DISCUSSION/ACTION ITEM

DATE: June 18, 2019

TO: Robert Pletka, Ed.D., District Superintendent

FROM: Robert R. Coghlan, Ph.D., Assistant Superintendent, Business Services

PREPARED BY: Melissa Greenwood, Director, Business Services

SUBJECT: **ADOPT RESOLUTION #18/19-20 REGARDING THE EDUCATION PROTECTION ACCOUNT**

Background: Proposition 30 added Article XIII, Section 36, to the California Constitution. The new temporary tax revenues generated from Proposition 30 are deposited into a newly-created State account called the Education Protection Account (EPA). Funds will be distributed by the State to local districts on a quarterly basis in 2019/2020.

Rationale: Article XIII, section 36, stipulates how the monies are to be spent. The Article also requires each school district to disclose how it will spend its share of the EPA in open session of a public meeting of the governing board.

Funding: The estimated District's share of the Education Protection Account for 2018/2019 is \$14,496,526. This amount offsets revenues previously received through the District's revenue limit. This is not new revenue to the District. The District will spend this funding on instruction (teacher salaries).

Recommendation: Adopt Resolution #18/19-20 regarding the Education Protection Account.

Board Policy Student Wellness

BP 5030

Students

Board Adopted: November 28, 2006

Board Revised: August 23, 2011

Board Revised: February 2, 2016

The Board of Trustees recognizes a strong link between student health and educational outcomes. To promote healthy eating and physical activity, the District will use the Whole School, Whole Community, Whole Child model (WSCC) to provide a comprehensive wellness program. (Appendix A: WSCC Model) The Superintendent or designee shall support and reinforce health literacy through WSCC's 10 components: (1) health education; (2) physical education and physical activity; (3) nutrition environment and services; (4) health services; (5) counseling, psychological, and social services; (6) social and emotional climate; (7) physical environment; (8) employee wellness; (9) family engagement; and (10) community involvement.

Research shows that two components, good nutrition and physical activity throughout the day, are strongly correlated with positive student outcomes. Less-than-adequate consumption of specific foods including fruits, vegetables, and dairy products, is associated with lower grades among students. In addition, students who are physically active - do better academically. (American Heart Association, 2010, Nansel, 2010, Van Dusen, 2011)

Wellness Council

The Superintendent or designee ~~shall~~ *will* establish a District ~~health~~ *wellness* council or other committee to advise the District on ~~health~~ *wellness*-related issues, activities, policies, and programs. At the discretion of the Superintendent or designee, the council's charge(s) will include the planning and implementation of activities to promote health *and wellness* within the school or community and monitor policy implementation. The committee ~~shall~~ *will* meet at least 4 times annually.

II. Wellness Policy Implementation, Monitoring, Accountability, and Community Engagement Implementation Plan

The District will develop and maintain a plan for implementation to manage and coordinate the execution of this wellness policy. The plan delineates roles, responsibilities, actions, and timelines specific to the District and each school, and includes information about who will be responsible to make what change, by how much, where, and when, as well as specific goals and objectives for nutrition standards for all foods and beverages available on the school campus, food and beverage marketing, nutrition promotion and education, physical activity, physical education, and other school-based activities that promote student wellness. This wellness policy and the progress reports can be found at: www.fullertonsd.org. The

Superintendent ~~shall~~ *will* designate at least one person within the District who is charged with operational responsibility for ensuring implementation of this policy.

The Superintendent or designee ~~shall~~ *will* report to the Board each May, as part of the Annual Progress Report, on the implementation of this policy and any other Board policies related to nutrition and physical activity.

Recordkeeping

The District will retain records to document compliance with the requirements of the wellness policy on the Wellness page of FSD's website.

Annual Progress Reports

The District will compile and publish an annual report to share basic information about the wellness policy and report on the progress of the schools within the district in meeting wellness goals. This annual report will be published around the same time each year in May, and will include information from each school within the District.

The District and individual schools will ~~actively~~ notify households/families of the availability of the annual report. The District, in collaboration with individual schools, will establish and monitor goals and objectives for the District's schools, specific and appropriate for each instructional unit (elementary or secondary schools) for each of the content-specific components listed in Section IV: Nutrition Education and Physical Activity Goals.

Triennial Progress Assessments

The Superintendent's designee will be responsible for managing the triennial assessment and to report on progress made in the last 3 years and recommendations for improvement. The ~~WAG~~ *Wellness Advocacy Council*, in collaboration with individual schools, will monitor schools' compliance with this wellness policy. The District will ~~actively~~ notify households/families of the availability of the triennial progress report.

Community Involvement, Outreach, and Communications

The District will ~~actively~~ notify the public about the content of or any updates to the wellness policy annually, at a minimum. The District will also use these mechanisms to inform the community about the availability of the annual and triennial reports. To encourage consistent health messages between the home and school environment, health information will be disseminated to parents/guardians through District, school or other communications. Outreach to parents/guardians will emphasize the relationship between student health and academic performance.

III. School Health, Safety and Environment

The District believes that all students have the right to be educated in a learning environment that is safe and drug-free. According to the Centers of Disease Control and Prevention, engaging in routine healthy behaviors during childhood is easier than changing unhealthy habits during adulthood. Improving student health and safety increases students' capacity to learn, reduces absenteeism, and improves academic performance.

Physical Environment, Health and Safety

The District places safety as top priority by creating environments that are respectful, orderly, and drug-free.

Social and Psychological Health

The District recognizes that mental health has an impact on student life at all grade levels.

Health Services

The Health Services program is a critical component of wellness that improves educational outcomes and a person's well-being.

IV. Nutrition Goals

Staff Qualifications and Professional Development

All school nutrition program directors, managers, and staff will meet or exceed hiring and annual continuing education/training requirements in the [USDA professional standards for child nutrition professionals](#).¹

Nutrition Services will provide professional development for their staff to ensure that they adhere to the Wellness Policy and food safety standards on an annual basis.

Food Safety and Sanitation Standards

¹ Refer to <http://professionalstandards.nal.usda.gov> for more details.

Food safety and sanitation standards must be followed at all events, in which food is served and/or prepared.²

School Meals

Our school district is committed to serving healthy meals to children, that meet the current USDA dietary guideline which include plenty of fruits, vegetables, whole grains, and fat-free and low-fat milk; moderate in sodium, low in saturated fat, and zero grams trans fat per serving (nutrition label or manufacturer's specification); and to meet the nutrition needs of school children within their calorie requirements. The school meal programs aim to improve the health of school children, help mitigate childhood obesity, model healthy eating to support the development of lifelong healthy eating patterns, and support healthy choices.

Guidelines for Reimbursable Meals

Foods and beverages provided through federally reimbursable school meal programs ~~shall will~~ meet or exceed federal regulations and guidance issued pursuant to 42 USC 1758(f)(1), 1766(a), and 1779(a) and (b), as they apply to schools.

In order to maximize the District's ability to provide nutritious meals and snacks, all District schools ~~shall will~~ participate in available federal school nutrition programs, including the National School Lunch and School Breakfast Programs, to the extent possible. Information to enroll in school meal programs is available on the FSD website and individual school websites.

Nutrition Guidelines for Foods Available at School

~~The Board believes that foods and beverages available to students at District schools shall will support the health curriculum and promote optimal health. Nutrition guidelines adopted by the District for all foods and beverages sold to students, including foods and beverages provided through the District's food service program, student stores, vending machines, fundraisers, or other venues, shall will meet or exceed State and federal nutrition Guidelines.~~

The Superintendent or designee ~~shall will~~ encourage school organizations to use healthy food items or non-food items for fundraising purposes. He/she also ~~shall will~~ encourage school staff to avoid the use of food as a reward for students' academic performance, accomplishments, or classroom behavior.

School staff ~~shall will~~ encourage parents/guardians or other volunteers to support the District's nutrition education program by considering nutritional quality when selecting any snacks, which they may donate for occasional class parties and by limiting foods or beverages that do not

No home prepared foods are allowed for classroom parties. Foods must have nutritional labels to easily identify allergens. All foods intended to be shared with students must be purchased from a reputable food vendor with a valid food permit to ensure safety and sanitary standards.~~

Nutrition Promotion

Nutrition promotion and education positively influence lifelong eating behaviors by using evidence-based techniques and nutrition messages, and by creating food environments that encourage healthy nutrition choices and encourage participation in school meal programs. Students and staff will receive consistent nutrition messages throughout schools, classrooms, gymnasiums, and cafeterias. Nutrition promotion also includes marketing and advertising nutritious foods and beverages to students and is most effective when implemented consistently through a comprehensive and multi-channel approach by school staff and teachers, parents, students, and the community.

Food and Beverage Marketing in Schools

The Board prohibits the marketing and advertising of non-nutritious foods and beverages through signage, vending machine fronts, logos, scoreboards, school supplies, advertisements in school publications, coupon or incentive programs, or other means.

~~Food and Beverage Marketing in Schools~~

Competitive Foods and Beverages

The District is committed to ensuring that all foods and beverages available to students on the school campus during the school day support healthy eating. The foods and beverages sold and served outside of the school meal programs (i.e., "competitive" foods and beverages) will meet the USDA Smart Snacks in School nutrition standards, at a minimum. (Appendix I: Competitive Food Regulations)

To support healthy food choices and improve student health and well-being, all foods and beverages outside the reimbursable school meal programs that are sold to students on the school campus during the extended school day will meet or exceed the USDA Smart Snacks nutrition standards. Schools will ensure that these varied opportunities are in addition to, and not as a physical education.

Families will be informed and invited to participate in school-sponsored activities and will receive information about health promotion efforts.

Staff Wellness and Health Promotion

The ~~WAG Wellness Advocacy Council~~ will have a focus on staff wellness ~~subcommittee that focuses on staff wellness~~ issues, identifies and disseminates wellness resources, and performs other functions that support staff wellness in coordination with human resources staff.

Schools in the District will implement strategies to support staff in actively promoting and modeling healthy eating and physical activity behaviors. The District promotes staff member participation in health promotion programs and will support programs for staff members on healthy eating/weight management that are accessible and free or low-cost.

The District will use a healthy meeting policy for all events with available food options that optimizes healthy food options with a variety of choices and selections of healthy foods for a variety of dietary needs.

Professional Learning

When feasible, the District will offer annual professional learning opportunities and resources for staff to increase knowledge and skills about promoting healthy behaviors in the classroom and school (e.g., increasing the use of kinesthetic teaching approaches or incorporating nutrition lessons into math class). Professional learning will help District staff understand the connections between academics and health and the ways in which health and wellness are integrated into ongoing district reform or academic improvement plans/efforts.

Posting Requirements

The District shall will post the wellness policy on nutrition and physical activity on the Fullerton School District website and in public view within all school cafeterias. Additionally, a link to the wellness policy will be posted under the resources tab on school websites.

Background: Board approval was granted on June 4, 2019, to use the Master Lease Purchase Agreement #9694539 between Apple, Inc., and Fullerton School District.

Rationale: The District is utilizing a lease to own program with Apple, Inc. in order to spread out the costs to the district across the life of the devices. This program will allow sites to refresh teacher computers and computer labs for elective classes across the life of the devices as well. Since the last board meeting, district staff worked with the Lessor to ensure the name of the final lessor to be Wells Fargo Vendor Financial Services, LLS. The original lessor that was approved on June 4, 2019 was Apple Inc. In addition, keyboards were removed from the contract and the lessor agreed to some language revisions.

Funding: Cost is not to exceed \$195,000 per year and is to be paid from multiple budgets. The Innovation and Instructional Support budget #409 will pay the bulk of the payments not to exceed \$155,000 with the remainder divided amongst the budgets for Fisler, Rolling Hills, Beechwood, Nicolas, Hermosa, and Parks.

Recommendation: Approve amendment to Master Lease Purchase Agreement #9694539 now between Wells Fargo Vendor Financial Services, LLS and Fullerton School District to refresh the District's Student iPad VIP Program and for various school sites to purchase iPads and/or Apple Computers beginning July 1, 2019 through June 30, 2023.

Nothing in this Master Lease shall be construed to impose any obligation upon, or otherwise commit, Lessor to enter into any proposed Schedule, it being understood that whether Lessor enters into any proposed Schedule shall be a decision solely within Lessor's discretion. Lessee understands that Lessor requires certain documentation and information necessary to enter into any Schedule, and Lessee agrees to provide Lessor with any documentation or information Lessor may request in connection with Lessor's review of any proposed Schedule. Such documentation may include but shall not be limited to: (a) a description of the proposed Equipment, including the cost and its contemplated use and location, (b) information related to the vendor(s) manufacturing, licensing (subject to the terms of the Vendor's applicable end user license agreement(s)), delivering, installing or maintaining the proposed Equipment for Lessee (the "Vendor"), (c) documentation or information concerning the financial condition of Lessee, and (d) other information related to the Schedule and Lessee. The terms and conditions of this Master Lease (including all exhibits and any amendments hereto), are incorporated by reference into each Schedule and each Schedule, once executed by Lessor and Lessee, shall constitute a separate and independent lease and installment purchase of the Equipment identified therein, hereinafter referred to as a "Lease."

2. INVOICE PAYMENT OR REIMBURSEMENT. With respect to any Lease, and subject to the provisions of Section 3 if applicable, Lessor shall have no obligation whatsoever to make any payment to a Vendor or reimburse Lessee for any payment made to a Vendor for the Equipment that is the subject of such Lease until three (3) business days after Lessor's receipt of the following in form and substance satisfactory to Lessor in its sole discretion: (a) a Schedule executed by a duly authorized representative of Lessee; (b) a fully executed partial or final acceptance certificate as applicable, in the form of Exhibit B ("Acceptance Certificate"); (c) a resolution or evidence of other official action taken by Lessee's governing body authorizing Lessee to enter into the related Lease and any applicable Escrow Agreement, the acquisition of the Equipment subject thereto, and confirming that Lessee's actions were in accordance with all applicable state, local and federal laws, including laws regarding open meetings and public bidding; (d) evidence of insurance with respect to the Equipment in accordance with the provisions of Section 15 of this Master Lease; (e) a Vendor invoice for the Equipment and, if such invoice has been paid by Lessee, evidence of payment thereof and, if applicable, evidence of official intent to reimburse such payment as required by the Treasury Regulations; (f) a completed and executed Form 8038 -G or 8038-GC; (g) an Incumbency Certificate substantially in the form attached as Exhibit C; (h) a Bank Qualification Designation substantially in the form attached as Exhibit D; (i) Lease Payment Instructions substantially in the form attached as Exhibit E; (j) Insurance Coverage Requirements in the form attached as Exhibit F; (k) an opinion of Lessee's counsel substantially in the form attached as Exhibit G; and (l) such other documents, items, or information reasonably required by Lessor.

3. ESCROW AGREEMENT. Upon agreement by both Lessee and Lessor as to any Lease, the parties shall enter into an escrow agreement (an "Escrow Agreement") with an escrow agent selected by Lessee, such selection subject to Lessor's approval, establishing an account from which the cost of the Equipment subject to such Lease is to be paid (the "Escrow Account"). Upon execution and delivery of an Escrow Agreement by the parties thereto and satisfaction of any conditions precedent set forth in Section 2 of this Master Lease or in such Escrow Agreement, Lessor shall deposit or cause to be deposited into the Escrow Account under the related Escrow Agreement funds for the payment of the costs of acquiring the Equipment under such Lease. Lessee acknowledges and agrees that no disbursements shall be made from an Escrow Account except for portions of the Equipment that are operationally complete and functionally independent and that may be fully utilized by Lessee without regard to whether the balance of the Equipment is delivered and accepted.

4. DELIVERY AND ACCEPTANCE OF EQUIPMENT. Lessee shall order the Equipment, cause the Equipment to be delivered and installed at the location specified in each Lease, and pay any and all delivery and installation costs and applicable sales and other taxes in connection therewith. When the Equipment identified in any Lease has been delivered and installed, Lessee shall immediately inspect the Equipment and evidence its acceptance by executing and delivering to Lessor the Acceptance Certificate. If Lessee signed a purchase contract for the Equipment, by signing a Schedule Lessee assigns its rights, but none of its obligations under the purchase contract, to Lessor.

5. LEASE PAYMENTS. Lessee agrees to pay "Lease Payments" to Lessor in accordance with the payment schedule set forth in each Lease, exclusively from legally available funds, consisting of principal and interest components in the amounts and on such dates as provided in each Lease. Lessee shall pay Lessor a charge on any Lease Payment not paid on the date such payment is due at the rate of 12% per annum or the highest lawful rate, whichever is less, from such due date until paid. The "Commencement Date" for each Lease is the date when interest commences to accrue under such Lease, which date shall be the earlier of (a) the date Lessee partially or fully accepts the Equipment pursuant to Section 4, or (b) the date of Lessor's deposit into an Escrow Account of sufficient monies to purchase the Equipment. Lessor will advise Lessee as to the address to which Lease Payments shall be sent. The Lease Payment is due whether or not Lessee receives an invoice. Restrictive endorsements on checks sent by Lessee will not reduce Lessee's obligations to Lessor. Unless a proper exemption certificate is provided, applicable sales and use taxes may be paid by Lessee from funds advanced to Lessee by Lessor for such purpose in connection with the execution and delivery of the related Lease or may be paid by Lessee pursuant to Section 4 hereof. ***Lessor and Lessee understand and intend that the obligation of Lessee to pay Lease Payments under each Lease shall constitute a current expense of Lessee and shall not in any way be construed to be a debt of Lessee in contravention of any applicable constitutional or statutory limitation or requirement concerning the creation of indebtedness or debt by Lessee, nor shall anything contained in this Master Lease or in any Lease constitute a pledge of the general tax revenues, funds or monies of Lessee.***

6. NON-APPROPRIATION OF FUNDS. Lessee is obligated to pay Lease Payments under each Lease for each fiscal period as may lawfully be made from funds budgeted and appropriated for that purpose for such fiscal period. Lessee currently intends to remit and reasonably believes that funds in an amount sufficient to remit all Lease Payments and other payments under each Lease can and will lawfully be appropriated and made available to permit Lessee's continued utilization of the Equipment under such Lease and the performance of its essential function during the scheduled "Lease Term" as reflected in each Lease. Lessee currently intends to do all things lawfully within its power to obtain and maintain funds from which the Lease Payments under each Lease may be made, including making provision for such payments to the extent necessary in each budget or appropriation request adopted in accordance with applicable provisions of law. Notwithstanding the foregoing, Lessor acknowledges that the decision whether or not to budget and appropriate funds or to extend the term of a Lease for any period beyond the original or any additional fiscal period is within the discretion of the governing body of Lessee. In the event that Lessee's governing body fails or is unwilling to budget, appropriate or otherwise make available funds for the payment of Lease Payments and other payments, if any, under a Lease following the then current fiscal period (an "Event of Non-appropriation"), Lessee shall have the right to terminate such Lease on the last day of the fiscal period for which sufficient appropriations were made without penalty or expense, except as to the portion of any Lease Payment for which funds shall have been appropriated and budgeted, in which event Lessee shall return the Equipment subject to such Lease in accordance with Section 19 of this Master Lease. Lessee agrees to deliver notice to Lessor of such Event of Non-appropriation with respect to a Lease and termination at least thirty (30) days prior to the end of the then current fiscal period, but failure to give such notice shall not extend the term of the affected Lease beyond such then current fiscal period.

7. UNCONDITIONAL OBLIGATION. UPON THE COMMENCEMENT DATE OF A LEASE PURSUANT TO SECTION 5 OF THIS MASTER LEASE, AND EXCEPT AS PROVIDED IN SECTION 6, "NON-APPROPRIATION OF FUNDS," THE OBLIGATIONS OF LESSEE TO MAKE LEASE PAYMENTS AND TO PERFORM AND OBSERVE THE OTHER COVENANTS AND AGREEMENTS CONTAINED IN EACH LEASE SHALL BE ABSOLUTE AND UNCONDITIONAL IN ALL EVENTS WITHOUT ABATEMENT, DIMINUTION, DEDUCTION, SET-OFF OR DEFENSE, FOR ANY REASON INCLUDING, WITHOUT LIMITATION, ANY FAILURE OF THE EQUIPMENT TO BE DELIVERED OR INSTALLED, ANY DISPUTES WITH LESSOR OR ANY VENDOR OF ANY EQUIPMENT, DEFECTS, MALFUNCTIONS OR BREAKDOWNS IN THE EQUIPMENT, ANY ACCIDENT, CONDEMNATION, DAMAGE, DESTRUCTION, OR UNFORESEEN CIRCUMSTANCE, OR ANY TEMPORARY OR PERMANENT LOSS OF ITS USE.

8. DISCLAIMER OF WARRANTIES. THE SOLE WARRANTY FOR THE EQUIPMENT IS THE APPLICABLE PRODUCT WARRANTY (DEFINED BELOW). LESSOR MAKES NO REPRESENTATIONS OR WARRANTIES, EXPRESS OR IMPLIED, WHATSOEVER, INCLUDING WITHOUT LIMITATION, AS TO THE EQUIPMENT'S MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, SUITABILITY, DESIGN, CONDITION, DURABILITY, OPERATION, QUALITY OF MATERIALS OR WORKMANSHIP, NON-INFRINGEMENT, OR COMPLIANCE WITH SPECIFICATIONS OR APPLICABLE LAW, OR THAT THE OPERATION OR USE OF THE EQUIPMENT WILL BE UNINTERRUPTED, SECURE OR FREE OF ERRORS, DEFECTS, VIRUSES, MALFUNCTIONS, AND LESSEE, AS OF THE DATE OF LESSEE'S ACCEPTANCE AS SET FORTH IN SECTION 4, ACCEPTS SUCH EQUIPMENT AS IS AND WITH ALL FAULTS. LESSEE ACKNOWLEDGES THAT LESSEE HAS SELECTED THE EQUIPMENT BASED UPON LESSEE'S OWN JUDGMENT. Lessee acknowledges that the Equipment was manufactured and/or assembled, or in the case of software was developed and licensed, by the applicable Vendor and that any warranty rights with respect to such Equipment shall be provided by the applicable Vendor (the "Product Warranty"). Lessee agrees to settle any dispute it may have regarding performance of the Equipment directly with the applicable Vendor and not to make any claim against the Lease Payments due Lessor or any Assignee (as hereinafter defined). Lessee agrees to continue to pay Lessor, or such Assignee (as applicable), all Lease Payments and other payments without abatement or set off for any dispute with a Vendor regarding the Equipment. Nothing in this Master Lease or in any Lease shall relieve Apple Inc. of its obligations under the Product Warranty offered by Apple Inc. for applicable Apple-branded Equipment. Lessee acknowledges and agrees that the Product Warranty is a separate agreement between Lessee and the applicable Vendor and that such Product Warranty is not a part of this Master Lease or any Lease.

