. Contractor acknowledges and agrees that District shall have all right, title and interest in said Content, including the right to secure and maintain the copyright, trademark and/or patent of said Content in the name of the District.

The Contractor shall perform the Services in the manner of one who is a recognized specialist in the types of services to be performed. Time is of the essence in this Agreement. All deadlines set forth in the Agreement are binding and may be modified only by subsequent written agreement of the parties.

Written notice by District shall contain the reasons for such intention to terminate and unless within thirty (30) days after service of such notice the condition or violation shall cease, or satisfactory arrangements for the correction thereof be made, this Agreement shall upon the expiration of the thirty (30) days cease and terminate. In the event of such termination, the District may secure the required Services from another Contractor. If the cost to the District exceeds the cost of providing the service pursuant to this Agreement, the excess cost shall be charges to and collected from the Contractor. The foregoing provisions are in addition to and not a limitation of any other rights or remedies available to District. Written notice by District shall be deemed given when received by the other party, or no later than three days after the day of mailing, whichever is sooner.

10. Hold Harmless. Contractor agrees to and does hereby indemnify, hold harmless and defend the District and its governing board, officers, employees and agents from every claim or demand made and every liability, loss, damage or expense, of any nature whatsoever, which may be incurred by reason of:

(b) Any injury to or death of any person(s), including the District's officers, employees and agents, or damage to or loss of any property caused by any act, neglect, default, or omission of the Contractor, or any person, firm or corporation employed by the Contractor, either directly or by independent contract, arising out of, or in any way connected with, the Services covered by this Agreement, whether said injury or damage occurs either on or off District's property, except for liability for damages which result from the sole negligence or willful misconduct of the District or its officers, employees or agents.

11. Insurance. Contractor shall insure Contractor’s activities in connection with the Services under this Agreement and agrees to carry insurance to ensure Contractor’s ability to adhere to the indemnification requirements under this Agreement.

SUBJECT: APPROVE AMENDMENT TO AGREEMENT BETWEEN FULLERTON SCHOOL DISTRICT AND ADVANTAGE COMMUNICATIONS FOR THE SPEECH AND DEBATE PROGRAM EFFECTIVE SEPTEMBER 26, 2018 THROUGH JUNE 30, 2019

Background: The Board of Trustees approved the Speech and Debate Program on July 24, 2018. Fullerton School District would like to increase the number of participating schools from eight to twelve and increase services as outlined in the Agreement.

Fullerton School District (FSD) has an established partnership with Sal Tinajero whereby FSD students from Nicolas Jr. High School currently participate in Speech and Debate tournaments hosted by Santa Ana Unified School District (SAUSD). Over the last year, Nicolas Jr. High School Speech and Debate students have increased their listening, speaking, and communication skills through their involvement in SAUSD Speech and Debate tournaments. FSD would like to offer the Speech and Debate experience to students at multiple schools with the goal of increasing their ability to think and listen critically and articulate their thoughts confidently and persuasively, increase student problem-solving abilities and overall academic performance, increase student confidence under pressure, and to help students think quickly on their feet.

Advantage Communications (Sal Tinajero) will provide the administrative and operational support of three elementary speech tournaments and one FSD championship tournament that consists of elementary and middle school speech and debate competitors.

Rationale: Students will engage in rhetoric and public speaking while they expand their vocabulary, presentation skills, and confidence. More specifically, students will learn the proper use of hand gestures, vocal inflection, non-verbal skills, vocal projection, research skills, sentence structure, argumentation, logical writing, proper use of visual aids, principals of acting, elements of comedy, and memorization skills. Students will also learn effective interpersonal communication skills and relationship building skills.

Funding: Cost not to exceed \$145,000 and is to be paid from Unrestricted General Funds.

Dr. Flores,

Within this document is the proposal regarding the establishment of the Speech and debate program.

Overview

There is a desire to increase to eight speech and debate programs at FSD with twelve participating sites. This program will promote speech and debate as well as build English acquisition, analytical writing, vocabulary and effective oral communication skills. This program will help ELD students increase their English vocabulary, create student confidence and public speaking skills.

Summary

The speech and debate program will be designed and developed by Sal Tinajero. Mr. Tinajero will provide the administrative and operational support of three elementary speech tournaments and one FSD championship tournament that consists of elementary and middle school speech and debate competitors.

Our proposal will include:

- **Three Elementary Speech Tournaments**
- **One District Elementary/Middle School Championship Tournament**
- **Six staff members to run the tournaments**
- **Five staff members will report to schools to help facilitate scripts and coach students. These coaches will rotate between each of the twelve schools. These staff members will work at a different schools each day and on the ninth day the coaches will meet with Sal Tinajero to report the progression of each program. The staff members will work from October 1, 2018 to June 14, 2019 to coach the FSD Middle School National Team.**
- **Tournament student awards will be provided for all tournaments**
- **Decorations for the tournaments will be provided**
- **The recruitment of qualified judges for each tournament**

- **Six coaching in-services and direct four forensics tournaments conducted by Sal Tinajero**

Director's Experience

The Fullerton Elementary School District Speech and Debate program will consist of nine elementary schools and three middle schools. Each program will have 30 students per program. Sal Tinajero will advertise the importance of speech and debate at every school site. Sal Tinajero has a wealth of experience and success in Forensics. He started the Fullerton Union High School Speech and Debate program in 2001. In his tenure the program grew from 20 students to a team of over 100 students per year. Under his leadership the team won three National Championships and one State Championship. He has coached five student state champions and two student national champions. In 2005, he was invited to the White House and awarded the National Hispanic Teacher of the Year. This year he was selected as the National Speech and Debate Association California Educator of the Year. He was one of the five finalist for the National Educator of the Year. In Santa Ana he has created 18 successful programs with over 880 students in two short years. Students are competing at high level and receiving national recognition. On his own time, he has worked with Nicolas Junior High School in helping the school create a competitive speech team.

SUBJECT: **ADOPT RESOLUTION # 18/19-13: CALIFORNIA ENVIRONMENTAL QUALITY ACT (CEQA) EXEMPTION FOR ENERGY CONSERVATION FACILITIES PROJECT**

Background: On June 29, 2018, the Board received preliminary information related to a proposed solar energy project for the District. At that meeting, the Board reached consensus to move forward with the steps necessary for implementing a solar project. However, before the Board can enter into a contract, several steps are necessary. After a public hearing for the purpose of taking public comment has been conducted, the next step is to adopt a resolution in accordance with California Code of Regulations title 14, Chapter 13 (“State CEQA Guideline”). Certain projects are exempted from the California Environmental Quality Act (CEQA) evaluation, including projects consisting of solar photovoltaic installations. Accordingly, the Board must consider a Resolution that adopts certain exemptions from the CEQA pertaining to the solar photovoltaic energy plant project proposed to be built and owned by PFMG Solar, LLC, on District property for the generation of electrical energy to be sold to the District.

Rationale: The District is estimated to realize a minimum net savings of more than \$2.8 million over 25 years due to future escalation of utility rates from Southern California Edison. In addition to these savings, old lunch shelters will be replaced by new lunch shelters as well as shade and parking lot shade structures at select sites.

Funding: Electricity cost is a General Fund Expense. The Solar Energy Project will reduce the price paid for electricity. All costs and work performed in conjunction with this project, design, engineering, installation, inspection, and operation is the responsibility of PFMG Solar, LLC.

Recommendation: Adopt Resolution #18/19-13: California Environmental Quality Act (CEQA) Exemption for Energy Conservation Facilities Project.

SUBJECT: **ADOPT RESOLUTION #18/19-14 GRANTING A POWER PURCHASE AGREEMENT BETWEEN FULLERTON SCHOOL DISTRICT AND PFMG SOLAR, LLC**

Background: On June 29, 2018, the Board of Trustees received preliminary information related to a proposed solar energy project for the District. At that meeting, the Board reached consensus to move forward with the steps necessary for implementing a solar project. Staff is recommending PFMG Solar, LLC, as the contracting agency for the Power Purchase Agreement. Pursuant to Government Code section 4217.10 et. seq., school districts are authorized to enter into an energy service contract with respect to "Energy Conservation Measures."

The Fullerton School District finds that it is the best interest of the District to implement projects to promote energy efficiency to achieve energy costs reductions in thermal, electrical, and other energy consumed by the District. The District is currently seeking to enter into an agreement to implement energy conservation measures comprising of solar arrays over lunch shelters, carports, and shade structures at various sites. Government Code section 4217.12 requires that prior to approving related energy conservation contracts, school districts must hold a public hearing to receive public comments and make certain determinations. A public hearing was held on September 25, 2018.

Rationale: The District is estimated to realize a minimum net savings of more than \$2.8 million over 25 years due to future escalation of utility rates from Southern California Edison. In addition to these savings, old lunch shelters will be replaced by new lunch shelters as well as shade and parking lot shade structures at select sites.

The Energy Payment Rate of the First Extension Term shall be ninety percent (90%) of the Energy Payment Rate during the final year of the Initial Term. The Parties may further agree to extend this Agreement for two additional periods consecutive periods of five (5) years each (each such extension, an “**Additional Extension Term**” and together with the Initial Term and any First Extension Term, the “**Term**”). Each such Extension Term shall expire at 11:59 pm Pacific Standard Time on the applicable anniversary of the last day of the Initial Term, unless earlier terminated pursuant to Section 9.2. The Energy Payment Rate for each Additional Extension Term shall be as agreed to by the Parties (but in no event higher than the Energy Payment Rate during the First Extension Term). If the Term of this Agreement is extended, the Parties shall extend the Site Control Agreement to continue for the same period at no additional cost.

Section 2.2 Construction of the Systems. Following the Effective Date, Provider shall commence pre-installation activities relating to the Systems, which shall include the following:

- (a) obtaining or causing to be obtained financing for the installation of the Systems, including the investment of federal renewable energy tax credit equity, if any;
- (b) obtaining any applicable performance-based financial incentives;
- (c) obtaining or causing to be obtained all Permits, contracts, and agreements required for installation, operation and maintenance of the Systems and sale and delivery of Energy Output to Host;
- (d) completing a physical inspection of the Property, including, as applicable, geotechnical work and real estate due diligence to confirm the suitability of the Property for the System;
- (e) obtaining approval of any Financing Party of (A) this Agreement, and (B) the agreement for the construction and installation of the System; and
- (f) confirming that Provider will be able to obtain all Environmental Attributes and Tax Attributes expected in connection with the Systems.

Section 2.3 Commercial Operation. Provider shall use commercially reasonable efforts to cause the Commercial Operation Date of the last System of the System Portfolio to occur on or before [**December 31, 2019**] (the “**Target Date**”). Provider’s obligations to install and operate the Systems and otherwise perform its obligations hereunder are conditioned on completion to Provider’s satisfaction, or waiver by Provider (in either case in Provider’s sole discretion), of all

the activities described in Section 2.2. If Provider notifies Host by [May 1, 2019] (the “Condition Precedent Cutoff Date”) that the foregoing conditions have not been satisfied (or waived by Provider) by such date with respect to a System, Provider may terminate this Agreement with respect to such System by delivering to Host notice of such termination within 30 days after the Condition Precedent Cutoff Date (or a longer period if extended by agreement of the Parties). Such termination will be without any liability hereunder, and the Agreement shall continue to be effective with regards to all other System(s), if any.

Section 2.4 Notice of Commercial Operation. Provider shall notify Host when a System is capable of Commercial Operation, and shall in such notice certify to Host the Commercial Operation Date of such System.

Section 2.5 Removal of Systems. Upon the expiration or earlier termination of this Agreement (other than an early termination where Host is the Defaulting Party) and provided Host does not exercise its Purchase Option, Provider shall, at Provider’s sole cost and expense, remove the Systems from the Property on a mutually convenient date, but in no event later than one hundred and eighty (180) days following such expiration or termination. Host shall grant Provider and its agents, consultants, and representatives access and shall provide sufficient space for the temporary storage and staging of tools, materials, and equipment and for the parking of construction crew vehicles and temporary construction trailers and facilities reasonably necessary during System removal at all reasonable times to the applicable Property and the Systems. Provider shall repair any and all damage caused to the applicable Property by its removal of the Systems. Each portion of the Property upon which a System is installed shall be returned substantially to its original condition to the extent reasonably possible and practical, excepting ordinary wear and tear and excluding any buried or underground materials, conduit, and conductors.

Article 3

Purchase and Sale of Energy; Delivery; Governmental Charges

Section 3.1 Purchase and Sale of Energy. In accordance with the terms and conditions hereof, commencing on the Commercial Operation Date of the first System of the System Portfolio and continuing throughout the remainder of the Term, Provider shall deliver and sell to Host at the Delivery Point(s) as and when available, and Host shall accept delivery and purchase from Provider at the Delivery Point(s), all of the Energy Output at the applicable Energy Payment Rate. Host shall take title to the Energy Output at the Delivery Point, and risk of loss shall pass from Provider to Host at the Delivery Point.

Section 3.2 Price for Energy Output. Host shall pay Provider a payment equal to the total Energy Output for each month multiplied by the applicable Energy Payment Rate set forth in Exhibit C. Host shall make such monthly payment to Provider pursuant to Section 11.1. Neither Party shall seek to change any of the rates or terms of this Agreement by making a filing or application with any Governmental Authority with jurisdiction over such rates or terms or exercise any rights a Party may have, if any, to seek changes to such rates or terms during the Term of this Agreement. Nothing herein shall affect either Party’s right to pursue the Dispute resolution procedures herein if any dispute arises which may be characterized as either Party seeking such a “change.”

Section 3.3 No Shading. Host shall not cause or permit any interference with any System’s insolation and access to sunlight. If Host becomes aware of any activity or condition that could

diminish the System's insolation and access to sunlight, Host shall notify Provider immediately and shall cooperate with Provider in preserving the System's existing insolation levels. In addition, Host shall trim or cause to be trimmed any shrubbery, trees or other growth on the Property or under its control that would interfere with any System's insolation or access to sunlight, and if Host does not perform such obligation upon ten (10) days' notice to Host, Provider shall have the right to perform such services at Host's expense and, notwithstanding any herein to the contrary, pursue damages for lost revenues under this Agreement from such shading that results in decreased System performance or production.

Section 3.4 Alteration/Shut Down of System; Closure; Relocation of System.

(a) Host shall not make any alterations or repairs to the Systems without Provider's prior written consent. In the event of an emergency or imminent safety risk to Host or other Persons on the Property, Host may, if such situation makes requesting action by Provider impracticable, disconnect or remove from service the applicable System, and immediately notify Provider thereof by telephone, with written notice to follow. Host shall be responsible for all damage to the System caused by Host or its contractors.

(b) Host acknowledges and agrees that notwithstanding any temporary or permanent closure of the Host's facilities located at the Property or connected to the Delivery Point, Host's obligation to purchase and pay for all Energy Output shall continue uninterrupted during the Term.

(c) If, during the Term, (i) Host ceases to conduct business operations at a Property or vacates such Property, (ii) such Property has been destroyed, or (iii) Host is otherwise unable to continue to host a System or accept the electricity delivered by a System for any other reason (other than a Provider Event of Default), Host may propose in writing the relocation of such System in lieu of termination of the Agreement by Provider for a Host Event of Default. If such proposal is practically feasible and preserves the economic value of the agreement for Provider, the Parties shall seek to negotiate in good faith an agreement for the relocation of the System. If the Parties do not reach agreement on relocation of the System within sixty (60) days after Provider's receipt of Host's proposal, Provider may terminate this Agreement pursuant to Section 9.2. Host shall pay all costs associated with any such relocation or replacement of the System, including all costs and expenses incurred by or on behalf of Provider in connection with the removal of the System from the Property and the installation and testing of the System (or a replacement system) and the substitute property and all applicable interconnection fees and expenses. In addition, Host shall pay Provider an amount equal to the sum of (A) payments that Host would have made to Provider hereunder for the Energy Output during the period of relocation or replacement; and (B) the value of any and all lost Environmental Attributes and Tax Attributes.

Section 3.5 Estimated Annual Production; Minimum Production Guaranty.

(a) **Estimated Annual Production.** Provider has estimated that the Systems will deliver the estimated annual production as indicated in Exhibit D (the "**Estimated Annual Production**").

(b) **80% Minimum Production.**

(i) During the Term, Provider guarantees that the Actual kWh delivered from the System Portfolio during any Contract Year beginning with the third Contract Year of the

Term shall be no less than the Guaranteed Minimum Production applicable for such Contract Year as determined using the methodology set forth in Exhibit E.

(ii) Beginning on the last day of the third Contract Year that occurs after the Commercial Operation Date of the last System of the System Portfolio, Host shall notify Provider of any Energy Shortfall Credit. The Energy Shortfall Credit shall be applied to, and amortized over, eight (8) months of payments due from Host pursuant to Section 11.1, beginning with the first month after Host provides Provider notice of the Energy Shortfall Credit pursuant to this Section 3.5(b). Credit by the Provider of the Energy Shortfall Credit shall be the sole and exclusive remedy available to the Host, and the sole and exclusive liability of Provider, for Provider's failure to deliver the Guaranteed Minimum Production.

(c) **Insolation.** Provider shall disclose the initial insolation level assumed in its calculation of the Estimated Annual Production. During the Term, Provider shall track the insolation level at each Property, and upon Host's reasonable request shall provide Host with access to such insolation level data. If the insolation level for any Property is more than three percent (3%) less than the initial insolation level assumed in the calculation of the Estimated Annual Production over a period of three (3) Contract Years, then the Estimated Annual Production shall be adjusted to reflect such long-term insolation reduction. Provider shall be entitled to such adjustment of the Estimated Annual Production no more than once every three (3) Contract Years so long as the insolation level is not less than 90% of the assumed insolation level of the Estimated Annual Production then in effect.

