Students who violate this prohibition shall be subject to disciplinary procedures which may result in suspension from school.~~

~~Students shall receive instruction on the effects of smoking on the human body.~~

The Board of Trustees recognizes the serious health risks presented by tobacco use and desires to ensure that, through adoption of consistent policies, District students are made aware of those risks and, to the extent possible, protected from them. Such instruction shall be aligned with state content standards and the state curriculum framework for health education and with any requirements of state and/or federal grant programs in which the District participates.

Intervention/Cessation Services

The District may provide or refer students to counseling, intensive education, and other intervention services to assist in the cessation of tobacco use. Such intervention services shall be provided as an alternative to suspension for tobacco possession.

Program Planning

The Superintendent or designee shall coordinate with the local health department and county office of education in program planning and implementation.

The Superintendent or designee shall not accept for distribution any materials or advertisements that promote the use or sale of tobacco products. He/she also shall not accept tobacco-use prevention or intervention funds or materials from the tobacco industry or from any entity, which is known to have received funding from the tobacco industry.

- The SEAC shall evaluate the effectiveness of this TOSA pilot and make recommendations to the negotiating teams.

DATE: April 9, 2019
TO: Robert Pletka, Ed.D., District Superintendent
FROM: Chad Hammitt, Ed.D., Assistant Superintendent, Personnel Services
SUBJECT: APPROVE/RATIFY ADJUSTMENTS TO EXECUTIVE CABINET AND CERTIFICATED MANAGEMENT SALARY SCHEDULES EFFECTIVE JANUARY 1, 2019

Background: The Superintendent recommends revising the salary schedules of Executive Cabinet and Certificated Management. It is proposed that the District's Assistant Superintendents be moved from the Executive Cabinet schedule to the Certificated Management schedule. Anniversary adjustments allow the District to provide competitive compensation and help to promote longevity.

Rationale: Any amendments or adjustments to salary schedules require Board approval.

DISCUSSION/ACTION ITEM

DATE: April 9, 2019

TO: Robert Pletka, Ed.D., District Superintendent

FROM: Chad Hammitt, Ed.D., Assistant Superintendent, Personnel Services

SUBJECT: APPROVE DECLARATION OF NEED FOR FULLY QUALIFIED EDUCATORS FOR THE 2019/2020 SCHOOL YEAR

Background: As of 1996, a “Declaration of Need for Fully Qualified Educators” must be completed and adopted yearly based on the anticipated need for the subsequent school year. This Declaration must be Board adopted and submitted to the Commission on Teacher Credentialing before any alternate credentials may be processed.

The Fullerton School District has the following general needs that may be met through the emergency credential process:

- Classroom teachers to meet authorization for instruction to limited English proficient students per Williams Lawsuit in schools ranked in deciles 1-3.
- All core academic subject teachers to become NCLB compliant.
- Filling preschool, special education positions for which a specialist credential is required.
- Filling special education positions to allow these educators time to meet new requirements for special authorizations.
- Filling junior high positions for which qualified teachers are difficult to find, including but not limited to foreign language, science, math, English language learners.
- Obtaining certification for those teachers, who, because of scheduling needs, teach one or two periods outside their credentialed area, i.e., five periods of language arts and one period of physical education.
- Filling positions with teachers from out of state or private schools to allow these educators additional time to complete California credentialing requirements.

Rationale: The Board of Trustees is required to adopt the “Declaration of Need for Fully Qualified Educators” at a public meeting certifying that there may be an insufficient number of certificated persons who meet the District’s specific employment criteria for identified positions. The completed Declaration is filed with the Commission on Teacher Credentialing and permits the District to obtain short-term certifications as needed during the school year.

Funding: Not applicable.

Recommendation: Approve Declaration of Need for Fully Qualified Educators for the 2019/2020 school year.

CONSENT ITEM

DATE: March 12, 2019
TO: Robert Pletka, Ed.D., District Superintendent
FROM: Robert R. Coghlan, Ph.D., Assistant Superintendent, Business Services
SUBJECT: **ACCEPT GIFTS AND AUTHORIZE DISTRICT STAFF TO EXPRESS THE BOARD OF TRUSTEES' APPRECIATION TO ALL DONORS**

Background: According to Board Policy 3290(a), the Board of Trustees may accept any bequest, gift of money, or property on behalf of the District. Gifts must be deemed suitable for a purpose by the Board of Trustees and be used in an appropriate manner. However, it is the policy of the Board of Trustees to discourage all gifts which may directly or indirectly impair the Board of Trustees' commitment to providing equal educational opportunities to the students of the District. As indicated in the above-mentioned Board Policy, the District Superintendent approves gifts designated for a specific school for acceptance at that school. Descriptions of gifts presented for acceptance are included on the attachment. Gifts for specific dollar amounts are noted, non-monetary gifts are identified, and the donor is responsible for reporting the value to the Internal Revenue Service.

Rationale: The Board of Trustees of the Fullerton School District gratefully accepts monetary and non-monetary gifts from public and private entities. These gifts help reduce the costs of school materials, curriculum, and extracurricular student activities.

Funding: The funding received from gifts will be deposited in appropriate District funds.

Recommendation: Accept gifts and authorize District staff to express the Board of Trustees' appreciation to all donors.

THIS AGREEMENT is entered into by and between **BELMONT UNIVERSITY**, Nashville, TN, hereinafter referred to as the “University”, and **Fullerton School District**, hereinafter referred to as the “Facility”.

WHEREAS, the University has a curriculum in occupational therapy of which clinical practice is a required and integral component;

WHEREAS, the University desires to provide occupational therapy students the opportunity for clinical practice at the Facility; and

WHEREAS, the Facility has the expertise to provide such clinical practice and recognizes its professional responsibility to participate in the education of the occupational therapy students;

NOW, THEREFORE, in consideration of the mutual agreements set forth herein, the parties agree as follows:

The University agrees to:

1. Assume responsibility for assuring continued compliance with the educational standards of the appropriate accreditation bodies.
2. Communicate with the Facility, through the Fieldwork Supervisor (FS), on all items pertinent to the programs.
3. Notify the Facility of the planned schedule of student assignment, including the name of the student, level of academic preparation, and length and dates of the clinical affiliation.
4. Refer to the Facility only those students who have satisfactorily completed the prerequisite didactic portion of the curriculum, which is applicable to the Facility.
5. Inform the student of any special requirements of Facility acceptance, i.e., citizenship, health status, interview, etc.
6. Send to the Facility only those students who
 - a) with or without reasonable accommodation, are qualified to participate in the clinical program;

TO: Robert Pletka, Ed.D., District Superintendent
FROM: Chad Hammitt, Ed.D., Assistant Superintendent, Personnel Services
SUBJECT: THIS RESOLUTION WAS AGENDIZED PER BOARD REQUEST AT THE FEBRUARY 12, 2019 BOARD MEETING

Background: Cesar E. Chavez was an advocate for social justice and civil rights for the poor and disenfranchised. The day of his birth, March 31, provides a fitting opportunity to remember and honor his many contributions. Since March 31, 2019 falls on a Sunday, it is proposed that recognition be held on March 29, 2019.

Cesar E. Chavez is a remarkable example of dignity and integrity as a fighter for farm worker rights. In 1962, Cesar E. Chavez cofounded the United Farm Workers Union to contest the treatment of the workers in the fields, and sought to empower those workers by organizing the first union to acquire labor contracts for farm workers in the grape fields.

Rationale: Contributions to the betterment of society made by Cesar E. Chavez serve as reminders that one person dedicated to the goal of equity and justice can indeed make a difference.

Funding: N/A.

Recommendation: This Resolution was agendized per Board request at the February 12, 2019 Board Meeting.

DISCUSSION/ACTION ITEM

DATE: March 12, 2019

TO: Robert Pletka, Ed.D., District Superintendent

FROM: Robert R. Coghlan, Ph.D., Assistant Superintendent, Business Services

SUBJECT: **APPROVE THE DISTRICT'S SECOND INTERIM FINANCIAL REPORT WITH A POSITIVE CERTIFICATION. PER STATE GUIDELINES, A POSITIVE CERTIFICATION INDICATES THAT, BASED UPON CURRENT PROJECTIONS, THE DISTRICT WILL MEET ITS FINANCIAL OBLIGATIONS IN THE CURRENT AND SUBSEQUENT TWO FISCAL YEARS.**

Background: The Second Interim Report is one of three financial reports that school districts are required to report to the State and provide to the public annually. The report presents the results of actual financial operations through January 31 and the projected budget for the fiscal year for all District funds. A three-year projection for the General Fund is also included. The complete Second Interim Report in the required State format, along with a descriptive narrative and comparative financial projections, are included for the Board's review.

Rationale: The District is required by Education Code to submit periodic financial reports to its oversight bodies. In order to judge a district's financial stability, these reports also include a three-year projection for the General Fund. The District is required to certify its financial outlook as Positive, Qualified, or Negative.

Funding: The District is projecting a 20.09% General Fund Unrestricted Reserve as of June 30, 2021, which is in excess of the State-required 3%.

Recommendation: Approve the District's Second Interim Financial Report with a Positive Certification. Per State guidelines, a Positive Certification indicates that, based upon current projections, the District will meet its financial obligations in the current and subsequent two fiscal years.

Subject: Second Interim Report

The District's Second Interim Financial Report consisting of current year financial statements and budgets for all funds, as well as the required State reports, is attached. This memo provides a narrative overview of the report.

Background

The District is required to formally report to our community, the Orange County Department of Education (OCDE), and the State of California our actual financial results of operations three times a year. In addition to providing July 1 through year-to-date results, the reports also provide projected results for future periods. The required reports are as follows:

<u>Report</u>	<u>Reports Actual Financial Results through:</u>	<u>Due Date:</u>
First Interim	October 31	December 15
Second Interim	January 31	March 15
J-200 Unaudited Actuals	June 30	September 15

Financial Reports Included—Second Interim Report to Board

The following reports are provided in this document:

- Second Interim Budget Projections (showing the First Interim Budget and the Second Interim Budget)
- Second Interim State Report (SACS format)
- Multi-year Projections
- Cash Flow Projections
- State Criteria and Standards Review

Year-to-date financial statements reflect actual financial results from the District's accounting system, which is maintained through OCDE on the Bi-Tech accounting system. For the First and Second Interim Reports, results are on a cash basis (no accruals are booked). Accruals are recorded for the year-end financial statements.

Current year budgets and multi-year projections are based on information provided by OCDE, the California Department of Education, School Services of California, and other relevant professional sources. A summary of the various factors used is attached at the end of this memo. Additional discussion is provided below.

Current Year Budget

At Second Interim, the District updates its First Interim Budget (approved by the Board of Trustees on December 11, 2018) to reflect current financial projections. The District has not settled with either of its bargaining groups, so no additional adjustments were made other than estimated costs for the remainder of 2018-19. All adjustments were routine in nature.

Routine Second Interim Budget Adjustments: The District has reviewed all of its programs, cost centers, and accounts, and has adjusted its Second Interim Budget projection to reflect the following:

- No change for 2018-19 LCFF (Local Control Funding Formula) revenue.
- At Second Interim, the District reviews all revenue accounts that are based on Average Data Attendance (ADA). If start-of-school enrollment is materially higher from budget projections, revenues will be recalculated based upon updated ADA projections. Second-month enrollment totaled 12,996—295 less than second-month enrollment for the 2017-18 school year. In the case of declining enrollment, the State “holds harmless” a District for the first year, allowing the District to claim the (higher) prior year ADA for apportionment funding. Therefore, the District is still using the same (2017-18 Second Period) ADA in the Second Interim Budget. The effect of the declining enrollment is reflected in the 2019-20 projection (discussed further below).
- Categorical revenue accounts updated to most recent grant/entitlement letters and other information received from the State and federal governments. Corresponding expenditure accounts are also adjusted accordingly. Indirect costs are updated to reflect changes in total estimated expenditures.
- Other income accounts analyzed and adjusted to reflect year-to-date receipts and estimated year-end amounts.
- Revenues and expenditures of programs that encroach on the General Fund updated to current projections and contribution accounts adjusted accordingly.
- Salary and benefit accounts adjusted to reflect updated staffing levels and changes to benefit costs, including health insurance costs.
- All expenditure accounts analyzed and adjusted to reflect year-to-date expenditures and estimated expenditures to finish the year.

At the First Interim Budget, the District projected an Unrestricted General Fund net decrease for the 2018-19 fiscal year of (\$782,327). After all the above adjustments, the 2018-19 updated Second Interim Budget reflects a net decrease of (\$220,403). This is an increase in ending balance by \$561,924.

The revised ending unrestricted fund balance is projected at \$27,578,070, or 21.81% of the General Fund expenditures. This amount is \$23,234,223 above the State-required 3% reserve.

Multi-Year Projections

The most important element of the Second Interim Report is the three-year projection for the General Fund. In this forecast, the District projects its financial prognosis for the current and subsequent two years. The purpose of the projection is to report to its stakeholders on the continued fiscal viability of the District. The projection provides the rationale for the District’s choice of certification options (Positive, Qualified, or Negative) on its Certification of Financial Condition.

Please refer to the attached summary for details of the significant variables and assumptions used in the preparation of the District’s three-year projection. The following discusses the most significant items in the three-year projection:

LCFF: The District is utilizing the Department of Finance’s estimated COLAs and LCFF Funding Rate percentages. LCFF is now fully funded.