9. TITLE AND SECURITY INTEREST. Unless otherwise required by the laws of the state where Lessee is located, during each Lease Term, title to the Equipment shall be vested in Lessee, subject to the rights of Lessor under such Lease. In the event Lessor terminates a Lease pursuant to Section 17 of this Master Lease or an Event of Non-Appropriation occurs under a Lease, title to the related Equipment shall immediately vest in Lessor free and clear of any rights, title or interests of Lessee. Lessee, at its expense, shall protect and defend Lessee's title to the Equipment and Lessor's rights and interests therein and keep the Equipment free and clear from any and all claims, liens, encumbrances and legal processes of Lessee's creditors and other persons.

To secure the payment of all of Lessee's obligations under each Lease, Lessee hereby grants to Lessor a first priority purchase money security interest in the Equipment subject to each such Lease, anything attached or added to the Equipment by Lessee at any time, Lessee's rights under each agreement for the licensing of software to the extent that a security interest therein may be granted without violating the terms of such agreement, and on all proceeds, including proceeds from any insurance claims for loss or damage, from such Equipment. Lessee authorizes Lessor to file a financing statement perfecting Lessor's security interest under the laws of Lessee's state. Lessee agrees to promptly execute such additional documents, in a form satisfactory to Lessor, which Lessor deems necessary or appropriate to establish and maintain its security interest in the Equipment. The Equipment is and will remain personal property and will not be deemed to be affixed to or a part of the real estate on which it may be situated. If applicable, as further security therefor, Lessee hereby grants to Lessor a first priority security interest in the cash and negotiable instruments from time to time comprising each Escrow Account and all proceeds (cash and non-cash) thereof, and agrees with respect thereto that Lessor shall have all the rights and remedies of a secured party under the applicable Uniform Commercial Code.

10. USE, MAINTENANCE AND REPAIR. Upon installation, no item of Equipment will be moved from the location specified for it in the related Lease (the "Equipment Location") without Lessor's prior consent, which consent will not be unreasonably withheld, except that any Equipment that has been designed by its nature to be a movable piece of technology may be moved throughout the district and placed in any district school, and may be temporarily moved outside of the district within the continental United States without our written consent. Lessor shall have the right at all reasonable times during regular business hours, subject to compliance with Lessee's customary security procedures, to enter into and upon the property of Lessee for the purpose of inspecting the Equipment. In order to facilitate the use of the Equipment by students and/or Lessee's employees ("Authorized Users") while on premises other than those belonging to Lessee, Lessee acknowledges and agrees that: (a) Lessee shall use due care to ensure that the Equipment is not (i) used in violation of any applicable law, in a manner contrary to that

contemplated by the related

Lease, or for private business purposes, or (ii) used by anyone other than Authorized Users; and (b) Lessee (and not Authorized Users) shall be solely responsible for (i) maintaining insurance in accordance with the terms of the related Lease, (ii) payment of any applicable sales, property and other taxes on the Equipment, and (iii) return of the Equipment under a Lease to Lessor upon the occurrence of an Event of Default or Event of Non-appropriation thereunder. Lessee agrees that it will use the Equipment under each Lease in the manner for which it was intended, as required by all applicable manuals and instructions and as required to keep the Equipment eligible for any manufacturer's certification and/or standard, full service maintenance contract. Lessee agrees that it will, at Lessee's own cost and expense, maintain, preserve and keep the Equipment under each Lease in good repair, condition and working order, ordinary wear and tear excepted. All replacement parts and repairs shall be governed by the terms of the related Lease. Lessee will not make any permanent alterations to the Equipment that will result in a decrease in the market value of the Equipment.

11. LIENS; TAXES. LESSEE WILL NOT SELL, TRANSFER, ASSIGN, PLEDGE, SUB-LEASE OR PART WITH POSSESSION OF THE EQUIPMENT, OR FILE OR PERMIT A LIEN TO BE FILED AGAINST THE EQUIPMENT, EXCEPT AS OTHERWISE EXPRESSLY PROVIDED UNDER THIS MASTER LEASE AND THE RELATED LEASE. The parties to this Master Lease intend that the Equipment will be used for governmental or proprietary purposes of Lessee and that the Equipment will be exempt from all property taxes. Lessee shall timely pay all assessments, license and filing fees, taxes (including sales, use, excise, personal property, ad valorem, stamp, documentary and other taxes) and all other governmental charges, fees, fines or penalties whatsoever, whether payable by Lessor or Lessee, now or hereafter imposed by any governmental body or agency on or relating to the Equipment or the Lease Payments or the use, registration, rental, shipment, transportation, delivery, ownership or operation of the Equipment and on or relating to this Master Lease or any Lease; *provided, however*, that the foregoing shall not include any federal, state or local income or franchise taxes of Lessor.

12. LIMITATION OF LIABILITY. NOTWITHSTANDING ANYTHING TO THE CONTRARY, LESSOR SHALL NOT BE LIABLE FOR ANY DIRECT DAMAGES OF LESSEE RESULTING FROM, ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT, WHETHER ARISING IN CONTRACT, TORT, STRICT LIABILITY OR OTHERWISE, REGARDLESS OF THE THEORY OF LIABILITY. FURTHER, NOTWITHSTANDING ANYTHING TO THE CONTRARY, with respect to each Lease, Lessee agrees that (a) Lessor shall have no liability, cost or expense with respect to transportation, installation, selection, purchase, lease, ownership, possession, modification, maintenance, condition, operation, use, return or disposition of the Equipment, and (b) Lessor shall have no responsibility in connection with the selection of the Equipment, the ordering of the Equipment, its suitability for the use intended by Lessee, Lessee's compliance or non-compliance with competitive pricing and/or bidding requirements, the acceptance by the Vendor of the order submitted, if applicable, or any delay or failure by the Vendor or its sales representative to, deliver, install, or maintain the Equipment for Lessee's use. IN NO EVENT SHALL LESSOR BE LIABLE FOR ANY INCIDENTAL, INDIRECT, SPECIAL, CONSEQUENTIAL, EXEMPLARY OR PUNITIVE DAMAGES IN CONNECTION WITH OR ARISING OUT OF ANY LEASE OR THE EXISTENCE, FURNISHING, FUNCTIONING OR LESSEE'S USE OF ANY ITEM OF EQUIPMENT PROVIDED FOR IN ANY LEASE, WHETHER IN CONTRACT, TORT, STRICT LIABILITY OR OTHERWISE, REGARDLESS OF THE THEORY OF LIABILITY AND REGARDLESS OF WHETHER LESSOR HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. THE PARTIES AGREE THAT THE PROVISIONS IN THIS MASTER LEASE FAIRLY ALLOCATE THE RISKS BETWEEN THE PARTIES WITHOUT WHICH THEY WOULD NOT HAVE ENTERED INTO THIS MASTER LEASE.

13. IDENTIFICATION. Lessor shall be entitled to insert missing or correct information on the related Lease, including, without limitation, Lessee's official name, serial numbers and any other information describing the Equipment under such Lease; provided that Lessor forwards copies of such changes to Lessee.

14. LOSS OR DAMAGE. Lessee shall be responsible for any loss, theft of and/or damage to the Equipment or any portion thereof from any cause whatsoever, regardless of the extent or lack of insurance coverage, from the time the Equipment is delivered to Lessee pursuant to the related Lease until the end of the Lease Term thereunder or until the Equipment is returned to Lessor pursuant to Section 19 of this Master Lease. If any item of the Equipment is lost, stolen or damaged, Lessee shall immediately provide written notice of such loss to Lessor and shall, within fifteen (15) days after such loss, at Lessee's option, either: (a) repair the damaged Equipment so that it is in good condition and working order, eligible for any manufacturer's certification, (b) replace the damaged Equipment at Lessee's sole cost and expense with equipment having substantially similar manufacturer's specifications and of equal or greater value to the damaged Equipment immediately prior to such Equipment being damaged, such replacement equipment to be subject to Lessor's approval, whereupon such replacement equipment shall be substituted in the applicable Lease and the other related documents by appropriate endorsement or amendment; or (c) pursuant to Section 18(b), purchase Lessor's interest in the damaged Equipment on a pro rata basis (notwithstanding the limitation in Section 18(b) only to prepaying in whole) and continue the related Lease for the non-damaged Equipment for the balance of the applicable Lease Term. In such event, Lessor will provide Lessee with a revised amortization of Lease Payments for the non-damaged Equipment. Lessor will forward to Lessee any insurance proceeds which Lessor receives for damaged Equipment for Lessee's use in the repair or replacement of the damaged Equipment, unless there has been an Event of Default or an Event of Non-appropriation by Lessee, in which event Lessor will apply any insurance proceeds received to reduce Lessee's obligations under Section 17 of this Master Lease.

15. INSURANCE. In the event that Lessee is not self-insured (as hereafter provided), Lessee shall, at its expense, keep the Equipment fully insured against loss, fire, theft, damage or destruction from any cause whatsoever in an amount not less than the greater of (a) the total Lease Payments for the Lease Term under the related Lease or (b) the full replacement cost of the Equipment without consideration for depreciation. Upon Lessor's request, Lessee shall also provide such additional insurance against injury, loss or damage to persons or property arising out of the use or operation of the Equipment as is customarily maintained by owners of property similar to the Equipment. With Lessor's prior written consent, Lessee may self-insure against such risks. The policy shall state that Lessor shall be notified of any proposed cancellation at least 30 days prior to the date set for cancellation. All such insurance shall be in form, issued by such insurance companies and be in such amounts as shall be satisfactory to Lessor, and shall provide that losses, if any, shall be payable to Lessor as "loss payee," and all such liability insurance shall include Lessor as an "additional insured." Upon Lessor's request, Lessee shall provide Lessor with a certificate or other evidence of insurance acceptable to Lessor evidencing the insurance coverage required under the related Lease. In the event Lessee fails to provide such evidence within 10 days of Lessor's request, or upon Lessor's receipt of a notice of policy cancellation, Lessor may (but shall not be obligated to) obtain insurance covering Lessor's interest in the Equipment at Lessee's sole expense. Lessee will pay all insurance premiums and related charges.

16. DEFAULT. Lessee will be in default under a Lease upon the occurrence of any of the following (each, an "Event of Default"): (a) Lessee fails to pay any Lease Payment or other payment due in full under such Lease within 10 calendar days after its due date; (b) Lessee fails to perform or observe any other promise or obligation in this Master Lease and/or any Lease and does not correct the default within 30 days after written notice of default by Lessor; (c) any representation, warranty or statement made by Lessee in this Master Lease or any Lease shall prove to have been false or misleading in any material respect when made; (d) Lessee fails to obtain and maintain insurance as required by Section 15, or any insurance carrier cancels any insurance on the Equipment; (e) the Equipment or any portion thereof is misused, used in a manner not authorized by the applicable end user license agreement (if any) accompanying such Equipment, or used in violation of the terms of the related Lease; (f) the Equipment or any part thereof is lost, destroyed, or damaged beyond repair and remains uncured in accordance with Section 14; (g) a petition is filed by or against Lessee under any bankruptcy or insolvency laws; or (h) an Event of Default occurs under any other Lease or prior financing with Lessor or assigns or their respective affiliates, but any such Assignee may only exercise remedies with respect to other Leases for which it is the Assignee.

17. REMEDIES. Upon the occurrence of an Event of Default under a Lease, Lessor may, in its sole discretion, do any or all of the following (without penalty, liability or obligation on Lessor's part and without limiting any other rights or remedies available to Lessor): (a) provide written notice to Lessee of the Event of Default; (b) as liquidated damages for loss of a bargain, and not as a penalty, declare due and payable any and all amounts which may then be due and payable under the Lease, plus all Lease Payments remaining through the end of the then current fiscal period; (c) with or without terminating the Lease Term under such Lease, (i) upon prior notice, and in accordance with the district's security policies and applicable law and process, enter the premises where the Equipment is located and retake possession of such Equipment or require Lessee at Lessee's expense to promptly return any or all of such Equipment to the possession of Lessor in accordance with the requirements in Section 19, , and (ii) at Lessee's expense, sell or lease such Equipment or, for the account of Lessee, sublease such Equipment, continuing to hold Lessee liable for the difference between the Lease Payment payable by Lessee pursuant to the terms of such Lease to the end of the current fiscal period and the net proceeds of any such sale, lease or sublease. Lessor may require Lessee to remove all proprietary data from the Equipment, holding Lessor and its assigns harmless if Lessee fails to do so. Lessee will not make any claims against Lessor or the Equipment for trespass, damage or any other reason. The exercise of any of such remedies shall not relieve Lessee of any other liabilities under any other Lease. Without limiting the foregoing, Lessor may take whatever action, either at law or in equity, may appear necessary or desirable to enforce its rights under any Lease, or as a secured party in any or all of the Equipment. No remedy of Lessor is intended to be exclusive and every such remedy, now or hereafter existing, at law or in equity, shall be cumulative and shall be in addition to every other remedy given under a Lease. In the event that Lessor sells or otherwise liquidates the Equipment following an Event of Default or an Event of Non-appropriation as herein provided and realizes net proceeds (after payment of costs) in excess of total Lease Payments under the related Lease that would have been paid during the related scheduled Lease Term plus any other amounts then due under the related Lease or Leases, Lessor shall immediately pay the amount of any such excess to Lessee.

18. PURCHASE OPTION. At the option of Lessee, and provided that no Event of Default or Event of Non-appropriation has occurred and/or is continuing under any Lease, Lessor's interest in all, but not less than all, of the Equipment subject to a Lease will be transferred, conveyed and assigned to Lessee, free and clear of any right or interest of Lessor, and such Lease shall terminate upon payment in full of all Lease Payments under such Lease and all other amounts then due thereunder. If Lessor permits an early termination, the purchase price Lessor may quote to Lessee may include a prepayment fee.

19. RETURN OF EQUIPMENT. In the case of an Event of Default under a Lease or an Event of Non-appropriation by Lessee with respect to a Lease in accordance with Section 6, Lessee will, at Lessee's sole cost and expense, immediately return the Equipment (including all copies of any software free of any proprietary data), manuals, and accessories to any location and aboard any carrier Lessor may designate in the continental United States. The Equipment must be properly packed for shipment in accordance with the manufacturer's recommendations or specifications, freight prepaid and insured, and maintained in accordance with the terms of the related Lease. All Equipment must be free of markings. Lessee will pay Lessor for any missing or defective parts or accessories. Lessee will continue to pay Lease Payments until the Equipment is accepted by Lessor, which acceptance shall be deemed to occur fifteen (15) days after delivery unless Lessor rejects the Equipment for good cause within such fifteen (15) day period. Notwithstanding anything in this Section 19 to the contrary, any amounts to be paid by Lessee as provided in this Section 19 shall be payable solely from funds legally available for the purpose.

20. LESSEE'S REPRESENTATIONS AND WARRANTIES. Lessee hereby represents, covenants and warrants for the benefit of Lessor that as of the date hereof and as of Commencement Date for each Lease, and throughout each Lease Term: (a) Lessee is a state or political subdivision thereof within the meaning of Section 103 of the Internal Revenue Code of 1986, as amended (the "Code"); (b) Lessee is duly organized and existing under the Constitution and laws of the state in which Lessee is located; (c) Lessee is authorized to enter into and carry out its obligations under this Master Lease and each Lease and every other document required to be delivered in connection with this Master Lease and a Lease; (d) this Master Lease and each Lease have been duly authorized, executed and delivered by Lessee in accordance with all applicable laws, codes, ordinances, regulations, and policies; (e) any person signing the Master Lease and each Lease has the authority to do so, is acting with the full express authorization of Lessee's governing body, and holds the office indicated below his or her signature, which is genuine; (f) the Equipment is essential to the immediate performance of a governmental or proprietary function by Lessee within the scope of Lessee's authority and shall be used during the Lease Term only by Lessee and only to perform such function; (g) Lessee intends to use the Equipment for the entire Lease Term and shall take such action, in accordance with Section 6, to include in its annual budget request, for submission to Lessee's governing body, any funds required to fulfill Lessee's obligations for each succeeding fiscal period during the applicable Lease Term; (h) Lessee has complied fully with all applicable laws, codes, ordinances, regulations, and policies, governing open meetings, competitive pricing and/or public bidding and appropriations required in connection with each Lease, the selection and acquisition of the Equipment and the selection of Vendor; (i) all payments due and to become due during Lessee's current fiscal period under a Lease are within the fiscal budget of such fiscal period, and are or will be included within an unrestricted and unencumbered appropriation currently available for the lease/purchase of the Equipment under the related Lease; (j) Lessee shall not do or cause to be done any act which shall cause, or by omission of any act allow, the interest portion of any Lease Payment to become includible in Lessor's gross income for Federal income taxation purposes under the Code; (k) Lessee shall comply with the information reporting requirements of Section 149(e) of the Code with respect to each Lease (such compliance shall include, but not be limited to, the execution of Form 8038-G or 8038-GC information reporting returns as appropriate); (l) all financial information provided by Lessee is true and accurate and fairly represents Lessee's financial condition; (m) Lessee has not

for at least its most recent ten fiscal periods failed to appropriate or otherwise make available funds sufficient to pay rental or other payments coming due under any lease purchase, installment sale or other similar agreement; (n) there is no litigation, pending or threatened that would materially adversely affect the transactions contemplated by this Master Lease, any Lease or the financial condition of Lessee; and (o) any and all Equipment that Lessee leases, purchases and/or acquires pursuant to this Master Lease and any Lease hereunder is for Lessee's internal purposes only and Lessee is not and will not lease, purchase or acquire the Equipment for resale.

21. ASSIGNMENT. Lessor may, upon notice to Lessee but without Lessee's consent, sell, assign, or transfer from time to time Lessor's rights, title, and interest under this Master Lease and/or any Lease or Leases or interest therein, including the right to receive Lease Payments under a Lease and Lessor's security interest in the Equipment under a Lease and any related Escrow Agreement to one or more assignees or subassignees (each, an "Assignee"). Lessee agrees that, upon such assignment, the Assignee will have the same rights and benefits of Lessor under the terms of the related Lease. Lessee agrees that the rights of Assignee will not be subject to any claims, defenses, or set-offs that Lessee may have against any Vendor. Upon notice to Lessee of such assignment, Lessee agrees to respond to any requests about the related Lease and, if directed by Lessor, to pay Assignee all Lease Payments and other amounts due under such Lease. Lessee hereby appoints Lessor as its agent to maintain a record of all assignments of each Lease in a form sufficient to comply with the registration requirements of Section 149(a) of the Code and the regulations prescribed thereunder from time to time, and Lessor agrees to maintain such registration record.

22. ADDITIONAL PAYMENTS. Lessor may, but is not obligated to, take on Lessee's behalf any action which Lessee fails to take as required by any Lease, and Lessee shall pay any expenses incurred by Lessor in taking such action, which will be in addition to the Lease Payments as set forth in the related Lease.

23. RELEASE AND INDEMNIFICATION. To the extent permitted by applicable state law and subject to Section 6, Lessee shall indemnify, release, protect, hold harmless, save and defend Lessor from and against any and all liability, obligation, loss, claim, tax and damage whatsoever, regardless of the cause thereof, and all costs and expenses in connection therewith (including, without limitation, attorneys' fees) arising out of or resulting from (a) entering into this Master Lease and/or any Lease; (b) the ownership of any item of Equipment; (c) the ordering, acquisition, use, installation, deployment, testing, operation, condition, purchase, delivery, rejection, storage or return of any item of Equipment; (d) any damage to property or personal injury or death of any person in connection with the operation, use, installation, deployment, testing, condition, possession, storage or return of any item of Equipment, or in connection with or resulting from Lessee's acts, omissions, negligence, misconduct or breach of any provision of this Master Lease or any Lease(s) hereunder; and/or (e) the breach of any covenant or any material representation of Lessee contained in this Master Lease or any Lease. The indemnification obligations set forth herein shall continue in full force and effect notwithstanding the payment in full of all obligations under any Lease or the termination of the Lease Term under any Lease for any reason.

24. MISCELLANEOUS. Each Lease, together with this Master Lease, contains the entire agreement of the parties regarding the subject matter hereof which is limited to lease financing. TIME IS OF THE ESSENCE IN EACH LEASE. If a court of competent jurisdiction finds any provision of any Lease to be unenforceable, the remaining terms of such Lease shall remain in full force and effect. Each Lease may be simultaneously executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument; provided, however, that only counterpart one of each Lease (including the terms and conditions of this Master Lease incorporated therein by reference) shall constitute the original for such Lease for purposes of the sale or transfer of such Lease as chattel paper. References herein to "Lessor" shall be deemed to include each of its Assignees from and after the effective date of each assignment. The captions or heading in this Master Lease and in each Lease are for convenience only and in no way define, limit or describe the scope or intent of any provisions. This Master Lease and each Lease will be governed by the laws of the state where Lessee is located without regard to the conflict of law principles thereof. Lessor and Lessee both intend to comply with all applicable laws. If it is determined that Lessee's payments under the Lease result in an interest payment higher than allowed by applicable law, then any excess interest collected will be applied to the repayment of principal, and interest will be charged at the highest rate allowed by law.

25. NOTICES. All written notices under any Lease must be sent by certified mail or recognized overnight delivery service, postage prepaid, to the addresses as stated on each Lease, or by facsimile transmission, with written confirmation of receipt.

Re: Schedule Nos. 001-007, each dated _____, 20____ to Master Lease Purchase Agreement # 9694539 dated as of _____, between Wells Fargo Vendor Financial Services, LLC, as Lessor, and FULLERTON SCHOOL DISTRICT, as Lessee.