(d) **Annual Degradation Factor.** Provider and Host agree that in accordance with the Systems' manufacturer's specifications, performance of the Systems will degrade by an Annual Degradation Factor as defined in Exhibit D for every Contract Year of operation. The Estimated Annual Production amounts in Exhibit D have been adjusted by the Annual Degradation Factor to reflect the expected degradation.

(e) **Reduction in Production beyond Provider's Control.** Notwithstanding any term to the contrary in this Agreement, if any event beyond the control of Provider or its contractors (including downtime due to warranty repairs) results in the System having any reduced production or performance failure, including in connection with any temporary disconnection or removal occurring pursuant to Section 3.4(a), then during any such period of reduced production or performance failure (i) Provider shall not be responsible or liable for or deemed in breach of this Agreement for any delay or failure of performance of its obligations under this Agreement, including the Guaranteed Minimum Production, and (ii) in the event of a Host caused reduction, Host shall promptly pay Provider for the value of the expected Energy Output of the System during such period of time based on, (A) during the first Contract Year, the expected Energy Output for such Contract Year, and (B) for each subsequent Contract Year, the average production during the same time period previously measured since the Commercial Operation Date (e.g., period from April through March) plus the value of any and all lost Environmental Attributes and Tax Attributes as set forth in Article 4.

(f) Host acknowledges and agrees that solar power is an intermittent resource and that the Energy Output, which is dependent on the sun and other factors, will vary and that no particular amount of Energy Output is guaranteed or represented in amount or time of delivery other than as otherwise expressly provided in this Section 3.5. Host further agrees to retain a source of electricity from the Utility.

Article 4
Environmental Attributes and Tax Attributes

Section 4.1 Title to Environmental Attributes. Notwithstanding the purchase and sale of Energy Output pursuant to Section 3.1, Provider shall be the owner and beneficiary of, and shall have all right, title and interest in and to, all Environmental Attributes relating to the Systems or the Energy Output during the Term, and Host shall have no right, title or interest in or to any such Environmental Attributes and shall not report to any Person that any such Environmental Attributes belong to any Person other than Provider, unless and until ownership of the System(s) has been transferred to the Host pursuant to the terms of this Agreement.

Section 4.2 Tax Attributes. Unless separately agreed to in writing by the Parties, Provider or its Financing Parties shall be the owner and beneficiary of, and shall have all right, title and interest in and to, all Tax Attributes relating to Systems or the Energy Output during the Term, and Host shall have no right, title or interest in or to any such Tax Attributes and shall not report to any Person that any such Tax Attributes belong to any Person other than Provider, unless and until ownership of the System(s) has been transferred to the Host pursuant to the terms of this Agreement.

Section 4.3 Cooperation with Environmental Attributes and Tax Attributes. At Provider's request, Host shall execute all documents and instruments reasonably necessary or desirable to effect or evidence Provider's right, title and interest in and to the Environmental Attributes or Tax Attributes, as the case may be. Host shall take all reasonable measures to assist Provider in obtaining all Environmental Attributes and Tax Attributes currently available or subsequently made available in connection with the System(s). If Host fails to act in good faith in completing documentation or taking actions reasonably requested by Provider, and such failure results in a loss of Environmental Attributes or Tax Attributes, Host shall reimburse Provider for the full amount of such lost Environmental Attributes or Tax Attributes, as the case may be.

Section 4.4 Impairment. Host shall not take any action or omit to take any action at the Property that would have the effect of impairing the value to Provider of the Environmental Attributes or Tax Attributes. Host shall be responsible for notifying Provider of any action or omission that could impair such value and for consulting with Provider as necessary to prevent impairment of the value of the Environmental Attributes or Tax Attributes.

Section 4.5 Rebate Deposits; Payment or Delivery of Environmental Attributes or Tax Attributes. To the extent (a) Provider pays any amounts due in connection with the application and reservation of performance-based incentives under the California Solar Initiative (or any other applicable program) and such amounts are refunded to Host, or (b) any Environmental Attributes or Tax Attributes are paid or delivered directly to Host, Host shall remit all such refunds or pay or deliver all such items or amounts to Provider within thirty (30) days after Host's receipt thereof.

Article 5
Construction and Installation of the System

Section 5.1 Installation and Removal. Subject to Section 5.4, Provider will cause each System to be designed, engineered, installed and constructed substantially in accordance with the terms of this Agreement and the Site Control Agreement and at the sole cost of the Provider, but

with the reasonable cooperation of Host. In addition, Provider shall design, engineer, install and construct substantially in accordance with the terms of this Agreement and the Site Control Agreement, the New Parking Lot at District Office in accordance with Exhibit B (“District Office Parking Lot”). In consideration for the payment of the Energy Output hereunder, upon completion of the District Office Parking Lot, Provider shall transfer the District Office Parking Lot to Host pursuant to a bill of sale and assignment and such other documents as agreed to by the Parties. Except for any warranties assigned to Host under such assignment documents, the transfer of the District Office Parking Lot shall be on an AS-IS/WHERE IS basis. Provider shall comply with the reimbursement obligations as described in Exhibit B – “Description of the Systems and Construction Conditions,” either prior to commencement of construction or after completion, as applicable. Host shall have the right to review and approve the approximate size and location of each System. Provider shall provide Host with the approximate size and location of each System for approval prior to commencement of construction. Host will have ten (10) days after receipt to approve or disapprove such approximate size and location (which approval will not be unreasonably withheld, conditioned or delayed), and failure by Host to respond within such ten (10) day period will be deemed approval. If Host disapproves such approximate size and location, Provider shall make modifications and resubmit it for Host’s approval, subject to the process described in the preceding sentence. Subject to the terms of the Site Control Agreement and this Agreement, Provider shall use commercially reasonable efforts to install the Systems in a manner that minimizes inconvenience to and interference with Host. Notwithstanding the foregoing, if Provider determines in its sole discretion that it is unable to install or interconnect a System at the applicable Property for any reason, it shall be under no obligation to do so, and this Agreement shall terminate with respect to such System and be of no further force and effect upon notice from Provider to Host to that effect. The termination of this Agreement with respect to such eliminated System shall not affect this Agreement as it relates to the remaining Systems, including the Energy Payment Rate that Host pays for the remaining Systems.

Section 5.2 Third Party Inspections.

(a) Provider shall be entitled to select (subject to Host’s approval, not to be unreasonably withheld) each company that performs inspections of the materials and equipment for the design, engineering, procurement, construction or installation of the Systems, including any inspections required to verify the Systems’ compliance with Applicable Law.

(b) Division of State Architect Inspections. Provider shall be entitled to select (subject to Host’s approval, not to be unreasonably withheld) each inspection company, including the inspector of record, required in connection with the approval of the Systems by the DSA. Where required by Applicable Law, Host shall contract directly with DSA inspectors, but Provider shall reimburse Host for payments made by Host under any such contract. The rights and obligations of Host and Provider under this Section 5.2(b) shall be subject to the following guidelines:

(i) When required to contract directly with DSA inspectors, Host shall use an agreement approved by Provider in its reasonable discretion; provided that at a minimum such agreement shall include provisions granting Provider the right to (A) coordinate with and participate in the management of the entire scope of services to be performed by such inspector, (B) communicate directly with such inspectors and, where necessary, (C) direct the inspector pursuant to such agreement to the extent required by Applicable Law;

(ii) Host shall fully cooperate with Provider to timely complete and submit all paperwork and forms required for DSA approval.

(iii) DSA Approvals. Provider shall procure all Permits required by the DSA that are directly related to the design, installation, construction and operation of the Systems, including any exterior improvements or exterior upgrades the DSA may require of Provider in order for the Systems to comply with the Field Act (Education Code §§17280-17317) and the American with Disabilities Act. Notwithstanding the foregoing, Provider shall not be responsible for satisfying any DSA requirements relating to (a) any pre-existing, open or unresolved DSA requirements that the Host may be subject to which are not directly related to the Systems, and (b) any requirements or improvements required by the DSA resulting in the construction, improvement or renovation of Host's buildings or structures. Within 30 days after DSA closeout, Host shall deliver to Provider all third-party invoices related to the inspections. At Provider's request, Host shall provide all documentation and detail supporting such invoices.

Section 5.3 Utility Approvals. Except as provided in Section 5.3, Provider shall be responsible for and bear all costs associated with applying for and obtaining all Permits required for the installation, operation, and maintenance of the Systems, and costs associated with applying for all rebates and incentives. Provider shall be solely responsible for effecting the required interconnection and net metering approvals and agreements for the Systems. Notwithstanding the foregoing, Host shall cooperate with Provider and use its best efforts to assist Provider in obtaining and maintaining all necessary Permits in connection with the installation, operation and maintenance of the Systems, including the submission of applications for interconnection of the Systems with the Utility, net metering approvals, and applications for the resale of excess power to the Utility and, upon Provider's request, the execution of all required interconnection and net metering applications and agreements. If Host incurs any out-of-pocket costs associated with such assistance, Provider shall reimburse Host for the reasonable and documented costs actually incurred by Host promptly following receipt of written documentation of such costs from Host. Host shall not make any material changes to its electrical equipment at any Property after the date on which the applicable Utility interconnection application is submitted unless any such changes, individually or in the aggregate, would not adversely affect the approval by such Utility of such interconnection application. Should the Utility or the local inspector fail to approve the interconnection application of a System with respect to any Property or require equipment in addition to the equipment contemplated by Provider in connection with such Property, Provider may terminate this Agreement immediately with respect to such System following to notification of same from the Utility. The Parties shall not be obligated to proceed with the installation of any System if the applicable Utility or inspector approvals are conditioned upon material upgrades to the existing electrical infrastructure and neither Party elects to provide for such upgrades. Host acknowledges that adjustments in the terms and conditions of this Agreement may be necessary to account for rule changes in the Utility control areas that could not be anticipated at the date of execution of this Agreement or that are beyond the control of the Parties, and the Parties shall make such commercially reasonable amendments as are reasonably required to comply therewith.

Section 5.4 Interconnection and Net Metering Agreements. Throughout the Term, following interconnection of each System, Host shall at all times comply with the customer requirements of all applicable interconnection and net metering agreements so as to maintain the effectiveness of such agreements for the resale of excess power to the Utility (so long as net

metering has not been made unavailable by the Utility to the Host) and shall not perform any action that would result in the breach of the terms and conditions of such agreements. Provider acknowledges that at all times Host is the sole owner and beneficiary of all net metering or similar credits or payments for Energy Output exported to the electrical utility grid (not including incentives or rebates provided under the California Solar Initiative).

Section 5.5 Host Cooperation and Responsibilities. Host will cooperate with Provider and any third parties with whom Provider contracts by providing access to each Property during working hours without unreasonable restrictions. In connection with the construction of the Systems, Host shall provide Provider (at no additional cost to Provider) with access to the utilities and communications services and infrastructure on the Properties as are reasonably necessary to be used by Provider for the construction, start-up, maintenance, repair, replacement and operation of the Systems, which utilities and communications services and infrastructure shall include access to onsite electricity, water, telephone and cellular signals. In addition, Provider shall have the right to install on the Properties, at its sole discretion and expense, equipment to enable wireless connection of each System to the internet at locations approved by the Host, in the Host's reasonable discretion.

Section 5.6 Additional Provisions. The Parties shall comply with the provisions set forth in Exhibit H attached hereto.

Article 6

Ownership; Maintenance of System and Reporting Requirements

Section 6.1 Ownership of Systems by Provider.

(a) Provider shall own each System, and shall be entitled to own, claim, retain and transfer any and all Environmental Attributes and all Tax Attributes, other than net metering or similar credits or payments for Energy Output as set forth in Section 5.5.

(b) Host and Provider agree that each System shall at all times be the personal property of Provider, severable from the applicable Property, and shall not become a fixture on such Property. Host shall not take any position on any tax return or on any other filings that is inconsistent with the foregoing or indicating or suggesting that it is anything other than a purchaser and user of electricity from the Systems. Host will at all times keep each Property free from any legal process or lien attributable to any act or omission of Host, and will give Provider immediate notice if any legal process or lien is asserted or made against a System or against Host where a System or any Property may be subject to any lien, attachment or seizure by any Person. If Host breaches its obligations under this Section 6.1(b), it shall promptly cause such liens to be bonded, discharged and released of record without cost to Provider, and shall indemnify Provider against all costs and expenses (including reasonable attorneys' fees and court costs at trial and on appeal) incurred in bonding, discharging and releasing such liens.

(c) Notwithstanding anything that may be contrary in Section 6.1(a), Section 6.1(b) and Section 18.2, Provider may finance any System by means of a sale-leaseback financing, pursuant to which one or more third-party investors (directly or indirectly via a trust or another special purpose entity) will own such System and lease it back to Provider.

(d) With respect to any liens, security interests or other encumbrances to Host's title to any Property that may impact the Site Control Agreement or a System, Host shall enter into a subordination and non-disturbance agreement ("SNDAs"), in recordable form approved by

Provider (such approval not to be unreasonably withheld), with any third party who now has or may in the future obtain an interest in the Property (as defined in the applicable Site Control Agreement), including any lenders to Host, Host's landlord or any lenders to the fee title owner, as applicable (such third parties, "Lienholders"). Host shall use reasonable efforts to obtain such SNDAs within [ninety (90) days] after Provider's request therefor. Such SNDA shall (i) acknowledge and consent to the Provider's rights in the Site Control Agreement, (ii) acknowledge that such third party has no interest in the Systems or easements granted under the Site Control Agreement and shall not gain any interest in the Systems or Site Control Agreement by virtue of the Parties' performance or breach of the Site Control Agreement, (iii) subordinate such third party's interest in Property to the Easements and the Site Control Agreement, (iv) acknowledge that Provider's rights in the Property granted under the Site Control Agreement shall run with such Property throughout the term of such Site Control Agreement, notwithstanding any sale, lease, transfer, assignment, mortgage, pledge or other alienation or encumbrance by such third party of the Property, and (v) provide that so long as Provider is not in default under the Site Control Agreement beyond the expiration of any applicable grace or cure period provided for thereunder, Provider's right of peaceable and quiet use and enjoyment of the Property pursuant to the Easements therein granted by Host shall not be disturbed by such third party. Host shall indemnify, defend, and hold harmless Provider, and its affiliates, and each of their respective members, managers, shareholders, directors, officers, employees, agents, and successors and assigns, from or against any and all Indemnity Claims of whatever kind or nature to the extent arising out of or resulting from (a) the exercise by any Lienholder of any rights or remedies available to such Lienholder at law, in equity, or pursuant to any agreement granting rights to such Lienholder or (b) the failure of Host to obtain the SNDAs. Such indemnity shall terminate and have no further force and effect with respect to Lienholders from which Host obtains an SNDA meeting the requirements of this Agreement and in form and substance acceptable to Provider.

Section 6.2 Site Control Agreement. Pursuant to the terms and conditions of the Site Control Agreement, (Exhibit I), the Parties acknowledge and agree that with respect to each System, Host is granting Provider the Easement over the portion of the Property upon which the Systems are located.

Section 6.3 Maintenance of Systems by Provider and Host.

(a) Provider shall maintain each System in good condition and repair in accordance with applicable contractor, subcontractor and vendor warranties and guarantees, manufacturer's instructions and specifications, Applicable Laws and applicable standards with respect to the Systems, and the terms of this Agreement, at Provider's sole cost and expense, except that Host shall reimburse Provider for all reasonable and documented costs and expenses of any repairs or maintenance resulting from damage caused by Host or its agents, employees, contractors, or third-party invitees. Provider may suspend delivery of Energy from a System to a Delivery Point for the purpose of maintaining and repairing such System.

(b) Host hereby grants Provider and its agents, consultants, and representatives access at all reasonable times (including under emergency conditions) to each Property and each System, all System operations, and any documents, materials and records and accounts of Host relating thereto for purposes of inspection and maintenance of the Systems. During any inspection or maintenance of the Systems, Provider, and its agents, consultants and representatives shall comply with Host's reasonable safety and security procedures, and Provider

and its agents, consultants and representatives shall conduct such inspection and maintenance in such a manner as to cause minimum interference with Host's activities and the activities of Host's tenants. Prior to entry onto a Property for inspection and maintenance, Provider and its agents, consultants and representatives shall notify the site administrator.

Section 6.4 Vandalism and Theft. Notwithstanding the foregoing, after the Commercial Operation Date of a System, Host shall conduct routine visual observations of the Property and shall notify Provider of any apparent theft, damage or vandalism to the Systems, including graffiti, within two (2) Business Days after any such discovery.

(a) Host shall have the right, but no obligation, to remove all graffiti and "tagging" of the following components of the Systems, except that Provider shall supply all paint that is reasonably required to remove graffiti from such System components: columns, beams, purlins, steel racking, panel boxes, protection barriers and skirts located underneath solar modules, canopy bollards and other equipment hanging from columns.

(b) Provider shall be solely responsible for, and shall have the exclusive right to remove graffiti and "tagging" of the following components of the System: inverters, combiner boxes, solar modules and all other electrical equipment having access to live disconnect switches from enclosures.

(c) Host shall fully cooperate with any and all investigations initiated by Provider pertaining to any event of theft or vandalism affecting the System(s) including filing police reports, witness statements and public announcements, consistent with Applicable Law and the rights of Host's staff, students, and their families and associates, at law and pursuant to the policies and administrative procedures established by the governing board of Host.

Section 6.5 Safety and Security.

(a) Provider shall take all reasonably necessary safety precautions in providing the Energy Output and shall comply in all material respects with all Applicable Laws pertaining to the safety of persons and real and personal property.