Fullerton School District is reporting a 52.65%, 53.48%, and 53.42% Unduplicated Percentage of enrollment for 2018-19 through 2020-21 based on a three-year average. The percentage is not projected to be materially different in the subsequent two years.

ADA: Based upon the 2018-19 drop in enrollment, the District is projecting a decrease in apportionment earning ADA of 282 in 2018-19. There is currently a projected decrease of 150 ADA for 2019-20 (funding affected 2020-21—one-year hold harmless).

Mandated Cost Revenues: One-time revenues and related expenditures are adjusted in the three-year projection. No additional one-time revenues are projected after 2018-19.

Employee Compensation: Normal ongoing step and column increases are included in the three-year projection. The District has not settled with its bargaining groups, therefore, no adjustments have been made to on- or off-salary schedules for 2018-19 and forward.

In 2019-20, the budget projection includes \$704,519 for projected increases in STRS and PERS rates to be paid by the District (unrestricted). An additional \$814,341 is added for 2020-21. It is important to note here that the Governor’s January budget proposed a decrease to CalSTRS rate for 2019-20 and 2020-21. This buy down has been applied to the multi-year projection. If this is not approved, the projection would change to \$1,237,362 for 2019-20 and \$801,664 for 2020-21.

Budget Additions/Decreases: \$312,000 in additional costs for the Dual Immersion program at Raymond and Pacific Drive have been added to the 2019-20 and 2020-21 projections. The budget includes approximately \$315,000 for attrition in 2019-20 and \$644,000 for 2020-21 projections. No other budget augmentations, other than routine inflationary increases have been made.

Other Non-Routine Additions to the 2019-20 Budget:

Other non-routine, discretionary additions to the budget have not been reflected in the 2019-20 projection. These will be reflected in the June budget as necessary.

Ending-Fund Balances

Taking into account all of these changes to the three-year projection, the District projects net decreases in the current and subsequent fiscal years in the Unrestricted General Fund. The projected Unrestricted General Fund ending-fund balance percentages are as follows:

Fiscal Year Ended	*Available Funds Percentage	Assigned Funds Percentage	Total Percentage
June 30, 2019	19.05%	2.76%	21.81%
June 30, 2020	19.25%	2.84%	22.09%
June 30, 2021	17.33%	2.76%	20.09%

*Available Funds include Unassigned Funds and 3% Minimum Reserve for Economic Uncertainties.

Required Disclosure under Education Code section 42127(a)(2)(b) regarding reasons for Ending-Fund Balances above the State-recommended minimum level

Education Code section 42127(a)(2)(b) requires a statement of reason that substantiates the need for assigned and unassigned ending-fund balances in excess of the minimum reserve standard for economic uncertainties for each fiscal year be identified in the budget.

The Board of Trustees of the Fullerton School District currently maintains a prudent reserve which provides for anticipated future expenditures for technology, instructional materials, and other necessary instructional expenditures. The District must also have funds available to mitigate the costs of declining enrollment to the District. Additionally, the reserve is maintained to provide for unplanned or emergency expenditures that might occur in the future. The District must also plan for future facilities needs. Finally, the District must also plan for future downturns in the State economy which could negatively affect the District’s budget.

Projected Unrestricted Ending Fund Balance:

	Unassigned	Assigned	3% Minimum Reserve	Amount Above 3% Minimum Reserve
June 30, 2019	\$23,234,223	\$4,000,000	\$4,343,847	\$27,234,223
June 30, 2020	\$22,915,635	\$4,000,000	\$4,230,860	\$26,915,635
June 30, 2021	\$20,732,460	\$4,000,000	\$4,340,084	\$24,732,460

Certification

Based upon current projections and budget assumptions regarding State funding and the District's financial condition, the District is certifying with a Positive Certification. Per State guidelines, a Positive Certification indicates that, based upon current projections, the school district will meet its financial obligations for the current fiscal year and subsequent two fiscal years.

Conclusion

The Second Interim Report is an important document in the District's ongoing communications to its stakeholders. The report and certification provide accountability and evidence of stewardship to our community.

S8. Status of Labor Agreements

Analyze the status of all employee labor agreements. Identify new labor agreements that have been ratified since first interim projections, as well as new commitments provided as part of previously ratified multiyear agreements; and include all contracts, including all administrator contracts (and including all compensation). For new agreements, indicate the date of the required board meeting. Compare the increase in new commitments to the projected increase in ongoing revenues and explain how these commitments will be funded in future fiscal years.

If salary and benefit negotiations are not finalized, upon settlement with certificated or classified staff:

The school district must determine the cost of the settlement, including salaries, benefits, and any other agreements that change costs, and provide the county office of education (COE) with an analysis of the cost of the settlement and its impact on the operating budget.

The county superintendent shall review the analysis relative to the criteria and standards and may provide written comments to the president of the district governing board and superintendent.

DISCUSSION/ACTION ITEM

DATE: March 12, 2019

TO: Robert Pletka, Ed.D., District Superintendent

FROM: Jeremy Davis, Assistant Superintendent, Innovation and Instructional Support

SUBJECT: **ADOPT RESOLUTION #18/19-17 TO AUTHORIZE FULLERTON SCHOOL DISTRICT JOINING THE EDUCATION TECHNOLOGY JOINT POWERS AUTHORITY AS A FOUNDING MEMBER**

Background: Capistrano Unified and Irvine Unified created a Joint Powers Authority (JPA) in December. This JPA will create contracts where districts can purchase software and digital products at low prices without time-consuming RFP and data privacy processes. Clovis Unified has joined the JPA and Fullerton will be the fourth founding member. The JPA hopes to represent all California student for consortium bulk purchases.

Rationale: Districts across the country, including our District, need a method to purchase educational software and other educational digital products with assurances the vendors are giving the best prices, meeting all State procurement laws, and agreeing to abide by all State and federal student data privacy laws. Districts need a central place to purchase these products without spending significant funds on staff hours and legal opinions. This is an opportunity for Fullerton to join as one of the founding members of the JPA. Any other district or COE that wishes to join the JPA would be able to do so as "Associate Members" to take advantage of the JPA pricing and regional training based out of founding districts. All founding districts will have one staff member who serves on the board of the JPA, and each district is taking responsibility over an area of the JPA. The law firm of Fagen, Friedman & Fulfrost will serve as legal counsel for the JPA and has contributed most of the start-up funds. This should save us money through bulk pricing.

Funding: As a host/founding district, our District would be responsible for contributing \$10,000 for legal preparation of the JPA and general administration. This fee will be funded by the general fund. The District would also contribute in-kind time of employees working on the RFP process, as well as time spent consulting with third party contracted vendors. As sales volume through the JPA increases, the District can be reimbursed for the initial investment as well as in-kind time spent. The District may also receive revenue from purchases as sales volume increases.

Recommendation: Adopt Resolution #18/19-17 to authorize Fullerton School District joining the Education Technology Joints Power as a founding member.

**JOINT POWERS AUTHORITY AGREEMENT
(ED TECH JPA)**

This Agreement is entered into by and between Capistrano Unified School District, a California public school district, located at 33122 Valle Rd, San Juan Capistrano, Orange County, California, Irvine Unified School District, a California public school district, located at 5050 Barranca Parkway, Irvine, Orange County, California, Clovis Unified School District, a California public school district, located at 1450 Herndon Ave, Clovis, Fresno County, California and Fullerton School District, a California public school district, located at 1401 W. Valencia Dr. Fullerton, Orange County, California.

RECITALS

WHEREAS, school districts throughout California and across the United States are increasingly implementing new technology for the provision of educational services in their curriculum; and

WHEREAS, most school districts currently procure their digital services and products individually and incur considerable costs and time in effectuating such procurements; and

WHEREAS, individual school districts often lack the student enrollment and expertise to negotiate economical prices for the digital services and products they purchase; and

WHEREAS, school districts are responsible for ensuring compliance with the requirements of various state and national data privacy laws to preserve student confidentiality when vendors receive confidential student data; and

WHEREAS, school districts and vendors alike share the desire to provide educational technology solutions to students in full compliance with the law, but lack the time and resources to negotiate agreements in a cost effective and timely manner on an individual basis; and

WHEREAS, the parties hereto and the districts who join hereafter, have the power under Government Code section 6250, et seq. to combine their separate efforts into a common purpose as a Joint Power Authority (“JPA”), a separate government agency that would facilitate the procurement of digital services and products on behalf of school districts, negotiate economical prices and terms for said districts, and further provide such products and services pursuant to legally compliant data privacy and security contracts; and

WHEREAS, there is a need for financial, technical and professional development support to ensure successful implementation of education technology products and services purchased by the JPA;

NOW THEREFORE, in consideration of the recitals and the mutual obligations of the parties as herein expressed, the undersigned parties do hereby agree as follows:

DISCUSSION/ACTION ITEM

DATE: March 12, 2019

TO: Robert Pletka, Ed.D., District Superintendent

FROM: Robert R. Coghlan, Ph.D, Assistant Superintendent, Business Services

SUBJECT: **APPROVE PROPOSED LOCATIONS OF PHOTOVOLTAIC STRUCTURES DESIGNED, ENGINEERED, INSTALLED, INSPECTED, AND MAINTAINED BY PFMG SOLAR, LLC**

Background: On September 25 2018, the Board of Trustees approved an agreement between Fullerton School District and PFMG Solar, LLC, to design, engineer, install, inspect, and operate photovoltaic structures. Site leadership teams at all twenty sites have been asked to offer input on the placement of the structures at their sites. Through the PAL process and with input from sites, eleven of the twenty sites made recommendations from the original plan submitted by PFMG Solar, LLC, which will provide greater usage value for students, staff, and the community.

Rationale: The District is estimated to realize a minimum net savings of more than \$3 million over 25 years due to future escalation of utility rates from Southern California Edison. In addition to these savings, old lunch shelters will be replaced by new lunch shelters as well as shade and parking lot shade structures at select sites.

Funding: Electricity cost is a General Fund Expense. The Solar Energy Project will reduce the price paid for electricity. All costs and work performed in conjunction with this project—design, engineering, installation, inspection, and operation, is the responsibility of PFMG Solar, LLC.

Recommendation: Approve proposed locations of photovoltaic structures designed, engineered, installed, inspected, and maintained by PFMG Solar, LLC.

PFMG Solar site walks to determine best placement

District and Maintenance reviewed PFMG recommendations

District met with each Site Leadership Team (Admin and Staff) to review placement criteria, present proposed locations and collaborate on possible alternative locations

- 11 of the 20 sites came up with alternatives

District shared alternatives with PFMG who was able to honor our changes

Placement Criteria of Photovoltaic Arrays

1. Requirements per DSA (Division of State Architects):

- Solar panels can't go on top of existing structures (i.e. roofs, existing lunch shelters)
- Solar panels must be at least 20 feet from any existing building
- Solar panels can't go over play ground equipment
- Solar panels can't go over existing easements
- Solar panels can't go over fire-lanes

2. Solar panels need maximum exposure-no interference with shade from buildings or trees

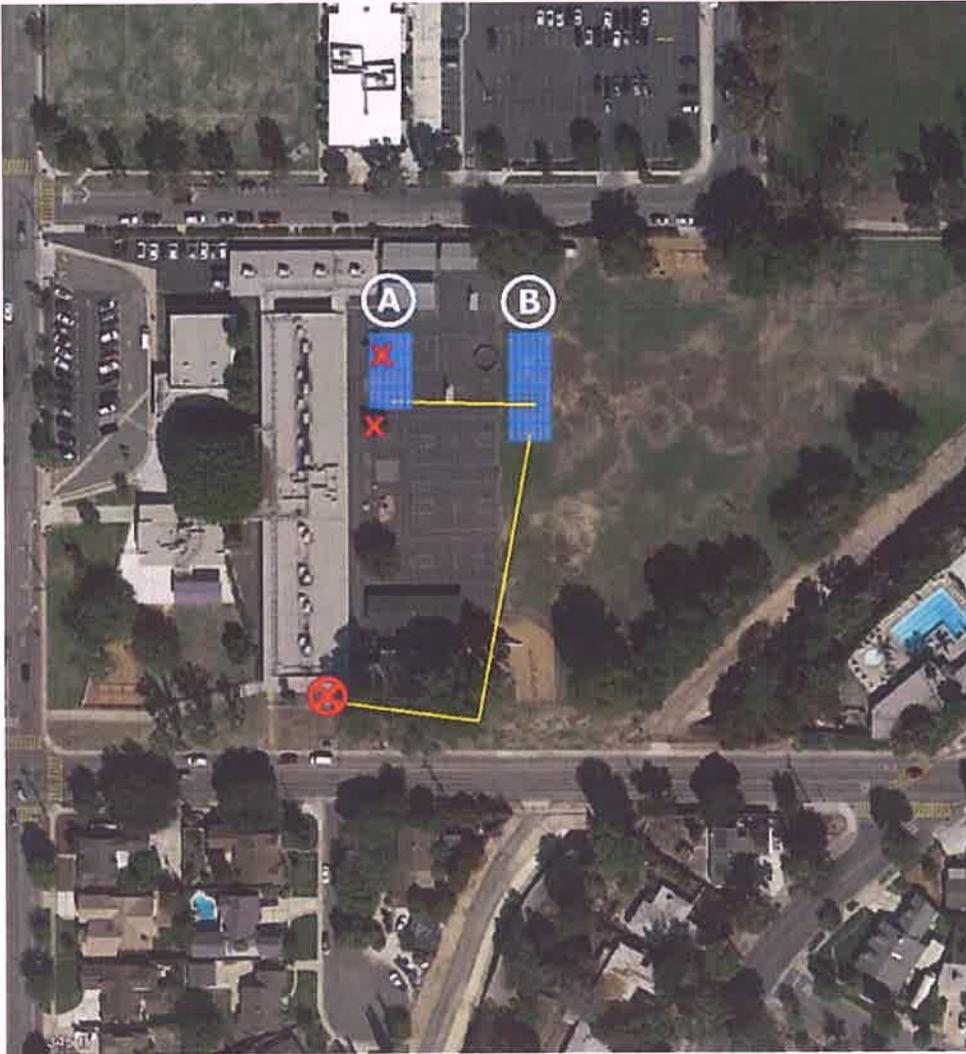

3. Avoid placing Solar panels in the front of schools for aesthetic reasons

4. Replace displaced trees

5. Create usable shade space for students and community

Board Policy

Tobacco

BP 5131.62

Students

Board Adopted: June 10, 2005

Board Revised: TBD

~~The Board of Trustees recognizes that tobacco use presents health hazards and desires to discourage students' use of tobacco products.~~

~~Students shall not smoke, chew or possess tobacco or nicotine products on school property or during school hours, at school sponsored events, or while under the supervision of District employees. Students who violate this prohibition shall be subject to disciplinary procedures which may result in suspension from school.~~

~~Students shall receive instruction on the effects of smoking on the human body.~~

The Board of Trustees recognizes the serious health risks presented by tobacco use and desires to ensure that, through adoption of consistent policies, District students are made aware of those risks and, to the extent possible, protected from them. The Superintendent or designee shall establish a coordinated school health system, which includes a comprehensive behavioral health education component that teaches students the knowledge, skills, and attitudes they need in order to lead healthy lives and avoid high-risk behaviors, such as tobacco use.