Ladies and Gentlemen:

As legal counsel to FULLERTON SCHOOL DISTRICT (the "Lessee"), I have examined (a) an executed counterpart of a certain Master Lease Purchase Agreement # 9694539 dated as of _____, and Exhibits thereto (the "Agreement") by and between Wells Fargo Vendor Financial Services, LLC (the "Lessor") and the Lessee, and an executed counterparts of Schedules Nos. 001-007, each dated _____, 20____ (collectively, the "Schedules") to the Agreement, by and between the Lessor and the Lessee, which, among other things, provides for the lease with option to purchase to the Lessee of certain property listed in each Schedule (the "Equipment"), (b) a certified copy of the resolution (the "Authorizing Resolution") of the governing body of the Lessee which, among other things, authorizes the Lessee to enter into the Agreement and the Schedules and (c) such other opinions, documents and matters of law as I have deemed necessary in connection with the following opinion. Each Schedule and the terms and provisions of the Agreement incorporated therein by reference together with the applicable Lease Payment Schedule attached to each Schedule are each referred to as a "Lease".

Based on the foregoing, I am of the following opinion:

- (1) Lessee is duly organized and legally existing as a State entity, city, county, school district, special district or other state or local government unit under the laws of the State of CA, with full power and authority to enter into, and perform its obligations under, each Lease;
- (2) Each Lease has been duly authorized, executed, and delivered by Lessee. Assuming due authorization, execution and delivery thereof by Lessor, each Lease is a legal, valid and binding obligation of Lessee, enforceable against Lessee in accordance with its terms, except to the extent limited by State and federal laws affecting creditors' remedies and by bankruptcy, reorganization, moratorium or other laws of general application relating to or affecting the enforcement of creditors' rights;
- (3) The person or persons signing each Lease has the authority to do so and has acted within the full authorization of the Lessee's governing body.
- (4) Lessor and Lessee has both complied with any applicable property acquisition laws and public bidding requirements in connection with each Lease and the transactions contemplated thereby, and the Authorizing Resolution was duly adopted at a meeting that was held in compliance with all applicable laws relating to the holding of open and public meetings.
- (5) There is no proceeding pending or, to the best of my knowledge (after diligent inquiry), threatened in any court or before any governmental authority or arbitration board or tribunal that, if adversely determined, would adversely affect the transactions contemplated by each Lease or the security interest of Lessor or its assigns, as the case may be, in the Equipment thereunder.
- (6) Lessee has sufficient monies available to make all payments required to be paid under each Lease during the current fiscal year and such monies have been properly budgeted and appropriated for this purpose in accordance with all applicable laws.

All capitalized terms herein shall have the same meanings as in each Lease unless otherwise provided herein. Lessor, its successors and assigns, and any counsel rendering an opinion on the tax-exempt status of the interest components of the Lease Payments, are entitled to rely on this opinion.

Public Comments/Persons Addressing the Board – Policy

The Board meeting follows rules of decorum. Per Board Bylaw 9323, individual speakers shall be allowed three minutes to address the Board on each agenda or non-agenda item. The Board limits the total time for public input on each item to 20 minutes. The total time allowed for public comment shall be 30 minutes. Public comments about an item that is on the agenda will be heard at the time the agenda item is considered by the Board. Public comments about an item that is not on the posted agenda will be heard at the beginning of open session when called upon by the Board President. No action or discussion may take place on an item that is not on the posted agenda except as expressly authorized by law. Since the Board cannot take action on items that are not on the agenda, such items will be referred to the Superintendent for handling. Board Members may request that any item be placed on a future agenda for further discussion. The Board President and Superintendent will determine the best time to place an item on the agenda. Persons wishing to address the Board are invited to complete and submit a "request to speak" slip to the Executive Assistant. These slips are available at the reception counter.

TO: Robert Pletka, Ed.D., District Superintendent
FROM: Robert R. Coghlan, Ph.D., Assistant Superintendent, Business Services
SUBJECT: **ACCEPT GIFTS AND AUTHORIZE DISTRICT STAFF TO EXPRESS THE BOARD OF TRUSTEES' APPRECIATION TO ALL DONORS**

Background: According to Board Policy 3290(a), the Board of Trustees may accept any bequest, gift of money, or property on behalf of the District. Gifts must be deemed suitable for a purpose by the Board of Trustees and be used in an appropriate manner. However, it is the policy of the Board of Trustees to discourage all gifts which may directly or indirectly impair the Board of Trustees' commitment to providing equal educational opportunities to the students of the District. As indicated in the above-mentioned Board Policy, the District Superintendent approves gifts designated for a specific school for acceptance at that school. Descriptions of gifts presented for acceptance are included on the attachment. Gifts for specific dollar amounts are noted, non-monetary gifts are identified, and the donor is responsible for reporting the value to the Internal Revenue Service.

Rationale: The Board of Trustees of the Fullerton School District gratefully accepts monetary and non-monetary gifts from public and private entities. These gifts help reduce the costs of school materials, curriculum, and extracurricular student activities.

Funding: The funding received from gifts will be deposited in appropriate District funds.

Recommendation: Accept gifts and authorize District staff to express the Board of Trustees' appreciation to all donors.

SUBJECT: **APPROVE LICENSE AGREEMENT FOR ASCIP MEMBER AGENCY PARTICIPATION IN THE NATIONAL ASSOCIATION OF STATE DIRECTORS OF TEACHER EDUCATION AND CERTIFICATION'S CLEARINGHOUSE ACCESS PROGRAM (NASDTEC)**

Background: ASCIP, a third party plan facilitator, is a long-time partner with the Fullerton School District. Oftentimes, ASCIP will offer to its district partners services they have secured with additional vendors. These services are at no cost to the district partners.

The National Association of State Directors of Teacher Education and Certification's Clearinghouse (NASDTEC) offers an access program that allows districts to thoroughly vet potential certificated candidates through their national clearinghouse database. This national database will allow the District to determine if candidates for teaching positions hold teaching credentials in other states and, if so, determine if those teaching credentials are under investigation, suspended, or revoked.

Rationale: The District will be able to further screen certificated candidates beyond the state-level clearance.

Funding: Not applicable. Services available as a current member of ASCIP.

Recommendation: Approve License Agreement for ASCIP member agency participation in the National Association of State Directors of Teacher Education and Certification's Clearinghouse Access program (NASDTEC).

of State Directors of Teacher Education and Certification's Clearinghouse Access
Program**

This **License Agreement** (the "Agreement") is made and entered into between Fullerton School District (CA) hereinafter referred to as "District," and National Association of State Directors of Teacher Education and Certification (NASDTEC), a service provider, hereinafter referred to as "Contractor." All correspondence to District should be sent via U.S. Mail to: 1401 W. Valencia Dr., Fullerton, CA 92833 or via email to Chad Hammitt, Ed. D. at chad_hammitt@myfsd.org ; correspondence to Contractor should be sent via U.S. Mail to Phillip Rogers dba National Association of State Directors of Teacher Education and Certification, 1629 K Street, NW Suite 300 Washington, DC 20006 or to Contractor's Agreement Manager Phillip Rogers at: philrogers@nasdtec.org.

This Agreement shall govern all provisions for services which are to be delivered by Contractor to District at the expense of Alliance of Schools for Cooperative Insurance Programs ("ASCIP"). This Agreement is based upon the following Recitals and subject to the Terms and Conditions mutually agreed upon by the Parties, and each of them.

Recitals

Whereas, District, is a Local Education Agency legally constituted in the state of California, and is fully empowered to enter into agreements with third parties for the provision of materials, services and related matters.

Whereas, District is a member agency of ASCIP, a self-insurance pool.

WHEREAS, Contractor, on behalf of its Member Jurisdictions, created and operates the National Identification Clearinghouse ("Clearinghouse"), an electronic repository of adverse actions imposed against educators' certification and/or licenses by Member Jurisdictions including all 50 states, U.S. Territories and certain Canadian provinces;

Whereas, Contractor certifies under penalty of perjury that it is a legally constituted entity fully licensed, empowered and otherwise authorized by law to provide the District with a license to access to the Clearinghouse.

Whereas, Contractor and ASCIP have entered into a Funding Agreement in which ASCIP has agreed to pay for the annual license fee expense for each of its member agencies who have entered into this License Agreement. The Funding Agreement is attached hereto as "Attachment A and is fully incorporated as set forth herein (hereinafter (the "Funding Agreement")). *Whereas*, the Parties are prepared to enter into this Agreement, whereby the Contractor covenants and agrees to provide for District a limited license for access to the Clearinghouse.

Now, therefore, in consideration of the Recitals and mutual covenants provided in this Contract, District and Contractor agree as follows:

Terms and Conditions

1 Limited License Grant. Contractor grants District a limited, non-exclusive, non-assignable license to access the Clearinghouse as described in this Agreement and in the Licensee Clearinghouse Handbook (“Handbook”), which is attached hereto as “Attachment B” and is incorporated herein by reference. Unless disclosure is otherwise required or compelled by law, District agrees that any use, distribution or access to the Clearinghouse not expressly authorized by this Agreement is expressly prohibited, including but not limited to the following prohibitions:

- a. District is expressly prohibited from accessing, using or distributing the Clearinghouse for any commercial purpose;
- b. District is expressly prohibited from allowing unauthorized viewing or access to the Clearinghouse or Clearinghouse data, including any third party or personnel not directly involved in the selection and hiring process for the Licensee;
- c. Licensee is expressly prohibited from using the Clearinghouse data for any purpose other than the intended purpose described within this Agreement;
- d. District will take all reasonable measures to safeguard the confidentiality of the downloaded or accessed Clearinghouse data; and
- e. District is expressly prohibited from transferring, assigning or sublicensing access to the Clearinghouse to any other party.

2 Release of Clearinghouse Data. In the event that laws and regulations related to the California Public Records Act or freedom of information requests mandate release of Clearinghouse data that has been accessed or compiled by the Licensee, Licensee agrees to redact prior to release all CERT_IDs and date of birth data except year of birth. Licensee also agrees to notify NASDTEC immediately of the third-party request for access prior to release.

3 License Fee Paid by ASCIP. In consideration of the license for limited access to the Clearinghouse granted hereunder and during the initial term of this Agreement, Licensee and Contractor understand and agree that ASCIP will pay to Contractor the annual license fee as set forth in the Funding Agreement. Under no circumstances shall District become liable to or obligated to make any payments to Contractor as a result of this agreement. By paying the fee, ASCIP does not assume any responsibility for the quality or content of the data provided by Contractor.

4 Associate Membership. District understands and agrees that a prerequisite for District’s participation in the Clearinghouse Access Program is subscribing to NASDTEC as an Associate Member. An ongoing requirement for Licensee access is to remain in good standing as an Associate Member.

5 Access to Clearinghouse. District agrees that District will have access to the Clearinghouse for the sole purpose of verifying that an applicant for employment or a prospective employee has not been reported to the Clearinghouse as having had a public adverse action taken against their educator certification and/or license or having been denied licensure. District acknowledges and agrees to all of the following:

- a. All adverse actions against an educator’s certification, license and/or employment eligibility submitted to the Clearinghouse is the responsibility of the reporting Member Jurisdiction and NASDTEC does not warrant that the information contained in the Clearinghouse is free from inaccuracies or omissions. All

adverse actions reported are public final decisions made in accordance with the submitting Member Jurisdiction's laws and regulations.

- b. District recognizes that the grounds for discipline against an educator or denials of certification for cause vary between each Member Jurisdiction and that not all of the grounds should be or are employment disqualifications.
- c. District understands that the information submitted to the Clearinghouse by Member Jurisdictions concerning any individual is intended only to serve as an alert to other jurisdictions and Licensees and that no employment action should be taken solely on the existence of a record in the Clearinghouse.
- d. Prior to making any employment decision based in whole or in part on data revealed in the Clearinghouse verification, District must confirm the action taken against the educator.
- e. Should District become aware of any unauthorized access or use of the Clearinghouse or the data contained therein, District shall immediately notify Contractor and use all reasonable efforts to notify the violator that its access or use is unauthorized.

6 Term and Termination of Agreement. This Agreement shall be effective upon the execution of this Agreement by both Parties and shall extend for a period of one year thereafter. Subject to the continuation of the Funding Agreement, this Agreement may be renewed for additional one-year periods by mutual agreement upon a written request for extension to Contractor prior to the expiration of the initial or subsequent licensee period. Either Party may terminate this Agreement without cause with 30 days written notice to the other Party. This Agreement, and any renewal thereof, shall immediately terminate upon termination of the Funding Agreement and in the event District's membership with ASCIP terminates for any reason. Upon termination for any reason, the Contractor shall remit to ASCIP a pro-rata refund of the license fee. Contractor may terminate immediately for cause any District License Agreement should the District breach the terms and conditions contained in this Agreement, the Funding Agreement or the Licensee Clearinghouse Handbook.

7 Insurance and Indemnity. Contractor agrees to abide by the insurance requirements of the Funding Agreement and provide District with the original insurance certificates as required therein. Further, the indemnity provisions of the Funding Agreement shall apply to District and are incorporated herein by this reference. District agrees to defend, indemnify and hold Contractor harmless from and against all liabilities, losses, expenses, claims, actions or judgments recovered or made against Contractor or its Member Jurisdictions for any damage or injury to persons arising out of or resulting from District's negligent or intentional misuse of Clearinghouse data.

8 Independent Contractor. Contractor certifies that the service or services to be performed under this Agreement are those of an independent contractor, and that Contractor is solely responsible for the work performed under this Agreement. Contractor represents and warrants that Contractor, its subcontractors, and their employees, and agents are not officers, agents, or employees of District. Contractor shall be responsible for all federal, state, and local taxes and any and all fees applicable to payments for services under this Contract. Any personnel performing services under this Agreement on behalf of Contractor shall at all times be under Contractor's exclusive direction and control. Contractor shall be responsible for all reports and obligations respecting such employees, including, but not limited to, social security taxes, income tax withholding, unemployment insurance, and workers' compensation insurance.

9. Assignment. Contractor shall not assign this Agreement without the prior written consent of District by executed addendum, including execution by the authorized assignee. Consent to an assignment may be withheld by District at its sole and unrestricted discretion. Should an assignment be consented to by District, the terms and conditions of this Agreement shall be binding on Contractor's successors and assigns. Prior to assignment, the assignee shall provide District with evidence of all insurance and licenses required by this Agreement.

10. Licenses and Authority to Do Business. Contractor warrants that it is a duly authorized entity fully empowered and legally entitled to enter into this Agreement and to agree to undertake and to perform the services recited. Contractor covenants and agrees to maintain, during the course of this Agreement, all necessary government and professional licenses, certifications and incidents of authority required for the legal performance of the contracted-for services. This includes but is not limited to, that Contractor shall ensure that all persons or entities hired or retained by Contractor shall hold and maintain current licenses and certifications required by law and standards and care. ASCIP maintains the right to request and immediately receive evidence of proper licensure and certificates at any time, upon request.

11. Applicable Law. This Agreement shall be construed, enforced and administered according to the laws of the State of California.

12. Dispute Resolution. If any dispute should arise under this Agreement, the Parties agree to abide by the dispute resolution procedures as set forth in the Funding Agreement.

13. Integration. This Agreement and the Funding Agreement reflects a fully integrated document, superseding any prior or concurrent oral or written understandings, agreements or representations. CALIFORNIA STATE UNIVERSITY, FULLERTON
COMMUNICATIVE DISORDERS PROGRAM AGREEMENT
IN A SCHOOL SETTING

This Agreement is entered into by and between the State of California acting through the Trustees of the California State University on behalf of **California State University, Fullerton**, hereinafter referred to as “University”, and **Fullerton School District**, hereinafter referred to as “District”. The parties may be referred to collectively as the “Parties” and singularly as a “Party.”

- A. The Trustees have approved a Communicative Disorders Program (“Program”) for the University and such program requires clinical speech-language pathology, diagnostic audiology, and aural rehabilitation practicum experiences, and the use of clinical facilities.
- B. It is to the mutual benefit of the Parties hereto that students of the University’s Program use the various facilities of the District for their speech-language pathology, diagnostic audiology and aural rehabilitation practicum experience.
- C. Any such agreement may provide for an honorarium of an amount not to exceed \$100 per semester for services rendered by a District employee, herein referred to as a “Master Clinician,” who is assigned to supervise a University student. Such honorarium shall be payable to District.
- D. District acknowledges a willingness to participate in the clinical training of graduate students in the Program through supervision and other training activities on the premises of the District.

THE PARTIES AGREE AS FOLLOWS:

I. GENERAL REQUIREMENTS, DISTRICT:

- 1. Shall permit each student who is designated by the University, pursuant to Paragraph II - 2 below, to receive clinical practicum experience at a school or location within the District and shall provide University's Instructors, referred to herein as a "School Practicum Coordinator," and students access to appropriate facilities for such speech-language pathology, diagnostic audiology, and aural rehabilitation practicum experience.
- 2. Shall exercise the right, only after consultation with the University, to refuse to accept for further participation on the Program any of the University’s students who, in the judgement of the District, is not participating satisfactorily in said Program. District shall also provide documentation of its reasons for such refusal to the University in a timely fashion.
- 3. Shall notify the University’s School Practicum Coordinator, in advance, of any relevant changes in District’s staff appointments.

4. Shall require the Master Clinician to provide a progress evaluation to the student and, in cooperation with the School Practicum Coordinator, a summative evaluation at the end of each semester.
5. Shall provide emergency first aid for any student who becomes sick or injured in the course of said student's participation in the Program at the District. Any fees incurred and documented by District for the provision of such first aid shall be the responsibility of the student, not the University.
6. Shall provide supervision according to the standards set forth by the Council for Clinical Certification in Audiology and Speech-Language Pathology (CFCC) and the Council on Academic Accreditation in Audiology and Speech-Language Pathology (CAA) of the American Speech-Language-Hearing Association (ASHA), and the California Board of Medical Quality Assurance including the following:
 - a. All supervision is provided by speech-language pathologists or audiologists who hold the Certificate of Clinical Competence and the California State License in the appropriate area of specialty.
 - b. All supervision is provided by speech-language pathologists or audiologists who have taken Continuing Education Unit's (CEU) involving 2 hours of training in clinical supervision.
 - c. Clinical training in speech-language pathology is supervised by a speech-language pathologist.
 - d. Clinical training in diagnostic audiology is supervised by an audiologist.
 - e. Clinical training in aural rehabilitation is supervised by either a speech-language pathologist or an audiologist.
 - f. Supervision meets the standards put forward by the CFCC of the ASHA in Standard IV-E, which states,

"Supervision must be provided by individuals who hold the Certificate of Clinical Competence ("CCC") in the appropriate area of practice. The amount of supervision must be appropriate to the student's level of knowledge, experience, and competence. Supervision must be sufficient to ensure the welfare of the client/patient. Direct supervision must be in real time and must never be less than 25% of the student's total contact with each client/patient and must take place periodically throughout the practicum. These are minimum requirements that should be adjusted upward if the student's level of knowledge, experience, and competence warrants. A supervisor must be available to consult as appropriate for the client's/patient's disorder with a student providing clinical services as part of the student's clinical education. Supervision of clinical practicum must include direct observation, guidance, and feedback to permit the student to monitor, evaluate, and improve performance and to develop clinical competence. All observation and clinical practicum hours used to meet Standard IV-C must be supervised by individuals who hold a current CCC in the professional area in which the observation and practicum hours are being obtained. Only the supervisor who actually observes the student in a clinical session is permitted to verify the credit given to the student for the clinical practicum hours."

- g. Supervised experiences are defined as clinical services, to include but not be limited to: assessment, diagnosis, evaluation, screening, treatment, report writing, family and client consulting, and counseling related to the management of populations that fit within the scope of practice relevant to the areas of audiology or speech-language pathology.
 - h. Major decisions made by student clinicians regarding evaluation and treatment of a client are implemented or communicated to the client only after approval by the Master Clinician holding the appropriate clinical certification.
 - i. ASHA membership numbers and California License numbers of a speech-language pathologist or audiologist who supervises University students will be provided to the School Practicum Coordinator along with documentation of CEU's of training in clinical supervision.
- 7. Shall require that a person holding a CCC in speech-language pathology be available for consultation at all times when a student is providing clinical services.
 - 8. Shall require the Master Clinician to meet with the appropriate University faculty member(s) upon request to plan, coordinate, and evaluate the clinical training program of each student who is supervised at the District.
 - 9. Shall maintain complete records of student performance and submit University-supplied evaluation reports of student performance to the University upon request.
 - 10. Shall document clock hours earned by student clinicians, which correlates only to that portion of time spent in direct provision of services to a client or the client's family.

II. GENERAL REQUIREMENTS, UNIVERSITY:

- 1. Shall provide ongoing consultation regarding students who are supervised at the District. This consultation includes, but is not limited to, at least one visit to the District during any semester during which a University student is being supervised at the District. In exceptional circumstances, the consultation can occur using videoconferencing.
- 2. Shall designate the students to be assigned to speech-language pathology, diagnostic audiology, and/or aural rehabilitation practicum experience at the District, in such numbers as are mutually agreed to by both Parties.
- 3. Shall maintain all academic records of students participating in said programs following the California State University records/information retention and disposition schedule.

FROM: Chad Hammitt, Ed.D., Assistant Superintendent, Personnel Services
SUBJECT: APPROVE RENEWAL OF TEACHING INTERNSHIP AGREEMENT WITH CALIFORNIA STATE UNIVERSITY, FULLERTON EFFECTIVE JULY 1, 2019 THROUGH JUNE 30, 2025

Background: The California State University, Fullerton (CSUF) has been a long-standing community partner with the Fullerton School District. Its teacher preparation programs are accredited to provide a teaching program leading to a California credential. However, there are times when a recruitment is needed in a very specialized field that just does not have enough qualified candidates. An internship agreement allows the District to hire a student in the CSUF's internship program that allows the District to fill a "high need" vacancy and allows the intern to continue to pursue their educational preparation with the benefit of guidance from both the CSUF and the District.

This internship has been reviewed by the Fullerton Elementary Teachers' Association (FETA) and has their full approval.

Rationale: Renewing this internship agreement will afford the District an opportunity to find alternative resolutions when a posted recruitment does not result in the successful hiring of a credentialed candidate.