(b) Host shall take all reasonable measures for the security and protection of the Systems, including commercially reasonable surveillance and monitoring of the Systems and Property.

(c) Provider shall in its sole discretion be permitted, but not required, to install and operate security measures including security surveillance, non-injurious fencing around ground-mounted arrays, security and safety signage and safety billboards.

(d) Host shall fully cooperate with any efforts of Provider to educate teachers, parents and students regarding the safety and security of the Systems.

Section 6.6 Emergency Response Planning. If requested by Provider, Host shall reasonably cooperate with Provider to establish an emergency response protocol in the event of any emergency situation (e.g. earthquake, flood, fire, bomb threat, public demonstration, state and federal declared emergencies) directly affecting the operation of the Systems or the Property.

Article 7
Metering Devices and Metering

Section 7.1 Metering Equipment. Provider shall install, own, operate, and maintain a Metering Device at each Delivery Point for each System. Upon request, Host shall be entitled to electronic access to the software platform of the Metering Device that provides energy production data relating to the Systems for purposes of tying such data into the Host's energy management system.

Section 7.2 Measurements. Readings of any Metering Device shall be conclusive as to the amount of Energy Output, except that if a Metering Device is out of service, is discovered to be inaccurate pursuant to Section 7.3, or registers inaccurately, measurement of Energy Output shall be determined in the following sequence: first, by estimating Energy Output during periods when such Metering Device was registering inaccurately by obtaining the product of (i) the average ratio of kWh of Energy Output per System generating capacity (measured in kW) of each other System whose Metering Device was in service and registering accurately during such period multiplied by (ii) the System generating capacity (measured in kW) of the System whose Metering Device was registering inaccurately; and, second, applying such estimated Energy Output (a) for the actual period during which inaccurate measurements were made or (b) if no reliable information exists as to the period of time during which such Metering Device was registering inaccurately, to an assumed period equal to one-half of the period from the date of the last previous test of such Metering Device through the date the inaccuracy was identified and corrected, except that, in the case of clause (b), the period covered by the correction under this Section 7.2 shall not exceed six (6) months.

Section 7.3 Standard of Metering Device Accuracy; Resolution of Disputes as to Accuracy. The following steps shall be taken to resolve any disputes regarding the accuracy of a Metering Device:

(a) If either Party disputes the accuracy or condition of such Metering Device, such Party shall so advise the other Party in writing.

(b) Provider shall, within fifteen (15) Business Days after receiving such notice from Host or issuing such notice to Host, advise Host in writing as to Provider's position concerning the accuracy of such Metering Device and Provider's reasons for taking such position.

(c) If the Parties are unable to resolve the dispute through reasonable negotiations, then either Party may request a test of such Metering Device.

(d) If such Metering Device is found to be inaccurate by not more than two percent (2%), any previous recordings of such Metering Device shall be deemed accurate, and the Party disputing the accuracy or condition of such Metering Device under Section 7.3(a) shall bear the cost of inspection and testing of such Metering Device.

(e) If such Metering Device is found to be inaccurate by more than two percent (2%), or if such Metering Device is for any reason out of service or fails to register, then (i) Provider shall promptly cause such Metering Device found to be inaccurate to be adjusted to correct, to the extent practicable, such inaccuracy, and (ii) the Parties shall estimate the correct amounts of Energy delivered during the periods affected by such inaccuracy, service outage or failure to register as provided in Section 7.2. If as a result of such adjustment the quantity of Energy Output for any period is decreased (such quantity, the "**Energy Deficiency Quantity**"), Provider

shall reimburse Host for the amount paid by Host in consideration for the Energy Deficiency Quantity, and shall bear the cost of inspection and testing of such Metering Device. If as a result of such adjustment the quantity of Energy Output for any period is increased (such quantity, the “**Energy Surplus Quantity**”), Host shall pay for the Energy Surplus Quantity at the Energy Payment Rate applicable during the applicable Contract Year, and shall bear the cost of inspection and testing of such Metering Device.

Article 8

Loss, Damage or Destruction of System; Insurance; Force Majeure

Section 8.1 System Loss and Damage.

(a) Subject to Host’s obligation to indemnify Provider set forth in Section 13.1, Provider shall bear the risk of any System Loss on each Property, except to the extent such System Loss results from Host’s breach of this Agreement or the negligence or willful misconduct of Host or its agents, employees, contractors, or third-party invitees (such System Loss to the extent resulting from such breach, negligence, or willful misconduct, a “**Host System Loss**”). Provider shall provide and maintain insurance against any System Loss, including business interruption insurance, in an amount not less than the System Loss Amount, with the loss payable to Provider.

(b) In the event of any System Loss other than a Total System Loss, this Agreement will remain in full force and effect with respect to such System, and Provider shall (at Host’s cost and expense to the extent such System Loss is a Host System Loss and otherwise at Provider’s cost and expense) repair or replace such System as quickly as practicable. Provider shall be entitled to all proceeds of insurance with respect to damage to or loss of the Systems; provided, however, that proceeds paid on account of damage to the Property shall be paid to Host.

(c) Total Damage or Destruction.

(i) In the event of any System Loss that, in the reasonable judgment of Provider, results in damage, destruction or loss of (A) all or substantially all of any System, (B) such magnitude that the cost to rebuild such System would result in a material adverse economic impact to Provider, or (C) such magnitude that a Financing Party will not permit the use of insurance proceeds for the purpose of rebuilding such System (in each case, a “**Total System Loss**”), Provider shall, within twenty (20) Business Days following the occurrence of a Total System Loss, notify Host whether Provider is willing, notwithstanding such Total System Loss, to repair or replace such System in accordance with Section 8.1(b).

(ii) If Provider notifies Host that Provider is not willing to repair or replace any System subject to a Total System Loss, (A) this Agreement will terminate automatically with respect to such System, effective upon the delivery of such notice, (B) from and after the date of delivery of such notice, such System shall no longer constitute part of the System Portfolio for all purposes hereunder and the aggregate payments with respect to the System Portfolio under Exhibit D and Exhibit E shall be correspondingly reduced, (C) Provider shall, at Provider’s sole cost and expense, remove such System from the Property as provided in Section 2.5, and (D) Provider shall be entitled to all proceeds of insurance with respect to damage to or loss of the such System, provided, however, that proceeds paid on account of damage to the Property shall be paid to Host.

Section 8.2 Insurance.

(a) **Provider.** Provider shall maintain, at its sole expense, (i) property insurance on the Systems for the replacement cost thereof, (ii) commercial general liability insurance with coverage of at least \$1,000,000 per occurrence and \$2,000,000 annual aggregate, (iii) employer's liability insurance with coverage of at least \$1,000,000, (iv) workers' compensation insurance as required by law and (v) an umbrella policy of at least \$4,000,000. Such insurance shall be primary coverage without right of contribution from any insurance of Host. Provider shall provide documentation of such insurance to the Host evidencing the insurance required under this Section within thirty (30) days of the written request by Host, and Provider shall provide certificate holder thirty (30) days' notice of cancellation (ten (10) days for non-payment of premium). Failure of Host to enforce the minimum insurance requirements listed above shall not relieve Provider of responsibility for maintaining these coverages.

(b) **Host.** Host shall provide and maintain "all-risk" property damage insurance, covering the Property in the amount not less than the replacement value of the Host's buildings, tools, personal property and equipment, which comprise all or a portion of the Property, excluding coverage for the Systems, during all periods (construction and operation). All such policies shall be commensurate with the coverages typically carried by Host. Within thirty (30) days after execution of this Agreement and thereafter at each renewal date, Host shall deliver to Provider certificates of insurance evidencing such coverage. Provider shall be given at least thirty (30) days' prior notice by the applicable insurer in the event of cancellation, non-renewal or termination of coverage (ten (10) days for non-payment of premium). Such insurance shall be primary coverage and shall include Host's indemnitees hereunder as additional insureds. Unless caused by Provider, Provider shall not be liable for any damage to any Property, or any of Host's equipment, buildings, tools or personal property located thereon that results from perils that would be insured against in a so called "all-risk property damage" insurance policy. Failure of Provider to enforce the minimum insurance requirements listed above shall not relieve Host of responsibility for maintaining these coverages.

(c) Provider shall maintain or cause to be maintain "all risk" property insurance covering each of the Systems during all periods (construction and operation) that Provider is the beneficial owner of such Systems. Provider shall waive subrogation in favor of Host and its affiliates under the "all-risk" property insurance policy being maintained pursuant to this provision.

(d) All insurance required hereunder shall waive the insurer's right of subrogation. The provisions of this Agreement shall not be construed so as to relieve any insurer of its obligation to pay any insurance proceeds in accordance with the terms and conditions of valid and collectible insurance policies. The liability of the Parties shall not be limited by insurance.

Section 8.3 Performance Excused by Force Majeure.

(a) **Excused Performance.** Except as otherwise specifically provided in this Agreement, neither Party shall be considered in breach of this Agreement or liable for any delay or failure to comply with the Agreement (other than the failure to pay amounts due hereunder), if and to the extent that such delay or failure is attributable to the occurrence of Force Majeure, on the condition that the Party claiming relief under this Section (i) notifies the other Party in writing of the existence of the Force Majeure, (ii) exercises all commercially reasonable efforts necessary to minimize delay caused by such Force Majeure, (iii) notifies the other Party in

writing of the cessation or termination of said Force Majeure and (iv) resumes performance of its obligations hereunder as soon as practicable thereafter.

(b) **Termination in Consequence of Force Majeure Event.** If an event of Force Majeure occurs with respect to a System that affects Provider's performance of its obligations hereunder and that continues for a period of ninety (90) days, then Provider may terminate this Agreement with respect to such System upon thirty (30) days' prior notice to Host. Within forty-five (45) days after such termination, Host shall pay to Provider in immediately available funds the Host Termination Payment calculated in accordance with Section 9.5. Except as set forth in the preceding sentence, neither Party shall have any liability to the other with respect to such System (other than any such liabilities that have accrued prior to such termination), the provisions of Article 9 (Events of Default; Remedies) shall be inapplicable to such System, and the Agreement shall continue to be effective with regards to all other System(s), if applicable.

Article 9

Events of Default; Remedies

Section 9.1 Events of Default. An "Event of Default" means, with respect to a Party (a "Defaulting Party"), the occurrence of any of the following:

(a) the failure to make, when due, any payment required under this Agreement if such failure is not remedied within ten (10) Business Days after notice for payments for Energy Output and thirty (30) days after notice for all other payments; or

(b) Host materially interferes with the operation or energy production of the System(s), including any interference or interruption which results in the decommissioning of any System or any component thereof; or

(c) Host breaches or fails to maintain any applicable interconnection or net metering agreement between Host and the Utility; or

(d) such Party becomes insolvent or is a party to a bankruptcy, reorganization, insolvency, liquidation, receivership, dissolution, winding-up or relief of debtors, or any general assignment for the benefit of creditors or other similar arrangement or any event occurs or proceedings are taken in any jurisdiction with respect to the Party that has a similar effect, and, if any such bankruptcy proceedings or other proceedings were initiated by a third party, if such proceedings have not been dismissed within 90 days following receipt of a notice from the Non-Defaulting Party demanding such cure; or

(e) such Party fails to provide or maintain in full force and effect any required insurance, if such failure is not remedied within ten (10) Business Days after receipt of notice from the Non-Defaulting Party to the Defaulting Party; or

(f) Host makes a transfer of a Property without prior notice to Provider and without assigning this Agreement and the applicable Site Control Agreement in accordance with Section 18.1, or the person receiving the transfer of a Property from Host does not agree to be bound by the terms of the relevant Site Control Agreement and this Agreement; or

(g) Any event of default by Host under any Site Control Agreement which is not cured within the applicable cure period as set forth in the Site Control Agreement; or

(h) Either Party otherwise materially breaches any term of this Agreement and such breach is not cured within thirty (30) days after notice thereof, except that such cure period will

be extended for a reasonable period of time (but not beyond 120 days) to the extent reasonably necessary to cure the breach if (i) the Defaulting Party initiates such cure within thirty (30) days after receipt of notice and continues such cure to completion and (ii) there is no material adverse effect on the Non-Defaulting Party resulting from failure to cure the breach.

Section 9.2 Remedies for Event of Default.

(a) If at any time an Event of Default with respect to a Defaulting Party has occurred, the other Party (the “**Non-Defaulting Party**”) will, without (except as otherwise provided in Section 9.3) limiting the rights or remedies available to the Non-Defaulting Party under this Agreement or Applicable Law, have the right:

(i) by notice to the Defaulting Party, to designate a date, not earlier than the date such notice is effective and not later than thirty (30) Business Days after the date such notice is effective, as an early termination date (“**Early Termination Date**”) of this Agreement;

(ii) to withhold any payments due to the Defaulting Party under this Agreement; and

(iii) to suspend performance due to the Defaulting Party under this Agreement, subject to the requirements of any consent executed pursuant to Section 18.2(b).

(b) If the Non-Defaulting Party designates an Early Termination Date, this Agreement will terminate as of the Early Termination Date unless the Event of Default has been cured prior to that date.

Section 9.3 Host Removal Rights Upon Termination for Default. If Host is the Non-Defaulting Party and elects to terminate this Agreement as provided in Section 9.2, Provider shall, upon Host’s request, remove the Systems at Provider’s sole cost and expense as provided in Section 2.5 (or Host may remove and have stored the Systems at Provider’s sole cost and expense if Provider fails to remove the Systems within one hundred and eighty (180) days after the Early Termination Date, and if the System is stored by Host and Provider fails to take possession of the stored System or fails to reimburse Host the cost of storage prior to taking possession of the stored System, Host shall be entitled to sell, by any reasonable method, such portions of the stored System necessary to defray the cost of storage, and apply such proceeds to the cost of storage).

Section 9.4 Provider Removal Rights Upon Termination for Default. If Provider is the Non-Defaulting Party, and Provider elects to terminate this Agreement as provided in Section 9.2, Provider will be entitled to remove the Systems at Host’s sole cost and expense.

Section 9.5 Termination Payment for Host’s Default. In addition to the exercise of any and all other remedies available under this Agreement or under Applicable Law, upon termination of this Agreement as a result of an Event of Default by Host, Host shall be required to pay to Provider (i) any amount owed by Host to Provider for Energy Output delivered prior to the Early Termination Date, and (ii) as liquidated damages, the higher of the Fair Market Value or the Termination Value set forth in Exhibit F for the year in which the Early Termination Date occurs (collectively, “**Host Termination Payment**”). The Parties agree and acknowledge that given the complexity of the technology used by the System(s) and the volatility of energy markets, actual damages to Provider would be difficult if not impossible to ascertain, and the applicable Fair Market Value or Termination Value is a reasonable approximation of the damages suffered by Provider as a result of early termination of this Agreement. Within forty-five (45) days after

written demand by Provider to Host of amounts due under this Section 9.5, Host shall pay to Provider in immediately available funds the Host Termination Payment calculated in accordance with this Section 9.5. For the avoidance of doubt, upon Host's payment of the Host Termination Payment to Provider, Host shall not acquire title to the System Assets, and except as set forth in Section 19.4, both Parties' obligations under this Agreement shall terminate immediately.

Section 9.6 Closeout Setoffs. Upon the termination of this Agreement in its entirety and the termination of the Site Control Agreement, either Party will be entitled, at its option and in its discretion, to set off, against any amounts due and owing to the other Party under this Agreement or the Site Control Agreement, any amounts due and owing from the other Party under this Agreement or the Site Control Agreement.

Section 9.7 Remedies Cumulative. The rights and remedies contained in this Article 9 are cumulative with the other rights and remedies available under this Agreement or at law or in equity.

Section 9.8 Limitation on Liability.

(A) **Consequential Damages Waiver.** NEITHER PARTY SHALL BE LIABLE FOR CONSEQUENTIAL, INCIDENTAL, PUNITIVE, EXEMPLARY OR INDIRECT DAMAGES, LOST PROFITS OR OTHER BUSINESS INTERRUPTION DAMAGES, BY STATUTE, IN TORT OR CONTRACT, UNDER ANY INDEMNITY PROVISION OR OTHERWISE EXCEPT (I) TO THE EXTENT PART OF AN EXPRESS REMEDY OR MEASURE OF DAMAGES HEREIN, INCLUDING AS PROVIDED IN SECTION 3.3, SECTION 3.5, AND SECTION 4.3, OR (II) WITH RESPECT TO A THIRD PARTY INDEMNITY CLAIM UNDER ARTICLE 13.

(b) **Maximum Liability.** EXCEPT FOR LIABILITY FOR INDEMNIFICATION FOR THIRD-PARTY CLAIMS AND AS OTHERWISE PROVIDED HEREIN, IN NO EVENT WILL PROVIDER'S AGGREGATE LIABILITY ARISING OUT OF OR RELATED TO THIS AGREEMENT, WHETHER ARISING OUT OF OR RELATED TO BREACH OF CONTRACT, TORT (INCLUDING NEGLIGENCE), OR OTHERWISE, EXCEED THE TOTAL OF THE AMOUNTS PAID TO PROVIDER PURSUANT TO THIS AGREEMENT.

Article 10 **Change in Law**

Section 10.1 Impacts of Change in Law. If Provider determines that a Change in Law has occurred or will occur that has or will have a material adverse effect on Provider's rights, entitlement, obligations or costs under this Agreement, then Provider may so notify Host of such Change in Law, and within thirty (30) days after Host's receipt of such notice, the Parties shall meet and attempt in good faith to negotiate such amendments to this Agreement as are reasonably necessary to preserve the economic value of this Agreement to both Parties. If the Parties are unable to agree upon such amendments within such thirty (30) day period, then Provider may terminate this Agreement without either Party having further liability under this Agreement except with respect to liabilities accrued prior to the date of termination and the requirements for removal of the Systems and restoration of Host's property upon termination pursuant to Section 2.5.