The Superintendent or designee shall provide instructional materials to teachers on the prevention, intervention, and cessation education, information, activities, and/or referrals to district students and shall ensure consistent enforcement of district policies prohibiting student possession and use of tobacco products.

Prohibition Against Tobacco Use

Students shall not possess, smoke, or use tobacco or any product containing tobacco or nicotine while on campus, while attending school-sponsored activities, or while under the supervision and control of District employees. (Education Code 48900, 48901)

Smoking means inhaling, exhaling, burning, or carrying of any lighted or heated cigar, cigarette, pipe, tobacco, or plant product intended for inhalation, whether natural or synthetic, in any manner or form, and includes the use of an electronic smoking device that creates aerosol or vapor or of any oral smoking device for the purpose of circumventing the prohibition of smoking. (Business and Professions Code 22950.5; Education Code 48901)

Tobacco products include: (Business and Professions Code 22950.5; Education Code 48901)

- 1. A product containing, made, or derived from tobacco or nicotine that is intended for human consumption, whether smoked, heated, chewed, absorbed, dissolved, inhaled, snorted, sniffed, or ingested by any other means, including, but not limited to, cigarettes, cigars, little cigars, chewing tobacco, pipe tobacco, or snuff**

2. An electronic device that delivers nicotine or other vaporized liquids to the person inhaling from the device, including, but not limited to, an electronic cigarette, cigar, pipe, or hookah
3. Any component, part, or accessory of a tobacco product, whether or not sold separately

These prohibitions do not apply to a student's possession or use of his/her own prescription products. However, student possession or use of prescription products in school shall be subject to the district's policy and regulation for addressing the administration of medications on campus. (Education Code 48900)

Prevention Instruction

The District shall provide developmentally appropriate tobacco-use prevention instruction for students at selected grade levels from K-12 pursuant to Education Code 51202. Such instruction shall be aligned with state content standards and the state curriculum framework for health education and with any requirements of state and/or federal grant programs in which the District participates.

Intervention/Cessation Services

The District may provide or refer students to counseling, intensive education, and other intervention services to assist in the cessation of tobacco use. Such intervention services shall be provided as an alternative to suspension for tobacco possession.

Program Planning

The Superintendent or designee shall coordinate with the local health department and county office of education in program planning and implementation.

The Superintendent or designee shall not accept for distribution any materials or advertisements that promote the use or sale of tobacco products. He/she also shall not accept tobacco-use prevention or intervention funds or materials from the tobacco industry or from any entity, which is known to have received funding from the tobacco industry.

To evaluate the effectiveness of the District's program and ensure accountability, the Superintendent or designee shall biennially administer the California Healthy Kids Survey or other appropriate student survey at selected grade levels in order to assess student attitudes toward tobacco and student use of tobacco.

REGULAR MEETING OF THE BOARD OF TRUSTEES
NOTICE TO THE PUBLIC

REGULAR BOARD MEETINGS OF THE BOARD OF TRUSTEES are held in the District Administration Building Board Room, unless otherwise noted, at 5:00 p.m. with closed session, 6:00 p.m. open session. Board meetings are scheduled once during the months of January, February, March, April, May, July, August, October, and November, and December and twice during the months of June and September. The Regular Board agenda is posted a minimum of 72 hours prior to the meeting, and a Special Board meeting agenda is posted a minimum of 24 hours prior to the meeting.

AGENDA ITEMS – Per Board Bylaw 9322, a member of the public may request that a matter within the jurisdiction of the Board be placed on the agenda of a regular meeting. The request must be in writing and submitted to the Superintendent's Office with supporting documents and information. The Board President and Superintendent shall decide whether a request is within the subject matter jurisdiction of the Board. Items not within the subject matter jurisdiction of the Board may not be placed on the agenda. In addition, the Board President and/or Superintendent shall determine if the item is merely a request for information or whether the issue is covered by an existing policy or administrative regulation before placing the item on the agenda.

PUBLIC COMMENTS/PERSONS ADDRESSING THE BOARD – The Board meeting follows rules of decorum. Per Board Bylaw 9323, individual speakers shall be allowed three minutes to address the Board on each agenda or non-agenda item. The Board limits the total time for public input on each item to 20 minutes. The total time allowed for public comment shall be 30 minutes. Public comments about an item that is on the agenda will be heard at the time the agenda item is considered by the Board. Public comments about an item that is not on the posted agenda will be heard at the beginning of open session when called upon by the Board President. No action or discussion may take place on an item that is not on the posted agenda except as expressly authorized by law. Since the Board cannot take action on items that are not on the agenda, such items will be referred to the Superintendent for handling. Board Members may request that any item be placed on a future agenda for further discussion. The Board President and Superintendent will determine the best time to place an item on the agenda. Persons wishing to address the Board are invited to complete and submit a "request to speak" slip to the Executive Assistant. These slips are available at the reception counter.

CONSENT ITEMS – These items are considered routine and will be acted upon by one motion unless a member of the Board or staff requests that an item be discussed and/or removed from the consent calendar for separate action.

AMERICANS WITH DISABILITIES ACT – In compliance with the Americans with Disabilities Act, an individual requires disability-related accommodations or modifications, including auxiliary aids and services, in order to participate in the Board meeting should contact the Superintendent or designee at (714) 447-7410. Notification must be given within 72 hours prior to a Board meeting in order to enable the District to make reasonable arrangements to ensure accommodation and accessibility to the meeting.

Introductions/Recognitions:

FSD is proud to announce Dream Catchers, a new initiative to highlight students who are taking their learning beyond the classroom to make an impact in their community. This initiative is kicking off with a campaign to share what nine of our students are doing with their interests, passions and strengths.

Dream Catchers are students who are pursuing their passion and making their dreams a reality. This is a new initiative launched by the district and is a recognition program for students who are putting their dreams into action. FSD will highlight students who have shown dynamic skills in identifying and putting their dreams into tangible actions. Dream Catchers is one portion of the PATH Finder program, created by the FSD Dream Big initiative to enhance personalized learning in the District.

The inaugural group of FSD Dream Catchers includes the following students: Aaruv B., a primary grade student who early on discovered his passion for chess and has entered and won many chess competitions; Aretsi C., a primary grade student who loves life and has a passion for cooking and baking despite her special needs. She has an infectious smile that lights up the room; Derek D., an upper grade student who has a passion for reading and history and was the ONLY 5th grade boy to join and finish strong until the end for ACLA Speech and Debate last year; Kaio K., a Kindergarten student who discovered his passion for swimming and has been placed in groups with other children based on his skill level. He is almost ready for the swim team and regional competitions; Ashley R., a junior high school student and cellist who has won an international competition, played at Carnegie Hall, played with Brian McKnight at Disney Hall, and was recently accepted to Colburn's chamber music program. She is also an impressive ice skater who won first place during the 2018 season for US Figure Skating Regional and National synchronized skating team; Jeffrey T., a junior high school student who has a passion for robotics. PREPARED BY: Trang Lai, Director, Educational Services

SUBJECT: **APPROVE AGREEMENT #UCI-1819BC-017 BETWEEN FULLERTON SCHOOL DISTRICT AND THE REGENTS OF THE UNIVERSITY OF CALIFORNIA FOR PROFESSIONAL DEVELOPMENT EFFECTIVE FEBRUARY 28, 2019 THROUGH APRIL 5, 2019**

Background: In July 2016, the current History-Social Science Framework was adopted by the California State Board of Education. The History-Social Science Framework is a guide for educators in the implementation of the history-social science content. Four elements were identified as the overarching themes: content, inquiry, literacy, and citizenship. Each element is embedded in each grade level. Grades 7 and 8 teachers have also been implementing Document Based Question (DBQ) for the last four years. DBQ is an inquiry method requiring students to think and write critically to support their thesis through primary source evidence.

Rationale: To provide professional development for history-social science teachers in grades 7 and 8, the staff developers at the University of California will help teachers connect their current implementation of DBQ with the current framework. Teachers will unpack the History-Social Science Framework and write lesson plans incorporating DBQ and the Framework with the guidance of the professional developer.

Funding: Cost not to exceed \$2,700 for two (2) professional development days and is to be paid from Unrestricted General Fund (#401).

Recommendation: Approve Agreement #UCI-1819BC-017 between Fullerton School District and the Regents of the University of California for professional development effective February 28, 2019 through April 5, 2019.

This Sales and Services Agreement (this "Agreement"), dated 2/12/2019 (the "Effective Date"), is by and between The Regents of the University of California ("University"), a California public corporation, on behalf of the University of California, Irvine, UCI History Project, and Fullerton School District ("Client"), having a principal place of business at 1401 West Valencia Drive Fullerton, CA 92833.

In consideration of the mutual agreements in this Agreement, the parties agree to the following:

Section 1 – Term and Termination.

1.1. Term

The Term of this Agreement shall be the period set forth in the Statement of Work, which is attached hereto as Exhibit A and incorporated herein by reference (hereinafter, "Exhibit A").

1.2. Termination for Convenience.

Either party may terminate this Agreement for any reason upon thirty (30) days' written notice. When this Agreement is terminated for convenience under this provision, Client shall pay University the pro rata fees for the Services through the date the notice of termination was effective, and all costs and any non-cancelable obligations incurred by University up to and including the date of termination.

1.3. Termination for Cause.

Either party may terminate this Agreement upon the material breach of this Agreement by the other party, by giving the other party thirty (30) days' prior written notice specifying the breach and expressing its intent to terminate. If such breach is not cured by the breaching party within thirty (30) days of receipt of the notice, this Agreement may be immediately terminated at the option of the non-breaching party upon written notice to the breaching party. If Client is more than thirty (30) days delinquent in any payment due under this Agreement, such delinquency shall constitute a "material breach" of this Agreement for the purposes of this provision.

Section 2 – Statement of Work.

2.1. Services.

University shall perform the services set forth in Exhibit A (the "Services").

2.2. Ownership/License of Deliverables.

Client shall own the Deliverables (as defined in Exhibit A) upon payment in full to University for the Services; provided, however, that University reserves and retains an irrevocable, fully-paid, worldwide right to use the Deliverables for educational and/or research purposes. Notwithstanding the foregoing, University does not transfer, and hereby retains and reserves, all rights in Background Intellectual Property (as defined below). Furthermore, any and all improvements in University's Background Intellectual Property, which are conceived or reduced to practice by University during the course of the Services, shall remain the sole property of University.

"Background Intellectual Property" shall mean all intellectual property, including without limitation, technical information, know-how, copyrights, trademarks, patents and trade secrets, ideas, thoughts, concepts, processes, techniques, data, models, drawings inventions and software, that is or was conceived, created or developed prior to, or independent of, the Services.

Client shall indemnify, defend, and hold harmless University, its officers, agents, and employees against all losses, damages, liabilities, costs, and expenses (including but not limited to attorneys' fees) resulting from any judgment or proceeding in which it is determined, or any settlement agreement arising out of the allegation, that Client's furnishing or supplying University with parts, goods, components, programs, practices, methods or other property under this Agreement (collectively, "Client Materials") or University's use of Client Materials constitutes an

infringement of any patent, copyright, trademark, trade name, trade secret, or other proprietary or contractual right of any third party. University retains the right to participate in the defense against any such suit or action, and Client shall not settle any such suit or action without University's consent.

2.3. Client Responsibilities.

Client shall provide to University Information/Materials listed in Exhibit A, if any, in a timely and secure manner so as to allow University to perform the Services.

2.4. No Liability for Delay.

University offers priority to its faculty, researchers and students for the use of University facilities and services. Accordingly, University shall not be responsible for any delay caused by University faculty, researchers and students having priority in the use of University facilities and services, and Client's exclusive remedy for University's delay or failure to perform any of its obligations hereunder shall be limited to a refund of any unallocated/unexpended funds paid by Client to University under this Agreement.