Funding: Not applicable.

Recommendation: Approve renewal of Teaching Internship Agreement with California State University, Fullerton effective July 1, 2019 through June 30, 2025.

CONSENT ITEM

DATE: June 4, 2019

TO: Robert Pletka, Ed.D., District Superintendent

FROM: Jeremy Davis, Assistant Superintendent, Innovation and Instructional Support

SUBJECT: **APPROVE FACILITY USE AGREEMENT BETWEEN FULLERTON SCHOOL DISTRICT AND UNIVERSITY CONFERENCE CENTER, CSUF FOR 2019/2020 SCHOOL YEAR**

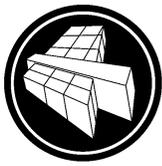

Background: FSD Fest was hosted at the Anaheim Hilton this year. Because of the large number of people at the event, there were some issues with parking and crowds. The event drew over 3000 participants across the two days for the event which included Robot Nation, Passion Agents, E-Sports, a film festival, Take Flight, Spotlight Speakers, the Innovation Experience, and a photo/art contest.

Rationale: The event will now be split into two separate Saturdays. Robot Nation, which drew around 2000 attendees, will be hosted at a later date in the CSUF Basketball gym and that reservation will come at a later Board Meeting. The rest of FSD Fest will be hosted on a single Saturday at the CSUF Student Union represented by this contract. We have walked the site and it will work very well for our festival, and includes free parking with a 3000 spot parking garage located next to the facility. This will ease parking concerns, as well as ease traffic concerns as we will be away from the Disneyland area and the Convention Center. Bussing for our students will be more efficient, and the cost to rent this facility is significantly less than the Hilton. Catering will be planned closer to the event and will be included on a separate board item in the fall.

Funding: Total cost for facility rental is not to exceed \$5,420 and will be paid from the Innovation and Instructional Support budget 409.

Recommendation: Approve Facility Use Agreement between Fullerton School District and University Conference Center, CSUF for the 2019/2020 school year.

FULLERTON SCHOOL DISTRICT

BUSINESS SERVICES DIVISION

DATE: June 4, 2019

TO: Board of Trustees
Robert Pletka, Ed.D.

FROM: Robert R. Coghlan, Ph.D.
Assistant Superintendent, Business Services

SUBJECT: PROPOSED BUDGET FOR 2019-20 AND MULTI-YEAR FINANCIAL PROJECTIONS

The estimated ending balances for the 2018-19 fiscal year and our initial budget for the 2019-20 fiscal year are presented here for your review and approval. The District is required by Education Code 42127 to adopt a budget for all District funds for the subsequent fiscal year by June 30 of each year. At the same time, the District presents its estimated actual financial results for the current fiscal year. This memo provides a summary of the assumptions used in the preparation of the budget, as well as an analysis of current multi-year financial projections for the District.

2018-19 Estimated Unaudited Actuals

The estimated unaudited actuals consist of the District's current budget adjusted to reflect projected and known changes through the end of the fiscal year. These adjustments include:

- Updating the final estimated Local Control Funding Formula (LCFF) projection to our California Department of Finance projection.
There are no material changes to the LCFF estimate since the Second Interim reporting.
- Updating categorical revenue accounts to reflect actual grant and entitlement amounts as apportioned by the state and federal governments.
Various minor changes to categorical programs have been incorporated into the budget for the Estimated Actuals.
- Analysis and revision of General Fund expense accounts:
Business Services staff have reviewed line item expenditure budgets, budget vs. actual, for all General Fund programs and accounts. Based upon this analysis, there are three material increases between the budget as presented at Second Interim and the Estimated Actuals.
 - Negotiations have been settled with all bargaining groups. The 1% bonus and 1% ongoing salary increase have been taken into the Estimated Actuals. This cost was \$1.2 million.
 - Estimated Actuals adjusted to decrease utilities for estimated spend in 2018-19.
 - Estimated Actuals adjusted to decrease site discretionary funds for estimated spend in 2018-19 to spend in 2019-20.
- All other 2018-19 budget amounts are not expected to be materially different from the Second Interim budget and thus are carried forward to the year-end projection.

Based upon a review of current actual financial data (as of month-end April 30, 2019) and the adjustments noted above, the District estimates final unaudited results in the Unrestricted General Fund reflect a decrease of (\$402,064) from the previously reported budgeted net income from Second Interim.

Based upon the assumptions listed above, the Estimated Actuals show a total net decrease to the fund balance of (\$3,922,647). This consists of a net decrease in the Unrestricted Fund of (\$622,467) combined with a net decrease in the Restricted Fund of (\$3,300,180). This deficit spending primarily reflects a spending down of prior-year fund balance carryovers of \$1,571,094.

The estimated total ending General Fund balance at June 30, 2019, is \$31,296,006. The Unrestricted Ending Fund balance (Unassigned and Reserve for Economic Uncertainties) is estimated at \$26,016,006, which is 17.8% of total General Fund expenditures. (The state requirement is 3.0%.)

These projections constitute our best estimate at this time of how the District will finish the 2018-19 fiscal year. Final results will not be known until we close our books and prepare our year-end financial statements (J-200 Unaudited Actuals) in August. Results will be presented to the Board in early September.

2019-20 Budget

State Budget Outlook

On January 10, 2019, Governor Newsom introduced his proposed 2019-20 state budget, beginning the legislative process for the upcoming fiscal year. On May 9, 2019, he released his May Revision to his January budget. The May Revision outlines the Governor's expectations for the budget, which the Legislature then has until June 15 to revise and pass.

The Governor acknowledges commitment to former Governor Brown's Local Control Funding Formula (LCFF) with the inclusion of the statutory cost-of-living adjustment (COLA), but local educational agencies will continue to face budget challenges as LCFF funding flattens and costs continue to rise. While Governor Newsom does not forecast an impending recession, his state spending plan is based on conservative economic and revenue assumptions and continues to plan for a rainy day.

As the LCFF is now at 100% funding, Districts are only seeing COLA going forward, 3.26% 2019-20. New dollars coming in are not offsetting increased costs projected for K-12 education, including increased STRS/PERS rates, health insurance increases, special education contributions, and other inflationary costs. Coupled with the possible downturn in the economy, the financial future for K-12 education is uncertain.

The Governor continues to take a conservative approach in the projection of state revenues, holding funds as long as possible before he pays out our Prop 98 guarantee. This is the first year in four where there is not a projection for districts to receive one-time money.

At the time of this writing, the Legislature and the Governor are still in session, and the final budget has not yet been determined. The District budget presented here has been adjusted for the Governor's May Revise proposal for LCFF revenues, as well as the application of the COLA to state categorical programs. The total budget will be reviewed and adjusted once the state passes its final budget, and then continually throughout the year as new information is received.

FSD 2019-20 Budget

When building its budget, the District utilizes the most up-to-date information and forecasts that it has received from the California Department of Education (CDE) and the Orange County Department of Education (OCDE). The District is required to present its proposed budget for the ensuing fiscal year twice before the June 30 statutory deadline for passage by the Board of Trustees. Given that the Legislature is not required to pass the state budget until June 15, the District will usually not be able to incorporate the effects of the state's June budget in its own June budget. Further revisions to update the District's budget will then be made after the Governor signs the state budget.

Revenue accounts are estimated based upon the CDE's and OCDE's projections, as well as the District's 2018-19 reported P-2 ADA. The District has estimated state LCFF revenue using the annual GAP funding percentages as projected by the Department of Finance for the May Revise. A COLA of 3.26% has been applied to other state programs, including Special Education. The District has not added any new state-funded programs to its budget. The Governor did not propose one-time discretionary funding.

Expenditures are forecast taking into account all known and projected increases and decreases in expenditures, including changes due to our negotiated salary agreements, step and column, changes in staffing and benefits, changes in contracts and leases, and projected inflationary increases.

The District's budget is required by law to be reviewed and approved by OCDE. Our OCDE consultant reviews all of our detailed assumptions for both our 2019-20 budget and our three-year projection. A budget built on assumptions that cannot be verified and justified by OCDE will not be approved.

The following provides more details on the budget.

Revenues

The 2019-20 General Fund budget projects total revenues of \$137.6 million, for a net decrease (from 2018-19 estimated revenues) of (\$4.5 million). The majority of the net change is due to a decrease of (\$2,400,000) for one-time mandated cost state revenue. The other adjustments are due to estimated state revenue lower in 2019-20. In addition, there is a decrease in federal revenue of (\$1,250,000).

LCFF income is projected to increase due to an increase in the COLA of 3.26%; this is offset with the decrease in average daily attendance (ADA). The 2019-20 target-gap funding rate is 100%. The unduplicated count percent is projected to decrease very slightly to 54.06% (decrease of 0.11%). This results in a per-ADA increase to LCFF funding of 3.43%.

This increase is offset by a decline in the District's apportionment earning ADA. The District P-2 ADA declined in fiscal 2018-19 by 268.91. The state allows a one-year "hold harmless"; this drop is reflected in the 2019-20 LCFF revenue.

Federal revenues are projected with decreases resulting from the exclusion of carryover balances and proposed cuts by the federal government. State categorical programs are budgeted with a 3.26% COLA.

Other revenues are based upon historical trends and estimated actuals.

Expenditures

For 2019-20, total General Fund expenditures are projected at \$140.5 million. The budget reflects routine annual increases required by step and column movement, rate increases for health insurance and for STRS and PERS retirement plans, and other cost of living increases. See the attached list for more details.

Change in Fund Balance

Based upon these assumptions, the estimated total ending General Fund balance for the 2019-20 fiscal year shows a net decrease of (\$2,940,917) which is entirely from the reduction in the Unrestricted General Fund.

The estimated total ending General Fund balance for the 2019-20 fiscal year is \$28,355,089. The Unrestricted Ending Fund balance (Unassigned and Reserve for Economic Uncertainties) is estimated at \$24,235,089 which is 17.25% of total General Fund expenditures.

Three-Year Projection

The District is required to submit a three-year financial projection for the General Fund at the time of budget submission. However, unlike at First and Second Interim, the District is not required to certify the District's financial status at this time. Detailed assumptions for the preparation of the three-year projection are attached.

The most significant factors in the projection are the state-funded LCFF and the District's projected ADA.

LCFF: The District is utilizing the Department of Finance's estimated COLAs and LCFF Funding Rate percentages as of the Governor's May Revise budget proposal. The District is not projecting that its current 53.90% (3-year rolling average) Unduplicated Percentage of enrollment will fluctuate by more than 0.75% for the subsequent two years of the projection.

ADA: The District is projecting a decrease to ADA of 145 in 2020-21 and no change in the 2021-22 fiscal year.

Taking into account all of these changes to the three-year projection, the District projects net decreases in the current and subsequent fiscal years in the Unrestricted General Fund. The projected Unrestricted General Fund ending-fund balance percentages are as follows:

Fiscal Year Ended	*Available Funds Percentage	Assigned Funds Percentage	Total Percentage
June 30, 2020	17.25%	2.93%	20.18%
June 30, 2021	13.89%	2.87%	16.76%
June 30, 2022	10.2%	2.82%	13.02%

*Available Funds include Unassigned Funds and 3% Minimum Reserve for Economic Uncertainties.

Required Disclosure under Education Code section 42127(a)(2)(b) regarding reasons for Ending Fund Balances above the state-recommended minimum level

Education Code section 42127(a)(2)(b) requires a statement of reason that substantiates the need for assigned and unassigned ending fund balances in excess of the minimum reserve standard for economic uncertainties for each fiscal year be identified in the budget.

The Board of Trustees of the Fullerton School District currently maintains a prudent reserve which provides for anticipated future expenditures for technology, instructional materials, and other necessary instructional expenditures. The District must also have funds available to mitigate the costs of declining enrollment to the District. Additionally, the reserve is maintained to provide for unplanned or emergency expenditures that might occur in the future. The District must also plan for future facilities needs. Finally, the District must also plan for future downturns in the state economy which could negatively affect the District's budget.

Projected Unrestricted Ending Fund Balance:

	Unassigned	3% Minimum Reserve	Assigned	Amount Above 3% Minimum Reserve
June 30, 2020	\$20,019,787	\$4,215,302	\$4,000,000	\$24,019,787
June 30, 2021	\$15,629,605	\$4,306,516	\$4,000,000	\$19,629,605
June 30, 2022	\$10,523,475	\$4,385,414	\$4,000,000	\$14,523,475

OTHER FUNDS

Child Development Fund: The Child Development Fund records the financial activities from the following District programs: state-funded preschool, state-funded before- and after-school programs, parent-paid before- and after-school care, and tuition-based preschool. Financial results project a small decrease of fund balance and a small spend-down of reserves for the budget year.

Cafeteria Fund: The Cafeteria Fund continues to operate in a strong financial position, ending fund balance. Participation in the National and State School Lunch and Breakfast programs continues to rise. Financial results are projected to decrease fund balance and a small spend-down of reserves for the budget year.

Deferred Maintenance Fund: The Deferred Maintenance Fund is projected to spend down reserves in both the current and budget years. The state suspended funding of the Deferred Maintenance program during the economic downturn and, with the advent of LCFF, has closed the program. The District plans to spend down the remaining reserves in this fund to complete required deferred maintenance projects.

Bond Building Fund: This fund accounts for amounts remaining from the District's former general obligation bonds proceeds. Certain capital expenditures which cannot be funded from the Deferred Maintenance, Developer Fee, or Special Reserve for Capital Outlay Funds are paid for from this fund. The District is in the process of closing out this fund also.

Capital Facilities Fund: The Capital Facilities Fund accounts for the collection and expenditure of developer fees. Approximately \$800,000 in fees was collected in 2018-19. Revenues for the budget year are projected and budgeted as cash is received. Expenditures from this fund are for capital projects related to growth in student enrollment.

Special Reserve Fund—Capital Outlay Projects: This fund records financial activity primarily related to revenues received from the City of Fullerton as pass-through payments from their Redevelopment Agency. Various capital projects for schools in the designated Redevelopment Areas are financed through this fund.

Capital Projects Fund—Blended Components: This fund records the financial activity related to the District's two Community Facility Districts (CFDs). Revenues are taxes collected from homeowners, and expenditures are primarily payments to bondholders as well as administrative expenses related to the CFDs' operations. Various capital projects for schools in the CFD areas are financed through this fund.

Self-Insurance Fund: The Self-Insurance Fund consists of three sub-funds: Property and Liability, Workers' Compensation, and the Dental Self-Insurance Reserve.

The District is responsible for a \$5,000 deductible per claim for property damage, \$50,000 deductible per claim for liability, and \$1,000,000 per claim for Workers' Compensation. Excess insurance is purchased for amounts over the deductibles. Liabilities are projected and booked, and claims and claims expenses are paid through these two sub-funds. Excess insurance is also purchased from the funds. Currently the District charges a 1.2% payroll tax on all payrolls to fund the Workers' Compensation Fund. This rate provided sufficient funding to cover costs of excess insurance, claims and claims expenses, and the reserve for Incurred But Not Recorded (IBNR) claims for 2018-19.

The District funds the Property and Liability Fund by charging an allocated amount to the General Fund. The amount charged in 2018-19 provided sufficient funding. The transfer was decreased for 2019-20.

The Dental Self-Insurance Reserve maintains a balance to pay any claims incurred by the District from a former JPA self-insurance plan in which it participated. There is no activity projected in this reserve.

End of School District Budget Criteria and Standards Review

DISCUSSION/ACTION ITEM

DATE: June 4, 2019

TO: Robert Pletka, Ed.D., District Superintendent

FROM: Robert R. Coghlan, Ph.D., Assistant Superintendent, Business Services

PREPARED BY: Michael Burns, Director, Nutrition Services

SUBJECT: APPROVE INCREASE IN SCHOOL LUNCH MEAL PRICES FOR THE 2019/2020 FISCAL YEAR

Background: The Nutrition Services Department is a financial, self-sustaining operation participating in the National School Lunch Program, School Breakfast Program, Child and Adult Care Food Program, and Seamless Summer Feeding Program.

The school program regulation at 7 CFR 210.14 (e) requires that school food authorities participating in the National School Lunch Program ensure sufficient funds are provided to the non-profit school food service account for meals served to students not eligible for free or reduced price meals.

There are two ways to meet this requirement: (1) through the prices charged for “paid” meals, or (2) through other non-federal funding sources provided to the school food service account.

Since 2017/2018, school lunch prices have been \$2.85 for elementary school students and \$3.00 for junior high school students. These prices do not meet the minimum federal requirement for 2019/2020. Therefore, it is recommended the prices be increased to \$3.00 and \$3.25, respectively, to meet the federal requirement. All other prices remain unchanged.

Nutrition Services surveyed surrounding districts to ensure the new District prices are reasonable in comparison with other districts.

Nutrition Services annually provides approximately 1.1 million lunches a year to students. From this amount, 27% of those meals are purchased by students with paid meal benefits eligibility.

Rationale: For school year 2019/2020, school food authorities who charge less than \$3.00 (weighted average) for paid lunches are required to adjust their lunch price to avoid adding non-federal funds to the school food service account.

Funding: Not applicable.

Recommendation: Approve increase in school lunch meal prices for the 2019/2020 fiscal year.

Funding: Cost is not to exceed \$195,000 per year and is to be paid from multiple budgets. This Master Lease Purchase Agreement # **9694539** dated as of _____, 20____ (this "Master Lease") is entered into by and between APPLE INC. ("Lessor") and FULLERTON SCHOOL DISTRICT ("Lessee").

1. MASTER LEASE; SCHEDULES. Subject to the terms of this Master Lease, Lessee agrees to lease, purchase and acquire from Lessor certain equipment and/or software (the "Equipment") as may be described in any lease schedule in the form of Exhibit A (each, a "Schedule") which may be executed by the parties from time to time. Nothing in this Master Lease shall be construed to impose any obligation upon, or otherwise commit, Lessor to enter into any proposed Schedule, it being understood that whether Lessor enters into any proposed Schedule shall be a decision solely within Lessor's discretion. Lessee understands that Lessor requires certain documentation and information necessary to enter into any Schedule, and Lessee agrees to provide Lessor with any documentation or information Lessor may request in connection with Lessor's review of any proposed Schedule. Such documentation may include but shall not be limited to: (a) a description of the proposed Equipment, including the cost and its contemplated use and location, (b) information related to the vendor(s) manufacturing, licensing (subject to the terms of the Vendor's applicable end user license agreement(s)), delivering, installing or maintaining the proposed Equipment for Lessee (the "Vendor"), (c) documentation or information concerning the financial condition of Lessee, and (d) other information related to the Schedule and Lessee. The terms and conditions of this Master Lease (including all exhibits and any amendments hereto), are incorporated by reference into each Schedule and each Schedule, once executed by Lessor and Lessee, shall constitute a separate and independent lease and installment purchase of the Equipment identified therein, hereinafter referred to as a "Lease."

2. INVOICE PAYMENT OR REIMBURSEMENT. With respect to any Lease, and subject to the provisions of Section 3 if applicable, Lessor shall have no obligation whatsoever to make any payment to a Vendor or reimburse Lessee for any payment made to a Vendor for the Equipment that is the subject of such Lease until three (3) business days after Lessor's receipt of the following in form and substance satisfactory to Lessor in its sole discretion: (a) a Schedule executed by a duly authorized representative of Lessee; (b) a fully executed partial or final acceptance certificate as applicable, in the form of Exhibit B ("Acceptance Certificate"); (c) a resolution or evidence of other official action taken by Lessee's governing body authorizing Lessee to enter into the related Lease and any applicable Escrow Agreement, the acquisition of the Equipment subject thereto, and confirming that Lessee's actions were in accordance with all applicable state, local and federal laws, including laws regarding open meetings and public bidding; (d) evidence of insurance with respect to the Equipment in accordance with the provisions of Section 15 of this Master Lease; (e) a Vendor invoice for the Equipment and, if such invoice has been paid by Lessee, evidence of payment thereof and, if applicable, evidence of official intent to reimburse such payment as required by the Treasury Regulations; (f) a completed and executed Form 8038-G or 8038-GC; (g) an Incumbency Certificate substantially in the form attached as Exhibit C; (h) a Bank Qualification Designation substantially in the form attached as Exhibit D; (i) Lease Payment Instructions substantially in the form attached as Exhibit E; (j) Insurance Coverage Requirements in the form attached as Exhibit F; (k) an opinion of Lessee's counsel substantially in the form attached as Exhibit G; and (l) such other documents, items, or information reasonably required by Lessor.

3. ESCROW AGREEMENT. Upon agreement by both Lessee and Lessor as to any Lease, the parties shall enter into an escrow agreement (an "Escrow Agreement") with an escrow agent selected by Lessee, such selection subject to Lessor's approval, establishing an account from which the cost of the Equipment subject to such Lease is to be paid (the "Escrow Account"). Upon execution and delivery of an Escrow Agreement by the parties thereto and satisfaction of any conditions precedent set forth in Section 2 of this Master Lease or in such Escrow Agreement, Lessor shall deposit or cause to be deposited into the Escrow Account under the related Escrow Agreement funds for the payment of the costs of acquiring the Equipment under such Lease. Lessee acknowledges and agrees that no disbursements shall be made from an Escrow Account except for portions of the Equipment that are operationally complete and functionally independent and that may be fully utilized by Lessee without regard to whether the balance of the Equipment is delivered and accepted.

4. DELIVERY AND ACCEPTANCE OF EQUIPMENT. Lessee shall order the Equipment, cause the Equipment to be delivered and installed at the location specified in each Lease, and pay any and all delivery and installation costs and applicable sales and other taxes in connection therewith. When the Equipment identified in any Lease has been delivered and installed, Lessee shall immediately inspect the Equipment and evidence its acceptance by executing and delivering to Lessor the Acceptance Certificate. If Lessee signed a purchase contract for the Equipment, by signing a Schedule Lessee assigns its rights, but none of its obligations under the purchase contract, to Lessor.