Section 10.2 Illegality or Impossibility. If a Change in Law renders this Agreement, or Provider's performance of this Agreement, either illegal or impossible, then Provider may

terminate this Agreement immediately upon notice to Host without either Party having further liability hereunder except with respect to liabilities accrued prior to the date of termination and the requirements for removal of the Systems and restoration of Host's property upon termination pursuant to Section 2.5.

Article 11 Invoicing and Payment

Section 11.1 Invoicing and Payment. Commencing on the first month after the Commercial Operation Date of the first System of the System Portfolio, Provider shall submit an invoice for payment for Energy Output to Host on the first day of each month during the Term. All invoices under this Agreement will be due and payable not later than thirty (30) days after receipt of the applicable invoice (or on the next Business Day). Host shall make payment to any account designated in writing by Provider. Any amounts not paid by the applicable due date will accrue interest at the Late Payment Interest Rate until paid in full.

Section 11.2 Taxes.

(a) Host shall be responsible for and timely pay (1) all Governmental Charges imposed on the generation, sale, purchase, delivery or consumption of Energy produced by the Systems or the interconnection of the Systems to the Utility's electricity distribution system, whether imposed before, upon or after the delivery of Energy Output to Host at each Delivery Point, (2) real property taxes on the Properties, if any, including any increased taxes or assessments on the Properties caused by the presence of a System, and (3) any applicable transfer taxes arising upon the sale or transfer of the Systems to Host pursuant to this Agreement.

(b) Subject to Host's obligation in Section 11.2(a), Provider shall be responsible for and timely pay any sales or use tax imposed with respect to Provider's acquisition, installation, and ownership of the System.

(c) Both Parties shall use reasonable efforts to administer this Agreement and implement its provisions so as to minimize Governmental Charges. If the sale of Energy hereunder is to be exempted from or not subject to one or more Governmental Charges, promptly upon Provider's request therefor, Host shall provide Provider with all necessary documentation to evidence such exemption or exclusion.

Section 11.3 Late Payments. All undisputed amounts hereunder shall be paid by Host without set-off or deduction, other than as described under Section 9.6. Any payment not made within the time limit specified in Section 11.1, as well as any payments made following a resolution of a disputed amount under Section 11.4, shall bear interest from the date on which such payment was originally required to have been made (including, for disputed amounts, as though there had been no dispute) through and including the date such payment is actually received by Provider. Such interest shall accrue at the Late Payment Interest Rate.

Section 11.4 Disputed Amounts. Within thirty (30) days after receipt of any invoice, Host may provide notice to Provider of any alleged error therein. Host shall timely pay all amounts not disputed in good faith, including the undisputed portion of any invoice, in accordance with Section 11.1. If Provider notifies Host within 30 days of receipt of such notice that Provider disagrees with the allegation of error in the invoice, the Parties shall meet, by telephone conference call or otherwise, within ten (10) days of Host's response for the purpose of attempting to resolve the Dispute. If the Parties fail to resolve the dispute within 30 days after

such initial meeting, such dispute shall be resolved pursuant to Article 16. Any amounts disputed hereunder shall be placed in escrow pending resolution of such dispute.

Host acknowledges and agrees that, for purposes of this Agreement, Provider is not a "utility" as such term is used in Section 366 of the Bankruptcy Code, and Host shall waive and not assert the applicability of the provisions of Section 366 in any bankruptcy proceeding wherein Host is a debtor.

Article 13 Indemnity

Section 13.1 Indemnity.

(a) Host shall indemnify, defend and hold harmless Provider and its Affiliates and its and their directors, officers, and employees, from and against any and all claims, whether or not involving a third-party claim, including demands, actions, damages, losses, costs, expenses, and attorney's fees (collectively, "**Indemnity Claims**"), to the extent arising out of or resulting from (i) any breach, negligent act, error or omission or intentional misconduct by Host or its trustees, directors, officers, employees, contractors, subcontractors, agents, or third-party invitees under the terms of this Agreement or the Site Control Agreement, or (ii) the existence or release of any Hazardous Substances in, on, under or about the Property (excepting any Hazardous Substances introduced to the Property by Provider or its agents, employees, or contractors); provided, however, that Host will not have any obligation to indemnify Provider from or against any Indemnity Claims to the extent caused by, resulting from, relating to or arising out of the gross negligence or intentional misconduct of Provider or any of its directors, officers, or employees.

(b) Provider shall indemnify, defend and hold harmless Host, its trustees, directors, officers, and employees, from and against any and all Indemnity Claims, whether or not involving a third-party claim, to the extent arising out of or resulting from (i) any breach, negligent act, error or omission or intentional misconduct by Provider or its Affiliates, directors, officers, employees, contractors, subcontractors or agents under the terms of this Agreement or the Site Control Agreement, or (ii) any Hazardous Substances introduced to the Property by Provider or its agents, employees, or contractors; provided, however, that Provider will not have any obligation to indemnify Host from or against any Indemnity Claims to the extent caused by, resulting from, relating to or arising out of the gross negligence or intentional misconduct of Host or any of its directors, officers, employees, agents, or third-party invitees.

(c) The Parties' indemnification obligations set forth in this Section 13.1 shall terminate with respect to any System three (3) years following the expiration or termination of this Agreement with respect to such System.

Article 14

System Purchase and Sale Option

Section 14.1 Grant of Purchase Option. Provider hereby grants Host the right and option to purchase all of Provider's right, title and interest in and to the total System Assets comprising the System Portfolio on the terms set forth in this Article 14 (the "**Purchase Option**"). The Purchase Option shall be irrevocable by Provider, and may be exercised by Host only in accordance with this Agreement.

(a) **Purchase Option Upon Expiration of Term.** Subject to Section 14.9, provided that no Event of Default by Host has occurred and is continuing, Host may elect to exercise the Purchase Option at the conclusion of the Term by providing notice to Provider of its intent to exercise the Purchase Option no later than one hundred eighty (180) days prior to the end of the Term.

(b) **Purchase Option Prior to Expiration of Term.** Subject to Section 14.9, provided that no Event of Default by Host has occurred and is continuing, Host may elect to exercise the Purchase Option on the 15th anniversary of the Commercial Operation Date of the last System of the System Portfolio to reach Commercial Operation, and only on the date of such anniversary, by providing one hundred eighty (180) days' notice to Provider of its intent to exercise the Purchase Option on such anniversary.

Section 14.2 Calculation of Purchase Price. The purchase price (the "**Purchase Price**") payable by Host for the System Assets under the Purchase Option shall be the greatest of (a) the aggregate Fair Market Value of all the System Assets in the System Portfolio, and (b) the Termination Value set forth in Exhibit F for the year in which the Purchase Price is to be paid.

Section 14.3 Determination of Fair Market Value by Mutual Agreement of Parties. Within thirty (30) days following the date of Provider's receipt of Host's notice to exercise the Purchase Option, the Parties shall meet and utilize their best efforts to agree upon the Fair Market Value of the System Assets. If the Parties are unable to agree upon such Fair Market Value during this period, the Parties shall select an Independent Appraiser in accordance with Section 14.4.

Section 14.4 Selection of Independent Appraiser. Within twenty (20) days after the Parties' failure to establish Fair Market Value pursuant to Section 14.3, Provider and Host shall mutually agree upon the selection of an Independent Appraiser. If Provider and Host do not agree upon the appointment of an Independent Appraiser within such period, then at the end of such period an Independent Appraiser shall be selected by random lot from two firms proposed by each Party.

Section 14.5 Determination of Fair Market Value by Independent Appraiser.

(a) The Parties shall require the Independent Appraiser to deliver a preliminary determination of the Fair Market Value within thirty (30) days after being appointed (the "**Preliminary Determination**"), together with all supporting documentation detailing the calculation thereof.

(b) Each of Provider and Host may object to the Preliminary Determination within thirty (30) days after receipt thereof. If neither Party objects within such period, the Preliminary Determination shall be deemed accepted by both Parties. Within fifteen (15) days after the expiration of such thirty (30) day period, the Parties shall cause the Independent Appraiser to issue the Independent Appraiser's final determination of Fair Market Value (the "**Final Determination**") to Provider and Host, which shall specifically address any objections received by the Independent Appraiser and whether such objections were taken into account in making the Final Determination. Except in the case of fraud or manifest error, the Final Determination shall be the final and binding determination of Fair Market Value.

Section 14.6 **Costs and Expenses of Independent Appraiser.** Provider and Host shall each be responsible for payment of one half of the costs and expenses of the Independent Appraiser.

Section 14.7 **Exercise of Purchase Option.**

(a) Host shall have twenty (20) days from the date of the Final Determination, or, if Host and Provider have mutually agreed upon a Fair Market Value, the date of such agreement (such period, the "**Exercise Period**"), to confirm Host's exercise of the Purchase Option by providing notice thereof (an "**Exercise Notice**") to Provider. Once Host delivers its Exercise Notice to Provider, such exercise shall be irrevocable.

(b) Provider shall, upon at least three (3) Business Days' prior notice from Host to Provider at any time during the Exercise Period, make the System Assets, including records relating to the operations, maintenance, and warranty repairs, available to Host for its inspection during normal business hours.

Section 14.8 **Terms of Systems Purchase.** On the Transfer Date (a) Provider shall surrender and transfer to Host all of Provider's right, title and interest in and to all System Assets, on an as-is, where-is basis, without warranty or guaranty by Provider of the performance thereof, and shall retain all liabilities related to the System Assets arising prior to the Transfer Date, (b) Host shall pay the Purchase Price, by certified check, bank draft or wire transfer and shall assume all liabilities related to the System Assets from and after the Transfer Date, and (c) both Parties shall (i) execute and deliver a bill of sale and assignment of contract rights reflecting the as-is, where-is nature of the transfer, together with such other conveyance and transaction documents as are reasonably required to fully transfer and vest title to the System Assets in Host, and (ii) deliver ancillary documents, including releases, resolutions, certificates, third person consents and approvals and such similar documents as may be reasonably necessary to complete the sale of the System Assets to Host.

Section 14.9 **Transfer Date.** The closing of any sale of the System Assets (the "**Transfer Date**") pursuant to this Article will occur on or before the last day of the Term for a Purchase Option exercised pursuant to Section 14.1(a) and on or before the applicable anniversary date for a Purchase Option exercised pursuant to Section 14.1(b), unless the Parties otherwise agree.

Section 14.10 **Assignment of Warranties or Supply Contracts.** If Host exercises the Purchase Option pursuant to this Article 14, Provider shall assign to Host any then-existing equipment warranties, and, at Host's request, any equipment, maintenance, operations or supply contracts pertaining to the ownership and operation of the System(s).

Article 15
Confidentiality and Publicity

Section 15.1 Confidentiality.

(a) Neither Party will use any Confidential Information for any purpose except such Party's performance under this Agreement. Furthermore, neither Party may disclose any Confidential Information to any third party other than the Party's or the Party's Affiliates' officers, trustees, employees, lenders, counsel, accountants or advisors (collectively, "**Representatives**") who have a need to know such information and who have agreed to keep such terms confidential or are otherwise bound by confidentiality obligations at least as restrictive as those contained herein, provided, however, that a Party may disclose Confidential Information in order to comply with the requirements of any Applicable Law or regulation or any exchange, control area or independent system operator rule, tariff or agreement or in connection with any judicial or regulatory proceeding or request by a Governmental Authority, provided further, however, that each Party will use reasonable efforts to prevent or limit any such disclosure. The obligations of the Parties under this Article will survive for a period of two (2) years from and after the termination of the Transaction to which any Confidential Information relates.

(b) Notwithstanding the foregoing or any other provision hereof, Provider acknowledges that Host may be subject to disclosure as required by as required by the California Public Records Act, Cal. Govt. Code §§ 6250 et seq. ("**CPRA**"), in which case, after this Agreement is ratified or approved by Host's governing board, including all attachments, it will become a public record subject to disclosure, and neither Party is obligated to undertake any conduct toward avoiding disclosure hereof, except that Host shall not disclose those portions of this Agreement that are exempt pursuant to Applicable Law regarding trade secrets or privileged or confidential commercial or financial information, which includes but is not limited to information related to pricing. Host shall treat public information requests in compliance with CPRA.

Section 15.2 Publicity.

(a) The Parties share a common desire to generate favorable publicity regarding the Systems and their association with it. The Parties may, from time to time, issue press releases or other public statements regarding the System(s) and shall reasonably cooperate with each other in connection with the issuance of such releases. To the extent possible, Provider shall only take photographs during the hours before school or after school.

(b) Host shall have the right to display photographs of the System(s) in its advertising and promotional materials, provided that any such materials identify Provider as the owner, operator and developer of the System. Without limiting the foregoing, the Systems shall be named "PFMG Solar Systems at Fullerton School District", as applicable. Section 18.1 **Assignment; Binding Effect.** Neither Party shall, without the prior written consent of the other (which consent will not be unreasonably withheld or delayed), assign, pledge or transfer all or any part of, or any right or obligation under, this Agreement or any Site Control Agreement, whether voluntarily or by operation of law, and any such assignment or transfer without such consent will be null and void. For purposes of this Section 18.1, consent will not be deemed unreasonably withheld or delayed if the assignee does not have a demonstrated creditworthiness equal to or greater than the assigning Party. Notwithstanding the foregoing, (a) changes in control of Provider shall not be deemed an assignment of this Agreement or any Site Control Agreement and shall not require the prior written consent of Host, (b) Provider shall, without the prior written consent of Host, be entitled to assign its rights and interests in the Environmental Attributes and Tax Attributes that it owns pursuant to Section 4.1 and Section 4.2, and (c) Provider shall, without the prior written consent of Host, be entitled to assign its rights and interests in this Agreement and in any Site Control Agreement to Provider's Affiliates or any Financing Party.

Section 18.2 **Cooperation with System Funding.** Host acknowledges that Provider may finance or fund the development of each System, and Host shall cooperate with Provider and its funding sources in connection with such financing or funding in accordance with the terms hereunder, including (a) the furnishing of financial statements and other information

relevant to Host's creditworthiness, as reasonably requested by Provider, (b) providing its consent to any assignment, lien or license of this Agreement, the Site Control Agreement or the System(s) for the benefit of any Financing Party, which consent shall contain additional cure periods with respect to Provider Events of Default for the benefit of the Financing Parties, (c) providing an opinion of counsel in the form attached hereto as Exhibit G and other opinions of counsel as Provider and its Financing Parties may reasonably request, (d) providing estoppels as required in Section 18.3, (e) removing any liens pursuant to Section 6.1, (f) executing necessary documents including providing certificates of incumbency and customary representation and warranties, and (g) obtaining SNDAs pursuant to Section 6.1. **[Provider shall reimburse Host, up to a maximum of \$5,000, the reasonable, documented and out-of-pocket costs and expenses incurred by Host in connection with its cooperation efforts under this Section 17.2.]**

Section 18.3 Further Assurances; Estoppel. The Parties shall do such further acts, perform such further actions, and execute and deliver such further or additional documents and instruments as may be reasonably required or appropriate to consummate, evidence, or confirm the agreements and understandings contained herein and to carry out the intent and purposes of this Agreement. In addition, either Party hereto, without charge, at any time and from time to time, within seven (7) days after receipt of a written request by the other Party hereto, shall deliver a written instrument, duly executed, certifying to such requesting Party, or any other Person, firm or corporation specified by such requesting Party (such requesting Party includes a Financing Party):

(a) That this Agreement is unmodified and in full force and effect, or if there has been any modification, that the same is in full force and effect as so modified, and identifying any such modification;

(b) Whether or not to the knowledge of any such Party there are then existing any offsets or defenses in favor of such party against enforcement of any of the terms, covenants and conditions of this Agreement and, if so, specifying the same and also whether or not to the knowledge of such party the other party has observed and performed all of the terms, covenants and conditions on its part to be observed and performed, and if not, specifying the same; and

(c) Such other information as may be reasonably requested by a Party hereto.

Section 18.4 Any written instrument given hereunder may be relied upon by the recipient of such instrument, except to the extent the recipient has actual knowledge of facts contained in the certificate.

Article 19 Miscellaneous

Section 19.1 Governing Law; Venue. This Agreement will be governed by the laws of the State of California without giving effect to principles of conflicts of laws.

Section 19.2 Entire Agreement; Amendments. This Agreement (including the exhibits, any written schedules, supplements or amendments) constitutes the entire agreement between the Parties, and supersedes any prior oral or written agreements between the Parties, relating to the subject matter hereof. Any amendment, modification or change to this Agreement will be void unless in writing and signed by both Parties.

Section 19.3 Non-Waiver. No failure or delay by either Party in exercising any right, power, privilege, or remedy hereunder will operate as a waiver thereof. Any waiver must be in a writing signed by the Party making such waiver.

Section 19.4 Survival. Provisions of this Agreement that should reasonably be considered to survive termination of this Agreement for the protection of the Party in whose favor they operate shall so survive, including removal obligations, payment obligations arising prior to termination hereof, and as provided in Section 13.1(c).

Section 19.5 Severability. If any part, term, or provision of this Agreement is determined by an arbitrator or court of competent jurisdiction to be invalid, illegal, or unenforceable, such determination shall not affect or impair the validity, legality, or enforceability of any other part, term, or provision of this Agreement, and shall not render this Agreement unenforceable or invalid as a whole. Rather the part of this Agreement that is found invalid or unenforceable will be amended, changed, or interpreted to achieve as nearly as possible the same objectives and economic effect as the original provision, or replaced to the extent possible, with a legal, enforceable, and valid provision that is as similar in tenor to the stricken provision, within the limits of Applicable Law or applicable court decisions, and the remainder of this Agreement will remain in full force.