2.5. Shipment and Delivery.

Client shall be responsible for the cost of shipping all Deliverables specified herein (including, without limitation, costs of insurance and other related costs). Shipments shall be sent FOB (Client or University, as applicable). University, at its option, may not tender delivery of any Deliverables for which Client has not provided shipping instructions, payment and other required information. If Client postpones or delays delivery of Deliverables for any reason (for example, if Client requests a delay in delivery), Client agrees to reimburse University for any and all storage costs and other additional expenses resulting therefrom.

Unless otherwise stipulated herein, for all shipments of Deliverables, legal title shall pass from University to Client upon University's delivery to the carrier at the shipping point, at which time Client shall take possession of the Deliverables, bearing all risk of loss, paying all insurance, storage and transportation expenses and acting as the importer of record (if applicable).

Any claims for shortages of or damages to Deliverables suffered in transit are the responsibility of Client and shall be submitted by Client directly to the carrier. Client shall identify any shortages or damages at the time of delivery; claims of shortages or damages after the date of delivery are hereby waived.

Section 3 – Fees and Payment Schedule.

3.1 Fees, Schedule and Invoicing.

Client shall pay University for the Services in accordance with the Fees and Payment Schedule set forth in Exhibit A. Client shall pay University within thirty (30) days of the date on the applicable invoice. University shall submit all invoices to Client at the Invoicing Address specified in Exhibit A.

3.2 Service Charge.

Client agrees to pay University a one-percent (1%) service charge per month for any payments that are not made within thirty (30) days.

3.3 Form of Payment.

All payments from Client to University shall be made payable to "The Regents of the University of California" in a form specified in Exhibit A.

Section 4 – Insurance.

4.1 Client Insurance.

Client shall provide proof of insurance, endorsing The Regents of the University of California as additional insured, showing amounts of coverage set forth below. If the insurance is written on a claims-made form, it shall continue for a period of three years following termination of this Agreement. Section 5 – Indemnification.

Each party shall defend, indemnify, and hold the other party, its officers, employees, and agents harmless from and against any and all liability, loss, expense, including attorneys' fees, or claims for injury or damages arising out of the performance of this Agreement, but only in proportion to and to the extent such liability, loss, expense, attorneys' fees, or claims for injury (including death) or damages are caused by or result from the negligent or intentional acts or omissions of the indemnifying party, its officers, employees or agents. The party seeking indemnification agrees to provide the other party with prompt notice of any such claim or action and to permit the indemnifying party to defend any claim or action, and to cooperate fully in such defense. The indemnifying party shall not settle or consent to the entry of any judgement in any action, suit or proceeding without the consent of the indemnified party, and such consent to any settlement, which consent shall not be unreasonably withheld, conditioned, or delayed.

CLIENT ACKNOWLEDGES THAT THE SERVICES, THE DELIVERABLES, AND THE RESULTS ARE PROVIDED ON AN "AS IS" BASIS AND WITHOUT WARRANTIES OF ANY KIND. CLIENT FURTHER ACKNOWLEDGES THAT IT USES SUCH SERVICES, DELIVERABLES, AND RESULTS AT ITS OWN RISK. UNIVERSITY SHALL BEAR NO RESPONSIBILITY FOR THE SUCCESS OR FAILURE OF THE SERVICES OR DELIVERABLES.

UNIVERSITY SHALL NOT BE LIABLE FOR ANY INDIRECT, CONSEQUENTIAL, INCIDENTAL, SPECIAL, PUNITIVE, OR EXEMPLARY DAMAGES OF ANY KIND ARISING OUT OF OR IN ANY WAY RELATED TO THIS AGREEMENT, WHETHER IN WARRANTY, TORT, CONTRACT, OR OTHERWISE, INCLUDING, WITHOUT LIMITATION, LOSS OF PROFITS OR LOSS OF GOOD WILL, WHETHER OR NOT UNIVERSITY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES AND WHETHER OR NOT SUCH DAMAGES WERE FORESEEABLE. UNIVERSITY'S AGGREGATE LIABILITY SHALL NOT EXCEED THE FEES RECEIVED BY UNIVERSITY FROM CLIENT PURSUANT TO THIS AGREEMENT DURING THE TWELVE (12) MONTHS PRECEDING CLIENT'S CLAIM. CLIENT EXPRESSLY ACKNOWLEDGES THAT UNIVERSITY SHALL HAVE NO LIABILITY WITH RESPECT TO ANY LOSS OF PROPERTY, MATERIALS, DATA, OR INFORMATION THAT CLIENT PROVIDES TO UNIVERSITY UNDER THIS AGREEMENT.

Section 7 – University Name and Trademarks.

Client agrees that it will not use the name of the University of California, or any abbreviation thereof, or any name of which "University of California" is a part, or any trademarks (including, but not limited to, logo, seal, landmarks, acronyms, campus department names, and graphic images) of the University ("University Marks") in a commercial context, such as may appear

on products, in media (including websites) and print advertisement, without the prior written consent of University's authorized representative. This provision is in compliance with California Education Code section 92000.

University Marks are and shall remain exclusively the property of University. Client shall, neither directly nor indirectly, obtain or attempt to obtain during the Term hereof or at any time thereafter, any right, title or interest in or to University Marks, and Client hereby expressly waives any right which it may have in University Marks. Client recognizes University's exclusive ownership of University Marks.

Section 8 – Export Control and Biohazardous Materials.

Neither party shall be liable for delays due to causes beyond the party's control (including, but not restricted to, war, civil disturbances, earthquakes, fires, floods, epidemics, quarantine restrictions, freight embargoes, and unusually severe weather). With respect to any delays on the part of University, this Section shall apply in addition to the provision in Section 2.4.

Section 11 – Notices.

Any notice or communication required by this Agreement shall be in writing and shall be deemed to have been duly given if delivered personally, or sent by overnight mail, or prepaid registered mail addressed to the other party at the address set forth on Exhibit A.

The Outreach Program is a team of outreach educators and registered dental hygienists providing preventative dental services and education in the community setting. Services are provided to children ages 0-5 and their families. The Outreach program involves four components: oral health education, screenings, application of fluoride varnish, and care coordination.

Outreach Educators provide an educational presentation to the parents and children about how oral health impacts overall health. Bilingual outreach educators discuss the importance of the teeth for overall health, establishment of oral health habits, proper oral hygiene, brushing and flossing, importance of visiting a dentist, and nutrition for healthy teeth.

Dental professionals perform preventative dental care that can be conducted in the community setting and which falls within the clinician's scope and applicable license and training. The services include a visual dental screening to identify cavities, application of fluoride varnish, and health promotion education. Children with prior parent consent will receive services. The dental professional will record findings on the result form. The parents will be informed of the results of the screening.

Care Coordination staff will review the results with the parent and make a referral based upon severity of cavity, insurance, and proximity to the child's home. Our Care Coordination team assists families in scheduling dental appointments at the Collaborative Clinics and providing referrals for families to apply for insurance. Sites provided services:

The Virtual Dental Home (“VDH”) system of care involves community-based Registered Dental Hygienists and Dental Assistants collaborating with dentists using tele-dentistry technology.

The dental team will collect electronic dental records such as x-rays, photographs, dental and medical histories, and upload these records to a secure website where they are reviewed by a collaborating dentist. The dentist will review the patient's information and create a tentative dental treatment plan.

The dental team then performs aspects of the treatment plan that can be conducted in the community setting and which fall within that clinician's scope and applicable license and training. These services include: Health promotion education; dental disease risk assessment; preventive procedures such as application of fluoride varnish, dental prophylaxis and periodontal scaling; placing carious teeth in a "holding pattern" using interim therapeutic restorations to stabilize patient's teeth; tracking and supporting the patient in obtaining additional care and following the recommendations for additional services.

When the collaborating dentist determines that the patient requires a level of care or service that can only be provided by a licensed dentist, the patient is referred to the collaborating dentist's office for that treatment or other appropriate care.

Some of the treatment and patient care will take place at District’s locations, which may include, but are not limited to, schools, long term care facilities, and day programs. Sites provided services:

CONSENT ITEM

DATE: February 12, 2019

TO: Robert Pletka, Ed.D., District Superintendent

FROM: Robert R. Coghlan, Ph.D., Assistant Superintendent, Business Services

PREPARED BY: Rachel Grantham, Financial Analyst, Business Services

SUBJECT: **APPROVE CONTRACT BETWEEN FULLERTON SCHOOL DISTRICT AND DECISIONINSITE, LLC, FOR INTEGRATED WEB-BASED DEMOGRAPHIC AND GRAPHIC INFORMATION SYSTEM (GIS) SERVICES, EFFECTIVE FOR THE 2019/2020 THROUGH 2021/2022 FINANCIAL YEARS**

Background: Fullerton School District has been utilizing DecisionInsite for the past twelve years. The DecisionInsite system allows District staff to quickly assess the impact of potential boundary adjustments on various subgroups of the student population so the most informed and educationally appropriate decisions can be made. Enrollment projections can be quickly calculated based on existing or modified school attendance boundaries, and the projections take into account local and federal census data to provide the most accurate results. The web-based geographic information system allows for multiple concurrent users and provides access to the tools for examining the unlimited numbers of scenarios in studying attendance areas.

The DecisionInsite system also provides community members an easy-to-use tool for verifying their school according to street address.

Rationale: The District requires boundary studies and enrollment projections. DecisionInsite provides this service with informative detail. The boundary tool to determine home school is a valuable resource for families. By signing a three-year contract instead of an annual contract, the District will save approximately \$4,200 per year.

Funding: The cost is \$16,848 per year for three years, not to exceed \$50,544, and will be paid from the Developer Fees fund.

Recommendation: Approve contract between Fullerton School District and DecisionInsite, LLC, for integrated web-based demographic and Graphic Information System (GIS) services, effective for the 2019/2020 through 2021/2022 financial years.

3.2 DISTRICT shall provide to DECISIONINSITE, at no cost to DECISIONINSITE, for use in providing the services outlined in this Agreement, any data which DISTRICT may have available which are required or requested for providing the services of this Agreement.

The DISTRICT AGREES TO

1. Provide DECISIONINSITE staff with the contact information for the appropriate DISTRICT staff who will be working on this project.
2. Direct DISTRICT staff to review and respond to the Data Request documents provided to the DISTRICT. (This information is available for review at our public website: <https://www.decisioninsite.com/new-client/>)
3. Provide DECISIONINSITE with the data requested in a timely manner.

3.3 If DISTRICT chooses to provide residential development research to DECISIONINSITE instead of engaging DECISIONINSITE to conduct the research, then the DISTRICT agrees to provide these data to DECISIONINSITE in the array and format stipulated in the Data Request Instructions and Documents found on the DECISIONINSITE website. Failure to provide the data either in the detail or format specified may result in an additional fee to convert the data and/or to conduct the additional research.

3.4 DISTRICT shall make every reasonable effort to aid DECISIONINSITE in obtaining data from other public offices or agencies, local business firms, and private citizens whenever such data is necessary for the compilation of the work outlined in this Agreement. (For example, contacts with appropriate housing developers.) Fees for obtaining such data will be reimbursable to DECISIONINSITE and will be paid by the DISTRICT.

3.5 DISTRICT agrees to appoint a single staff person to fulfill the role of Administrative User (admin user). This person will be responsible to administer access rights to DECISIONINSITE secure server where the DISTRICT'S data will be available. Included in this responsibility is setting up those persons within the DISTRICT that will be granted access rights.

3.6 This AGREEMENT as outlined on Schedule A includes web based access to the secure DECISIONINSITE StudentView System. DISTRICT agrees to abide by the policies for access as outlined in Schedule D.

SECTION 4 – LIMITATIONS

4.1 DECISIONINSITE understands that time is of the essence in completing the work outlined in this AGREEMENT. However, the DISTRICT understands that DECISIONINSITE may be dependent upon the timely delivery of data from third parties and that all tasks may not be completed in the allotted time as may be specified in this AGREEMENT or in the spirit of timely delivery. None-the-less, DECISIONINSITE will make all reasonable efforts to complete all tasks in a timely fashion.

4.2 DISTRICT understands the work performed by DECISIONINSITE is based upon the best information available to DECISIONINSITE at the time of rendering services. DISTRICT also understands that DECISIONINSITE takes great care in identifying and obtaining the most widely recognized and respected data sources for use in serving the DISTRICT but can none-the-less make no warranties for the ultimate accuracy of these information products and the DISTRICT hereby agrees.

SECTION 5 – GENERAL PROVISIONS

5.1 DISTRICT understands that the StudentView System is built upon Google base maps and access to these base maps by the DISTRICT must conform to Google Map requirements. Further some aerial images and census demographic databases that are updated and projected are licensed by DECISIONINSITE from third party vendors and remain the sole intellectual property of these vendors.

5.2 DISTRICT understands that this AGREEMENT extends access rights to the DISTRICT for use only by the DISTRICT and/or anyone assisting the DISTRICT in its normal activities. DISTRICT may not sell, lease or assign the demographic databases, aerial images or the mapping data to any third party except as such would employ the data in the service of the DISTRICT. (For example, an outside planning consultant

may use and review the data in fulfilling a planning consultation on behalf of the DISTRICT but the same consultant may not use, quote, or otherwise refer to the data for any other purpose.)