5. LEASE PAYMENTS. Lessee agrees to pay "Lease Payments" to Lessor in accordance with the payment schedule set forth in each Lease, exclusively from legally available funds, consisting of principal and interest components in the amounts and on such dates as provided in each Lease. Lessee shall pay Lessor a charge on any Lease Payment not paid on the date such payment is due at the rate of 12% per annum or the highest lawful rate, whichever is less, from such due date until paid. The "Commencement Date" for each Lease is the date when interest commences to accrue under such Lease, which date shall be the earlier of (a) the date Lessee partially or fully accepts the Equipment pursuant to Section 4, or (b) the date of Lessor's deposit into an Escrow Account of sufficient monies to purchase the Equipment. Lessor will advise Lessee as to the address to which Lease Payments shall be sent. The Lease Payment is due whether or not Lessee receives an invoice. Restrictive endorsements on checks sent by Lessee will not reduce Lessee's obligations to Lessor. Unless a proper exemption certificate is provided, applicable sales and use taxes may be paid by Lessee from funds advanced to Lessee by Lessor for such purpose in connection with the execution and delivery of the related Lease or may be paid by Lessee pursuant to Section 4 hererof. ***Lessor and Lessee understand and intend that the obligation of Lessee to pay Lease Payments under each Lease shall constitute a current expense of Lessee and shall not in any way be construed to be a debt of Lessee in contravention of any applicable constitutional or statutory limitation or requirement concerning the creation of indebtedness or debt by Lessee, nor shall anything contained in this Master Lease or in any Lease constitute a pledge of the general tax revenues, funds or monies of Lessee.***

6. NON-APPROPRIATION OF FUNDS. Lessee is obligated to pay Lease Payments under each Lease for each fiscal period as may lawfully be made from funds budgeted and appropriated for that purpose for such fiscal period. Lessee currently intends to remit and reasonably believes that funds in an amount sufficient to remit all Lease Payments and other payments under each Lease can and will lawfully be appropriated and made available to permit Lessee's continued utilization of the Equipment under such Lease and the performance of its essential function during the scheduled "Lease Term" as reflected in each Lease. Lessee currently intends to do all things lawfully within its power to obtain and maintain funds from which the Lease Payments under each Lease may be made, including making provision for such payments to the extent necessary in each budget or appropriation request adopted in accordance with applicable provisions of law. Notwithstanding the foregoing, Lessor acknowledges that the decision whether or not to budget and appropriate funds or to extend the term of a Lease for any period beyond the original or any additional fiscal period is within the discretion of the governing body of Lessee. In the event that Lessee's governing body fails or is unwilling to budget, appropriate or otherwise make available funds for the payment of Lease Payments and other payments, if any, under a Lease following the then current fiscal period (an "Event of Non-appropriation"), Lessee shall have the right to terminate such Lease on the last day of the fiscal period for which sufficient appropriations were made without penalty or expense, except as to the portion of any Lease Payment for which funds shall have been appropriated and budgeted, in which event Lessee shall return the Equipment subject to such Lease in accordance with Section 19 of this Master Lease. Lessee agrees to deliver notice to Lessor of such Event of Non-appropriation with respect to a Lease and termination at least thirty (30) days prior to the end of the then current fiscal period, but failure to give such notice shall not extend the term of the affected Lease beyond such then current fiscal period.

7. UNCONDITIONAL OBLIGATION. UPON THE COMMENCEMENT DATE OF A LEASE PURSUANT TO SECTION 5 OF THIS MASTER LEASE, AND EXCEPT AS PROVIDED IN SECTION 6, "NON-APPROPRIATION OF FUNDS," THE OBLIGATIONS OF LESSEE TO MAKE LEASE PAYMENTS AND TO PERFORM AND OBSERVE THE OTHER COVENANTS AND AGREEMENTS CONTAINED IN EACH LEASE SHALL BE ABSOLUTE AND UNCONDITIONAL IN ALL EVENTS WITHOUT ABATEMENT, DIMINUTION, DEDUCTION, SET-OFF OR DEFENSE, FOR ANY REASON INCLUDING, WITHOUT LIMITATION, ANY FAILURE OF THE EQUIPMENT TO BE DELIVERED OR INSTALLED, ANY DISPUTES WITH LESSOR OR ANY VENDOR OF ANY EQUIPMENT, DEFECTS, MALFUNCTIONS OR BREAKDOWNS IN THE EQUIPMENT, ANY ACCIDENT, CONDEMNATION, DAMAGE, DESTRUCTION, OR UNFORESEEN CIRCUMSTANCE, OR ANY TEMPORARY OR PERMANENT LOSS OF ITS USE.

8. DISCLAIMER OF WARRANTIES. THE SOLE WARRANTY FOR THE EQUIPMENT IS THE APPLICABLE PRODUCT WARRANTY (DEFINED BELOW). LESSOR MAKES NO REPRESENTATIONS OR WARRANTIES, EXPRESS OR IMPLIED, WHATSOEVER, INCLUDING WITHOUT LIMITATION, AS TO THE EQUIPMENT'S MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, SUITABILITY, DESIGN, CONDITION, DURABILITY, OPERATION, QUALITY OF MATERIALS OR WORKMANSHIP, NON-INFRINGEMENT, OR COMPLIANCE WITH SPECIFICATIONS OR APPLICABLE LAW, OR THAT THE OPERATION OR USE OF THE EQUIPMENT WILL BE UNINTERRUPTED, SECURE OR FREE OF ERRORS, DEFECTS, VIRUSES, MALFUNCTIONS, AND LESSEE, AS OF THE DATE OF LESSEE'S ACCEPTANCE AS SET FORTH IN SECTION 4, ACCEPTS SUCH EQUIPMENT AS IS AND WITH ALL FAULTS. LESSEE ACKNOWLEDGES THAT LESSEE HAS SELECTED THE EQUIPMENT BASED UPON LESSEE'S OWN JUDGMENT. Lessee acknowledges that the Equipment was manufactured and/or assembled, or in the case of software was developed and licensed, by the applicable Vendor and that any warranty rights with respect to such Equipment shall be provided by the applicable Vendor (the "Product Warranty"). Lessee agrees to settle any dispute it may have regarding performance of the Equipment directly with the applicable Vendor and not to make any claim against the Lease Payments due Lessor or any Assignee (as hereinafter defined). Lessee agrees to continue to pay Lessor, or such Assignee (as applicable), all Lease Payments and other payments without abatement or set off for any dispute with a Vendor regarding the Equipment. Nothing in this Master Lease or in any Lease shall relieve Apple Inc. of its obligations under the Product Warranty offered by Apple Inc. for applicable Apple-branded Equipment. Lessee acknowledges and agrees that the Product Warranty is a separate agreement between Lessee and the applicable Vendor and that such Product Warranty is not a part of this Master Lease or any Lease.

9. TITLE AND SECURITY INTEREST. Unless otherwise required by the laws of the state where Lessee is located, during each Lease Term, title to the Equipment shall be vested in Lessee, subject to the rights of Lessor under such Lease. In the event Lessor terminates a Lease pursuant to Section 17 of this Master Lease or an Event of Non-Appropriation occurs under a Lease, title to the related Equipment shall immediately vest in Lessor free and clear of any rights, title or interests of Lessee. Lessee, at its expense, shall protect and defend Lessee's title to the Equipment and Lessor's rights and interests therein and keep the Equipment free and clear from any and all claims, liens, encumbrances and legal processes of Lessee's creditors and other persons.

To secure the payment of all of Lessee's obligations under each Lease, Lessee hereby grants to Lessor a first priority purchase money security interest in the Equipment subject to each such Lease, anything attached or added to the Equipment by Lessee at any time, Lessee's rights under each agreement for the licensing of software to the extent that a security interest therein may be granted without violating the terms of such agreement, and on all proceeds, including proceeds from any insurance claims for loss or damage, from such Equipment. Lessee authorizes Lessor to file a financing statement perfecting Lessor's security interest under the laws of Lessee's state. Lessee agrees to promptly execute such additional documents, in a form satisfactory to Lessor, which Lessor deems necessary or appropriate to establish and maintain its security interest in the Equipment. The Equipment is and will remain personal property and will not be deemed to be affixed to or a part of the real estate on which it may be situated. If applicable, as further security therefor, Lessee hereby grants to Lessor a first priority security interest in the cash and negotiable instruments from time to time comprising each Escrow Account and all proceeds (cash and non-cash) thereof, and agrees with respect thereto that Lessor shall have all the rights and remedies of a secured party under the applicable Uniform Commercial Code.

10. USE, MAINTENANCE AND REPAIR. Upon installation, no item of Equipment will be moved from the location specified for it in the related Lease (the "Equipment Location") without Lessor's prior consent, which consent will not be unreasonably withheld, except that any items of Equipment that are intended by design to be a mobile piece of technology (i.e. laptop computers) may be moved within the continental U.S. without consent. Lessor shall have the right at all reasonable times during regular business hours, subject to compliance with Lessee's customary security procedures, to enter into and upon the property of Lessee for the purpose of inspecting the Equipment. In order to facilitate the use of the Equipment by students and/or Lessee's employees ("Authorized Users") while on premises other than those belonging to Lessee, Lessee acknowledges and agrees that: (a) Lessee shall use due care to ensure that the Equipment is not (i) used in violation of any applicable law, in a manner contrary to that contemplated by the related

Lease, or for private business purposes, or (ii) used by anyone other than Authorized Users; and (b) Lessee (and not Authorized Users) shall be solely responsible for (i) maintaining insurance in accordance with the terms of the related Lease, (ii) payment of any applicable sales, property and other taxes on the Equipment, and (iii) return of the Equipment under a Lease to Lessor upon the occurrence of an Event of Default or Event of Non-appropriation thereunder. Lessee agrees that it will use the Equipment under each Lease in the manner for which it was intended, as required by all applicable manuals and instructions and as required to keep the Equipment eligible for any manufacturer's certification and/or standard, full service maintenance contract. Lessee agrees that it will, at Lessee's own cost and expense, maintain, preserve and keep the Equipment under each Lease in good repair, condition and working order, ordinary wear and tear excepted. All replacement parts and repairs shall be governed by the terms of the related Lease. Lessee will not make any permanent alterations to the Equipment that will result in a decrease in the market value of the Equipment.

11. LIENS; TAXES. LESSEE WILL NOT SELL, TRANSFER, ASSIGN, PLEDGE, SUB-LEASE OR PART WITH POSSESSION OF THE EQUIPMENT, OR FILE OR PERMIT A LIEN TO BE FILED AGAINST THE EQUIPMENT, EXCEPT AS OTHERWISE EXPRESSLY PROVIDED UNDER THIS MASTER LEASE AND THE RELATED LEASE. The parties to this Master Lease intend that the Equipment will be used for governmental or proprietary purposes of Lessee and that the Equipment will be exempt from all property taxes. Lessee shall timely pay all assessments, license and filing fees, taxes (including sales, use, excise, personal property, ad valorem, stamp, documentary and other taxes) and all other governmental charges, fees, fines or penalties whatsoever, whether payable by Lessor or Lessee, now or hereafter imposed by any governmental body or agency on or relating to the Equipment or the Lease Payments or the use, registration, rental, shipment, transportation, delivery, ownership or operation of the Equipment and on or relating to this Master Lease or any Lease; *provided, however*, that the foregoing shall not include any federal, state or local income or franchise taxes of Lessor.

12. LIMITATION OF LIABILITY. NOTWITHSTANDING ANYTHING TO THE CONTRARY, LESSOR SHALL NOT BE LIABLE FOR ANY DIRECT DAMAGES OF LESSEE RESULTING FROM, ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT, WHETHER ARISING IN CONTRACT, TORT, STRICT LIABILITY OR OTHERWISE, REGARDLESS OF THE THEORY OF LIABILITY. FURTHER, NOTWITHSTANDING ANYTHING TO THE CONTRARY, with respect to each Lease, Lessee agrees that (a) Lessor shall have no liability, cost or expense with respect to transportation, installation, selection, purchase, lease, ownership, possession, modification, maintenance, condition, operation, use, return or disposition of the Equipment, and (b) Lessor shall have no responsibility in connection with the selection of the Equipment, the ordering of the Equipment, its suitability for the use intended by Lessee, Lessee's compliance or non-compliance with competitive pricing and/or bidding requirements, the acceptance by the Vendor of the order submitted, if applicable, or any delay or failure by the Vendor or its sales representative to, deliver, install, or maintain the Equipment for Lessee's use. IN NO EVENT SHALL LESSOR BE LIABLE FOR ANY INCIDENTAL, INDIRECT, SPECIAL, CONSEQUENTIAL, EXEMPLARY OR PUNITIVE DAMAGES IN CONNECTION WITH OR ARISING OUT OF ANY LEASE OR THE EXISTENCE, FURNISHING, FUNCTIONING OR LESSEE'S USE OF ANY ITEM OF EQUIPMENT PROVIDED FOR IN ANY LEASE, WHETHER IN CONTRACT, TORT, STRICT LIABILITY OR OTHERWISE, REGARDLESS OF THE THEORY OF LIABILITY AND REGARDLESS OF WHETHER LESSOR HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. THE PARTIES AGREE THAT THE PROVISIONS IN THIS MASTER LEASE FAIRLY ALLOCATE THE RISKS BETWEEN THE PARTIES WITHOUT WHICH THEY WOULD NOT HAVE ENTERED INTO THIS MASTER LEASE.

13. IDENTIFICATION. Lessor shall be entitled to insert missing or correct information on the related Lease, including, without limitation, Lessee's official name, serial numbers and any other information describing the Equipment under such Lease; provided that Lessor forwards copies of such changes to Lessee.

14. LOSS OR DAMAGE. Lessee shall be responsible for any loss, theft of and/or damage to the Equipment or any portion thereof from any cause whatsoever, regardless of the extent or lack of insurance coverage, from the time the Equipment is delivered to Lessee pursuant to the related Lease until the end of the Lease Term thereunder or until the Equipment is returned to Lessor pursuant to Section 19 of this Master Lease. If any item of the Equipment is lost, stolen or damaged, Lessee shall immediately provide written notice of such loss to Lessor and shall, within fifteen (15) days after such loss, at Lessee's option, either: (a) repair the damaged Equipment so that it is in good condition and working order, eligible for any manufacturer's certification, (b) replace the damaged Equipment at Lessee's sole cost and expense with equipment having substantially similar manufacturer's specifications and of equal or greater value to the damaged Equipment immediately prior to such Equipment being damaged, such replacement equipment to be subject to Lessor's approval, whereupon such replacement equipment shall be substituted in the applicable Lease and the other related documents by appropriate endorsement or amendment; or (c) pursuant to Section 18(b), purchase Lessor's interest in the damaged Equipment on a pro rata basis (notwithstanding the limitation in Section 18(b) only to prepaying in whole) and continue the related Lease for the non-damaged Equipment for the balance of the applicable Lease Term. In such event, Lessor will provide Lessee with a revised amortization of Lease Payments for the non-damaged Equipment. Lessor will forward to Lessee any insurance proceeds which Lessor receives for damaged Equipment for Lessee's use in the repair or replacement of the damaged Equipment, unless there has been an Event of Default or an Event of Non-appropriation by Lessee, in which event Lessor will apply any insurance proceeds received to reduce Lessee's obligations under Section 17 of this Master Lease.

15. INSURANCE. In the event that Lessee is not self-insured (as hereafter provided), Lessee shall, at its expense, keep the Equipment fully insured against loss, fire, theft, damage or destruction from any cause whatsoever in an amount not less than the greater of (a) the total Lease Payments for the Lease Term under the related Lease or (b) the full replacement cost of the Equipment without consideration for depreciation. Upon Lessor's request, Lessee shall also provide such additional insurance against injury, loss or damage to persons or property arising out of the use or operation of the Equipment as is customarily maintained by owners of property similar to the Equipment. With Lessor's prior written consent, Lessee may self-insure against such risks. The policy shall state that Lessor shall be notified of any proposed cancellation at least 30 days prior to the date set for cancellation. All such insurance shall be in form, issued by such insurance companies and be in such amounts as shall be satisfactory to Lessor, and shall provide that losses, if any, shall be payable to Lessor as "loss payee," and all such liability insurance shall include Lessor as an "additional insured." Upon Lessor's request, Lessee shall provide Lessor with a certificate or other evidence of insurance acceptable to Lessor evidencing the insurance coverage required under the related Lease. In the event Lessee fails to provide such evidence within 10 days of Lessor's request, or upon Lessor's receipt of a notice of policy cancellation, Lessor may (but shall not be obligated to) obtain

insurance covering Lessor's interest in the Equipment at Lessee's sole expense. Lessee will pay all insurance premiums and related charges.

16. DEFAULT. Lessee will be in default under a Lease upon the occurrence of any of the following (each, an "Event of Default"): (a) Lessee fails to pay any Lease Payment or other payment due in full under such Lease within 10 calendar days after its due date; (b) Lessee fails to perform or observe any other promise or obligation in this Master Lease and/or any Lease and does not correct the default within 30 days after written notice of default by Lessor; (c) any representation, warranty or statement made by Lessee in this Master Lease or any Lease shall prove to have been false or misleading in any material respect when made; (d) Lessee fails to obtain and maintain insurance as required by Section 15, or any insurance carrier cancels any insurance on the Equipment; (e) the Equipment or any portion thereof is misused, used in a manner not authorized by the applicable end user license agreement (if any) accompanying such Equipment, or used in violation of the terms of the related Lease; (f) the Equipment or any part thereof is lost, destroyed, or damaged beyond repair and remains uncured in accordance with Section 14; (g) a petition is filed by or against Lessee under any bankruptcy or insolvency laws; or (h) an Event of Default occurs under any other Lease or prior financing with Lessor or assigns or their respective affiliates, but any such Assignee may only exercise remedies with respect to other Leases for which it is the Assignee.

17. REMEDIES. Upon the occurrence of an Event of Default under a Lease, Lessor may, in its sole discretion, do any or all of the following (without penalty, liability or obligation on Lessor's part and without limiting any other rights or remedies available to Lessor): (a) provide written notice to Lessee of the Event of Default; (b) as liquidated damages for loss of a bargain, and not as a penalty, declare due and payable any and all amounts which may then be due and payable under the Lease, plus all Lease Payments remaining through the end of the then current fiscal period; (c) with or without terminating the Lease Term under such Lease, (i) enter the premises where the Equipment is located and retake possession of such Equipment or require Lessee at Lessee's expense to promptly return any or all of such Equipment to the possession of Lessor in accordance with the requirements in Section 19, and (ii) at Lessee's expense, sell or lease such Equipment or, for the account of Lessee, sublease such Equipment, continuing to hold Lessee liable for the difference between the Lease Payment payable by Lessee pursuant to the terms of such Lease to the end of the current fiscal period and the net proceeds of any such sale, lease or sublease. Lessor may require Lessee to remove all proprietary data from the Equipment, holding Lessor and its assigns harmless if Lessee fails to do so. Lessee will not make any claims against Lessor or the Equipment for trespass, damage or any other reason. The exercise of any of such remedies shall not relieve Lessee of any other liabilities under any other Lease. Without limiting the foregoing, Lessor may take whatever action, either at law or in equity, may appear necessary or desirable to enforce its rights under any Lease, or as a secured party in any or all of the Equipment. No remedy of Lessor is intended to be exclusive and every such remedy, now or hereafter existing, at law or in equity, shall be cumulative and shall be in addition to every other remedy given under a Lease. In the event that Lessor sells or otherwise liquidates the Equipment following an Event of Default or an Event of Non-appropriation as herein provided and realizes net proceeds (after payment of costs) in excess of total Lease Payments under the related Lease that would have been paid during the related scheduled Lease Term plus any other amounts then due under the related Lease or Leases, Lessor shall immediately pay the amount of any such excess to Lessee.

18. PURCHASE OPTION. At the option of Lessee, and provided that no Event of Default or Event of Non-appropriation has occurred and/or is continuing under any Lease, Lessor's interest in all, but not less than all, of the Equipment subject to a Lease will be transferred, conveyed and assigned to Lessee, free and clear of any right or interest of Lessor, and such Lease shall terminate upon payment in full of all Lease Payments under such Lease and all other amounts then due thereunder. If Lessor permits an early termination, the purchase price Lessor may quote to Lessee may include a prepayment fee.

19. RETURN OF EQUIPMENT. In the case of an Event of Default under a Lease or an Event of Non-appropriation by Lessee with respect to a Lease in accordance with Section 6, Lessee will, at Lessee's sole cost and expense, immediately return the Equipment (including all copies of any software free of any proprietary data), manuals, and accessories to any location and aboard any carrier Lessor may designate in the continental United States. The Equipment must be properly packed for shipment in accordance with the manufacturer's recommendations or specifications, freight prepaid and insured, and maintained in accordance with the terms of the related Lease. All Equipment must be free of markings. Lessee will pay Lessor for any missing or defective parts or accessories. Lessee will continue to pay Lease Payments until the Equipment is accepted by Lessor, which acceptance shall be deemed to occur fifteen (15) days after delivery unless Lessor rejects the Equipment for good cause within such fifteen (15) day period. Notwithstanding anything in this Section 19 to the contrary, any amounts to be paid by Lessee as provided in this Section 19 shall be payable solely from funds legally available for the purpose.