Section 19.6 No Third Party Beneficiaries. Notwithstanding the protections for Financing Parties set forth in Section 18.2, nothing in this Agreement will provide any benefit to any third party or entitle any third party to any claim, cause of action, remedy or right of any kind.

Section 19.7 No Recourse to Affiliates. This Agreement is solely and exclusively between the Parties, and any obligations created herein on the part of Provider shall be the obligations solely of Provider. Host shall have recourse to any parent, subsidiary, partner, member, Affiliate, lender, director, officer or employee of Provider for performance or non-performance of any obligation hereunder, unless such obligations were assigned to or assumed in writing by the Person against whom recourse is sought.

Section 19.8 Relationships of Parties. This Agreement shall not be interpreted to create an association, joint venture, or partnership between the Parties nor to impose any partnership obligation or liability upon either Party.

Section 19.9 Attorneys' Fees. If any action, arbitration, judicial reference or other proceeding is instituted between the Parties in connection with this Agreement, the losing Party shall pay to the prevailing Party a reasonable sum for attorneys' and experts' fees and costs incurred in bringing or defending such action or proceeding (at trial and on appeal) and/or enforcing any judgment granted therein. The prevailing Party shall be determined by the trier of fact based upon an assessment of which Party's major arguments or positions taken in the proceedings could fairly be said to have prevailed over the other Party's major arguments or positions on major disputed issues.

Section 19.10 Counterparts. This Agreement may be executed in several counterparts, each of which is an original and all of which together constitute one and the same instrument. A signature on a copy of this Agreement received by either Party by email or other means of electronic transmission is binding upon the other Party as an original.

Section 19.11 Construction of Agreement. This Agreement and any ambiguities or uncertainties contained herein shall be equally and fairly interpreted for the benefit of and against all Parties to this Agreement and shall further be construed and interpreted without reference to the identity of the Party or Parties preparing this document, it being expressly understood and agreed that the Parties hereto participated equally in the negotiation and preparation of this Agreement or have had equal opportunity to do so. Accordingly, the Parties hereby waive the legal presumption that the language of the contract should be interpreted most strongly against the Party who caused the uncertainty to exist. The captions used herein are for convenience only and are not a part of this Agreement and do not in any way limit or amplify the terms and provisions hereof.

Section 19.12 Service Contract. The Parties intend this Agreement to be treated as a “service contract” within the meaning of Section 7701(e) of the United States Internal Revenue Code. Host will not take the position on any tax return or in any other filings suggesting that it is anything other than a purchaser of electricity from the Systems.

Section 19.13 Forward Contract. The Parties acknowledge and agree that this Agreement and the transactions consummated under this Agreement constitute a “forward contract” within the meaning of the United States Bankruptcy Code and that each of Provider and Host is a “forward contract merchant” within the meaning of the United States Bankruptcy Code.

Section 19.14 Waiver of Immunities. Each Party irrevocably waives, to the fullest extent permitted by Applicable Law, with respect to itself and its revenues and assets (irrespective of their use or intended use), all immunity on the grounds of sovereignty or other similar grounds from (i) suit, (ii) jurisdiction of any court, (iii) relief by way of injunction, order for specific performance or for recovery of property, (iv) attachment of its assets (whether before or after judgment) and (v) execution or enforcement of any judgment to which it or its revenues or assets might otherwise be entitled in any proceedings in the courts of any jurisdiction and irrevocably agrees, to the extent permitted by Applicable Law, that it will not claim any such immunity in any proceedings.

Section 19.15 Budget and Appropriations. The Host shall take such action as may be necessary to include all payments due this Agreement (the “**Payments**”) (to the extent the amounts of such Payments are known to the Host at the time its annual budget is proposed) in its annual budget and to make the necessary annual appropriations for such Payments. To the extent the amount of such Payments becomes known after the adoption of the annual budget, such amounts shall be included and maintained in such budget as amended. The covenants of the Host shall be deemed to be a duty imposed by law and it shall be the ministerial duty of the Host to take such actions as are required by law to enable the Host to perform this Agreement. The obligation of the Host to make Payments hereunder shall constitute a current operating expense of the Host and shall not in any way be construed to be a debt of the Host, or the State, or any political subdivision thereof, nor shall anything contained herein constitute a pledge of general revenues, funds or moneys of the Host beyond the fiscal year for which the Host has appropriated funds to make Payments hereunder or an obligation of the Host for which the Host is obligated to levy or pledge any form of taxation or for which the Host has levied or pledged any form of taxation.

Section 19.16 Exhibits and Schedules. Any and all exhibits and schedules referenced herein and/or attached hereto are hereby incorporated into this Agreement by reference.

[Remainder of page intentionally blank]

IN WITNESS WHEREOF, the parties hereto have each caused this Agreement to be duly executed by their duly authorized officers, all as of the day and year first above written.

EXHIBIT E
GUARANTEED MINIMUM PRODUCTION

I. Definitions

- A. “**3-Year Average Annual Difference**” means the average of the three most recent Annual Differences as calculated on the last day of each Contract Year; provided that if such calculation yields a negative number, the 3-Year Average Annual Difference shall be deemed to be zero (0).
- B. “**3-Year Average Price Difference**” means the average of the three most recent “Price Differences”; provided that if such calculation yields a negative number, the 3-Year Average Price Difference shall be deemed to be zero (0); where “**Price Difference**” means, for each Contract Year, the difference between the applicable rate charged by the Utility less the Energy Payment Rate, in each case for such Contract Year.
- C. “**Actual kWh**” means an amount, expressed in kWh, equal to the sum of (i) the total amount of electric energy actually delivered by Provider from the System Portfolio during the Contract Year as measured by the Metering Device plus (ii) the Provider Excused Energy Amount.
- D. “**Annual Difference**” shall have the meaning ascribed to such term in Section II. B of this **EXHIBIT E**.
- E. “**Calculated kWh**” means the amount of kWh expected to be produced based on the final system design of each System (but before considering the Annual Degradation Factor) as calculated using PVSYST energy simulation software (or other software as commonly used to calculate solar production) using soiling data and actual (1) solar insolation, (2) ambient air temperature, and (3) wind speed, as measured by the Metering Device ((1), (2) and (3), the “**Actual Weather Data**”).
- F. “**Energy Shortfall Credit**” shall have the meaning ascribed to such term in Section II A of this **EXHIBIT E**.”
- G. “**Guaranteed Energy Price per kWh**” means the amount per kWh as set forth in **EXHIBIT C**.
- H. “**Guaranteed Minimum Production**” shall have the meaning ascribed to such term in Section II. C of this **EXHIBIT E**.
- I. “**kWh**” means electric energy expressed in kilowatt-hours and measured by multiplying the amount of electric power delivered (measured in kilowatts) by the amount of time over which the electricity was consumed (measured in hours). One kilowatt-hour equals one thousand watt-hours.
- J. “**NREL**” means the United States Department of Energy’s National Renewable Energy Laboratory.

- K. **“Provider Excused Energy Amount”** means an amount, expressed in kWh, equal to the aggregate amount of reduction(s) in delivered electric energy during the Contract Year as a result of (i) actions by Host not permitted under this Agreement causing the System to be unable to deliver electric energy to the Delivery Point, (ii) Host’s breach or default under this Agreement, (iii) any other failure by Host to accept delivered electric energy, (iv) events of Force Majeure, including any outages or curtailments caused by the Utility or any other third party, (v) outages to the local transmission or distribution system that impact the System’s ability to deliver electric energy to the Delivery Point and (v) downtime of the System as a result of warranty claims and repairs.

II. **Production Guarantee.**

- A. Energy Shortfall Credit. The Host’s sole remedy for Provider’s failure to achieve the Guaranteed Minimum Production in any Contract Year shall be Provider’s issuance to Host of a credit against payments due by Host pursuant to Section 10.1 of the PPA in an amount equal to the product of the 3-Year Average Annual Difference multiplied by the 3-Year Average Price Difference (the **“Energy Shortfall Credit”**).
- B. Calculation of Annual Difference. The **“Annual Difference”** shall be calculated for each Contract Year and is the difference between Guaranteed Minimum Production for the System Portfolio during such Contract Year less the Actual kWh delivered by the System Portfolio during such Contract Year.
- C. Guaranteed Minimum Production. For any Contract Year, the applicable **“Guaranteed Minimum Production”** for the System Portfolio shall be the product of Calculated kWh multiplied by the difference of one (1) minus the Annual Degradation Factor [(0. __%)] raised to the power of the number of years passed since the first Contract Year which is then multiplied by [__]%, expressed in formula as follows:

$$\text{Calculated kWh} \times (1 - \text{Da})^{(\text{GY} - 1)} \times 80\%$$

Where Da is the Annual Degradation Factor, and GY is the ordinal rank of the applicable Contract Year whereby the first Contract Year is 1, the second Contract Year is 2, etc.

The process for obtaining Actual kWh and data for determining Calculated kWh for each Contract Year shall be as follows:

1. Initial Data Collection. During each Contract Year, Provider will collect Actual kWh and Actual Weather Data using the Metering Device. In addition, Provider will take into consideration soiling conditions. PVSYST (or other software commonly used to calculate solar production) will utilize actual weather data and Provider’s soiling data to arrive at Calculated kWh.

2. Contingency for Equipment Failure. In the event of hardware, communication, or other failure with the Metering Device, Provider will make commercially reasonable efforts to resolve the issue in a timely manner. In the event that data is lost, the following procedure will be used to account for such data when determining the Actual kWh:

- a) With respect to lost meteorological data, Provider will substitute meteorological data from a nearby meteorological station that the Parties select for such purpose.
- b) With respect to lost electrical data, Provider will read the cumulative electrical data directly from the local utility's electrical meter and calculate the electricity generated during any missing interval. In the event that it is not possible to read the local utility's electrical meter due to a meter failure or other issue, Provider will reasonably estimate the electrical production during the missing interval by using the actual meteorological data provided by the Metering Device.

EXHIBIT G
ADDITIONAL PROVISIONS

1. **Performance and Payment Bonds.** Prior to commencing substantial construction activities on any Property, Provider shall deliver to Host evidence that the prime contractor performing the construction and installation services of the Systems maintains payment and performance bonding in favor of Provider and meeting the following requirements.

(a) **Performance Bond.** A bond issued by a corporate surety authorized to issue surety insurance in California, in a form commonly used for such purposes and in an amount equal to one hundred percent (100%) of the contract price payable under the contract for the construction and installation of the Systems, securing the performance of contractor's obligations under such contract with Provider; and

(b) **Payment Bond.** A bond issued by a corporate surety authorized to issue surety insurance in California, in a form commonly used for such purposes and in an amount equal to fifty percent (50%) of the contract price payable under such contract securing the payment of all claims for the performance of labor or services on, or the furnishing of materials for, the performance of the contract.

2. **Prevailing Wages.** Work performed in connection with the construction and installation of the Systems (as used herein, "work") is subject to compliance with the prevailing wage provisions of the California Labor Code and the prevailing wage rate determinations of the Department of Industrial Relations. Provider shall comply, or cause its contractors to comply, with all applicable provisions of the California Prevailing Wage Law, including the following:

(a) **Wages.**

(1) Pursuant to the provisions of Article 2 (commencing at Section 1770), Chapter 1, Part 7, Division 2 of the Labor Code of California, the governing body of Host has ascertained the general prevailing rate of per diem wages in the locality in which this public work is to be performed for each craft, classification, or type of workmen needed to execute the Agreement.

(2) Per Diem wages shall be deemed to include employer payments for health and welfare, pension, vacation, travel time and subsistence pay as provided in Labor Code § 1773.1 apprenticeship or other training programs authorized by Labor Code § 3093, and similar purposes when the term "per diem wages" is used herein.

(3) Each worker needed to execute the work must be paid travel and subsistence payments as defined in the applicable collective bargaining agreements in accordance with Labor Code § 1773.1.

(4) Holiday and overtime work when permitted by law shall be paid for at a rate of at least one and one-half times the above specified rate of per diem wages, unless otherwise specified.

(5) Each worker performing work on the System on Host's Property shall be paid not less than the prevailing wage rate, regardless of any contractual relationship which may be alleged to exist between Provider, or any subcontractors of Provider, and such workers.

(6) Provider shall, as a penalty to the Host, forfeit an amount as determined by the Labor Commissioner pursuant to Labor Code § 1775 for each day, or portion thereof, for each worker paid less than the prevailing rate as determined by the director for such work or craft in which such worker is employed for any public work done under the contract by him or by any subcontractor under him. The difference between such prevailing wage rate and the amount paid to each worker for each day or portion thereof for which each worker was paid less than the prevailing wage rate, shall be paid to each worker by Provider.

(7) Copies of the determined prevailing wage rates are on file and available upon request at the Host's office. Host shall provide Provider with current prevailing wage rates, in writing. Provider shall post, or cause to be posted, at an appropriate conspicuous point on the Property, a schedule showing all determined general prevailing wage rates.

(8) Any worker employed to perform work on the System which is not covered by any classification available in the Host office, shall be paid not less than the minimum rate of wages specified for the classification which most closely corresponds with work to be performed by him, and that minimum wage rate shall be retroactive to the time of initial employment of the person in the classification.

(b) **Record Of Wages Paid: Inspection.** Pursuant to Labor Code § 1776, Provider stipulates to the following:

(1) Provider and each subcontractor shall keep an accurate payroll record, showing the name, address, social security number, work classification, straight time and overtime hours worked each day and week, and the actual per diem wages paid to each journeyman, apprentice, worker, or other employee employed by him or her in connection with the project. Such records shall be on forms provided by the Division of Labor Standards Enforcement or shall contain the same information as is required by such forms. The payroll records may consist of payroll data that are maintained as computer records, if printouts contain the same information as the forms provided by the division and the printouts are verified as specified in subdivision (a) of Labor Code § 1776.

(2) The payroll records enumerated under subdivision (a) shall be certified and shall be available for inspection at all reasonable hours at the principal office of Provider, or Provider's subcontractors, on the following basis:

(A) A certified copy of an employee's payroll record shall be made available for inspection or furnished to such employee or his or her authorized representative.

(B) A certified copy of all payroll records enumerated in subdivision (a) shall be made available for inspection or furnished to a representative of the Host and to the Division of Labor Standards Enforcement and Division of Apprenticeship Standards of the Department of Industrial Relations.

(C) A certified copy of all payroll records enumerated in subdivision (a) shall be made available to the public for inspection or copies thereof. However, a request by the public shall be made through either the Host, the Division of Apprenticeship Standards, or the Division of Labor Standards Enforcement. If the requested payroll records have not been provided pursuant to the above, the requesting party shall, prior to being provided the records, reimburse the costs of preparation by Provider, subcontractors, and the entity through

which the request was made. The public shall not be given access to such records at the principal office of Provider or Provider's subcontractors.

(3) Provider shall file, or caused to be filed, a certified copy of the records enumerated in subdivision (a) with the entity that requested such records within ten (10) days after receipt of the written request.

(4) Any copy of records made available for inspection as copies and furnished upon request to the public or any public agency, by the Host, the Division of Apprenticeship Standards, or the Division of Labor Standards Enforcement shall be marked or obliterated in such a manner as to prevent disclosure of an individual's name, address and social security number. The name and address of Provider or subcontractors performing the work shall not be marked or obliterated. Any copy of records made available for inspection by, or furnished to, a joint labor-management committee established pursuant to the federal Labor Management Cooperation Act of 1978 (Section 175a of Title 29 of the United States Code) shall be marked or obliterated only to prevent disclosure of an individual's name and social security number. Notwithstanding any other provision of law, agencies that are included in the Joint Enforcement Strike Force on the Underground Economy established pursuant to Section 329 of the Unemployment Insurance Code and other law enforcement agencies investigating violations of law shall, upon request, be provided non-redacted copies of certified payroll records.

(5) Provider shall inform the Host of the location of the records enumerated under subdivision (a), including the street address, city, and county, and shall, within five (5) working days, provide a notice of a change of location and address.

(6) In the event of noncompliance with the requirements of this Section, Provider shall have ten (10) days in which to comply subsequent to receipt of written notice specifying in what respects Provider must comply with this Section. Should noncompliance still be evident after such 10-day period, Provider shall pay a penalty in the amount prescribed by statute to the Host for each day, or portion thereof, for each worker, until strict compliance is effectuated.

(7) The responsibility for compliance with this Section shall rest upon Provider.

(8) Provider shall cause and ensure such payroll records shall be furnished directly to the Labor Commissioner in accordance with Labor Code § 1771.4(a)(3) and 8 California Code of Regulations § 16461(b) on a monthly basis (or more frequently if required by the Labor Commissioner) and in a format prescribed by the Labor Commissioner, and made available at all reasonable times at Provider's principal office to the persons authorized to inspect such records pursuant to Labor Code Section 1776.

(c) Hours Of Work.

(1) As provided in Article 3 (commencing at Section 1810), Chapter 1, Part 7, Division 2 of the Labor Code, Provider stipulates that eight (8) hours of labor shall constitute a legal day's work. The time of service of any worker employed at any time by Provider or by the work or upon any part of the work contemplated by this contract is limited and restricted to eight (8) hours during any one day and forty (40) hours during any one calendar week, except as hereinafter provided. Notwithstanding the provisions hereinabove set forth, work performed on the Host's Property by employees or subcontractors of Provider in excess of eight (8) hours per

day and forty (40) hours during any one week upon this public work shall be permitted compensation of all hours worked in excess of eight (8) hours per day at not less than one and one-half times the basic rate of pay.