5.3 DISTRICT agrees to make appropriate attributions to the data source(s) in any written, graphically displayed or orally delivered presentations that include any piece of data, the presentation of the data or the methodologies by which the data is generated that are provided by DECISIONINSITE

SECTION 6 – TERMINATION

6.1 It is understood and agreed that the DISTRICT may terminate this AGREEMENT for the DISTRICT’S convenience and without cause at any time by giving DECISIONINSITE thirty (30) days written notice of such termination. Promptly upon receipt of written notice from the DISTRICT that this AGREEMENT is terminated, DECISIONINSITE will submit an invoice to the DISTRICT for any outstanding fees including any early termination adjustment per the schedule described in 6.2 and any reimbursable expenses, if actually incurred and in accordance with the approved AGREEMENT, and not reimbursed prior to the date of termination. Upon approval and payment of this invoice by the DISTRICT, the DISTRICT shall be under no further obligation to DECISIONINSITE monetarily or otherwise.

6.2 Early Termination Adjustment: Multi-year agreements are based upon discounts to the single year fee for system and services. Should the district opt for one of the multi-year agreements and then choose to terminate the AGREEMENT per 6.1 above an adjustment will be applied to the final year of service based upon the number of years of the contract that have been completed. The adjustment schedule is provided below.

3 Year Cancellation Schedule	
Years Complete	Adjustment Fee
1	\$4,212
2	\$2,106
3	\$0

SECTION 7 – COMPENSATION

7.1 DECISIONINSITE services and website access rights are based upon the mix of products and services chosen by the DISTRICT. (See Schedule A.)

7.2 Compensation to DECISIONINSITE is determined by the service and product features selected by the DISTRICT and is reflected on Schedule A. For each fiscal year DECISIONINSITE will issue invoices in two stages in accordance with the following:

1. 50% on the initial date of execution of this agreement or at the beginning of DecisionInsight's annual production season in July of each year.
2. 50% Completion and delivery of annual enrollment projections.

7.3 Annual fees and payment schedule is as follows. Client will receive an invoice 30 days prior to the due date to insure proper and timely payment.

Schedule of Payments	Total per Year	First Payment	Second Payment
Year 1	\$16,848	\$8,424	\$8,424
Year 2	\$16,848	\$8,424	\$8,424
Year 3	\$16,848	\$8,424	\$8,424

7.4 Residential development research, if requested by the district is invoiced separately from the annual license agreement. Residential development research is invoiced only for time and materials per the fee schedule set forth in Schedule B. Invoicing is not done until the research project is complete and this will typically begin in May and be completed no later than October of each year. As stated earlier, DECISIONINSITE will not invoice beyond the “not to exceed” stated in the Service Agreement Assumptions of Section 1.3. If a research project looks to be larger than either the District or DECISIONINSITE anticipated, DECISIONINSITE will contact the district. It will not proceed further without prior authorization from the district.

7.5 The specific elements available to the DISTRICT are outlined on Schedule A of this AGREEMENT and reflect those features proposed to the DISTRICT in the PROPOSAL FOR SERVICES document submitted to the DISTRICT. The DISTRICT understands that if additional requests for analysis, GIS services or consultation are made beyond that outlined in this Schedule that additional fees shall be charged based upon the rates outlined on Schedule B. Such additional requests would call for a contract addendum from DECISIONINSITE stipulating the specific additions and related fees and to which the DISTRICT would have the right to accept by signing or reject.

SECTION 8 – INDEMNIFICATION

8.1 DECISIONINSITE shall indemnify and hold DISTRICT, its Board members, agents and employees harmless, and will defend DISTRICT, its Board members, agents and employees from any and all liability arising from or related to the performance of this Agreement, including third part legal actions caused by the acts of DECISIONINSITE.

SECTION 9 – OWNERSHIP, DATA SECURITY AND ACCESS TO THE WORK PRODUCT

9.1 DISTRICT understands the delivered products—whether as printed reports and/or digital PDF files or the online web accessible StudentView System—are the result of extensive data integration and computer modeling. The DISTRICT supplies DECISIONINSITE with student and school based data. DECISIONINSITE provides licensed demographic and geographic mapping data. This data is processed through the proprietary StudentView System that includes "location analytic" models and a GIS analytical mapping interface and is transformed into the deliverable products for use by the DISTRICT. This results in a significant integration of disparate data sources; some of which is only licensed to DECISIONINSITE for use with its clients.

9.2 The DISTRICT maintains ownership of all data supplied to DECISIONINSITE as part of the project. The DISTRICT also maintains full access rights to all paper or PDF expressions of reports, maps and other prepared materials in perpetuity as long as abiding by the limitations outlined in 5.1 and 5.2 above.

9.3 The DISTRICT shall have access rights to the web based expression of said reports, maps and other analytical and presentation materials through the StudentView System as long as the contract with DECISIONINSITE is in effect. Upon contract termination, access to the StudentView System will no longer be available.

9.4 Occasionally, clients need to access or retrieve data or work product after the termination of the service agreement. As such, DECISIONINSITE agrees to securely archive District data and DECISIONINSITE work product for a period of five years so that they client may retrieve data if needed. DISTRICT agrees to submit such requests in writing.

9.5 DECISIONINSITE agrees to adhere to the principles and practices listed in the attached Privacy Policy. (See Schedule D)

SECTION 10 – CONFIDENTIALITY

10.1 DECISIONINSITE shall not, during or at any time following termination of this Agreement with DISTRICT, disclose or divulge the work product of this Agreement to third parties except when directed to do so by the DISTRICT in response to a valid request pursuant to the California Public Records Act or court order.

10.2 DISTRICT does agree to allow DECISIONINSITE to use some elements of the final product for the purposes of demonstration. At no time shall DECISIONINSITE divulge any data about particular students or families to which it has access during the production either of the product or subsequent to the final creation of the deliverable product. DECISIONINSITE fully understands its obligation to protect the privacy of student level data and any confidential DISTRICT data or its board and staff in its possession at all times.

10.3 DECISIONINSITE shall take every reasonable precaution to protect all student or school data supplied on its computers and information systems.

SECTION 11 – ASSIGNMENT PROHIBITED

11.1 No party to this Agreement may assign any right or obligation pursuant to this Agreement. Any attempt to assign such rights or obligations shall be null and void.

SECTION 12 – AUDIT

12.1 Pursuant to, and in accordance with, the provisions of California Government Code section 8546.7, or any amendments thereto, all books, records and files of DECISIONINSITE, or any subcontractor connected with the performance of this Agreement involved in the expenditure of public funds in excess of Ten Thousand Dollars (\$10,000), including, but not limited to the administration thereof, shall be subject to the examination and audit of the State Auditor, at the request of DISTRICT or as part of any audit of DISTRICT, for a period of three (3) years after final payment is made under the Agreement.

DECISIONINSITE shall preserve and cause to be preserved such books, records, and files for the audit period.

SECTION 13 – ENTIRE AGREEMENT

13.1 This AGREEMENT contains the entire AGREEMENT of the parties with respect to the subject matter hereof, and supersedes all prior negotiations, understandings or agreements, either oral or written. This AGREEMENT may only be modified in writing and signed by both parties.

13.2 The parties hereto have caused this AGREEMENT to be duly executed by their duly authorized representatives.

Optional Residential Development Research

The option of Residential Development Research for integration into the enrollment forecasts is available upon request. Inclusion would include location mapping of expected projects, and full reporting on all proposed residential development projects phased over time.

Not all School Districts are impacted by new housing development. For clients who have been or may be impacted and request this service, DecisionInsite will contact government agencies and developers on behalf of the District to gather the data required to quantify the potential impact of new housing.

This work is completed on a “not-to-exceed” basis and the estimated fee for this service is listed separately below. Any data provided to DecisionInsite by the District will reduce the work required.

SCHEDULE B: ADDITIONAL SERVICES AND RATES

Optional Services and Consulting Rates

Clients have the option to contract with DECISIONINSITE for additional services. For reference a description of the services available and the corresponding rates are listed below. If the DISTRICT should choose to request any of the services listed below or any other service not listed, DECISIONINSITE will provide the DISTRICT an estimate in writing prior to commencing any work.

Consulting

1. Residential Housing Development Research: (If not already contracted for this service) For districts impacted by housing development, we offer additional research services. Many districts have internal staff that collect and monitor this information. But for those that do not, we offer this as an enhancement to the core service. Having an accurate picture of housing development is critical to good enrollment projections.

2. Boundary Configuration Consulting: While generating multiple attendance boundary reconfigurations is easy with the DI System, some districts prefer to contract for outside consulting services to assist in the generation of multiple scenarios and/or participate in or lead community reconfiguration committee processes. DecisionInsite’s professional and experienced team is well qualified to provide these additional services. Fees are assessed on an hourly basis and not-to-exceed amount is set in consultation with the client.

3. Student Generation Rate Studies: Student generation rates will determine how many students are expected out of new housing. Some districts have these already (by housing product type and grade level). For those that do not, we can either use our standard default rates or as an enhancement, DecisionInsite can generate custom student generation rates based upon product type that is anticipated and the current generation of students by similar product type.

4. School Capacity Studies: A School Capacity Study by DecisionInSite generates multiple scenarios that consider alternative impacts of changes in underlying variables such as special use classrooms, class size by grade level, half-day or extended day Kindergarten, number of relocatable classrooms, projected enrollment, spaces for teacher prep time, etc.

5. Public Presentations of Findings: If requested by the District, DecisionInSite will make staff available to review the work completed on behalf of the District.

Custom GIS Services

DecisionInSite can easily add and integrate several custom data and analysis tools to a district's base system. These include:

1. Existing Map Layer Changes: As part of a standard agreement, a district can modify attendance areas once each year and this service is included in the base fee. Generally, this is sufficient since changes mid-year seldom occur and policy changes on attendance areas seldom happen more often. If such should be required outside the normal cycle of client updating, it would be considered custom GIS work and the district would be billed according to the hourly rate for GIS Technical Services.

2. Custom Map Layers: DISTRICT'S may request the creation of additional Map layers for analysis, print or PowerPoint presentations. Possibilities include:

- Special Assessment Districts
- School or municipal planning areas
- Natural or manmade hazard features such as flood zones, pipelines, or other features which require safety buffer zones
- Board Trustee Areas
- District study areas
- Other custom features

DecisionInSite can add these custom map layers to any existing district study. These layers can be activated or deactivated just like school attendance boundaries. Additionally, most custom layers can be queried for enrollment, ethnicity and census updates and projections.

Custom map layers are billed at the GIS Technical Services hourly rate. Upon request, DecisionInSite will provide the district with a project scope proposal based upon the assessed complexity of the project.

3. Custom Plotting of People (other than students) or Places (other than schools).

Consulting and GIS Rates

Consulting is billed according to DecisionInsite consulting rates as outlined below. In all cases, DecisionInsite provides the district with “a not to exceed” amount. Some contracts have development impact written in from the beginning. For others, these services may be appended to the original contract. All billing is based upon the rates in the following table.

Consultant Billable Rates	Per Hour
Senior Consultant	\$250.00
Consultant	\$175.00
Residential Development Research	\$150.00
GIS Technical Services	\$95.00

Expenses

Expenses are invoiced for actual travel, lodging and materials. For locations beyond one hour of travel time charge is included.

Generation of Additional Enrollment Projections

DISTRICTS may request additional projection scenarios beyond the standard two (2) per year. DecisionInsite can generate additional projections according to the following fee schedule.

Per additional enrollment projection scenario	Ranges	
	Min	Max
Web posting only, no report	\$1000	\$2,500
Web posting plus Final report	\$1,500	\$3,000

SCHEDULE C: WEB ACCESS POLICIES

Access to DecisionInsight's secure web server is at the center of the services provided to DISTRICT. Therefore, the following policies should be followed.

Only authorized persons employed by or representing the school district may be granted access. Granting access to any other party is a violation of this AGREEMENT.

No person granted access rights may access and use any part of the site except in the conduct of school district business. Use of any information on other than for district business is a violation of this AGREEMENT.

The Client Access area on the DecisionInsight web site is password protected. Access will be granted according to those granted access by the District administrative user. These can be set up via the District Admin user interface.

There is no limit on the number of users granted to a district. However, only the district may authorize users and DecisionInsight will only add users upon the formal request of the authorized agent of the district. Unless otherwise stipulated, the authorized agent is the person signing the Agreement.

MySchoolLOCATOR will be accessible from the DecisionInsight web site. A link can be set up on the DISTRICT'S own web site as soon as the DISTRICT'S web studies are available. SchoolLOCATOR will remain active as long as the District remains an active client.

PRESENTED TO THE BOARD OF TRUSTEES ON JANUARY 22, 2019

PCD	Last Name	First Name	Location	Assignment	Action	Description/Budget	Effective Date(s)
<p>This is to certify that this is an exact copy of the Certificated Personnel Report approved and recorded in the minutes of the Board of Trustees on January 22, 2019.</p>							
<p>_____</p> <p>Clerk/Secretary</p>							

CONSENT ITEM

DATE: January 22, 2019
TO: Robert Pletka, Ed.D., District Superintendent
FROM: Robert R. Coghlan, Ph.D., Assistant Superintendent, Business Services
SUBJECT: **ACCEPT GIFTS AND AUTHORIZE DISTRICT STAFF TO EXPRESS THE BOARD OF TRUSTEES' APPRECIATION TO ALL DONORS**

Background: According to Board Policy 3290(a), the Board of Trustees may accept any bequest, gift of money, or property on behalf of the District. Gifts must be deemed suitable for a purpose by the Board of Trustees and be used in an appropriate manner. However, it is the policy of the Board of Trustees to discourage all gifts which may directly or indirectly impair the Board of Trustees' commitment to providing equal educational opportunities to the students of the District. As indicated in the above-mentioned Board Policy, the District Superintendent approves gifts designated for a specific school for acceptance at that school. Descriptions of gifts presented for acceptance are included on the attachment. Gifts for specific dollar amounts are noted, non-monetary gifts are identified, and the donor is responsible for reporting the value to the Internal Revenue Service.