20. LESSEE'S REPRESENTATIONS AND WARRANTIES. Lessee hereby represents, covenants and warrants for the benefit of Lessor that as of the date hereof and as of Commencement Date for each Lease, and throughout each Lease Term: (a) Lessee is a state or political subdivision thereof within the meaning of Section 103 of the Internal Revenue Code of 1986, as amended (the "Code"); (b) Lessee is duly organized and existing under the Constitution and laws of the state in which Lessee is located; (c) Lessee is authorized to enter into and carry out its obligations under this Master Lease and each Lease and every other document required to be delivered in connection with this Master Lease and a Lease; (d) this Master Lease and each Lease have been duly authorized, executed and delivered by Lessee in accordance with all applicable laws, codes, ordinances, regulations, and policies; (e) any person signing the Master Lease and each Lease has the authority to do so, is acting with the full express authorization of Lessee's governing body, and holds the office indicated below his or her signature, which is genuine; (f) the Equipment is essential to the immediate performance of a governmental or proprietary function by Lessee within the scope of Lessee's authority and shall be used during the Lease Term only by Lessee and only to perform such function; (g) Lessee intends to use the Equipment for the entire Lease Term and shall take such action, in accordance with Section 6, to include in its annual budget request, for submission to Lessee's governing body, any funds required to fulfill Lessee's obligations for each succeeding fiscal period during the applicable Lease Term; (h) Lessee has complied fully with all applicable laws, codes, ordinances, regulations, and policies, governing open meetings, competitive pricing and/or public bidding and appropriations required in connection with each Lease, the selection and acquisition of the Equipment and the selection of Vendor; (i) all payments due and to become due during Lessee's current fiscal period under a Lease are within the fiscal budget of such fiscal period, and are or will be included within an unrestricted and unencumbered appropriation currently available for the lease/purchase of the Equipment under the related Lease; (j) Lessee shall not do or cause to be done any act which shall cause, or by omission of any act allow, the interest portion of any Lease Payment to become includible in Lessor's gross income

Lessee agrees that, upon such assignment, the Assignee will have the same rights and benefits of Lessor under the terms of the related Lease. Lessee agrees that the rights of Assignee will not be subject to any claims, defenses, or set-offs that Lessee may have against any Vendor. Upon notice to Lessee of such assignment, Lessee agrees to respond to any requests about the related Lease and, if directed by Lessor, to pay Assignee all Lease Payments and other amounts due under such Lease. Lessee hereby appoints Lessor as its agent to maintain a record of all assignments of each Lease in a form sufficient to comply with the registration requirements of Section 149(a) of the Code and the regulations prescribed thereunder from time to time, and Lessor agrees to maintain such registration record.

22. ADDITIONAL PAYMENTS. 23. RELEASE AND INDEMNIFICATION. The indemnification obligations set forth herein shall continue in full force and effect notwithstanding the payment in full of all obligations under any Lease or the termination of the Lease Term under any Lease for any reason.

24. MISCELLANEOUS. Each Lease, together with this Master Lease, contains the entire agreement of the parties regarding the subject matter hereof which is limited to lease financing. TIME IS OF THE ESSENCE IN EACH LEASE. If a court of competent jurisdiction finds any provision of any Lease to be unenforceable, the remaining terms of such Lease shall remain in full force and effect. Each Lease may be simultaneously executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument; provided, however, that only counterpart one of each Lease (including the terms and conditions of this Master Lease incorporated therein by reference) shall constitute the original for such Lease for purposes of the sale or transfer of such Lease as chattel paper. Board Policy Student Wellness

BP 5030

Students

Board Adopted: November 28, 2006

Board Revised: August 23, 2011

Board Revised: February 2, 2016

The Board of Trustees recognizes a strong link between student health and educational outcomes. To promote healthy eating and physical activity, the District will use the Whole School, Whole Community, Whole Child model (WSCC) to provide a comprehensive wellness program. (Appendix A: WSCC Model) The Superintendent or designee shall support and reinforce health literacy through WSCC's 10 components: (1) health education; (2) physical education and physical activity; (3) nutrition environment and services; (4) health services; (5) counseling, psychological, and social services; (6) social and emotional climate; (7) physical environment; (8) employee wellness; (9) family engagement; and (10) community involvement.

Research shows that two components, good nutrition and physical activity throughout the day, are strongly correlated with positive student outcomes. Less-than-adequate consumption of specific foods including fruits, vegetables, and dairy products, is associated with lower grades among students. In addition, students who are physically active - do better academically. (American Heart Association, 2010, Nansel, 2010, Van Dusen, 2011)

Wellness Council

The Superintendent or designee ~~shall~~ *will* establish a District ~~health~~ *wellness* council or other committee to advise the District on ~~health~~ *wellness*-related issues, activities, policies, and programs. At the discretion of the Superintendent or designee, the council's charge(s) will include the planning and implementation of activities to promote health *and wellness* within the school or community and monitor policy implementation. The committee ~~shall~~ *will* meet at least 4 times annually.

II. Wellness Policy Implementation, Monitoring, Accountability, and Community Engagement Implementation Plan

The District will develop and maintain a plan for implementation to manage and coordinate the execution of this wellness policy. The plan delineates roles, responsibilities, actions, and timelines specific to the District and each school, and includes information about who will be responsible to make what change, by how much, where, and when, as well as specific goals and objectives for nutrition standards for all foods and beverages available on the school campus, food and beverage marketing, nutrition promotion and education, physical activity, physical education, and other school-based activities that promote student wellness. This wellness policy and the progress reports can be found at: www.fullertonsd.org. The

Superintendent ~~shall~~ *will* designate at least one person within the District who is charged with operational responsibility for ensuring implementation of this policy.

The Superintendent or designee ~~shall~~ *will* report to the Board each May, as part of the Annual Progress Report, on the implementation of this policy and any other Board policies related to nutrition and physical activity.

Recordkeeping

The District will retain records to document compliance with the requirements of the wellness policy on the Wellness page of FSD's website.

Annual Progress Reports

The District will compile and publish an annual report to share basic information about the wellness policy and report on the progress of the schools within the district in meeting wellness goals. This annual report will be published around the same time each year in May, and will include information from each school within the District.

The District and individual schools will ~~actively~~ notify households/families of the availability of the annual report. The District, in collaboration with individual schools, will establish and monitor goals and objectives for the District's schools, specific and appropriate for each instructional unit (elementary or secondary schools) for each of the content-specific components listed in Section IV: Nutrition Education and Physical Activity Goals.

Triennial Progress Assessments

The Superintendent's designee will be responsible for managing the triennial assessment and to report on progress made in the last 3 years and recommendations for improvement. The ~~WAG~~ *Wellness Advocacy Council*, in collaboration with individual schools, will monitor schools' compliance with this wellness policy. The District will ~~actively~~ notify households/families of the availability of the triennial progress report.

Community Involvement, Outreach, and Communications

The District will ~~actively~~ notify the public about the content of or any updates to the wellness policy annually, at a minimum. The District will also use these mechanisms to inform the community about the availability of the annual and triennial reports. To encourage consistent health messages between the home and school environment, health information will be disseminated to parents/guardians through District, school or other communications. Outreach to parents/guardians will emphasize the relationship between student health and academic performance.

III. School Health, Safety and Environment

The District believes that all students have the right to be educated in a learning environment that is safe and drug-free. According to the Centers of Disease Control and Prevention, engaging in routine healthy behaviors during childhood is easier than changing unhealthy habits during adulthood. Improving student health and safety increases students' capacity to learn, reduces absenteeism, and improves academic performance.

Physical Environment, Health and Safety

The District places safety as top priority by creating environments that are respectful, orderly, and drug-free.

Social and Psychological Health

The District recognizes that mental health has an impact on student life at all grade levels.

Health Services

The Health Services program is a critical component of wellness that improves educational outcomes and a person's well-being.

IV. Nutrition Goals

Staff Qualifications and Professional Development

All school nutrition program directors, managers, and staff will meet or exceed hiring and annual continuing education/training requirements in the [USDA professional standards for child nutrition professionals](#).¹

Nutrition Services will provide professional development for their staff to ensure that they adhere to the Wellness Policy and food safety standards on an annual basis.

Food Safety and Sanitation Standards

Children are a population susceptible to foodborne illness. For this reason, food safety and sanitation standards must be followed at all events where food is served and/or prepared. This includes knowing where and how food is made as well as storing and holding foods at proper temperatures.

¹ Refer to <http://professionalstandards.nal.usda.gov> for more details.

Food safety and sanitation standards must be followed at all events, in which food is served and/or prepared.²

School Meals

Our school district is committed to serving healthy meals to children, that meet the current USDA dietary guideline which include plenty of fruits, vegetables, whole grains, and fat-free and low-fat milk; moderate in sodium, low in saturated fat, and zero grams trans fat per serving (nutrition label or manufacturer's specification); and to meet the nutrition needs of school children within their calorie requirements. The school meal programs aim to improve the health of school children, help mitigate childhood obesity, model healthy eating to support the development of lifelong healthy eating patterns, and support healthy choices.

Guidelines for Reimbursable Meals

In order to maximize the District's ability to provide nutritious meals and snacks, all District schools ~~shall will~~ participate in available federal school nutrition programs, including the National School Lunch and School Breakfast Programs, to the extent possible. Information to enroll in school meal programs is available on the FSD website and individual school websites.

Nutrition Guidelines for Foods Available at School

~~The Board believes that foods and beverages available to students at District schools shall will support the health curriculum and promote optimal health. Nutrition guidelines adopted by the District for all foods and beverages sold to students, including foods and beverages provided through the District's food service program, student stores, vending machines, fundraisers, or other venues, shall will meet or exceed State and federal nutrition Guidelines.~~

The Superintendent or designee ~~shall will~~ encourage school organizations to use healthy food items or non-food items for fundraising purposes. He/she also ~~shall will~~ encourage school staff to avoid the use of food as a reward for students' academic performance, accomplishments, or classroom behavior.

School staff ~~shall will~~ encourage parents/guardians or other volunteers to support the District's nutrition education program by considering nutritional quality when selecting any snacks, which they may donate for occasional class parties and by limiting foods or beverages that do not

² Refer to www.foodsafety.gov for more details.

~~meet Smart Snacks nutrition guidelines. to no more than one such food or beverage per party. Class parties or celebrations shall will be held after the lunch period. when possible. No home prepared foods are allowed for classroom parties. Foods must have nutritional labels to easily identify allergens. All foods intended to be shared with students must be purchased from a reputable food vendor with a valid food permit to ensure safety and sanitary standards.~~

Nutrition Promotion

Nutrition promotion and education positively influence lifelong eating behaviors by using evidence-based techniques and nutrition messages, and by creating food environments that encourage healthy nutrition choices and encourage participation in school meal programs. Students and staff will receive consistent nutrition messages throughout schools, classrooms, gymnasiums, and cafeterias. Nutrition promotion also includes marketing and advertising nutritious foods and beverages to students and is most effective when implemented consistently through a comprehensive and multi-channel approach by school staff and teachers, parents, students, and the community.

Food and Beverage Marketing in Schools

The Board prohibits the marketing and advertising of non-nutritious foods and beverages through signage, vending machine fronts, logos, scoreboards, school supplies, advertisements in school publications, coupon or incentive programs, or other means.

~~Food and Beverage Marketing in Schools~~

The Board believes that foods and beverages sold to students at District schools ~~shall~~ *will* support the health curriculum and promote optimal health. Nutrition guidelines adopted by the District for all foods and beverages sold to students, including foods and beverages provided through the District's nutrition food service program, student stores, vending machines, fundraisers, or other venues, ~~shall~~ *will* meet or exceed State and federal nutrition Guidelines.

Competitive Foods and Beverages

The District is committed to ensuring that all foods and beverages available to students on the school campus during the school day support healthy eating. The foods and beverages sold and served outside of the school meal programs (i.e., "competitive" foods and beverages) will meet the USDA Smart Snacks in School nutrition standards, at a minimum. (Appendix I: Competitive Food Regulations)

To support healthy food choices and improve student health and well-being, all foods and beverages outside the reimbursable school meal programs that are sold to students on the school campus during the extended school day will meet or exceed the USDA Smart Snacks nutrition standards. These standards will apply in all locations and through all services where foods and beverages are sold, which may include, but are not limited to, a la carte options in cafeterias, vending machines, school stores, and snack or food carts.

Celebrations and Rewards

All foods offered on the school campus will meet or exceed the USDA Smart Snacks in School nutrition standards including through celebrations, parties, classroom snacks brought by parents, rewards and incentives.

Fundraising

~~The Superintendent or designee shall encourage~~ School organizations *will* to use healthy food items or non-food items for fundraising purposes. Foods and beverages that meet or exceed the USDA Smart Snacks in Schools nutrition standards may be sold through fundraisers. ~~on the school campus during the school day four times per year.~~

V. Nutrition Education and Physical Activity Goals

The District ~~shall~~ *will* provide goals for nutrition education, physical activity, and other school-based activities that are designed to promote student wellness.

The District's nutrition education and physical education programs ~~shall~~ *will* be based on research, consistent with the expectations established in the State's curriculum frameworks and content standards, and designed to build the skills and knowledge that all students need to maintain a healthy lifestyle. Nutrition education ~~shall~~ *will* be provided as part of the health education program in grades K-8 and, as appropriate, ~~shall~~ *will* be integrated into other academic subjects in the regular educational program. Nutrition education may also be offered through before- and after-school programs.

All students in grades K-8 ~~shall~~ *will* be provided opportunities to be physically active on a regular basis. Opportunities for moderate to vigorous physical activity ~~shall~~ *will* be provided through physical education, recess, school athletic programs, extracurricular programs, before- and/or after-school programs, and other structured and unstructured activities.

The Superintendent or designee ~~shall~~ *will* encourage staff to serve as positive role models. He/she ~~shall~~ *will* promote regular physical activity and healthy choices among employees. Professional development may include instructional strategies that assess health knowledge and skills and promote healthy behaviors.

Physical Activity

A substantial percentage of students' physical activity can be provided through a comprehensive, school-based physical activity program that includes these components: physical education, recess, classroom-based physical activity, walk and bicycle to school, and out-of-school time activities; the District is committed to providing these opportunities. Schools will ensure that these varied opportunities are in addition to, and not as a physical education.

Physical activity during the school day (including but not limited to recess, physical activity breaks, or physical education) will not be withheld as punishment for any reason. This does not include participation on sports teams that have specific academic requirements. The District will provide teachers and school staff with a [list of ideas](#) for alternative ways to discipline students.

Indoor and outdoor physical activity facilities will be open to students, their families, and the community outside of school hours, to the extent possible, through a formal joint or shared use agreements. The District reserves the right to close off access to facilities in the event that equipment is damaged. The District will work with schools to ensure that inventories of physical activity supplies are known and will work with community partners to ensure sufficient quantities of equipment are available to encourage activity for as many students as possible.

Physical Education

The District will provide students with sequential age-appropriate physical education, curriculum consistent with national and state standards. The physical education curriculum will promote the benefits of a physically active lifestyle. It will help students develop skills to engage in lifelong healthy habits, as well as incorporate essential health education concepts.

Active Transport

The District will support active transport to and from school, such as walking or biking.

VI. Health Promotion

Community Health Promotion and Engagement

The District will promote to parents/caregivers, families, and the general community the benefits of, and approaches for, healthy eating and physical activity throughout the school year. Families will be informed and invited to participate in school-sponsored activities and will receive information about health promotion efforts.

Staff Wellness and Health Promotion

The ~~WAG Wellness Advocacy Council~~ *WAG Wellness Advocacy Council* will have a focus on staff wellness ~~subcommittee that focuses on staff wellness~~ issues, identifies and disseminates wellness resources, and performs other functions that support staff wellness in coordination with human resources staff.

Schools in the District will implement strategies to support staff in actively promoting and modeling healthy eating and physical activity behaviors. The District promotes staff member participation in health promotion programs and will support programs for staff members on healthy eating/weight management that are accessible and free or low-cost.

The District will use a healthy meeting policy for all events with available food options that optimizes healthy food options with a variety of choices and selections of healthy foods for a variety of dietary needs.

Professional Learning

When feasible, the District will offer annual professional learning opportunities and resources for staff to increase knowledge and skills about promoting healthy behaviors in the classroom and school (e.g., increasing the use of kinesthetic teaching approaches or incorporating nutrition lessons into math class). Professional learning will help District staff understand the connections between academics and health and the ways in which health and wellness are integrated into ongoing district reform or academic improvement plans/efforts.

Posting Requirements

The District shall will post the wellness policy on nutrition and physical activity on the Fullerton School District website and in public view within all school cafeterias. Additionally, a link to the wellness policy will be posted under the resources tab on school websites.

TO: Robert Pletka, Ed.D., District Superintendent
FROM: Robert R. Coghlan, Ph.D., Assistant Superintendent, Business Services
SUBJECT: **ACCEPT GIFTS AND AUTHORIZE DISTRICT STAFF TO EXPRESS THE BOARD OF TRUSTEES' APPRECIATION TO ALL DONORS**

Background: According to Board Policy 3290(a), the Board of Trustees may accept any bequest, gift of money, or property on behalf of the District. Gifts must be deemed suitable for a purpose by the Board of Trustees and be used in an appropriate manner. However, it is the policy of the Board of Trustees to discourage all gifts which may directly or indirectly impair the Board of Trustees' commitment to providing equal educational opportunities to the students of the District. As indicated in the above-mentioned Board Policy, the District Superintendent approves gifts designated for a specific school for acceptance at that school. Descriptions of gifts presented for acceptance are included on the attachment. Gifts for specific dollar amounts are noted, non-monetary gifts are identified, and the donor is responsible for reporting the value to the Internal Revenue Service.

Rationale: The Board of Trustees of the Fullerton School District gratefully accepts monetary and non-monetary gifts from public and private entities. These gifts help reduce the costs of school materials, curriculum, and extracurricular student activities.

Funding: The funding received from gifts will be deposited in appropriate District funds.

Recommendation: Accept gifts and authorize District staff to express the Board of Trustees' appreciation to all donors.

Introduction

Aon Risk Consultants, Inc. (AGRC) is pleased to submit this proposal to provide services to the Fullerton School District (Client) for actuarial services for its self-insured workers compensation program.

The goal of our actuarial services will be to estimate the outstanding liabilities and project ultimate losses for the upcoming year.

Scope of Work

The scope shown below is for work as of December 31, 2018. Specifically, the work will provide:

- **Estimate Outstanding Losses.** Estimate outstanding losses (including allocated loss adjustment expenses [ALAE]) for each fiscal year as of June 30, 2019.
- **Project Ultimate Limited Losses.** The projected ultimate limited losses are the accrual value of losses with accident dates in 2019/20 and 2020/21, regardless of report or payment date. The amounts are limited to the self-insured retention.
- **Project Losses Paid.** The projected losses paid are the claims disbursements during 2019/20 and 2020/21, regardless of accident or report date. The amounts are limited to the self-insured retention.

These actuarial services will result in the production of the following deliverable:

- The conclusions of our work will be in a written report for the Client. The report will be designed to be easily understood by non-actuaries. It will contain a technical section with sufficient information to support all conclusions and facilitate future analysis.

Project Work Steps

To accomplish the objective, AGRC proposes the following work steps:

1. **Collect Data** – The analysis will require historical loss and exposure data as well as a complete description of the past and present insurance programs.
2. **Compile Data** – The data received from all services will be compiled and reviewed for reasonableness and consistency.
3. **Perform Analysis** – An analysis will be done addressing the items listed above in “Scope of Services”.
4. **Draft Report** – A report will be written clearly and concisely presenting our conclusions and recommendations.
5. **Peer Review** – A professional peer review of the draft report will be performed by another qualified professional.
6. **Distribute Draft Report** – The draft report will be distributed and discussed with Client.
7. **Corrections and/or Additions** - Any items highlighted in discussions of the draft report will be addressed.
8. **Distribute Final Report** – The report will be finalized with signatures affixed.

Required Data

Based on our current understanding of the project, we anticipate that the following items would be needed to complete the project:

1. An electronic file containing a list of all claims (open and closed), showing:
 - a. Claim number
 - b. Date of occurrence
 - c. Paid losses
 - d. Case reserves (i.e., expected future payments on known claims)
 - e. Reported incurred loss (paid loss plus case reserves)

f. recoveries (non-excess recoveries only)

Losses should be valued as of **June 30, 2016, June 30, 2017, June 30, 2018, and December 31, 2018**. Indicate if the data reflects excess insurance and/or subrogation.

2. Unallocated loss adjustment expenses (ULAE) for 2017/18. ULAE are the indirect expenses to settle claims. These expenses are primarily administration and claims handling expenses (e.g. TPA fees).
3. Actual payroll from 2015/16 through 2017/18 and projections for 2018/19 through 2020/21 (if available). We will use a trend unless instructed otherwise.
4. Changes to the self-insured retentions and the effective dates, if any, since the previous study.
5. Has there been a change in the TPA and/or changes in payment (e.g. accelerated closure of claims) or reserving levels (e.g. reserve strengthening)? If so, please describe.
6. Have there been any changes in loss control programs which may impact claim frequency and/or average cost per claim? If so, please describe.
7. Interest rate assumption. We will use a 2.0% interest rate assumption for discounting unless instructed otherwise.
8. Latest financial audit of the self-insured programs.
9. Official notice to proceed with work by returning a copy of the signed contract.
10. Target completion date.

Timetable

We anticipate the draft report will be completed within four weeks of receiving all data.

Client Responsibility

AGRC and Client acknowledge that the reliability of our services depends upon the accuracy and completeness of the data supplied to AGRC. Client accepts sole responsibility for errors or delays in services solely resulting from inaccurate or incomplete data supplied to AGRC, and acknowledges and agrees that any additional services thereby necessitated will result in additional fees payable by Client to AGRC. AGRC must receive promptly the information to deliver the Services as well as the Client's prompt updates to any information where there has been a material change which may affect the scope or delivery of the Services, such as a change in the nature of the Client's products or equipment, systems, and/or processes that are the focus of AGRC's service(s).

Client agrees to provide its project data in the form agreed upon. Client understands and agrees that if data is submitted in a form other than agreed upon, Client shall pay AGRC, in addition to the fees set forth in the proposal the reasonable expenses incurred to merge/convert the data to the agreed upon form so long as AGRC has informed Client of such additional expenses and Client has consented in writing to those additional expenses prior to AGRC incurring such.

Limitation of Liability

Both parties further agree that AGRC and its personnel shall be released to the fullest extent permitted by applicable law from any and all claims, liabilities, costs and expenses attributable to any knowing misrepresentation by Client, its directors, its officers and/or its employees except for claims attributable solely to the negligence of AGRC. In no event shall AGRC be liable to the Client, whether in tort (including negligence), contract or otherwise for any amount, in the aggregate, in excess of three times the total fees paid by the Client under this proposal, except to the extent fully and finally determined by a court of competent jurisdiction to have resulted from the willful misconduct or fraudulent behavior of AGRC, and neither AGRC nor Client shall be liable to the other for any consequential, indirect, lost profit, lost opportunity or similar damages relating to AGRC's services provided under this proposal.

This Liability Limitation shall apply to the Client and extend to the Client's parent(s), affiliates, subsidiaries, and their respective directors, officers, employees and agents (hereinafter, each a "Client Group Member" and together, "Client Group") wherever located that seek to assert claims against AGRC, and its parent(s), affiliates, subsidiaries and their respective directors, officers, employees and agents (each an "Aon Group Member" and together, "Aon Group"). Nothing in this Liability Limitation section implies that any Aon Group Member owes or accepts any duty or responsibility to any Client Group Member.