(2) Provider shall pay to the Host a penalty in the amount prescribed by statute for each worker employed in the execution of these construction provisions by Provider or by any subcontractor for each day during which such workman is required or permitted to work more than eight (8) hours in any day and forty (40) hours in any one calendar week in violation of the provisions of Article 3 (commencing at Section 1810), Chapter 1, Part 7, Division 2 of the Labor Code, unless compensation to the worker so employed by Provider is not less than one and one-half (1-1/2) times the basic rate of pay for all hours worked in excess of eight (8) hours per day.

(3) Any work necessary to be performed after regular working hours, or on Sundays or other holidays shall be performed without additional expense to Host, unless otherwise agreed to by the parties.

(4) Construction work under the construction provisions shall be accomplished on a schedule consistent with the normal and reasonable practices of Provider and in compliance with applicable ordinances.

(d) **Apprentices.**

(1) All apprentices employed by Provider to perform services under these Construction Provisions shall be paid the standard wage paid to apprentices under the regulation of the craft or trade at which that apprentice is employed, and shall be employed only at the work of the craft or trade in which that apprentice is registered. Only apprentices, as defined in Labor Code § 3077, who are in training under apprenticeship standards and written apprenticeship agreements under Chapter 4 (commencing at Section 3070), Division 3 of the Labor Code, are eligible to be employed under these construction provisions. The employment and training of each apprentice shall be in accordance with the provisions of the apprenticeship standards and apprenticeship agreements under which that apprentice is training.

(2) When Provider to whom the work under these construction provisions is awarded by the Host or any subcontractor under Provider, in performing any of the work under the construction provisions, employs workers in any apprenticeable craft or trade, Provider and subcontractor shall apply to the joint apprenticeship committee administering the apprenticeship standards of the craft or trade in the area of the Property of the public work, for a certificate approving Provider or subcontractor under the apprenticeship standards for the employment and training of apprentices in the area or industry affected. However, approval as established by the joint apprenticeship committee or committees shall be subject to the approval of the Administrator of Apprenticeship. Provider or subcontractors shall not be required to submit individual applications for approval to local joint apprenticeship committees provided they are already covered by the local apprenticeship standards. The ratio of work performed by apprentices to journeymen, who shall be employed in the craft or trade on the public work, may be the ratio stipulated in the apprenticeship standards under which the joint apprenticeship committee operates, but in no case shall the ratio be less than one hour of apprentice work for each five (5) hours of labor performed by a journeyman, except as otherwise provided in Section 1777.5 of the Labor Code. However, the minimum ratio for the land surveyor classification shall not be less than one apprentice for each five journeymen.

(3) “Apprenticeable craft or trade” as used in Labor Code § 1777.5 and this Article, means a craft or trade determined as an apprenticeable occupation in accordance with rules and regulations prescribed by the Apprenticeship Council.

(4) Provider, or any subcontractor which, in performing any of the work under this contract, employs journeymen or apprentices in any apprenticeable craft or trade and which is not contributing to a fund or funds to administer and conduct the apprenticeship programming of any craft or trade in the area of the Property of the public work, to which fund or funds other providers in the area of the Property of the public work are contributing, shall contribute to the fund or funds in each craft or trade in which that Provider employs journeymen or apprentices on the public work in the same amount or upon the same basis and in the same manner as other providers do, but where the trust fund administrators are unable to accept the funds, providers not signatory to the trust agreement shall pay like amount to the California Apprenticeship Council. Provider or subcontractor may add the amount of such contributions in computing their bid for the contract. The Division of Labor Standards Enforcement is authorized to enforce the payment of the contributions to the fund or funds as set forth in Labor Code § 227.

(5) The responsibility of compliance with Labor Code § 1777.5 and this Article for all apprenticeable occupations is with Provider.

(6) The interpretation and enforcement of Sections 1777.5 and 1777.7 of the Labor Code shall be in accordance with the rules and procedures of the California Apprenticeship Council.

(e) Provider shall cause and ensure compliance with all DIR registration requirements in accordance with Labor Code sections 1725.5 and 1771.1 by all persons or firms providing or performing any work of construction, installation or modification of the Systems under this Agreement. The foregoing includes compliance with DIR registration requirements at all times during performance of the work by the Provider and all of its subcontractors of any tier. Any subcontractors of any tier not properly registered with DIR shall be substituted in accordance with Labor Code section 1771.1.

3. Safety Precautions and Programs. Provider shall ensure that its contractor and subcontractors performing work on the Property comply with the following safety precautions.

(a) Provider’s contractor shall be responsible for initiating, maintaining and supervising all safety precautions and programs in connection with the construction and installation of the Systems, for maintaining all safety and health conditions on each site and for ensuring against and/or correcting any hazardous conditions on the site.

(b) Certain work may be ongoing at the time school is in session; therefore, Provider’s contractor shall take precautions to prevent injury and access to children and staff and shall comply with the Host’s guidelines for onsite safety. Material storage and vehicle access and parking shall be subject to Host approval.

(c) The use of alcohol, drugs, or tobacco will not be permitted on Host property. Workers employed by Provider’s contractor or subcontractors shall have no contact with students. All workers will present themselves with appropriate language, actions and work wear while on construction site.

(d) Provider's contractor shall designate a responsible member of its organization at the site whose duty shall be the prevention of accidents and overall jobsite safety for contractor/subcontractor employees and visitors.

EXHIBIT G.7

LEAD-PRODUCT(S) CERTIFICATION

California Occupational Safety and Health Administration (CalOSHA), Environmental Protection Agency (EPA), California Department of Health Services (DHS), California Department of Education (CDE), and the Consumer Product Safety Commission (CPSC) regulate lead-containing paint and lead products.

Because the Provider and its employees will be providing services for the Host, and because the Provider's work may disturb lead-containing building materials, PROVIDER IS HEREBY NOTIFIED of the potential presence of lead-containing materials located within certain buildings utilized by the Host. All school buildings built prior to 1993 are presumed to contain some lead-based paint until sampling proves otherwise.

The CDE mandates that school Hosts utilize DHS lead-certified personnel when a lead-based hazard is identified. Examples of lead-certified personnel include: project designers, inspectors, and abatement workers. Furthermore, since it is assumed by the Host that all painted surfaces (interior as well as exterior) within the Host contain some level of lead, it is imperative that the Provider, its workers and subcontractors fully and adequately comply with all applicable laws, rules and regulations governing lead-based materials (Including Title 8, California Code of Regulations, Section 1532.1). Any and all Work which may result in the disturbance of lead-containing building materials must be coordinated through the Host.

The California Education Code also prohibits the use or import of lead-containing paint, lead plumbing and solders, or other potential sources of lead contamination in the construction of any new school facility or in the modernization or renovation of any existing school facility. Provider shall provide the Host with any sample results prior to beginning Work, during the Work, and after the completion of the Work. The Host may request to examine, prior to the commencement of the Work, the lead training records of each employee of the Provider.

All contractors who disturb lead-based paint in a six-square-foot area or greater indoors or a 20-square-foot area outdoors shall comply with the Renovation, Repair and Painting Rule, shall receive training from a U.S. EPA-accredited training provider, and shall be certified by the U.S. EPA. Provider, its workers and subcontractors must fully and adequately comply with all applicable laws, rules and regulations governing lead-based materials, including those rules and regulations appearing within title 40 of the Code of Federal Regulations as part 745 (40 CFR 745).

If failure to comply with these laws, rules, and regulations results in a site or worker contamination, Provider will be held solely responsible for all costs involved in any required corrective actions, and shall defend, indemnify and hold harmless the Host, pursuant to the indemnification provisions of the Contract, for all damages and other claims arising therefrom. If lead disturbance is anticipated in the Work, only persons with appropriate accreditation, registrations, licenses and training shall conduct this Work.

It shall be the responsibility of the Provider to properly dispose of any and all waste products, including but not limited to, paint chips, any collected residue, or any other visual material that may occur from the prepping of any painted surface. It will be the responsibility of Provider to provide the proper disposal of any hazardous waste by a certified hazardous waste hauler. This company shall be registered with the Department of Transportation (DOT) and shall be able to issue a current manifest number upon transporting any hazardous material from any school site within the Host.

The undersigned hereby acknowledges, under penalty of perjury, that he or she has received notification of potential lead-based materials on the owner's property, as well as the existence of applicable laws, rules and regulations governing work with, and disposal of, such materials with which it must comply. The undersigned also warrants that he or she has the authority to sign on behalf of and bind the Provider.

FULLERTON SCHOOL DISTRICT CERTIFICATED PERSONNEL REPORT
PRESENTED TO THE BOARD OF TRUSTEES ON JUNE 18, 2019

PCD	Last Name	First Name	Location	Assignment	Action	Description/Budget	Effective Date(s)
<p>This is to certify that this is an exact copy of the Certificated Personnel Report approved and recorded in the minutes of the Board of Trustees on June 18, 2019.</p>							
<p style="text-align: center;">_____ Clerk/Secretary</p>							

CONSENT ITEM

DATE: June 18, 2019
TO: Robert Pletka, Ed.D., District Superintendent
FROM: Robert R. Coghlan, Ph.D., Assistant Superintendent, Business Services
SUBJECT: **ACCEPT GIFTS AND AUTHORIZE DISTRICT STAFF TO EXPRESS THE BOARD OF TRUSTEES' APPRECIATION TO ALL DONORS**

Background: According to Board Policy 3290(a), the Board of Trustees may accept any bequest, gift of money, or property on behalf of the District. Gifts must be deemed suitable for a purpose by the Board of Trustees and be used in an appropriate manner. However, it is the policy of the Board of Trustees to discourage all gifts which may directly or indirectly impair the Board of Trustees' commitment to providing equal educational opportunities to the students of the District. As indicated in the above-mentioned Board Policy, the District Superintendent approves gifts designated for a specific school for acceptance at that school. Descriptions of gifts presented for acceptance are included on the attachment. Gifts for specific dollar amounts are noted, non-monetary gifts are identified, and the donor is responsible for reporting the value to the Internal Revenue Service.

Rationale: The Board of Trustees of the Fullerton School District gratefully accepts monetary and non-monetary gifts from public and private entities. These gifts help reduce the costs of school materials, curriculum, and extracurricular student activities.

Funding: The funding received from gifts will be deposited in appropriate District funds.

Recommendation: Accept gifts and authorize District staff to express the Board of Trustees' appreciation to all donors.

RMTS Software Platform Fee

DISTRICT will be responsible for DISTRICT'S share of the RMTS Software Platform Fee, which is based on the DISTRICT'S actual cost of utilizing the RMTS Software Platform through a third party administrator selected by the Region 9 LEC for the Random Moment Time Study. SUPERINTENDENT will bill DISTRICT for DISTRICT'S share of the software platform fees. The DISTRICT'S share of the software platform fees may be included in the DISTRICT's claim for reimbursement based on actual costs paid.

Current third party administrator under contract with SUPERINTENDENT is Public Consulting Group Inc. (PCG). RMTS Software Platform Fees are structured on a quarterly Time Survey Participant (TSP) rate based on the actual count of TSPs by district in the PCG RMTS system at the time of sample generation prior to the start of each fiscal quarter. Since the California Department of Health Care Services (DHCS) does not require a time study for FY quarter 1, the July-September quarter, these charges will be half the rate of the quarterly fee and based on the district's prior quarter participant count.

FY Quarter	Quarterly Participant Rate
FY Q1: July - September	\$0.67/participant/quarter
FY Q2: October – December	\$1.34/ participant/quarter
FY Q3: January – March	\$1.34/ participant/quarter

SUPERINTENDENT'S LEC Fee for Administrative Support

After SUPERINTENDENT has received reimbursement from the STATE for DISTRICT'S quarterly SMAA claim(s), SUPERINTENDENT will transfer to DISTRICT an amount equal to the Federal share of cost received as reimbursement for DISTRICT'S SMAA claim submitted by DISTRICT, less four and one-half percent (4.5%) fee per quarterly claim which will be used to support SUPERINTENDENT'S SMAA administration. The four and one-half percent (4.5%) LEC fee may be amended as necessary to support compliance with all Federal, STATE and SUPERINTENDENT'S program requirements.

Included in the LEC fee is the DISTRICT'S share of the STATE Participation Fee assessed to each LEC region, based on the STATE'S cost for administering the SMAA claiming process. In addition, if needed, the SUPERINTENDENT will assist the DISTRICT with the calculation or transmission of student data files to the DHCS for calculation of the Medi-Cal Eligibility Rate or "Data Match percentage."

SUPERINTENDENT'S OPTIONAL SERVICES Fee

The following optional service is being offered to support and provide an additional option for participating districts regarding the preparation of the SMAA program's invoice claims. If the DISTRICT selects the optional service, an additional two percent (2.0%) will be in addition to the LEC Fee percentage but billed separately by the SUPERINTENDENT so that the DISTRICT may submit the optional service costs for claim reimbursement based on actual costs paid.

SUPERINTENDENT will request from DISTRICT the fiscal information required to complete the SMAA invoice claim. Time Study Participant pool lists will be provided with the request to assist with collection of information. SUPERINTENDENT will prepare SMAA invoice claims in accordance with program guidelines approved by DHCS, based on information supplied by the DISTRICT for each fiscal quarter during the Term of the Agreement. SUPERINTENDENT will establish and maintain a secure file transfer protocol (SFTP) site for the transmission of all fiscal related documentation. Once notified that claims have been prepared and are ready for district's review, the DISTRICT will print, sign and submit final invoice claim to SUPERINTENDENT for final review, audit and submission to DHCS for processing.

SUPERINTENDENT will provide annual training to the DISTRICT SMAA Coordinator and relevant finance/business office staff.

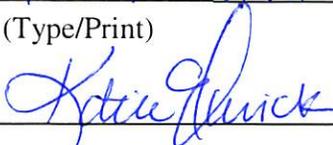

Please indicate below, the DISTRICT's response to the optional service being offered and return with the fully executed AGREEMENT.

SUBJECT: **APPROVE ADDENDUM BETWEEN FULLERTON SCHOOL DISTRICT AND AGENCY ELEVEN FOR CHILD DEVELOPMENT SERVICES STAFF DEVELOPMENT TRAININGS ON JULY 17, 2019, SEPTEMBER 25, 2019 AND OCTOBER 14, 2019**

Background: Board approval was granted on June 4, 2019 (Board Item #1aa) for the Agreements with Agency Eleven. An Addendum is requested due to a change in training dates. In order to utilize Fullerton School District’s districtwide staff development day, one date is being moved from October 8, 2019 to October 14, 2019.

Rationale: Philip Folsom is a premier team development instructor, and the trainings will focus on the fundamental keys and themes that make healthy and high performing communities. Areas include collaboration, common mission, values, behavioral diversity, healthy conflict, giving and receiving feedback, and accountability. The goal is to create a path for strong and dynamic teams.

SUBJECT: **APPROVE AGREEMENT WITH LEVEL DATA TO PROVIDE A TWO-WAY SYSTEM FROM THE NUTRITION SERVICES (ETRITION) SOFTWARE TO THE STUDENT INFORMATION SYSTEM (POWERSCHOOL), EFFECTIVE JULY 1, 2019 THROUGH JUNE 30, 2020**

Background: The District receives thousands of lunch applications every year. The lunch status (free, reduced, or paid) is manually entered into software that uploads for State funding. There is risk with this, as there can be more errors which result in less funding and incorrectly reporting student information.

Rationale: District staff recommends entering into an agreement with Level Data to provide software for the two systems to communicate with each other. This communication will automatically import the meal eligibility status from eTriton into PowerSchool for State reporting. Additionally, the District will receive an exception report by household classification to help maximize free and reduced lunch counts.

Funding: The amount not to exceed \$16,032 will be paid from the General Fund.

Recommendation: Approve agreement with Level Data to provide a two-way system from the Nutrition Services (eTriton) software to the student information system (PowerSchool), effective July 1, 2019 through June 30, 2020.

CEP has a process in place to flag and communicate concerning comments to the client, and may disclose otherwise confidential responses where the responses contain allegations of abuse or explicit threats of harm to the student or others. CEP may cite your district/network and school(s) as YouthTruth Survey participants in its marketing materials, on its web site, and elsewhere.

Data Use by Clients

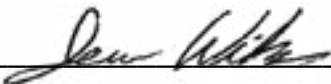

The client may use the YouthTruth findings in communications with internal and external audiences, make available representative portions of your YouthTruth report, quote from your report, or otherwise disclose your results. In doing so, the client agrees to cite CEP as having collected the data, produced the report, and maintained the confidentiality of individual respondents. STUDENT TEACHING LETTER OF AGREEMENT - CALIFORNIA

Tier 1: Primary Partner

This Student Teaching Letter of Agreement (Agreement) is made between Western Governors University, a Utah nonprofit corporation (WGU), and ("District"), and is effective as of the date of signature below ("Effective Date").

Thank you for working with Western Governors University (WGU) for the placement of student teachers. Our goal is to establish a relationship of collaboration that benefits your district/school and WGU Teacher Candidates, and that allows us to work together for continuous improvement. We look forward to working together for the benefit of your future educators.

WGU is regionally accredited by the Northwest Commission on Colleges and Universities (NWCCU), and the WGU Teacher Education programs are further accredited by the Council for the Accreditation of Educator Preparation (CAEP). WGU represents that each Teacher Candidate assigned to the District for Student Teaching is validly enrolled in an approved WGU credentialing program and meets the District's background requirements.