Rationale: The Board of Trustees of the Fullerton School District gratefully accepts monetary and non-monetary gifts from public and private entities. These gifts help reduce the costs of school materials, curriculum, and extracurricular student activities.

Funding: The funding received from gifts will be deposited in appropriate District funds.

Recommendation: Accept gifts and authorize District staff to express the Board of Trustees' appreciation to all donors.

Rationale: As this project is now determined to be complete, staff recommends the Board authorize the filing of a Notice of Completion with the Orange County Clerk-Recorder's Office.

3.10. Sole Source: AVID Center affirms that it is the sole source of the AVID College Readiness System to which competition may be precluded due to the existence of a patent, copyright, secret process, or monopoly. AVID Center's sole source development includes intellectual property—copyrights and trademarks—in the AVID Materials, licensing for reproduction of student activity sheets associated with the curriculum, technical assistance, training to teachers and administrators, and coordination of the AVID College Readiness System through consultation, data collection, and certification processes.

This Agreement is not intended to create a relationship of employment, agency, partnership, joint venture, or similar arrangement between the parties. Neither party shall have any power or authority to bind or commit the other party in any respect, contractually or otherwise. In no event shall either party, or any of its respective officers, agents, or employees, be considered the officers, agents, or employees of the other party.

In the case of a breach by Client that is not cured as described above, AVID Center shall have the right to terminate Client's right to conduct all or part of an AVID product or service at one or more specific AVID Member Sites, by giving written notice to Client of the sites so terminated, without terminating this Agreement with respect to the other products or services at the particular AVID Member Site and/or other AVID Member Site(s) subject to this Agreement. Any termination under this Paragraph 7.1 will become effective automatically upon expiration of the cure period in the absence of a cure or mutually agreed-upon resolution. Notwithstanding the foregoing, any material breach by Client, which is further defined as a breach of any of the provisions of Article III, shall be deemed non-curable and AVID Center shall have the right to immediately terminate this Agreement upon such material breach by Client.

7.2. Termination Without Cause: Notwithstanding Paragraph 7.1 above, either party may terminate this Agreement upon thirty (30) days prior written notice to the other party.

7.3. Cessation of Use: Upon termination or expiration of this Agreement: (a) the licenses in Article III shall automatically terminate and revert to AVID Center, (b) Client shall thereafter immediately discontinue AVID in all of its school sites and cease using the AVID Materials, AVID Methodologies, or AVID Trademarks in any way, and (c) Client shall pay any unpaid balances to AVID Center and remain liable for its obligations or other actions that accrued or occurred prior to the termination date.

7.4. Cumulative Remedies: All rights and remedies conferred herein shall be cumulative and in addition to all of the rights and remedies available to each party at law, equity or otherwise. In addition, Paragraphs 3.3, 3.4, 3.5, 3.6, 4.1, and all of the provisions of Articles VII and VIII shall survive the termination or expiration of this Agreement.

Article VIII. General Provisions

8.1. 8.7. No Assignment, Delegation or Transfer: Client acknowledges that the favorable terms of this Agreement were granted solely to Client, and that the substitution of any party by Client would destroy the intent of the parties. Accordingly, Client shall have no right to assign, delegate, transfer or otherwise encumber this Agreement or any portion thereof without AVID Center's prior written consent, which can be withheld in its sole discretion.

SUBJECT: **APPROVE AGREEMENT BETWEEN FULLERTON SCHOOL DISTRICT AND FORTNET SECURITY, INC. BEGINNING JULY 1, 2019 THROUGH SEPTEMBER 30, 2022 FOR THE PURCHASE OF A NETWORK FIREWALL**

Background: Fullerton School District (FSD) wants to purchase a new network wide firewall with eRate matching funds for the District Office that will cover all elementary school sites as well. The current firewall is 5 years old and is coming to end of life. Through a competitive bidding process, FSD has determined that Fortnet Security, Inc. Rationale: The equipment is crucial to provide security for District's network. The new firewall will be fast and provide better protection than the one currently in use.

Funding: The total cost for this agreement beginning July 1, 2019 and ending September 30, 2022 is \$ **73,763.01** and 80% of the cost will be covered by eRate funding. The District will only be billed for the non-funded portion. The contract is completely dependent on eRate funding approval and the Districts ability to pay at the time of purchase. If the District is denied eRate funding or lacks matching funds at the time of purchase, the contract is null and void and nothing will be owed by the FSD. The balance of the non-funded portion will be paid from the Innovation and Instructional Support, budget #409.

HOW TO USE CMAS

Agencies must adhere to the detailed requirements in the State Contracting Manual (SCM) when using CMAS. The requirements for the following bullets are in the SCM, Volume 2, Chapter 6 (for non-IT), the SCM, Volume 3, Chapter 6 (for IT), and the SCM, Volume FI\$Cal, Chapter 5 (FI\$Cal):

- Develop a Request for Offer, which includes a Scope of Work (SOW), and Bidder Declaration form. For information on the Bidder Declaration requirements, see the SCM, Volume 2, Section 3.5.7 and Volume 3, Section 3.4.7.
- Search for potential CMAS contractors at www.dgs.ca.gov/pd/Programs/Leveraged/CMAS.aspx, select "Find a CMAS Contractor."
- Solicit offers from a minimum of 3 CMAS contractors including one small business and/or DVBE, if available, who are authorized to sell the products and/or services needed.
- If soliciting offers from a certified DVBE, include the Disabled Veteran Business Enterprise Declarations form (Std. 843) in the Request for Offer. This declaration must be completed and returned by the DVBE prime contractor and/or any DVBE subcontractors. (See the SCM Volumes 2, 3, and FI\$Cal, Chapter 3).
- This is not a bid transaction, so the small business preference, DVBE incentives, protest language, intents to award, evaluation criteria, advertising, etc., are not applicable.
- If less than 3 offers are received, State agencies must document their file with the reasons why the other suppliers solicited did not respond with an offer.
- Assess the offers received using best value methodology, with cost as one of the criteria.
- Issue a Purchase Order to the selected CMAS contractor.
- For CMAS transactions under \$10,000 only one offer is required if the State agency can establish and document that the price is fair and reasonable. The fair and reasonable method can only be used for non-customizable purchases.

Local governments set their own order limits, and are not bound by the order limits on the cover page of this CMAS.

SPLITTING ORDERS

Splitting orders to avoid any monetary limitations is prohibited.

Do not circumvent normal procurement methods by splitting purchases into a series of delegated purchase orders, per Public Contract Code (PCC) § 10329.

Splitting a project into small projects to avoid either fiscal or procedural controls is prohibited, per State Administrative Manual (SAM) § 4819.34.

Ordering Instructions and Special Provisions

MINIMUM ORDER LIMITATION

There is no minimum dollar value limitation on orders placed under this CMAS.

ORDERING PROCEDURES

1. Purchase Orders

All Ordering Agency purchase order documents executed under this CMAS must contain the applicable CMAS number as show on page 1.

1. State Departments:

Std. 65 Purchase Documents – State departments not transacting in FI\$Cal must use the Purchasing Authority Purchase Order (Std. 65) for purchase execution. An electronic version of the Std. 65 is available at the DGS-PD website at www.dgs.ca.gov/pd/Forms.aspx (select Standard STD Forms).

FI\$Cal Purchase Documents – State departments transacting in FI\$Cal will follow the FI\$Cal procurement and contracting procedures.

2. Local Governmental Departments:

Local governmental agencies may use their own purchase document for purchase execution.

The agency is required to complete and distribute the purchase order. For services, the agency shall modify the information contained on the order to include the service period (start and end date), and the monthly cost (or other intermittent cost), and any other information pertinent to the services being provided. The cost for each line item should be included in the order, not just system totals.

The contractor must immediately reject purchase orders that are not accurate. Discrepancies are to be negotiated and incorporated into the purchase order prior to the products and services being delivered.

2. Service and Delivery after CMAS Expiration

The purchase order must be issued before the CMAS expires. However, delivery of the products or completion of the services may be after the CMAS expires (unless otherwise specifically stated in the contract), but must be as provided for in the contract and as specified in the purchase order.

3. Multiple CMAS Agreements on a Single Purchase Order

**CALIFORNIA MULTIPLE AWARD SCHEDULE (CMAS)
FSI – FORTNET SECURITY INC.
CMAS NO. 3-18-70-3039B**

Agencies wishing to include multiple CMAS(s) on a single FI\$Cal purchase order must adhere to the following guidelines:

- All CMAS must be for the same CMAS contractor.
- The purchase order must go to one contractor location.
- Write the word “CMAS” in the space usually reserved for the contract number. On Std. 65’s, this is at the top of the form. The word “CMAS” signifies that the purchase order contains items from multiple CMAS agreements. The purchasing agency may only use one bill code.
- For each individual CMAS (as differentiated by alpha suffix), the agency must identify and group together the CMAS number with the line items and subtotal per CMAS number (do not include tax in the subtotal), and sequentially identify each individual CMAS as Sub #1, Sub #2, Sub #3, etc. This facilitates accurate billing of administrative fees by the Procurement Division.
- The total of all items on the purchase order must not exceed the purchase order limit identified in the CMAS.
- Do not combine items from both non-IT and Information Technology CMAS(s). A non-IT CMAS begin with the number “4” and an Information Technology CMAS begins with the number “3.” The purchase order limits are different for these two types of CMAS agreements.

4. Amendments to Agency’s Purchase Orders

Agency purchase orders cannot be amended if the CMAS has expired.

The SCM, Volumes 2 & 3, Chapter 6.A5.0 and SCM, Volume FI\$Cal, Chapter 5.A4.0 provides the following direction regarding amendments to all types of CMAS purchase orders:

Original orders, which include options for changes (e.g., quantity or time), that were evaluated and considered in the selection for award during the RFO process, may be amended consistent with the terms of the original order, provided that the original order allowed for amendments. If the original order did not evaluate options, then amendments are not allowed unless an NCB is approved for those amendments.

Amendments unique to non-IT services are covered in the SCM, Volume 2, Chapter 6.B2.9 and SCM, Volume FI\$Cal, Chapter 5.A4.1 as follows:

If the original contract permitted amendments, but did not specify the changes (e.g., quantity or time), it may be amended, per Public Contract Code (PCC) § 10335 (d)(1). This only applies to the first amendment. The time shall not exceed one year, or add not more than 30% of the original order value and may not exceed \$250,000. If the original contract did not have language permitting amendments, the NCB process must be followed.

Also, see the SCM, Volumes 2 & 3, Chapter 8, Topic 6, for more information on amending purchase orders.

Note that some companies have been assigned a new certification number, so use the company name and/or certification number when checking status on-line.

SMALL BUSINESS MUST BE CONSIDERED

Prior to placing orders under the CMAS program, State agencies shall whenever practicable first consider offers from small businesses that have established CMAS [Government Code (GC) § 14846(b)]. NOTE: The Department of General Services auditors will request substantiation of compliance with this requirement when agency files are reviewed.

The following website lists CMAS small business and Disabled Veteran Partners: www.dgs.ca.gov/pd/Programs/Leveraged/CMAS.aspx then select “Find a CMAS Contractor”.

In response to our commitment to increase participation by small businesses, the Department of General Services **waives the administrative fee (a fee currently charged to customer agencies to support the CMAS program) for orders to certified small business enterprises.**

See the current fees in the DGS Price Book at: www.dgs.ca.gov/ofs/Pricebook.aspx.

SMALL BUSINESS/DVBE - TRACKING

State agencies are able to claim subcontracting dollars towards their small business or DVBE goals whenever the CMAS contractor subcontracts a commercially

useful function to a certified small business or DVBE. The CMAS contractor will provide the ordering agency with the name of the small business or DVBE used and the dollar amount the ordering agency can apply towards its small business or DVBE goal.

SMALL BUSINESS/DVBE - SUBCONTRACTING

1. The amount an ordering agency can claim towards achieving its small business or DVBE goals is the dollar amount of the subcontract award made by the CMAS contractor to each small business or DVBE.
2. The CMAS contractor will provide an ordering agency with the following information at the time the order is quoted:
 - a. The CMAS contractor will state that, as the prime contractor, it shall be responsible for the overall execution of the fulfillment of the order.
 - b. The CMAS contractor will indicate to the ordering agency how the order meets the small business or DVBE goal, as follows:
 - List the name of each company that is certified by the Office of Small Business and DVBE Services that it intends to subcontract a commercially useful function to; and
 - Include the small business or DVBE certification number of each company listed, and attach a copy of each certification; and
 - Indicate the dollar amount of each subcontract with a small business or DVBE that may be claimed by the ordering agency towards the small business or DVBE goal; and
 - Indicate what commercially useful function the small business or DVBE subcontractor will be providing towards fulfillment of the order.
3. The ordering agency's purchase order must be addressed to the prime Contractor, and the purchase order must reference the information provided by the prime Contractor as outlined above.