If the Client or any Client Group Member asserts any claims or makes any demands against AGRC or any Aon Group Member for a total amount in excess of this Liability Limitation, then the Client agrees to indemnify AGRC for any and all liabilities, costs, damages and expenses, including attorneys' fees, incurred by AGRC or any Aon Group Member that exceeds this Liability Limitation.

As AGRC and Client intend the aforementioned limitation of liability clause to be enforceable, they agree that any over breadth in the clause shall not itself render the clause void, but rather, the clause shall be interpreted and enforceable to the fullest extent permitted by the law of the applicable state.

In addition, the Client agrees to indemnify and hold AGRC, its directors, officers and employees, harmless from and against any and all claims, suits, and demands, and the liabilities, costs and expenses resulting therefrom ("Claims"), that AGRC may incur relating to the Services under this proposal, except to the extent such Claims are fully and finally determined by a court of competent jurisdiction to have resulted from willful misconduct or fraudulent acts or omissions of AGRC in connection with such services.

No Solicitation

The parties agree that during the term of each Schedule issued pursuant to this proposal and for a period of one (1) year after the termination of each such Schedule, neither party shall directly or indirectly solicit for employment, without the permission of the other party, any person employed then or within the preceding one (1) year if such person performed the Services under such Schedule; provided that, (a) general solicitations of employment for employees published in a journal, newspaper or other publication of general circulation and not directed specifically toward one or more employees of the other party and any resulting offer to hire shall not be deemed to be in violation of this Section, and (b) this Section shall not prevent a party from offering to employ or employing any employees of the other party who contacts the hiring party on his or her own initiative with no direct or indirect encouragement by the hiring party.

Termination

At any time, the parties may terminate the Services under this proposal or under any Schedule by giving the other thirty (30) days written notice, in which event Consultant shall be reimbursed for Services performed prior to the effective date of such termination.

Either party may terminate this proposal by written notice to the other party if the other party (i) breaches or is in default of any material obligation under this proposal which default is incapable of cure or which, being capable of cure, has not been cured within ten (10) days after receipt of notice of such default or (ii) becomes insolvent, makes a general assignment for the benefit of creditors, files a voluntary petition for protection under bankruptcy or insolvency law, or has wound up or liquidated its business.

Provisions of this proposal which by their express terms extend beyond expiration or termination or which by their nature so extend to give effect to their meaning will survive and continue in full force and effect after any expiration or termination of this proposal.

Force Majeure

The performance by either party or their approved subcontractors hereunder shall be subject to delays caused by an Act of God, war, riot, fire, explosion, accident, flood, sabotage, inability to obtain fuel or power, but not due to any act of the party claiming the force majeure event, new governmental laws, regulation or orders, acts or inaction of the other party, or any other cause beyond the reasonable control of a party.

In the event of any such delay, the times for performance will be extended accordingly for additional period(s) of delay. In the event, however that any such delay lasts for a period of forty-five (45) days, then either party may terminate this proposal immediately. In the event of such non-performance, the party which was delayed in its performance shall make reasonable efforts to promptly resume its performance hereunder.

Ownership

All data supplied by Client shall be and remain at all times the sole and exclusive property of Client.

AGRC will provide the Client with a report and/or certain other tangible items specified as deliverables ("Deliverables"), set forth in the "Scope of Services" section of the attached Proposal. The Deliverables, upon full and final payment to AGRC, shall become the property of the Client, except that AGRC owns or has rights to all products, processes, concepts, know-how, techniques, software, and methodology used, and records created or maintained, (collectively "Prior Works") for the production

of the Deliverables, and Client shall gain no rights in or to them. To the extent that any Prior Works are contained in the Deliverables, AGRC hereby grants the Client, upon full and final payment to AGRC, a royalty-free, fully paid-up, worldwide, non-exclusive license to use such Prior Works in connection with the Deliverables.

Services and Deliverables are for the exclusive use of Client and are not to be relied upon by third parties.

Client acknowledges and agrees that AGRC is in the business of providing consulting services to clients utilizing AGRC's Prior Works, and nothing contained herein shall prohibit AGRC from using any of AGRC's general knowledge or knowledge acquired under this proposal to perform similar services for others.

Miscellaneous

Should any provisions of this proposal be held unenforceable or in conflict with the law of any jurisdiction, the validity of the remaining provisions shall not be affected by such holding. Consultant shall not assign, delegate, convey, encumber or otherwise dispose of this proposal or any rights or obligations hereunder without the prior express written consent of Client. This proposal is fully assignable by Client and shall inure to the benefit of any assignee or other legal successor in interest of Client herein.

Each party agrees to waive its right to a trial by jury in any lawsuit or other legal proceeding against the other party and/or its parent(s), affiliates, or subsidiaries, in connection with, arising out of or relating to this proposal or any services provided to the Client by Consultant or its affiliates. In any such action or legal proceeding, neither party shall name, as a defendant any individual employee, officer or director of the other party or its parent(s), affiliates or subsidiaries.

This proposal shall be binding upon the successors, and/or legal representatives of the parties.

Entire Proposal

This proposal contains the entire understanding and agreement between the parties with respect to the subject matter described herein and supersedes and replaces all prior and contemporaneous agreements, whether written or oral, as to such subject matter. This proposal may be modified only by a written agreement signed by both parties. This proposal shall be governed by and construed in accordance with the laws of the State of California without regard for its conflicts of law rules.

Proposal Acceptance

By executing this proposal, the Client has read all of the terms and conditions stated herein and fully understands their contents. The execution of this proposal confirms the Client's understanding and acceptance of those terms.

The signing of this proposal by an authorized signatory of the Client indicates that the Client hereby authorizes AGRC to proceed with the services as described herein. This document should be returned to Daniel Park.

Fitness For Duty Evaluations (FFD) and Fitness for Duty Evaluations with Violence Screening (FFD-VS) - Scope of Work

Assignment Description

R3 Continuum's (R3's) fitness for duty (FFD) evaluation is a specialized medical-legal examination of an employee. The purpose of an FFD is to determine whether the employee can perform essential job functions. A fitness for duty evaluation with violence screen (FFD-VS) is a specialized type of FFD which assesses an employee's capacity to perform essential job functions and screens for violence risk issues. We conduct our FFDs with the belief that people have a right to lead productive, meaningful lives. With that, we are committed to providing an objective, timely and thorough assessment that aids in your ability to make appropriate employment decisions.

Roles and Responsibilities

Referral Source (RS) is R3's primary contact who refers the case to R3 and provides the purpose of the referral and specific case instructions to be followed by the R3 evaluator. The RS's responsibilities include providing appropriate records of what led to the referral (e.g., written warnings, email communications, performance documentation, etc.), referral form, current job description, and description of what the employer needs to have addressed. RS manages communication with the employee regarding attending the evaluation including the date, time and location of the evaluation once scheduled.

R3 Evaluation Coordinator (EC) will be the point of contact for the RS and R3 evaluator throughout the FFD evaluation. The EC's responsibilities include: scheduling the evaluation with an appropriate evaluator, receiving a copy of the authorization(s) signed by the employee to release and share information, receiving copies of the signed consent forms and providing all documentation to the evaluator prior to the date the FFD is scheduled.

R3 Evaluator assesses the employee's capacity to safely perform his or her essential job functions and to address the presence of challenges that may interfere with performance. The evaluator also identifies any potential risks including self-harm, harm to others or harm to the business. Recommendations for reasonable accommodations are also typically addressed if appropriate.

FFD evaluators are selected based on the nature of the presenting concern, proximity to the employee, their specialty/scope of practice, and/or request for telehealth appointment. The evaluator is required to maintain a position of neutrality and does not represent either the employer's or employee's interests. This is critical to the success of the FFD for all parties. Additionally, the employee cannot be seen by the evaluator for treatment.

R3 Clinical Director oversees the overall quality of the FFD program, working with the quality assurance (QA) department to ensure the evaluator completes a thorough report that addresses all the questions being asked by the RS.

Please note: R3 does not have any role or responsibility in the implementation of the findings by the evaluator. The client makes the sole determination as to how the report's conclusions may or may not impact the employee's status or benefits.

Fit For Duty (FFD) Evaluations Process

Initiation of the FFD evaluation process will occur when the RS has submitted a new case referral to the R3 EC.

- Upon receipt of a completed referral, R3 EC enters the case information into the R3 database
 - A completed referral must include:
 - A referral form completed in its entirety
 - A current job description or occupational demands description
 - All other documentation that is to be reviewed as part of the evaluation
 - A member of the clinical team reviews referral for violence risk indicators if applicable
 - All components of the completed referral are required before the evaluation appointment is scheduled

Please note: If a cancellation or no show of the appointment happens, the cancellation fees outlined in the client appointment confirmation letter will be followed. R3 will only cancel an evaluation upon the request of the RS. If a cancellation is requested from any other parties, the R3 EC will contact the RS to discuss next steps.

- The case documentation is organized and staged for the evaluator according to R3's staging protocols
- The R3 EC schedules the evaluation within two (2) business days following the receipt of the completed referral. *(Please note: should an evaluator not be available within the area requested, R3 will initiate real time recruiting efforts as described below); the appointment is scheduled to occur no later than five business days following the receipt of the completed referral. (Please note: timeframes indicated are subject to change based on evaluator availability and referral documentation receipt).*
- An appointment confirmation letter is sent to the RS:
What follows is a list of what is included in the RS appointment confirmation letter:
 - Evaluation appointment date and time
 - Address of evaluation location, or login information for telehealth appointments
 - Expected length of appointment
 - Phone number(s) for assistance
 - R3 re-schedule and/or cancellation policy
- Employee is required to sign an informed consent which outlines the employee's rights, and a notice of privacy practices which outlines how R3 uses and discloses protected health information, before the R3 evaluator can proceed with the evaluation
 - R3 evaluator is required to ensure all consent and release forms have been obtained and are completed prior to beginning the evaluation and/or any collateral interviews
 - The consent and release forms clarify for the employee that the evaluation is being conducted on behalf of a third party (i.e., RS), and that the third party has sole ownership of the report and can release the report at their discretion. Note: it is R3's policy that the RS responds to any requests for release of an FFD report to the employee by the employee. R3 will not release an FFD report to an employee with the following exceptions:
 - When both the RS and the employee are requesting the release of the FFD report; and
 - we have appropriate authorizations to do so; and
 - release of the report is not clinically contra-indicated
 - When we receive a court order to do so; or
 - When required to do so by law
 - If the R3 evaluator advises that there would be adverse impact to the employee (or others in the case that a risk of violence may be elevated), the R3 Clinical Director will explain this to the RS and the employee and R3 will not release the FFD reports to the employee. Further correspondence or requests at this point will be handled by R3's legal counsel
- The R3 evaluator conducts the evaluation, which lasts an average of 4-8 hours (based on specialty type requested) and includes a clinical interview and administration of empirically validated assessment instruments as applicable
- The R3 evaluator submits the report to R3 and the R3 QA Editor completes a quality review of the final written report
- Final written report(s) (in PDF format) are provided to the RS and/or employer five (5) business days after the evaluation
 - Final written evaluation report is provided to the RS, if requested, and includes all the information obtained and assessed as part of the evaluation except for any raw testing data
 - Final written employer report is provided to the employer, if requested, and includes only:
 - Brief description of the incident that led to the referral
 - Statement of confidentiality

- Responses to RS questions
- Conclusion on fitness for duty
- Recommendations relevant to the case and referral questions

Please note: The report provided to the employer is a condensed version of the evaluation report; however, it does not contain sensitive protected health information (PHI) or similar sensitive information that HR or a supervisor is not entitled to have concerning any employee. Having this sensitive information can expose the employer to potential litigation. In order to safeguard the employee's PHI, the employer report will only include details relevant to answer the question of fitness for duty, and to provide any recommendations pertinent to the case. If the receiving party is an occupational medicine group or disability group within the workplace, a full report may be released with proper signed authorization as they are viewed as separate from HR and management and are capable to manage this PHI appropriately.

Real Time Recruiting (RTR) Process

In the event that RTR is warranted and RS has accepted, we will utilize our same recruitment standards and process:

- Clinical Recruiting will locate and conduct a pre-screening of potential recruits which includes:
 - Verify state license is active and in good standing
 - Confirm board certification is active and without adverse action (*if applicable*)
 - Confirm with internet search that clinician's name does not yield potential concerns
- Update is provided to RS at the end of the third business day at which time:
 - Future touch points are determined
 - Next steps are established
- With acceptance from RS identified clinician is credentialed and contracted

Turnaround Times (TATs)

The final written report(s) will be completed five (5) business days after the date of the evaluation. If additional time is needed for the completion of the report (due to the complexity of the case), the R3 EC will request an extension of the due date with the RS.

Process by which modifications can be made to the contract/scope of work

At any time, any of the parties in this contract can discuss suggested changes/improvements or modifications to the process. Any changes/improvements or modifications agreed to will be submitted in the form of an addendum to the original contract.

Special Limitation of Liability for the Content of Mental Health Assessments. The parties acknowledge that the results of any mental or behavioral health assessment, including psychological and/or social assessments ("mental health assessment") involve an inherent degree of uncertainty and that R3 does not guarantee the accuracy of any such assessment. Mental health assessments include services called Fitness for Duty (FFD) Fitness for Duty with a Violence Screen (FFD-VS). Notwithstanding any term to the contrary between the parties, if service provider, or any person or entity performing under R3 (together, the "assessing party"), is providing a mental health assessment, the parties acknowledge that under no circumstances shall the assessing party be subject to any liability or any obligation to indemnify or defend in connection with or related to any injury, damages, loss, claim or other liability related to the content or feedback (or lack thereof) of such mental health assessment, including with regard to any act subsequently committed by the subject of such mental health assessment where such act was not identified as a risk or possibility by the individual conducting the mental health assessment. The limitation of liability in the immediately preceding sentence shall not apply to any injury, damage, loss, claim or other liability caused by the gross negligence and/or intentional misconduct of the assessing party.

Pursuant to Section 10, SFS agrees to carry a comprehensive general and automobile liability insurance for bodily injury and property damage with limits of One Million Dollars (\$1,000,000.00) per occurrence and Two Million Dollars (\$2,000,000.00) aggregate in a form mutually acceptable to both parties to protect SFS and DISTRICT against liability or claims of liability which may arise out of this AGREEMENT. In addition, SFS agrees to provide an endorsement to this policy stating, "Such insurance as is afforded by this policy shall be primary, and any insurance carried by DISTRICT shall be excess and noncontributory." No later than thirty (30) days from execution of this AGREEMENT by the DISTRICT and SFS, SFS shall provide DISTRICT with certificates of insurance evidencing all coverages and endorsements required hereunder including a thirty (30) day written notice of cancellation or reduction in coverage. The failure of DISTRICT or SFS to seek redress for violation of, or to insist upon, the strict performance of any term or condition of this AGREEMENT, shall not be deemed a waiver by that party of such term or condition, or prevent a subsequent similar act from again constituting a violation of such term or condition.

SUBJECT: APPROVE AGREEMENTS FOR ELEMENTARY SCHOOL PHOTOGRAPHY SERVICES FOR THE 2019/2020 SCHOOL YEAR

Background: To ensure equality of the back-to-school elementary photography, the District established a standard that all photography vendors must meet in order to do business within the District. Three standard photography packages with fixed pricing were designed, and each vendor must include those packets within their other special offerings of photography packages. Additionally, each vendor must have a minimum of five years' experience in projects similar in size and scope, must comply with the fingerprinting requirements of Education Code 45125.1, and must be properly insured as required by the District.

Five vendors have agreed to our terms and conditions: Cantrell Photography, Inc.; Life Touch School Studios, Inc.; Studio 1; Gerardy Photography, Inc.; and Pictures with Class.

The contract period is for one year. The contract price is to be adjusted annually, not to exceed the average twelve-month change in Consumer Price Index. There will be no adjustment this year.

Rationale: By approving the agreements, the process is streamlined and standardized for the schools, and PTAs can make choices earlier in the year with any vendor on the approved list.

Funding: Not applicable.

Recommendation: Approve agreements for elementary school photography services for the 2019/2020 school year.

Re: Landscape and irrigation services for
Acacia Elementary School Playfield/ Potential soccer field layout
1200 North Acacia Avenue
Fullerton, CA. 92831

Scott:

Thank you very much for considering The Design Works for the above referenced project. We respectfully submit the following proposal.

SCOPE OF WORK:

Area includes only the main campus playfield. Determine with District best size of soccer field that can be fit along with minor grading to accommodate optimum field grading design.

1. Conceptual/ Preliminary Landscape Design/ Site work.

- a. Meet with District representatives to review goals:
 - i. It is understood that a graded soccer field is desired within the play area. Existing base shows topographic lines and spot elevations within the field. All drainage structures may not be shown or accurately located, none have top of grate elevations or invert elevations. There are no elevations along turf field edge. Proposed grading can only be conceptual as no accurate base information currently exists.
 - ii. Discuss pros and cons of grading a separate graded field within the overall playfield. To achieve a flatter more evenly graded separate soccer field, the balance of the field will need to make up the grades, essentially making certain areas even steeper than they are now.
 - iii. Review other site improvements that might need to be implemented. Fire access site plan layout and determine if there are any hardscape issues related to landscape/ irrigation design safety and maintenance.
- b. Will District submit plans for approval from DSA?
- c. Review with District possible locations of staging and temporary construction fencing. Review pathways for construction traffic as well. These areas may affect landscape and irrigation outside scope of work area.
- d. Review with District elimination of turf areas that would make maintenance and irrigation more efficient.
- e. Put together conceptual design showing layout of possible soccer field, conceptual grading, and possible future elements affecting field for District review and approval. Upon approval, construction document phase will commence.

2. Construction Documents/ Services

All deliverables shall be in PDF form.

Scale of drawings will be at one that shall be able to convey design intent.

a. Demo/Conceptual Grading Plan:

- i. Show demo of elements to be removed from site.
- ii. Conceptual grading showing alterations in field grading to accommodate new field area or re-grading existing field to provide a smoother overall surface. Existing drainage drop inlets will be retained and any grading will utilize these inlets. Existing general grading concept shall be retained. Grading suggested/ specified shall not be such that retaining walls will be required.

b. Irrigation Plans:

- i. Complete irrigation plans for the scope of work area. Irrigation plan will, as best as possible, address possible new field layout and provide a semi-separate design for graded field so it can be managed separately from the balance of the field. The degree to which this may be accomplished may vary, depending upon the final location/ layout/ size of the soccer field.
- ii. Existing controller shall be retained and used. Upgrade as required to accommodate additional valves.
- iii. If there are any future site plan elements that may be installed in the future, the irrigation plan shall reflect possible future work. Irrigation layout shall be designed for minimal damage to proposed system due to proposed future construction.
- iv. Utilize existing 4' line entering field for point of connection.
- v. Details, notes, key legend notes describing work and calculations provided.
- vi. Specifications.
- vii. Provide notes regarding required inspections by District and or Landscape Architect.

c. Planting plans:

- i. Planting plans showing specified turf/ trees that are to be installed, (replacing in kind all plant material that has been damaged or destroyed due to demolition/ construction. Provide notes regarding of installation headers, etc.
- ii. Details showing planting/ header installation if specified
- iii. Delineate separate graded field turf species if applicable.
- iv. Notes and key legend describing work.
- v. Specifications.

3. Construction Phase/ Administration

- a. Review pertinent RFI's during bidding and respond and provide addendums language to District for inclusion into District addendum.
- b. Review materials submittal from contractor and provide comment.
- c. Review and respond to project RFI's as required.
- d. Review of change orders at District request.
- e. Suggest that accurate as-built plan be done, showing laterals as well as mainline. This will greatly facilitate the installation of future elements.
- f. Possible submittal of DSA form 1-L.
- g. Inspections: NIC

4. Payment

In consideration for the above services, The Design Works shall be paid a lump sum fee of nine thousand five hundred dollars, \$9,500.00 USD.

Terms: Monthly invoices shall be forwarded as work progresses. Payments to be delivered to The Design Works within (30) thirty days of receipt of invoice.

Final invoice delivered with final construction documents.

5. Not Included in Scope of Work

- a. Any work outside of landscape planting and irrigation. No work to be performed related to Civil, Mechanical or Electrical Engineering work.
- b. Revisions to drawings subsequent to final submittal for bid set. Any revisions subsequent to this will be billed at a rate as described below as 'Extra'.
- c. Any plan check fees from DSA, City or any other agency

6. Extras/ Additional Services

- a. Additional authorized site visits/ observations to be billed at the hourly rates shown below.
- b. Any changes to plans requested by School District after completion and submittal of final bid set. This work may be billed on a time and materials basis or as a separate proposal from The Design Works. Either method of payment may be requested by Client.

SUBJECT: **APPROVE ARTIST/EDUCATOR AGREEMENT BETWEEN FULLERTON SCHOOL DISTRICT AND ALL THE ARTS FOR ALL THE KIDS FOUNDATION**

Background: All the Arts for all the Kids Foundation has been part of Fullerton School District since 1990. The Foundation is an independent, nonprofit organization dedicated to developing, sustaining, and supporting the arts as an intrinsic part of every child's education. Each year the Foundation, in partnership with Fullerton School District, provides funding for lessons in four disciplines of the arts: art, music, dance, and theater. Fullerton School District contracts with professional artists throughout the year to provide art lessons directly to students and professional development opportunities for teachers.

Rationale: Approving this Agreement will allow Fullerton School District to continue to provide lessons in visual arts, music, dance, and theater for every student in grades Transitional Kindergarten – 6th grade. At the same time, the artists will focus on demonstrating effective strategies for integrating the arts into a classroom's daily instruction. This process will help to expedite the artist for scheduling and implementing the program without delay.

Funding: Total cost of this contract is to be in the amount of the individualized agreement and is to be paid from All the Arts funds (#316 and #416).

Recommendation: Approve Artist/Educator Agreement between Fullerton School District and All the Arts for All the Kids Foundation.