A. Definitions

For the purposes of this Agreement, capitalized terms will have the following meanings:

- Teacher Candidate refers to a student enrolled in a WGU program leading to an education credential.
- Cooperating Teacher (or host teacher) refers to a district employee who is the teacher-of-record in the classroom where the Teacher Candidate is assigned. A Cooperating Teacher may or may not be a Clinical Supervisor.
- Clinical Supervisor refers to a present or former employee of District, retired educator, or any other individual meeting the criteria of "supervisor" established by WGU for this position, and engaged by WGU or District, to supervise a Teacher Candidate's progress during a minimum of six observations. WGU shall be responsible for the selection, assignment, training, and compensation of Clinical Supervisors. WGU welcomes nominations of Clinical Supervisors by the District/school.
- Preclinical Experience refers to the active participation by a Teacher Candidate in a wide range of in-classroom experiences in order to develop the skills and confidence necessary to be an effective teacher and prepare for Student Teaching. Students reflect on and document at least 75 hours of in-classroom observations (15 hours of which must involve direct engagement with students in a classroom) leading up to Student Teaching.
- Student Teaching (or demonstration teaching) refers to the greater of the then-current WGU full-time and continuous requirement in California (currently 13 weeks, or 16 weeks for special education) or the State's and/or District's minimum requirement for Student Teaching. Student Teaching shall satisfy all applicable WGU and State requirements.
- Field Experience refers collectively to the Preclinical Experience and Student Teaching.

B. Mutual Expectations

A Primary Partner is a district/school where WGU places Teacher Candidates for a Field Experience with Cooperating Teachers, with an aim to co-construct a mutually beneficial arrangement for clinical preparation and the continuous improvement of Teacher Candidates, and to share accountability for Teacher Candidate outcomes. The school administrator and Cooperating Teacher will have the opportunity to provide critical feedback to inform program improvement through surveys at the end of each cohort and may receive an invitation to participate in an annual focus group.

C. Cooperating Teacher Standards

District, with the input of WGU, will provide the Teacher Candidate with a Student Teaching assignment in a school and classes of District under the direct supervision and instruction of a Cooperating Teacher that meets the following minimum requirements:

- Has documented completion of training/professional development equivalent to 10 hours that includes: a two-hour orientation to the program curriculum, and eight hours of training in effective supervision approaches such as cognitive coaching, adult learning theory, and current content-specific pedagogy and instructional practices, as required by the California Commission on Teacher Credentialing (CTC);
- Holds a clear credential in the content area in which the Cooperating Teacher is providing supervision;
- Has a minimum of three years of teaching experience (five years preferred) of content area K-12 teaching experience, with two or more years teaching in the current school, and has demonstrated exemplary teaching practices as determined by the employer and the preparation program;
- Demonstrates a positive impact on student learning in the classroom;
- Demonstrates ability to serve as a positive role model and mentor;
- Demonstrates actions related to leadership qualities and collaborating with others;
- Has successfully and with positive impact mentored teacher candidates, colleagues, and/or adults;
- Uses a computer to correspond with WGU staff and complete online evaluation forms; and
- Models consistently the dispositions and ethical considerations expected of WGU Teacher Candidates:
 - caring and considerate
 - affirming of diversity and cross-culturally competent
 - a reflective practitioner
 - equitable and fair
 - committed to the belief that all students can learn
 - collaborative
 - technologically proficient
 - professional in leadership

D. WGU Responsibilities

WGU will:

- Select qualified Teacher Candidates who have been prepared with the appropriate educational background, knowledge, skills, and professional disposition to participate in Field Experiences.
- Pay an honorarium per Teacher Candidate, either directly to the Cooperating Teacher or to the District, for the Cooperating Teacher's services. The Cooperating Teacher may also receive professional development hours connected to the successful completion of WGU Cooperating Teacher training.
- Require Teacher Candidates to have completed a background check acceptable to District prior to participating in Field Experience activities.
- Provide opportunities for feedback regarding improvement of WGU Teacher Candidate preparation.
- Provide professional development training to Cooperating Teachers regarding WGU processes and procedures.

- Maintain an online site for support, resources, and training for Cooperating Teachers.
- Facilitate a Cohort Seminar in which Teacher Candidates will participate with a community of peers to receive support during Student Teaching and the final performance assessment.

- Nominate one or more qualified Cooperating Teacher(s) by providing a completed copy of the Student Teacher Acceptance Form to the WGU Field Placement Team.
- Allow the Clinical Supervisor access to the host school and classroom for the specific purpose of observing Teacher Candidates. Clinical supervision may include an in-person site visit, video capture, or synchronous video observation.
- Provide Teacher Candidates with any District policies and procedures to which they are expected to adhere to during the Field Experience and while on District premises.
- Through the involvement of the Cooperating Teacher, participate with the Clinical Supervisor and Teacher Candidates in two evaluations: one mid-way through Student Teaching, and a Final Evaluation at the end of Student Teaching. WGU shall be responsible for the format of the evaluations.
- Provide Teacher Candidates opportunities to observe, assist, tutor, instruct, implement effective teaching strategies, and conduct research, as appropriate, during the Field Experience.
- Provide, when possible, opportunities for Teacher Candidates to use technology to enhance student learning and monitor student progress and growth.
- Provide, when possible, opportunities for Teacher Candidates to experience working with diverse student populations including English Language Learners and Students with Exceptional Learning Needs.
- Require Cooperating Teachers to complete and document training/professional development equivalent to 10 hours that includes: a two-hour orientation to the program curriculum, and eight hours of training in effective supervision approaches such as cognitive coaching, adult learning theory, and current content-specific pedagogy and instructional practices, as required by the California CTC.
- Encourage Cooperating Teachers to participate annually in WGU's Evaluation Form Calibration.
- Encourage administrators and Cooperating Teachers to participate in WGU's Feedback Surveys (offered at the end of the Spring and Fall Cohorts) to report on Teacher Candidate quality and preparation and to provide program feedback to WGU for continuous improvement.

F. Additional Terms

- **Term.** This Agreement shall commence on the Effective Date and shall continue for three (3) years from the Effective Date, or until such time as either party gives the other party thirty (30) days advance written notice of its intent to terminate the Agreement; provided, however, that all Teacher Candidates at District as of the date of such notice shall be permitted to complete their Student Teaching.

 - District acknowledges that the education records of assigned Teacher Candidates are protected by the Family Educational Rights and Privacy Act (FERPA), and agrees to comply with FERPA and limit access to those employees or agents with a need to know. Pursuant to FERPA, and for the purposes of this Agreement, WGU hereby designates District as a "school official" with a legitimate educational interest in such records.
 - WGU shall instruct Teacher Candidates of the necessity of maintaining the confidentiality of all District student records. District shall not grant Teacher Candidates or WGU employees access to

individually identifiable student information unless the affected student's parent or guardian has first given written consent using a form approved by District that complies with FERPA and other applicable law.

- **Video Recordings.** During Student Teaching, Teacher Candidates may be required to submit video recordings of their classroom teaching performance (recordings). Such recordings are designed to assist Teacher Candidates in improving their instruction and allow WGU to evaluate Teacher Candidate performance. Although student images may appear in the recordings, the primary focus is on the instruction and not the students or other adults in the classroom. The recordings will not be made public and will be uploaded to a secure site to be scored by WGU evaluators. WGU will instruct Teacher Candidates: (i) on appropriate protocol to submit recordings for evaluation; (ii) that no part of the recordings should be used for any personal or professional purposes outside of performance evaluation; and (iii) that recordings be destroyed once the evaluation is completed. District understands that Teacher Candidates are not employees or agents of WGU and that any further precautions regarding the privacy of District's students should be agreed directly between the District and Teacher Candidates.
- **Right to Accept or Terminate a Placement.** District may refuse to accept for placement, or may terminate the placement, of any Teacher Candidate based upon its good faith determination that the Teacher Candidate is not meeting performance standards or is otherwise deemed unacceptable to District. In such cases, District shall notify WGU in writing and shall state the reasons for such decision.
- **WGU Insurance.** WGU warrants and represents that it provides and maintains general liability insurance with limits of at least \$1,000,000 per occurrence and \$2,000,000 annual aggregate and, upon District's request, shall provide a certificate of insurance as evidence of coverage. WGU shall maintain, at its sole expense, workers' compensation insurance as required by law.
- **Professional Liability Insurance.** Teacher Candidates will be responsible for procuring and maintaining, at their own expense, professional liability insurance for the duration of the Field Experience with limits of at least \$1,000,000 per occurrence and \$3,000,000 annual aggregate.
- **Status of Parties.** Nothing in this Agreement is intended to or shall be construed to constitute an agency, employer/employee, partnership, or fiduciary relationship between the parties.
- **Non-Discrimination.** Both parties agree to fully comply with all applicable non-discrimination laws of District's state and municipality, and of the United States. Both parties will accept, assign, supervise and evaluate qualified Teacher Candidates regardless of race, sex, sexual orientation, creed, national origin, age, disability, Vietnam-era veteran status, or any other basis protected by law.
- **Entire Agreement.** This Agreement represents the entire understanding between the parties and supersedes all prior oral or written agreements, and no modification shall be valid unless in writing and signed by both parties. No Teacher Candidate or other third party shall be a beneficiary of or have any right to enforce the terms of this Agreement.

Rationale: Individual Trustees bring unique skills, values, and beliefs to their Board. In order to govern effectively, individual Trustees must work with each other and the Superintendent to ensure that a high quality education is provided to each student. Mr. Marc Ecker, Leadership Associates, has experience facilitating Board/Superintendent evaluations at which time the District Mission Statement, and Superintendent Goals and Objectives may be reviewed as part of the Superintendent evaluation. The Board of Trustees and Superintendent, as a governance team, would like to continue to promote a positive, ongoing working relationship.

Funding: Not to exceed \$1000 from Budget #525 – Board of Trustees.

Recommendation: Approve Agreement for Consultant Services between Fullerton School District and Leadership Associates for Board/Superintendent Evaluation to be conducted by July 17, 2019.

SUBJECT: **ADOPT PROPOSED LOCAL CONTROL AND ACCOUNTABILITY PLAN (LCAP) FOR 2019/2020 AND ANNUAL UPDATE FOR 2018/2019**

Background: On or before July 1, 2019, the governing board of each school district is required to adopt a Local Control Accountability Plan (LCAP) using a template adopted by the State Board of Education. A Local Control Accountability Plan (LCAP) adopted by a governing board of a school district shall be effective for a period of three years and shall be updated on or before July 1 of each year. The LCAP Stakeholders Committee met during the year to revise and update the Fullerton LCAP three-year plan and annual update. The LCAP will be sent to the Orange County Department of Education for final approval by July 1, 2019.

Rationale: A public hearing for the proposed Local Control and Accountability Plan (LCAP) and a public hearing for the adoption of the District's budget were held at a regularly scheduled board meeting on June 4, 2019. In addition to the established postings for a public meeting of the Board of Trustees, a notice was posted at school sites providing the date, time, and location of the LCAP public hearing. The proposed LCAP is posted on the District website.

SUBJECT: **APPROVE SELECTION OF TRUE NORTH RESEARCH TO PROVIDE PUBLIC OPINION SURVEY SERVICES FOR FULLERTON SCHOOL DISTRICT'S EXPLORATION OF POTENTIAL ELECTION OF 2020 GENERAL OBLIGATION BOND MEASURE**

Background: The Board of Trustees (the "Board") has expressed interest in exploring the feasibility of a 2020 General Obligation Bond measure. In an effort to identify the level of community support for such a General Obligation Bond measure and accurately gauge the community's desires, it is in the Fullerton School District's (the "District") interest to conduct a statistically reliable Public Opinion Survey.

Rationale: In order to provide the Board with the results of the Public Opinion Survey in a timely manner so as to be able to vote to place the General Obligation Bond measure on the 2020 ballot, the District staff and its Financial Advisor, Piper Jaffray, solicited written proposals from three leading school district Public Opinion Survey research firms in California: EMC Strategies, FM3 Research, and True North Research. In addition, thirty-minute telephone interviews were held with each firm. Among the subjects discussed were: 1) experience with General Obligation Bond measure Public Opinion Surveys for Orange County school districts, 2) experience with General Obligation Bond measure Public Opinion Surveys for school districts of similar size and demographics to our District, 3) the ability to conduct the Public Opinion Survey in multiple languages, and 4) costs associated with providing the desired Public Opinion Survey services.

Funding: The fiscal impact to the District's General Fund is \$27,450.

Recommendation: Approve the selection of True North Research to provide Public Opinion Survey services for Fullerton School District's exploration of potential election of 2020 General Obligation Bond Measure.

RESEARCH PROPOSAL

True North Research, Inc. (True North) is pleased to be the Fullerton School District's (District) research partner for the upcoming survey of voters to assess the feasibility of a potential bond measure. Our recent conversations with Dr. Coghlan (Assistant Superintendent - Business Services) and the District's financial advisor (Tim Carty) have been quite helpful to our understanding of the District's objectives and needs with respect to the proposed research, and we have crafted this summary description of the proposed work scope and associated costs accordingly. However, if we missed an important detail—or if other issues have arisen that should be factored into the study—please feel free to contact us (760.632.9900) and we'll be happy to revise this estimate.

SCOPE OF WORK Creating revenue measures that are ultimately approved by the necessary percentage of voters is difficult, especially in the State of California. Successful measures require insightful research and sound, strategic advice. The overriding objective of the survey is thus to produce an unbiased, statistically reliable evaluation of voters' interest in supporting a local bond measure, as well as identify how best to align the measure with community priorities and prepare it for voter approval.

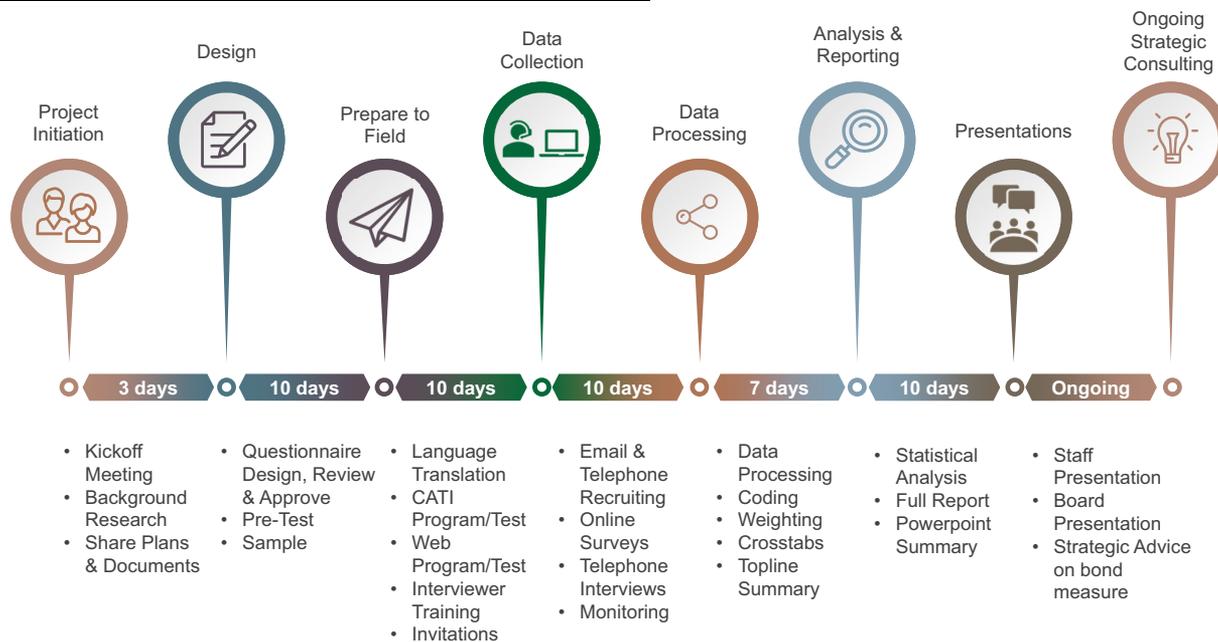

The scope of services that we propose to perform for the District includes all tasks associated with designing, conducting and analyzing the survey, as well as presenting the results. Briefly, the scope of services includes:

- Meet with the District to thoroughly discuss the research objectives and methodology for the study, as well as discuss potential challenges, concerns, and issues that may surround the study.
- Develop a stratified and clustered sample of voters who—based on their voting history and registration status—are likely to participate in the elections of interest on the natural or through targeted outreach efforts.
- Develop a draft questionnaire for the District's review and make revisions as needed until all parties approve of the instrument.
- Pre-test the survey instrument to ensure its integrity.
- Professionally translate the survey into Spanish and Korean.
- CATI (Computer Assisted Telephone Interviewing) program the finalized survey instrument to ensure accurate and reliable data collection using live telephone interviewers.
- Web program the same survey instrument to allow for email-based recruiting and secure, password-protected online data collection to compliment the telephone recruitment and data collection.
- Collect at least 400 quality interviews according to the sampling plan and a strict interviewing protocol. A sample of this size will product results within a +/- 4.9% margin of error at the 95% confidence level. Interviewers will be professional, high quality interviewers. It is expected that the average telephone interview will last between 15 and 17 minutes.
- Process the data, which includes conducting validity checks, cleaning, recoding, coding open-end responses, and adjusting for strategic oversampling (if used) through a statistical procedure known as 'weighting'.
- Prepare an initial topline report which presents the overall findings of the survey.

- Prepare a thorough report on the findings, including a detailed question-by-question analysis, description of the methodology, an executive summary of the key findings and conclusions/recommendations, as well as a comprehensive set of crosstabulations showing how the answers varied by subgroups of voters. The report will include extensive full-color graphics displaying the findings, as well as insightful narrative discussion of the results and their implications.
- Prepare an electronic copy of the final report to allow the District to reproduce the report as needed.
- Prepare a PowerPoint presentation of the results and present the results to the District.
- Be available to assist and provide advice to the District after the survey is complete.