NEW EQUIPMENT REQUIRED

The State will procure new equipment. All equipment must be new (or warranted as newly manufactured) and the latest model in current production. Used, shopworn, demonstrator, prototype, or discontinued models are not acceptable.

Where Federal Energy Management Program (FEMP) standards are available, all State agencies shall purchase only those products that meet the recommended standards. All products displaying the Energy Star label meet the FEMP standards.
Ordering Instructions and Special Provisions

SPECIAL MANUFACTURED GOODS

Any CMAS for goods to be manufactured by the CMAS contractor specifically for the State and not suitable for sale to others may require progress payments.

TRADE-IN EQUIPMENT

Trade-ins at open market price may be considered. The product description and trade-in allowance must be identified on the purchase order.

Agencies are required to adhere to State Administrative Manual (SAM) § 3520 through 3520.6, Disposal of Personal Property and Surplus Personal Property, as applicable, when trade-ins are considered. A Property Survey Report, Std. 152, must be submitted for approval prior to disposition of any State-owned personal property, including general office furniture regardless of the acquisition value, or if the property was recorded or capitalized for accounting purposes.

ELECTRONIC WASTE RECYCLING

State agencies are required to recycle state owned surplus electronic equipment that has no useful life remaining (E-Waste), to the maximum extent possible. State agencies shall dispose of E-Waste using the services of the California Prison Industry Authority (CALPIA), unless the agency meets the pickup quantity and location exemption criteria detailed in State Administrative Manual (SAM) § 3520.10. Electronic equipment that is usable and still retains value is not considered E-Waste and must be reutilized through the DGS, Office of Fleet and Asset Management (OFAM) Surplus Personal Property Warehouse. State agencies shall determine which equipment meets the definition of E-Waste or reusable Electronic Equipment, per the definitions provided in the State Administrative Manual Management Memo MM 17-06. OFAM will validate that equipment meets the appropriate definition when reviewing the submitted Property Survey Report (STD. 152).

Please see State Administrative Manual (SAM) § 3520.10 for more information on this policy.

Information for submitting a STD 152 can be found on the DGS OFAM surplus property website:

The customer in-use requirement applies to all procurements of information technology equipment and software, per the SCM, Volume 3, Chapter 2, Section 2.B6.2 and SCM, Volume FI\$Cal, Chapter 2, Section 2.E3.2.

Each equipment or software component must be in current operation for a paying customer and the paying customer must be external to the contractor's organization (not owned by the contractor and not owning the contractor).

To substantiate compliance with the Productive Use Requirements, the CMAS contractor must provide upon request the name and address of a customer installation and the name and telephone number of a contact person.

The elapsed time such equipment or software must have been in operation is based upon the importance of the equipment or software for system operation and its cost. The following designates product categories and the required period of time for equipment or software operation prior to approval of the replacement item on CMAS.

Category 1 - Critical Software: Critical software is software that is required to control the overall operation of a computer system or peripheral equipment. Included in this category are operating systems, data base management systems, language interpreters, assemblers and compilers, communications software, and other essential system software.

Ordering Instructions and Special Provisions

OPEN MARKET/INCIDENTAL, NON-SCHEDULE ITEMS

The only time that open market/incidental, non-schedule items may be included in a CMAS order is when they fall under the parameters of the Not Specifically Priced (NSP) Items provision. If the NSP provision is not included in the CMAS, or the products and/or services required do not qualify under the parameters of the NSP provision, the products and/or services must be procured separate from CMAS.

NOT SPECIFICALLY PRICED (NSP) ITEMS

CMAS contractors must be authorized providers of the hardware, software and/or services they offer under the Not Specifically Priced (NSP) Items provision.

Agency and CMAS contractor use of the NSP provision is subject to the following requirements:

1. Purchase orders containing only NSP items are prohibited.
2. A purchase order containing NSP items may be issued only if it results in the lowest overall alternative to the State.
3. NSP items shall be clearly identified in the order. Any product or service already specifically priced and included in the base contract may not be identified as an NSP item.
4. NSP Installation Services: The CMAS contractor is fully responsible for all installation services performed under the CMAS. Product installations must be performed by manufacturer authorized personnel and meet manufacturer documented specifications. The prime contractor, as well as any subcontractors, must hold any certifications and/or licenses required for the project. The total dollar value of all installation services included in the purchase order cannot exceed the dollar value of the products included in the purchase order, nor can they exceed the NSP Maximum Order Limitation.
5. Maximum Order Limitation: For orders \$250,000, or less, the total dollar value of all NSP items included in a purchase order shall not exceed \$5,000. For orders exceeding \$250,000, and at the option of the contractor, the total dollar value of all NSP items in a purchase order shall not exceed 5% of the total cost of the order, or \$25,000 whichever is lower.

**CALIFORNIA MULTIPLE AWARD SCHEDULE (CMAS)
FSI – FORTNET SECURITY INC.
CMAS NO. 3-18-70-3039B**

6. An NSP item included in an order issued against a CMAS is subject to all of the terms and conditions set forth in the contract.
7. Trade-ins, upgrades, involving the swapping of boards, are permissible, where the contract makes specific provisions for this action. In those instances where it is permitted, the purchase order must include the replacement item and a notation that the purchase involves the swapping of a board.

The following NSP items ARE SPECIFICALLY EXCLUDED from any order issued under this CMAS:

1. Items not intended for use in directly supporting the priced items included in the same order. An NSP item must be subordinate to the specifically priced item that it is supporting. For example, a cable, which is not otherwise specifically priced in the base contract, is subordinate to a specifically priced printer or facsimile machine, and is eligible to be an NSP item subject to that cable meeting the remaining NSP requirements. However, a printer or facsimile machine, which is not otherwise specifically priced in the base contract, is not subordinate to a specifically priced cable, and is not eligible to be an NSP item.
2. Supply type items, except for the minimum amount necessary to provide initial support to the priced items included in the same order.
3. Items that do not meet the Productive Use Requirements for information technology products, per the SCM, Volume 3, Chapter 2, Section 2.B6.2 and SCM, Volume FI\$Cal, Chapter 2, Section 2.E3.2.
4. Any other item or class of items specifically excluded from the scope of this CMAS.
5. Public Works components NOT incidental to the total purchase order amount.
6. Products or services the CMAS contractor is NOT factory authorized or otherwise certified or trained to provide.
7. Follow-on consultant services that were previously recommended or suggested by the same CMAS contractor.

The CMAS contractor is required to reject purchase orders containing NSP items that do not conform to the above requirements. The CMAS contractor will promptly notify the agency issuing the non-conforming order of its non-acceptance and the reasons for its non-acceptance.

**STATE AND LOCAL GOVERNMENTS CAN USE
CMAS**

Ordering Instructions and Special Provisions

State and local government agency use of CMAS is optional. A local government is any city, county, city and county, district, or other local governmental body or corporation, including UC, CSU, K-12 schools and community colleges empowered to expend public funds. While the State makes this CMAS available, each local government agency should make its own determination whether the CMAS program is consistent with their procurement policies and regulations.

UPDATES AND/OR CHANGES

A CMAS amendment is not required for updates and/or changes once the update and/or change becomes effective for the federal GSA schedule, except as follows:

- A CMAS amendment is required when the CMAS is based on specific products and/or services from another contractor's multiple award contract and the contractor wants to add a new manufacturer's products and/or services.
- A CMAS amendment is required for new federal contract terms and conditions that constitute a material difference from existing contract terms and conditions. A material change has a potentially significant effect on the delivery, quantity or quality of items provided, the amount paid to the contractor or on the cost to the State.

A CMAS amendment is required to update and/or change terms and conditions and/or products and services based on a non-federal GSA multiple award contract.

**SELF-DELETING FEDERAL GSA TERMS AND
CONDITIONS**

Instructions, or terms and conditions that appear in the Special Items or other provisions of the federal GSA and apply to the purchase, license, or rental (as applicable) of products or services by the U.S. Government in the United States, and/or to any overseas location shall be self-deleting. (Example: "Examinations of Records" provision).

Federal regulations and standards, such as Federal Acquisition Regulation (FAR), Federal Information Resources Management Regulation (FIRMR), Federal Information Processing Standards (FIPS), General Services Administration Regulation (GSAR), or Federal Installment Payment Agreement (FIPA) shall be self-deleting. Federal blanket orders and small order procedures are not applicable.

ORDER OF PRECEDENCE

**CALIFORNIA MULTIPLE AWARD SCHEDULE (CMAS)
FSI – FORTNET SECURITY INC.
CMAS NO. 3-18-70-3039B**

The CMAS Terms and Conditions takes precedence if there is a conflict between the terms and conditions of the contractor's federal GSA, (or other multiple award contract), packaging, invoices, catalogs, brochures, technical data sheets or other documents (see CMAS Terms and Conditions, CONFLICT OF TERMS).

APPLICABLE CODES, POLICIES AND GUIDELINES

All California codes, policies, and guidelines are applicable. THE USE OF CMAS DOES NOT REDUCE OR RELIEVE STATE AGENCIES OF THEIR RESPONSIBILITY TO MEET STATEWIDE REQUIREMENTS REGARDING CONTRACTING OR THE PROCUREMENT OF GOODS OR SERVICES. Most procurement and contract codes, policies, and guidelines are incorporated into CMAS agreements. Nonetheless, there is no guarantee that every possible requirement that pertains to all the different and unique State processes has been included.

PAYMENTS AND INVOICES

1. Payment Terms

Payment terms for this CMAS are net 45 days.

Payment will be made in accordance with the provisions of the California Prompt Payment Act, Government Code (GC) § 927 et. seq. Unless expressly exempted by statute, the Act requires State agencies to pay properly submitted, undisputed invoices not more than 45 days after (i) the date of acceptance of goods or performance of services; or (ii) receipt of an undisputed invoice, whichever is later.

2. Payee Data Record (Std. 204)

State Agencies not transacting in FISCAL, must obtain a copy of the Payee Data Record (Std. 204) in order to process payments. State Ordering Agencies forward a copy of the Std. 204 to their accounting office(s). Without the Std. 204, payment may be unnecessarily delayed. State Agencies should contact the CMAS contractor for copies of the Payee Data Record.

3. DGS Administrative and Incentive Fees

Orders from State Agencies:

The Department of General Services (DGS) will bill each State agency directly an administrative fee for use of CMAS. The administrative fee should NOT be included in the order total, nor remitted before an invoice is received from DGS. This administrative fee is waived for CMAS purchase

orders issued to California certified small businesses.

See the current administrative fees in the DGS Price Book at: www.dgs.ca.gov/ofs/Pricebook.aspx.

Orders from Local Government Agencies:

CMAS contractors, who are not California certified small businesses, are required to remit to the DGS an incentive fee equal to 1% of the total of all local government agency orders (excluding sales tax and freight) placed against their CMAS. This incentive fee is in lieu of local government agencies being billed the above referenced DGS administrative fee.

This incentive fee is waived for CMAS purchase orders issued to California certified small businesses.

The check covering this fee shall be made payable to the Department of General Services, CMAS Unit, and mailed to the CMAS Unit along with the applicable Quarterly Report. See the provision in this CMAS entitled "Contractor Quarterly Report Process" for information on when and where to send these checks and reports.

4. Contractor Invoices

Unless otherwise stipulated, the CMAS contractor must send their invoices to the agency address set forth in the purchase order. Invoices shall be submitted in triplicate and shall include the following:

- CMAS number
- Agency purchase order number
- Agency Bill Code
- Line item number
- Unit price
- Extended line item price
- Invoice total

State sales tax and/or use tax shall be itemized separately and added to each invoice as applicable.

The company name on the CMAS, purchase order and invoice must match or the State Controller's Office will not approve payment.

5. Advance Payments

Advance payment is allowed for services only under limited, narrowly defined circumstances, e.g., between specific departments and certain types of non-profit organizations, or when paying another government agency (Government Code (GC) § 11256 – 11263 and 11019).

It is NOT acceptable to pay in advance, except software maintenance and license fees, which are considered a subscription and may be paid in

**CALIFORNIA MULTIPLE AWARD SCHEDULE (CMAS)
FSI – FORTNET SECURITY INC.
CMAS NO. 3-18-70-3039B**

advance if a provision addressing payment in advance is included in the purchase order.

Software warranty upgrades and extensions may also be paid for in advance, one time.

6. Credit Card

FSI – Fortnet Security Inc. does not accept the State of California credit card (CAL-Card).

7. Lease/Purchase Analysis

State agencies must complete a Lease/Purchase Analysis (LPA) to determine best value when contemplating a lease/rental, and retain a copy for future audit purposes (State Administrative Manual (SAM) § 3710).

For short-term rental equipment, the lease/purchase analysis must be approved by the Department of General Services, Office of legal Services.

The lease/purchase analysis for all other purchases must be approved by the Department of General Services, GS \$Mart State Financial Marketplace. Buyers may contact the GS \$Mart™ Administrator, Patrick Mullen by phone at (916) 375-4617 or via e-mail at patrick.mullen@dgs.ca.gov for further information.

8. Leasing

The State reserves the right to select the form of payment for all procurements, be it either an outright purchase with payment rendered directly by the State, or a financing/lease-purchase or operating lease via the State Financial Marketplace (GS \$Mart and/or Lease \$Mart). If payment is via the financial marketplace, the Supplier will invoice the State and the State will approve the invoice and the selected Lender/Lessor for all product listed on the State's procurement document will pay the supplier on behalf of the State.

Buyers may contact the GS \$Mart™ Administrator, Patrick Mullen by phone at (916) 375-4617 or via e-mail at patrick.mullen@dgs.ca.gov for further information.