Figure 1 presents a recommended time line for the study that shows the typical stages of a bond survey project, the number of days that we recommend devoting to each stage, as well as the key research tasks that are completed in each stage. We have the flexibility and resources to adjust this time line if the District desires.

FIGURE 1 SURVEY STAGES, TASKS & TIME LINE

COSTS True North’s fixed-fee cost estimate to design and conduct the mixed-methodology survey described above that employs multiple recruiting methods (telephone and email), multiple data collection methods (telephone and online), and is conducted in three languages (English, Spanish and Korean) is \$27,450. This cost is inclusive—there will be no additional charges associated with the study.

ABOUT TRUE NORTH True North Research, Inc. is a full-service survey research firm that is dedicated to providing public agencies with a clear understanding of the values, priorities and concerns of their residents and voters. Through designing and implementing scientific surveys, focus groups and one-on-one interviews, as well as expert interpretation of the findings, True North helps its clients to move with confidence when making strategic decisions in a variety of

areas—including planning, revenue measures, performance measurement, service improvements and enhancements, and developing compelling public information campaigns.

During their careers, the principals at True North—Dr. McLarney and Mr. Sarles—have designed and conducted over 1,000 survey research studies for public agencies, including school districts, cities, counties, special districts and councils of government. True North has developed a proven framework for the design of revenue measure surveys that captures the pieces of information needed for estimating the feasibility of a measure and, if feasible, how best to package the measure for success. One testimony to the accuracy of our research and the reliability of our strategic advice is that we have the highest verifiable success rate in the State of California for revenue measures since 2008 (97%), and a 100% success rate for the 2016 and 2018 election cycles (72 wins/72 measures).

ORANGE COUNTY SCHOOL BOND EXPERIENCE True North has extensive experience assisting school districts, local colleges and universities, cities, and other public agencies in Orange County with their research needs. To date, we have conducted more than 75 community and voter surveys for public agencies in Orange County, and we have helped numerous educational clients pass bond measures in recent years (see Table 1). Of the 14 school bond measures on the ballot in Orange County during the past three years, we conducted the voter opinion research for 10 of the measures—all 10 were successful.

PROJECT MANAGER BIO Timothy McLarney, Ph.D., will serve as the Project Manager for this study. As President of True North, he is responsible for the design, management and analysis of True North's qualitative and quantitative research projects, including those that address community needs assessments, revenue measures, public policy, and strategic planning issues.

Dr. McLarney is a published author and a recognized expert in survey research methodology, sampling theory, weighting, and the use of statistical methods to generalize survey results. His research has been recognized at numerous national and state conferences, has been published

in academic journals, and has earned him honors including the title of Visiting Scholar at the Institute of Governmental Studies at UC Berkeley. He has also served as an independent expert witness in survey research methodology for California legal cases.

Dr. McLarney has assisted public agencies with revenue measure research that has led to over \$32 billion in voter-approved measures, including more than \$8 billion in successful school bonds over the past three years. Dr. McLarney holds an M.A. and Ph.D. in Government from Cornell University with an emphasis in survey research methods, voting behavior and sampling, as well as a Bachelor's degree in Politics from the University of California, Santa Cruz.

FROM: Robert R. Coghlan, Ph.D., Assistant Superintendent, Business Services
SUBJECT: ADOPT THE PROPOSED 2019/2020 BUDGET—ALL FUNDS

Background: Education Code section 52062 requires that the Board of Trustees hold a public hearing for the proposed budget at the same meeting as the public hearing for the Local Control Accountability Plan (LCAP). The public hearing must take place in advance of and at a meeting separate from the Board meeting to adopt the LCAP and the budget. The proposed 2019/2020 budget for all District funds is presented for the Board’s review.

The Board members are acting as three different entities when discussing the 2019/2020 budget: (1) as the legislative body of the Fullerton School District identified as District 22; (2) as the legislative body of Community Facilities District No. 2000-01 (Van Daele) identified as District 40; and (3) as the legislative body of Community Facilities District No. 2001-1 (Amerige Heights) identified as District 48.

Rationale: Education Code sections 42127 and 52062 require every school district to hold a public hearing for the LCAP and the budget prior to adoption.

Funding: The District is projecting the following General Fund Unrestricted Fund Balance reserves as follows:

Fiscal Year Ended	*Available Funds Percentage	Assigned Funds Percentage	Total Percentage
June 30, 2020	17.25%	2.93%	20.18%
June 30, 2021	13.89%	2.87%	16.76%
June 30, 2022	10.2%	2.82%	13.02%

*Available Funds include Unassigned Funds and 3% Minimum Reserve for Economic Uncertainties.

Recommendation: Adopt the Proposed 2019/2020 Budget—All Funds.

SUBJECT: PROPOSED BUDGET FOR 2019-20 AND MULTI-YEAR FINANCIAL PROJECTIONS

The estimated ending balances for the 2018-19 fiscal year and our initial budget for the 2019-20 fiscal year are presented here for your review and approval. The District is required by Education Code 42127 to adopt a budget for all District funds for the subsequent fiscal year by June 30 of each year. At the same time, the District presents its estimated actual financial results for the current fiscal year. This memo provides a summary of the assumptions used in the preparation of the budget, as well as an analysis of current multi-year financial projections for the District.

2018-19 Estimated Unaudited Actuals

The estimated unaudited actuals consist of the District's current budget adjusted to reflect projected and known changes through the end of the fiscal year. These adjustments include:

- Updating the final estimated Local Control Funding Formula (LCFF) projection to our California Department of Finance projection.
There are no material changes to the LCFF estimate since the Second Interim reporting.
- Updating categorical revenue accounts to reflect actual grant and entitlement amounts as apportioned by the state and federal governments.
Various minor changes to categorical programs have been incorporated into the budget for the Estimated Actuals.
- Analysis and revision of General Fund expense accounts:
Business Services staff have reviewed line item expenditure budgets, budget vs. actual, for all General Fund programs and accounts. Based upon this analysis, there are three material increases between the budget as presented at Second Interim and the Estimated Actuals.
 - Negotiations have been settled with all bargaining groups. The 1% bonus and 1% ongoing salary increase have been taken into the Estimated Actuals. This cost was \$1.2 million.
 - Estimated Actuals adjusted to decrease utilities for estimated spend in 2018-19.
 - Estimated Actuals adjusted to decrease site discretionary funds for estimated spend in 2018-19 to spend in 2019-20.
- All other 2018-19 budget amounts are not expected to be materially different from the Second Interim budget and thus are carried forward to the year-end projection.

Based upon a review of current actual financial data (as of month-end April 30, 2019) and the adjustments noted above, the District estimates final unaudited results in the Unrestricted General Fund reflect a decrease of (\$402,064) from the previously reported budgeted net income from Second Interim.

Based upon the assumptions listed above, the Estimated Actuals show a total net decrease to the fund balance of (\$3,922,647). This consists of a net decrease in the Unrestricted Fund of (\$622,467) combined with a net decrease in the Restricted Fund of (\$3,300,180). This deficit spending primarily reflects a spending down of prior-year fund balance carryovers of \$1,571,094.

The estimated total ending General Fund balance at June 30, 2019, is \$31,296,006. The Unrestricted Ending Fund balance (Unassigned and Reserve for Economic Uncertainties) is estimated at \$26,016,006, which is 17.8% of total General Fund expenditures. (The state requirement is 3.0%.)

These projections constitute our best estimate at this time of how the District will finish the 2018-19 fiscal year. Final results will not be known until we close our books and prepare our year-end financial statements (J-200 Unaudited Actuals) in August. Results will be presented to the Board in early September.

2019-20 Budget

State Budget Outlook

On January 10, 2019, Governor Newsom introduced his proposed 2019-20 state budget, beginning the legislative process for the upcoming fiscal year. On May 9, 2019, he released his May Revision to his January budget. The May Revision outlines the Governor's expectations for the budget, which the Legislature then has until June 15 to revise and pass.

The Governor acknowledges commitment to former Governor Brown's Local Control Funding Formula (LCFF) with the inclusion of the statutory cost-of-living adjustment (COLA), but local educational agencies will continue to face budget challenges as LCFF funding flattens and costs continue to rise. While Governor Newsom does not forecast an impending recession, his state spending plan is based on conservative economic and revenue assumptions and continues to plan for a rainy day.

As the LCFF is now at 100% funding, Districts are only seeing COLA going forward, 3.26% 2019-20. New dollars coming in are not offsetting increased costs projected for K-12 education, including increased STRS/PERS rates, health insurance increases, special education contributions, and other inflationary costs. Coupled with the possible downturn in the economy, the financial future for K-12 education is uncertain.

The Governor continues to take a conservative approach in the projection of state revenues, holding funds as long as possible before he pays out our Prop 98 guarantee. This is the first year in four where there is not a projection for districts to receive one-time money.

At the time of this writing, the Legislature and the Governor are still in session, and the final budget has not yet been determined. The District budget presented here has been adjusted for the Governor's May Revise proposal for LCFF revenues, as well as the application of the COLA to state categorical programs. The total budget will be reviewed and adjusted once the state passes its final budget, and then continually throughout the year as new information is received.

FSD 2019-20 Budget

When building its budget, the District utilizes the most up-to-date information and forecasts that it has received from the California Department of Education (CDE) and the Orange County Department of Education (OCDE). The District is required to present its proposed budget for the ensuing fiscal year twice before the June 30 statutory deadline for passage by the Board of Trustees. Given that the Legislature is not required to pass the state budget until June 15, the District will usually not be able to incorporate the effects of the state's June budget in its own June budget. Further revisions to update the District's budget will then be made after the Governor signs the state budget.

Revenue accounts are estimated based upon the CDE's and OCDE's projections, as well as the District's 2018-19 reported P-2 ADA. The District has estimated state LCFF revenue using the annual GAP funding percentages as projected by the Department of Finance for the May Revise. A COLA of 3.26% has been applied to other state programs, including Special Education. The District has not added any new state-funded programs to its budget. The Governor did not propose one-time discretionary funding.

Expenditures are forecast taking into account all known and projected increases and decreases in expenditures, including changes due to our negotiated salary agreements, step and column, changes in staffing and benefits, changes in contracts and leases, and projected inflationary increases.

The District's budget is required by law to be reviewed and approved by OCDE. Our OCDE consultant reviews all of our detailed assumptions for both our 2019-20 budget and our three-year projection. A budget built on assumptions that cannot be verified and justified by OCDE will not be approved.

The following provides more details on the budget.

Revenues

The 2019-20 General Fund budget projects total revenues of \$137.6 million, for a net decrease (from 2018-19 estimated revenues) of (\$4.5 million). The majority of the net change is due to a decrease of (\$2,400,000) for one-time mandated cost state revenue. The other adjustments are due to estimated state revenue lower in 2019-20. In addition, there is a decrease in federal revenue of (\$1,250,000).

LCFF income is projected to increase due to an increase in the COLA of 3.26%; this is offset with the decrease in average daily attendance (ADA). The 2019-20 target-gap funding rate is 100%. The unduplicated count percent is projected to decrease very slightly to 54.06% (decrease of 0.11%). This results in a per-ADA increase to LCFF funding of 3.43%.

This increase is offset by a decline in the District's apportionment earning ADA. The District P-2 ADA declined in fiscal 2018-19 by 268.91. The state allows a one-year "hold harmless"; this drop is reflected in the 2019-20 LCFF revenue.

Federal revenues are projected with decreases resulting from the exclusion of carryover balances and proposed cuts by the federal government. State categorical programs are budgeted with a 3.26% COLA.

Other revenues are based upon historical trends and estimated actuals.

Expenditures

For 2019-20, total General Fund expenditures are projected at \$140.5 million. The budget reflects routine annual increases required by step and column movement, rate increases for health insurance and for STRS and PERS retirement plans, and other cost of living increases. See the attached list for more details.

Change in Fund Balance

Based upon these assumptions, the estimated total ending General Fund balance for the 2019-20 fiscal year shows a net decrease of (\$2,940,917) which is entirely from the reduction in the Unrestricted General Fund.

The estimated total ending General Fund balance for the 2019-20 fiscal year is \$28,355,089. The Unrestricted Ending Fund balance (Unassigned and Reserve for Economic Uncertainties) is estimated at \$24,235,089 which is 17.25% of total General Fund expenditures.

Three-Year Projection

The District is required to submit a three-year financial projection for the General Fund at the time of budget submission. However, unlike at First and Second Interim, the District is not required to certify the District's financial status at this time. Detailed assumptions for the preparation of the three-year projection are attached.

The most significant factors in the projection are the state-funded LCFF and the District's projected ADA.

LCFF: The District is utilizing the Department of Finance's estimated COLAs and LCFF Funding Rate percentages as of the Governor's May Revise budget proposal. The District is not projecting that its current 53.90% (3-year rolling average) Unduplicated Percentage of enrollment will fluctuate by more than 0.75% for the subsequent two years of the projection.

ADA: The District is projecting a decrease to ADA of 145 in 2020-21 and no change in the 2021-22 fiscal year.

Taking into account all of these changes to the three-year projection, the District projects net decreases in the current and subsequent fiscal years in the Unrestricted General Fund. The projected Unrestricted General Fund ending-fund balance percentages are as follows:

Fiscal Year Ended	*Available Funds Percentage	Assigned Funds Percentage	Total Percentage
June 30, 2020	17.25%	2.93%	20.18%
June 30, 2021	13.89%	2.87%	16.76%
June 30, 2022	10.2%	2.82%	13.02%

*Available Funds include Unassigned Funds and 3% Minimum Reserve for Economic Uncertainties.

Required Disclosure under Education Code section 42127(a)(2)(b) regarding reasons for Ending Fund Balances above the state-recommended minimum level

Education Code section 42127(a)(2)(b) requires a statement of reason that substantiates the need for assigned and unassigned ending fund balances in excess of the minimum reserve standard for economic uncertainties for each fiscal year be identified in the budget.

The Board of Trustees of the Fullerton School District currently maintains a prudent reserve which provides for anticipated future expenditures for technology, instructional materials, and other necessary instructional expenditures. The District must also have funds available to mitigate the costs of declining enrollment to the District. Additionally, the reserve is maintained to provide for unplanned or emergency expenditures that might occur in the future. The District must also plan for future facilities needs. Finally, the District must also plan for future downturns in the state economy which could negatively affect the District's budget.

Projected Unrestricted Ending Fund Balance:

	Unassigned	3% Minimum Reserve	Assigned	Amount Above 3% Minimum Reserve
June 30, 2020	\$20,019,787	\$4,215,302	\$4,000,000	\$24,019,787
June 30, 2021	\$15,629,605	\$4,306,516	\$4,000,000	\$19,629,605
June 30, 2022	\$10,523,475	\$4,385,414	\$4,000,000	\$14,523,475

OTHER FUNDS

Child Development Fund: The Child Development Fund records the financial activities from the following District programs: state-funded preschool, state-funded before- and after-school programs, parent-paid before- and after-school care, and tuition-based preschool. Financial results project a small decrease of fund balance and a small spend-down of reserves for the budget year.

Cafeteria Fund: The Cafeteria Fund continues to operate in a strong financial position, ending fund balance. Participation in the National and State School Lunch and Breakfast programs continues to rise. Financial results are projected to decrease fund balance and a small spend-down of reserves for the budget year.

Deferred Maintenance Fund: The Deferred Maintenance Fund is projected to spend down reserves in both the current and budget years. The state suspended funding of the Deferred Maintenance program during the economic downturn and, with the advent of LCFF, has closed the program. The District plans to spend down the remaining reserves in this fund to complete required deferred maintenance projects.

Bond Building Fund: This fund accounts for amounts remaining from the District's former general obligation bonds proceeds. Certain capital expenditures which cannot be funded from the Deferred Maintenance, Developer Fee, or Special Reserve for Capital Outlay Funds are paid for from this fund. The District is in the process of closing out this fund also.

Capital Facilities Fund: The Capital Facilities Fund accounts for the collection and expenditure of developer fees. Approximately \$800,000 in fees was collected in 2018-19. Revenues for the budget year are projected and budgeted as cash is received. Expenditures from this fund are for capital projects related to growth in student enrollment.

Special Reserve Fund—Capital Outlay Projects: This fund records financial activity primarily related to revenues received from the City of Fullerton as pass-through payments from their Redevelopment Agency. Various capital projects for schools in the designated Redevelopment Areas are financed through this fund.

Capital Projects Fund—Blended Components: This fund records the financial activity related to the District's two Community Facility Districts (CFDs). Revenues are taxes collected from homeowners, and expenditures are primarily payments to bondholders as well as administrative expenses related to the CFDs' operations. Various capital projects for schools in the CFD areas are financed through this fund.

Self-Insurance Fund: The Self-Insurance Fund consists of three sub-funds: Property and Liability, Workers' Compensation, and the Dental Self-Insurance Reserve.

The District is responsible for a \$5,000 deductible per claim for property damage, \$50,000 deductible per claim for liability, and \$1,000,000 per claim for Workers' Compensation. Excess insurance is purchased for amounts over the deductibles. Liabilities are projected and booked, and claims and claims expenses are paid through these two sub-funds. Excess insurance is also purchased from the funds. Currently the District charges a 1.2% payroll tax on all payrolls to fund the Workers' Compensation Fund. This rate provided sufficient funding to cover costs of excess insurance, claims and claims expenses, and the reserve for Incurred But Not Recorded (IBNR) claims for 2018-19.

The District funds the Property and Liability Fund by charging an allocated amount to the General Fund. The amount charged in 2018-19 provided sufficient funding. The transfer was decreased for 2019-20.

The Dental Self-Insurance Reserve maintains a balance to pay any claims incurred by the District from a former JPA self-insurance plan in which it participated. There is no activity projected in this reserve.