9. Maintenance Tax

The Board of Equalization has ruled that in accordance with Section 1546 of the Sales and Use Tax Regulations of the Business Taxes Law Guide, whenever optional maintenance contracts include consumable supplies, such supplies are subject to sales tax.

Generally, the State has two options:

1. For agreements that provide for only maintenance services (i.e., the furnishing of labor and parts necessary to maintain equipment), the charges for the provision of maintenance services are not taxable.
2. For agreements that provide for both maintenance services and consumable supply items (i.e., toner, developer, and staples, for example), the provision of the consumable supplies is considered a taxable sale of tangible personal property. Therefore, State agencies awarding optional maintenance contracts are responsible for paying the applicable sales tax on the consumable supplies used during the performance period of the maintenance contract.

The Contractor will be required to itemize the consumables being taxed for State accounting purposes.

CONTRACTOR QUARTERLY REPORT PROCESS

CMAS contractors are required to submit a detailed CMAS Business Activity Report on a quarterly basis to the CMAS Unit. See Attachment B for a copy of this form and instructions.

This report shall be mailed to:

Department of General Services
Procurement Division – CMAS Unit
Attention: Quarterly Report Processing
PO Box 989052, MS #2-202
West Sacramento, CA 95798-9052

Reports that include checks for incentive fees must be mailed and shall not be e-mailed. All other reports may be e-mailed to the attention of Quarterly Report Processing as follows:

CMAS Unit E-Mail: cmas@dgs.ca.gov

For the full instructions on completing and submitting CMAS Quarterly Business Activity Reports, and a soft copy of a blank quarterly report form, go to www.dgs.ca.gov/pd/Programs/Leveraged/CMAS.aspx, and then select "For Suppliers/Contractors".

Important things to remember regarding CMAS Quarterly Business Activity Reports (referred to as "reports" below):

- A report is required for each CMAS, each quarter, even when no new purchase orders are received in the quarter.
- A separate report is required for each CMAS.

**CALIFORNIA MULTIPLE AWARD SCHEDULE (CMAS)
FSI – FORTNET SECURITY INC.
CMAS NO. 3-18-70-3039B**

- **Each purchase order must be reported only once in the quarter identified by the purchase order date, regardless of when the services were performed, the products were delivered, the invoice was sent, or the payment was received.**
- Purchase orders from State and local government agencies must be separated on the report, as shown in the instructions.
- CMAS contractors must report the sales activity for all resellers listed on their CMAS.
- Any report that does not follow the required format or excludes required information will be deemed incomplete and returned to the CMAS contractor for corrections.
- Taxes and freight must not be included in the report.
- CMAS contractors who are not California certified small businesses must attach to their quarterly report a check covering the required incentive fee for all CMAS sales to local government agencies (see more information below).
- New CMAS agreements, renewals, extensions, and modifications will be approved only if the CMAS contractor has submitted all required quarterly reports and incentive fees.

CMAS Quarterly Business Activity Reports are due in the CMAS Unit within two weeks after the end of each quarter as shown below:

Quarter 1	Jan 1 to Mar 31	Due Apr 15
Quarter 2	Apr 1 to Jun 30	Due Jul 15
Quarter 3	Jul 1 to Sep 30	Due Oct 15
Quarter 4	Oct 1 to Dec 31	Due Jan 15

CONTRACTOR QUARTERLY INCENTIVE FEES

CMAS contractors who are not California certified small businesses must remit to DGS an incentive fee equal to 1% of the total of all local government agency orders (excluding sales tax and freight) placed against their CMAS agreement(s). This incentive fee is in lieu of local government agencies being billed the above referenced DGS administrative fee.

CMAS contractors cannot charge local government agencies an additional 1% charge on a separate line item to cover the incentive fee. The CMAS contractor must include the 1% incentive fee in the price of the products or services offered, and the line item prices must not exceed the applicable base contract prices.

A local government agency is any city, county, district, or other local governmental body, including the California State University (CSU) and University of California (UC) systems, K-12 public schools and community colleges empowered to expend public funds.

This incentive fee is waived for CMAS purchase orders issued to California certified small businesses.

The check covering this fee shall be made payable to the Department of General Services, CMAS Unit, and Ordering Instructions and Special Provisions

mailed to the CMAS Unit along with the applicable Quarterly Report. See the provision in this CMAS entitled "Contractor Quarterly Report Process" for information on when and where to send these checks and reports.

OBTAINING COPY OF ORIGINAL CMAS AND SUPPLEMENTS

A copy of a CMAS and supplements, if any, can be obtained at caleprocure.ca.gov. A complete CMAS consists of the following:

- CMAS cover pages (which includes the signature page, ordering instructions and special provisions, and any attachments or exhibits as prepared by the CMAS Unit)
- CMAS Terms and Conditions.
- Federal GSA (or Non-GSA) terms and conditions
- Product/service listing and prices
- Supplements, if applicable.

It is important for the agency to confirm that the required products, services, and prices are included in the CMAS and are at or below base contract rates. To streamline substantiation that the needed items are in the base contract, the agencies should ask the CMAS contractor to identify the specific pages from the base contract that include the required products, services, and prices. Agencies should save these pages for their file documentation.

CONTRACTORS ACTING AS FISCAL AGENTS ARE PROHIBITED

When a subcontractor ultimately provides all of the products or performs all of the services that a CMAS contractor has agreed to provide, and the prime contractor only handles the invoicing of expenditures, then the prime contractor's role becomes that of a fiscal agent because it is merely administrative in nature, and does not provide a Commercially Useful Function (CUF). It is unacceptable to use fiscal agents in this manner because the agency is paying unnecessary administrative costs.

AGENCY RESPONSIBILITY

Each agency is responsible for its own contracting program and purchasing decisions, including use of the CMAS program and associated outcomes.

This responsibility includes, but is not necessarily limited to, ensuring the necessity of the services, securing appropriate funding, complying with laws and policies, preparing the purchase order in a manner that safeguards the State's interests, obtaining required approvals, and documenting compliance with

**CALIFORNIA MULTIPLE AWARD SCHEDULE (CMAS)
FSI – FORTNET SECURITY INC.
CMAS NO. 3-18-70-3039B**

Government Code (GC) § 19130.b (3) for outsourcing services.

It is the responsibility of each agency to consult as applicable with their legal staff and contracting offices for advice depending upon the scope or complexity of the purchase order.

If you do not have legal services available to you within your agency, the DGS Office of Legal Services is available to provide services on a contractual basis.

CONFLICT OF INTEREST

Agencies must evaluate the proposed purchase order to determine if there are any potential conflict of interest issues. See the CMAS Terms and Conditions, Conflict of Interest, for more information.

FEDERAL DEBARMENT

When federal funds are being expended, the agency is required to obtain (retain in file) a signed "Federal Debarment" certification from the CMAS contractor before the purchase order is issued.

This certification is required by the regulations implementing Executive Order 12549, Debarment and Suspension, 29 CFR Part 98, Section 98.510, Participants; responsibilities. The regulations were published as Part VII of the May 26, 1988 Federal Register (pages 19160-19211).

LIQUIDATED DAMAGES FOR LATE DELIVERY

The value of the liquidated damages cannot be a penalty, must be mutually agreed upon by agency and contractor and included in the purchase order to be applicable.

ACCEPTANCE TESTING CRITERIA

If the agency wants to include acceptance testing for all newly installed technology systems, and individual equipment, and machines which are added or field modified (modification of a machine from one model to another) after a successful performance period, the test criteria must be included in the purchase order to be applicable.

AMERICANS WITH DISABILITY ACT (ADA)

Section 504 of the Rehabilitation Act of 1973 as amended; Title VI and VII of the Civil Rights Act of 1964 as amended; Americans with Disabilities Act, 42 USC 12101; California Code of Regulations, Title 2, Title 22; California Government Code, Sections 11135, et seq.; and other federal and State laws, and Executive Orders prohibit discrimination. All programs, activities, employment opportunities, and services must be made available to all persons, including persons with disabilities. See Attachment A for Procurement Division's ADA Compliance Policy of Nondiscrimination on the Basis of Disability.

Individual government agencies are responsible for self-compliance with ADA regulations.

Contractor sponsored events must provide reasonable accommodations for persons with disabilities.

DISCUSSION/ACTION ITEM

DATE: January 22, 2019

TO: Robert Pletka, Ed.D., District Superintendent

FROM: Robert R. Coghlan, Ph.D, Assistant Superintendent, Business Services

PREPARED BY: Mike McAdam, Director, Purchasing, Warehouse and Transportation

SUBJECT: **ADOPT RESOLUTION #18/19-13 FOR THE ADOPTION OF A PREQUALIFICATION QUESTIONNAIRE AND UNIFORM SYSTEM OF RATING PURSUANT TO PUBLIC CONTRACT CODE SECTION 20111.6**

Background: Public Contract Code section 20111.6 requires the governing board of a school district to prequalify prime bidders and specific electrical, mechanical, and plumbing subcontractors for construction contracts (projects) awarded on or after January 1, 2014, if (1) the contract involves a projected expenditure of \$1,000,000 or more, and (2) the project is funded, in whole or in part, with State bond funds. Mandatory contractor prequalification must include the submission of a standardized prequalification questionnaire and financial statement verified under oath, and a system for rating the bidders on the basis of the questionnaire and financial statement, which include issues covered by the model guidelines developed by the Department of Industrial Relations (DIR).

Rationale: Prequalification is a process for determining in advance whether a contractor is qualified to submit a bid for projects that require prequalification pursuant to Public Contract Code section 20111.6. A prequalification procedure will assist the District in its attempt to meet the following objectives:

- Limit bidding to qualified bidders.
- Evaluation of contractor financial competence and public works experience.

Funding: Not applicable.

Recommendation: Adopt Resolution #18/19-13 for the adoption of a prequalification questionnaire and uniform system of rating pursuant to Public Contract Code section 20111.6.

EXHIBIT B

**A LIST OF THE SCORABLE
QUESTIONS AND THE SCORING
INSTRUCTIONS**

A LIST OF THE SCORABLE QUESTIONS AND THE SCORING INSTRUCTIONS

The scorable questions arise in three different areas:

- (I) History of the business and organizational performance;
- (II) Compliance with occupational safety and health laws, workers' compensation and other labor legislation; and
- (III) Completion of recent projects and quality of performance.

The interview questions (interviews by the public agency of project managers on projects completed recently by the contractor) are included in group III. In a pre-qualification procedure for a single project, this last category would also include a scoring of the number of recently completed projects that are similar to the project on which pre-qualification is at issue. However, scoring linked to the similarity of past projects would **probably not be possible or useful** if the public agency as part of a procedure to pre-qualify contractors for an extended period.

Note: Not all questions in the questionnaire are scorable; some questions simply ask for information about the contractor firm's structure, officers and history. This document includes only those questions that are "scorable." The question numbers in this document are the numbers used in the questionnaire. Thus, the questions included here begin with question number 6, and there are a few breaks in the numerical sequence.

The Scores Needed for Prequalification

To prequalify, a contractor would be required to have a passing grade within each of the three large categories referred to above.

For Section I, "History of the business and organizational performance," DIR recommends use of a passing score of **57** on this portion of the questionnaire (of a maximum score of 76 on this portion of the questionnaire).

For Section II, Compliance with occupational safety and health laws, workers' compensation and other labor legislation DIR recommends use of a passing score of **38** on this portion of the questionnaire (of a maximum score of 53 points on this portion of the questionnaire).

Section III, Completion of recent projects and quality of performance, includes a series of interview questions, and may also include questions about recently completed (public or private) construction projects. For the interview questions, DIR recommends that a public agency interview project managers for the owners of two completed projects. DIR recommends a scoring system that would allow a maximum score of 120 points for each interview. For these questions, DIR recommends qualification for a contractor whose score on each of two interviews is 72 points or more; a denial of pre-qualification

for a contractor whose score on either interview is less than 55 points; and an additional interview with another reference if the score resulting from one interview is between 55 points and 72 points.

DIR makes no recommendation about how to score a contractor's answers about recently completed past projects. Because of the wide range of projects that a public agency may be planning, and the similarly wide range in the skills, abilities, and experience that a public agency will consider most important for a pending project, it is impossible to propose a useful model scoring system to apply to the answers given about a contractor's completed projects.

MODEL INTERVIEW QUESTIONS

The following questions will be used to interview randomly selected contacts from at least two completed projects. [Public Entity] will conduct the interviews. No action on the contractor's part is necessary. These questions are included on the package given to the contractor for information only.

The highest possible score is 120 Points. A score less than 55 points disqualifies a contractor from bidding on projects that are proposed by [Public Entity]. A score of between 56 and 72 indicates *the Public Entity* should conduct an interview of another contact, that is, a manager of another completed project. A score of 72 or higher on each of two interviews is sufficient for pre-qualification.

First, please give a brief description of the project.

1. Are there any outstanding stop notices, liens, or claims by the contractor that are currently unresolved on contracts for which notices of completion were recorded more than 120 days ago? (1 point for each is deducted from overall score; maximum amount to be deducted is 5 points)

Or, if the answer is "no," on a scale of 1-10, with 10 being the best, to what extent was the contractor responsible for the delay in completion?

12. On a scale of 1-10, with 10 being the highest, rate the contractor with respect to timely payments by the contractor to either subcontractors or suppliers. (If the person being interviewed knows of no such difficulties, the score on this question should be "10.")