Background: Advancement Via Individual determination (AVID) is a college readiness system for elementary through higher education that is designed to increase schoolwide learning and performance. The AVID College Readiness System (ACRS) accelerates student learning, uses research based methods of effective instruction, provides meaningful and motivational professional learning, and acts as a catalyst for systemic reform and change. The AVID Agreement was administered through OCDE and has shifted to the District. Woodcrest School and Nicolas Junior High School are the Fullerton School District schools that will benefit from these services. Nicolas has been participating in AVID for the past twelve years.

Article III. Licenses and Proprietary Rights

3.1. Copyright License: Subject to Client’s performance of all the provisions of this Agreement, AVID Center hereby grants to Client a non-transferable license, without the right to sublicense, to distribute, reproduce, and display the AVID Materials and AVID Methodologies solely to implement AVID Elementary and/or AVID Secondary, or AVID for Higher Education as ordered on Quote(s), during the period listed in the corresponding Exhibit, and for no other purpose.

- (a) Client may distribute, reproduce, and display the AVID Materials only to appropriate staff and students of the AVID Member Sites listed in Quote(s), for the sole purpose of implementing the specified AVID service or product at the AVID Member Sites and for no other purpose. Client will not permit any of the AVID Materials or AVID Methodologies to be used by anyone other than the AVID Member Sites.
- (b) Further, Client will only distribute, display, photocopy, reproduce or otherwise duplicate, those AVID Materials and AVID Methodologies corresponding to the specific AVID service or product listed for each AVID Member Site in Quote(s). [For example, if Quote(s) specifies both AVID Elementary and AVID Secondary membership at ABC School Site, but only specifies AVID Elementary membership at XYZ School Site, Client will not distribute, display, photocopy, reproduce, duplicate, or otherwise make available the AVID Secondary Materials and Methodologies to XYZ School Site.]
- (c) Client and any AVID Member Sites will not distribute, display, photocopy, reproduce or otherwise duplicate, all or any part of the AVID Materials or AVID Methodologies to anyone other than the AVID Member Sites without AVID Center’s prior written consent.
- (d) Should Client wish to make any of the AVID Materials or AVID Methodologies accessible to its AVID Member Sites through the Internet, it will do so on a password-protected website, and it will ensure that only appropriate staff and

students of the AVID Member Sites are allowed access to the website.

- (e) Should Client wish to make electronic versions of any of the AVID Materials or AVID Methodologies available for download by its AVID Member Sites, it will ensure that only appropriate staff and students of the AVID Member Sites are allowed access to those materials, and it will require that those staff and students agree not to distribute, reproduce, display, or transfer those materials to anyone other than appropriate staff and students of the AVID Member Sites before downloading those materials.
- (f) Client and any AVID Member Sites shall not modify or otherwise alter the AVID Materials or AVID Methodologies in any way, or create or distribute any derivative works of the AVID Methodologies or the AVID Materials in any way. Client also agrees not to use or adopt the AVID Methodologies or AVID Materials with respect to any educational or other program except solely to implement AVID under the provisions of this Agreement.
- (g) Client and any AVID Member Sites acknowledge that they do not have the right to sell, sublicense, transfer, or lease any of the AVID Materials or AVID Methodologies to any person or entity.

3.2. **Trademark License:** Subject to Client's performance of all the provisions of this Agreement, AVID Center hereby grants to Client during the Term a non-exclusive, non-transferable, indivisible license, without the right to sublicense, to use the AVID trademarks (collectively "AVID Trademarks"), (a) only as they are incorporated in the AVID Materials, and (b) only on advertising flyers and written promotional materials created by Client or the AVID Member Sites listed in Quote(s) in order to promote and implement AVID at those AVID Member Sites. Client agrees that it will use its best efforts to use the AVID Trademarks in a professional manner in order to preserve and enhance AVID Center's substantial goodwill associated with the AVID Trademarks. Client agrees that it or its AVID Member Sites will not use any of the AVID Trademarks as a corporate or business entity name, as a fictitious business name or as a trade name, and will not use any name in such capacity that is confusingly similar to the AVID Trademarks. Client further acknowledges and agrees that it and its AVID Member Sites cannot modify or otherwise alter any of the AVID Trademarks or use any other designs or logos in conjunction with its use of the AVID Trademarks. Client cannot use the AVID Trademarks for any educational or other program other than to implement AVID at the Member Sites listed in Quote(s) consistent with the above license. Client and its AVID Member Sites will always use the proprietary symbol ® immediately adjacent to the respective AVID Trademarks as noted above with respect to their use of the AVID Trademarks. If Client or its Member Sites desire to use or place the AVID Trademarks on any products, things, or other merchandising items in order to promote AVID, it must first seek and obtain permission from AVID Center by completing AVID Center's Request to Use AVID Center Trademark Form and complying with any of AVID Center's conditions for approval. Any such additional uses of the AVID Trademarks approved by AVID Center shall also be subject to

the terms of this license and the other provisions of this Article III.

3.3. **Rights Reserved:** Notwithstanding anything to the contrary in this Agreement, all rights not specifically granted in this Agreement to Client shall be reserved and remain always with AVID Center.

3.4. **Proprietary Rights:** The parties agree that AVID Center shall solely own and have exclusive worldwide right, title and interest in and to the AVID Trademarks, AVID Materials and AVID Methodologies, to all modifications, enhancements and derivative works thereof, and to all United States and worldwide trademarks, service marks, trade names, trade dress, logos, copyrights, rights of authorship, moral rights, patents, know-how, trade secrets and all other intellectual and industrial property rights related thereto ("Intellectual Property Rights"). Client shall not challenge, contest or otherwise impair AVID Center's ownership of the AVID Trademarks, AVID Materials or AVID Methodologies, or any of AVID Center's applications or registrations thereof, or the validity or enforceability of AVID Center's Intellectual Property Rights related thereto. Client also agrees not to submit any applications or otherwise attempt to register for itself or others any of the AVID Trademarks, AVID Materials or AVID Methodologies.

3.5. **Enforcement:** The parties agree that except to the limited extent expressly set forth in Paragraphs 3.1 and 3.2 above, AVID Center will be irreparably harmed and money damages would be inadequate compensation to AVID Center in the event Client breaches any material provision of Article III. Accordingly, all of the provisions of this Agreement shall be specifically enforceable by injunctive and other relief against Client without the requirement to post a bond, in addition to any other remedies available to AVID Center, for Client's breach of any provision of this Agreement.

3.6. **Proprietary Notices:** Client agrees not to remove, alter or otherwise render illegible any trademark, copyright or other proprietary right notices or other identifying marks from the AVID Materials or any permitted copies thereof.

3.7. **Infringement:** Client agrees to notify AVID Center of any conduct or actions on the part of third parties of which it becomes aware that might be deemed an infringement or other violation of AVID Center's rights in the AVID Trademarks, AVID Materials or AVID Methodologies. In such an event, AVID Center shall have the sole right to bring an action for infringement or other appropriate action with respect thereto. AVID Center shall exclusively control the prosecution and settlement of any such action. Client agrees to fully cooperate with AVID Center in any such action and provide AVID Center with all information and assistance reasonably requested by AVID Center.

3.8. **Compliance with Laws:** Client agrees that the AVID Trademarks, AVID Materials and AVID Methodologies will be used in accordance with all applicable laws and regulations and in compliance with any regulatory or governmental agency that has jurisdiction over Client and its educational programs.

3.9. **Data Collection:** On at least an annual basis, according to the timeline established by AVID Center, Client shall collect data pertaining to student demographics, course enrollment, site characteristics and related outcomes specified by AVID Center and provide that data to AVID Center via their secure web portal. Client shall also submit such individual student academic and disciplinary data concerning AVID participants as AVID Center may specify. AVID Center's data collection process conforms to the privacy protections specified in the federal Family Educational Rights and Privacy Act (FERPA). AVID Center will maintain as confidential any personally identifiable student information or information that is privileged or confidential under federal or state law and that is conspicuously marked by Client as "privileged" or "confidential" before Client delivers to AVID Center. AVID Center will destroy all individual student data when it is no longer needed for reporting purposes. Client reserves the right to withhold, revise, and/or edit certain confidential data such as student names, Social Security numbers and any other information the disclosure of which would violate FERPA. AVID Center agrees not to use any of the data collected under this section in a manner that would violate, or cause Client to violate, any applicable provision of FERPA.

3.10. **Sole Source:** AVID Center affirms that it is the sole source of the AVID College Readiness System to which competition may be precluded due to the existence of a patent, copyright, secret process, or monopoly. AVID Center's sole source development includes intellectual property—copyrights and trademarks—in the AVID Materials, licensing for reproduction of student activity sheets associated with the curriculum, technical assistance, training to teachers and administrators, and coordination of the AVID College Readiness System through consultation, data collection, and certification processes.

Article IV. Compensation

4.1. **Quotes—Invoicing and Payment:** AVID Center will invoice Client upon execution of this Agreement and payment is due net 30. Should Client issue Purchase Order(s), the terms and conditions of this Agreement shall control for all Purchase Orders; no terms and conditions on Purchase Orders will apply to any part of this Agreement.

Article V. Status of Parties

5.1. **Independent Contractors:** AVID Center and Client are independent contractors and their relationship is that of a licensor and licensee. This Agreement is not intended to create a relationship of employment, agency, partnership, joint venture, or similar arrangement between the parties. Neither party shall have any power or authority to bind or commit the other party in any respect, contractually or otherwise. In no event shall either party, or any of its respective officers, agents, or employees, be considered the officers, agents, or employees of the other party.

Article VI. Authority

6.1. **AVID Center Authority:** AVID Center represents that the person signing this Agreement is authorized to enter into this Agreement on behalf of the non-profit AVID Center and to

bind AVID Center to perform all of its obligations under this Agreement.

6.2. **Client Authority:** Client represents that it has obtained all necessary approvals and taken all necessary steps to enter into this Agreement. The person signing on behalf of Client represents that he or she has the authority to enter into this Agreement on behalf of Client and to bind Client to perform all of its obligations under this Agreement.

Article VII. Termination

7.1. **Termination for Cause:** Subject to the last sentence of this Paragraph 7.1, either party has the right to terminate this Agreement at any time if the other party is in material breach of any warranty, term, condition or covenant of this Agreement and (i) fails to cure that breach within thirty (30) days of receiving notice from the non-breaching party which specifies such material breach and demands cure thereof, or (ii) fails to provide the non-breaching party assurance that the breach will be cured within a longer period of time which is acceptable to the non-breaching party. In the case of a breach by Client that is not cured as described above, AVID Center shall have the right to terminate Client's right to conduct all or part of an AVID product or service at one or more specific AVID Member Sites, by giving written notice to Client of the sites so terminated, without terminating this Agreement with respect to the other products or services at the particular AVID Member Site and/or other AVID Member Site(s) subject to this Agreement. Any termination under this Paragraph 7.1 will become effective automatically upon expiration of the cure period in the absence of a cure or mutually agreed-upon resolution. Notwithstanding the foregoing, any material breach by Client, which is further defined as a breach of any of the provisions of Article III, shall be deemed non-curable and AVID Center shall have the right to immediately terminate this Agreement upon such material breach by Client.

7.2. **Termination Without Cause:** Notwithstanding Paragraph 7.1 above, either party may terminate this Agreement upon thirty (30) days prior written notice to the other party.

7.3. **Cessation of Use:** Upon termination or expiration of this Agreement: (a) the licenses in Article III shall automatically terminate and revert to AVID Center, (b) Client shall thereafter immediately discontinue AVID in all of its school sites and cease using the AVID Materials, AVID Methodologies, or AVID Trademarks in any way, and (c) Client shall pay any unpaid balances to AVID Center and remain liable for its obligations or other actions that accrued or occurred prior to the termination date.

7.4. **Cumulative Remedies:** All rights and remedies conferred herein shall be cumulative and in addition to all of the rights and remedies available to each party at law, equity or otherwise. In addition, Paragraphs 3.3, 3.4, 3.5, 3.6, 4.1, and all of the provisions of Articles VII and VIII shall survive the termination or expiration of this Agreement.

Article VIII. General Provisions

8.1. **Governing Law and Venue:** If any action at law or in equity is brought to enforce or interpret the provisions of this Agreement, then (i) if AVID is the party initiating the action

(e.g., as plaintiff), this Agreement shall be interpreted under the law of the State in which Client is located, the action shall be submitted to the exclusive jurisdiction of the applicable court in the city and State where Client is located and venue for the action shall be that city and State; and (ii) if Client is the party initiating that action (e.g., as plaintiff), this Agreement shall be interpreted under California law, the action shall be submitted to the exclusive jurisdiction of the applicable court in San Diego, California, and venue for the action shall be San Diego, California.

8.2. Entire Agreement: All Quotes, Exhibits, and other addenda to this Agreement are fully incorporated herein. This Agreement, including all addenda, constitutes the entire agreement between the parties regarding this subject matter hereof and supersedes all prior oral or written agreements or understandings regarding this subject matter. This Agreement can only be amended by a written document signed by both parties.

8.3. Limitation of Liability: NEITHER PARTY SHALL BE LIABLE FOR ANY INDIRECT, SPECIAL, INCIDENTAL, CONSEQUENTIAL OR EXEMPLARY DAMAGES, WHETHER FORESEEABLE OR NOT, THAT ARE IN ANY WAY RELATED TO THIS AGREEMENT, THE BREACH THEREOF, THE USE OR THE INABILITY TO USE THE AVID COLLEGE READINESS SYSTEM SERVICES AND PRODUCTS, THE RESULTS GENERATED FROM THE USE OF THE AVID COLLEGE READINESS SYSTEM SERVICES AND PRODUCTS, LOSS OF GOODWILL OR PROFITS AND/OR FROM ANY OTHER CAUSE WHATSOEVER.

8.4. Force Majeure: Neither party shall have any liability to the other hereunder by reason of any delay or failure to perform any obligation or covenant if the delay or failure to perform is occasioned by force majeure, meaning any act of God, storm, fire, casualty, unanticipated work stoppage, strike, lockout, labor dispute, civil disturbance, riot, war, national emergency, act of Government, act of public enemy, or other cause of similar or dissimilar nature beyond its control.

8.5. Severability: If any provision of this Agreement is judicially determined to be invalid, void or unenforceable, the remaining provisions shall remain in full force and effect.

8.6. Attorney Fees: In the event a dispute arises regarding this Agreement and a legal proceeding is brought by either party, each party shall be responsible for paying their own attorney fees regardless of the outcome or resolution of the dispute.

8.7. No Assignment, Delegation or Transfer: Client acknowledges that the favorable terms of this Agreement were granted solely to Client, and that the substitution of any party by Client would destroy the intent of the parties. Accordingly, Client shall have no right to assign, delegate, transfer or otherwise encumber this Agreement or any portion thereof without AVID Center's prior written consent, which can be withheld in its sole discretion.

8.8. Notice: All notices, requests or other communications under this Agreement shall be in writing, shall be sent to the designated representatives of the parties and shall be deemed to have been duly given on the date of service if sent by facsimile or electronic mail, or on the day

following service if sent by overnight air courier service with next day delivery and with written confirmation of delivery, or five (5) days after mailing if sent by first class, registered or certified mail, return receipt requested.

8.9. Counterparts: This Agreement may be executed in several counterparts that together shall be originals and constitute one and the same instrument.

8.10. Waiver: The failure of a party to enforce any of its rights hereunder or at law or in equity shall not be deemed a waiver or a continuing waiver of any of its rights or remedies against the other party, unless such waiver is in writing and signed by the party to be charged.

8.11. Facsimile and Electronic Signatures: The parties hereto (i) each agree to permit the use, from time to time and where appropriate under the circumstances, of signatures sent via facsimile or electronically in a .pdf file or other digital format in order to expedite the transaction(s) contemplated by this Agreement; (ii) each intend to be bound by its respective signature sent by that party via facsimile or electronically in a .pdf file or other digital format; (iii) are each aware that the other, and the other's agents and employees, will rely on signature pages sent via facsimile or electronically in a .pdf file or other digital format; and (iv) each acknowledge such reliance and waive any defenses to the enforcement of this Agreement or of other documents effecting the transactions contemplated by this Agreement based on the signature page being a facsimile, .pdf copy or other digital format. The parties covenant to each other that each time they send a signature page via facsimile or electronically in a .pdf file or other digital format; they will in a timely manner send the other party the countersigned signature page(s).

Background: Fullerton School District (FSD) has developed a comprehensive teacher-teaching model based on the research of the Marzano Research Laboratory. To continue the work and build the leadership skills of school leaders, Marzano Laboratory has provided professional development to all principals, assistant principals, and teacher leaders based on the Marzano High-Reliability Schools (HRS) framework. GENERAL TERMS

1. The District shall provide to State University students teaching experience through practice teaching in schools and classes of the District not to exceed the units of practice teaching set forth in the Special Provisions. Such practice teaching shall be provided in such schools or classes of the District and under the direct supervision and instruction of such employees of the District, as the District and the State through their duly authorized representatives may agree upon.

The District may, for good cause, refuse to accept for practice teaching any student of the State University assigned to practice teaching in the District, and upon request of the District, made for good cause, the State shall terminate the assignment of any student of the State University to practice teaching in the District.

Practice teaching as used herein and elsewhere in this agreement means active participation in the duties and functions of classroom teaching under the direct supervision and instruction of employees of the District holding valid life diplomas or credentials issued by the State Board of Education, other than emergency or provisional credentials, authorizing them to serve as classroom teachers in the schools or classes in which the practice teaching is provided.

2. The State will pay the District for the performance by the District of all services required to be performed under this agreement at the rates set forth in the Special Provisions for each semester or quarter unit of practice teaching.

3. An assignment of a student of the State University to practice teaching in schools or classes of the District shall be, at the discretion of the State, either for approximately nine (9) weeks or for approximately eighteen (18) weeks, but a student may be given more than one assignment by the State University to practice teaching in such schools or classes.

The assignment of a student of the State University to practice teaching in the District shall be deemed to be effective for purposes of this agreement as of the date the student presents to the proper authorities of the District the assignment card or other document given the student by the State University effecting such assignment, but not earlier than the date of such assignment as shown on such card or other document.

In the event the assignment of a student of the State University to practice teaching is terminated by the State University for any reason, the District shall receive payment on account of such student except that if such assignment is terminated before the end of the ninth week of the term of the assignment, the District shall receive payment for an assignment for nine (9) weeks only. If a student is assigned by the State University to another teacher of the District after an assignment has become effective, this shall be considered for payment purposes as an entirely new and separate assignment.

Absences of a student from assigned practice teaching shall not be counted as absences in computing the semester units of practice teaching provided the student by the District.

4. Within a reasonable time following the close of each semester or quarter of the State University, the District shall submit an invoice, in triplicate, to the State University for payment, at the rate provided herein, for all units of practice teaching provided by the District under and in accordance with this agreement during said semester or quarter. Background: During the 2018/2019 school year, the Fullerton School District started a District-wide Speech and Debate program that now involves 12 schools and approximately 300 students. The program was immediately successful as students gained confidence and success competing against students across Orange County. The success and popularity of the program has resulted in 20 students qualifying for the National Tournament in Dallas, Texas, this summer.

Fullerton School District would like to offer the Speech and Debate experience to 150 students during the 2019 summer with the goal of (1) Increasing students' ability to think and listen critically and articulate their thoughts confidently and persuasively. Rationale: The Summer Speech and Debate camp will encourage students to compete on their school's Speech and Debate team during the 2019/2020 school year. Through this camp, students will engage in rhetoric and public speaking while they expand their vocabulary, presentation skills, and confidence. More specifically, students will learn the proper use of hand gestures, vocal inflection, non-verbal skills, vocal projection, research skills, sentence structure, argumentation, logical writing, proper use of visual aids, principals of acting, elements of comedy and memorization skills. Dr. Flores,

Within this document is the proposal regarding the creation of the Speech and debate summer program.

Overview

There is a desire to build a speech and debate summer program at FSD. This program will continue to promote speech and debate as well as build English acquisition, analytical writing, vocabulary and effective oral communication skills. This summer program will help FSD students get a head start in speech. Students will exit the summer program with a fully prepared and coached speech. This will help each program because they will have students who can demonstrate to new students what each speech event will look like. This makes it easier for teachers to demonstrate each event that is going to be offered in the following year. It also creates a path for FSD students to have a greater success at state and at national competitions. Students who compete at the highest level always attend a summer camp to give themselves an edge in competition.

Summary

The speech and debate summer program will be designed and developed by Sal Tinajero. Mr. Tinajero will provide the administrative and operational support for a 150 students.

Our proposal will include:

- **Individualized speech preparations or debate case preparation for each student**
- **Students will receive 10 hours of communication theory lectures**
- **Students will receive 10 hours of speech or case preparation**
- **Our staff will consist of 30 coaches**
- **Each staff member will report and help facilitate scripts and coach students. The staff members will work from June 24, 2019 through July 5, 2019**
- **We will not coach on July 4, 2019**
- **Summer camp coaching will occur from 8:00 AM – 1:00 PM, Monday through Friday**
- **The coach to student ration will not exceed 6 students to 1 coach**

Director's Experience

The Fullerton Elementary School District Speech and Debate program will consist of nine elementary schools and three middle schools. Each program will have 30 students per program. Sal Tinajero will advertise the importance of speech and debate at every school site. Sal Tinajero has a wealth of experience and success in Forensics. He started the Fullerton Union High School Speech and Debate program in 2001. In his tenure the program grew from 20 students to a team of over 100 students per year. Under his leadership the team won three National Championships and one State Championship. He has coached five student state champions and two student national champions. In 2005, he was invited to the White House and awarded the National Hispanic Teacher of the Year. This year he was selected as the National Speech and Debate Association California Educator of the Year. He was one of the five finalist for the National Educator of the Year. In Santa Ana he has created 18 successful programs with over 880 students in two short years. Students are competing at high level and receiving national recognition.

CONSENT ITEM

DATE: April 9, 2019
TO: Robert Pletka, Ed.D., District Superintendent
FROM: Emy Flores, Ed.D., Assistant Superintendent, Educational Services
SUBJECT: APPROVE AGREEMENT WITH AYUDA INTERNATIONAL TO PROVIDE ORAL HYGIENE, EDUCATION, AND DENTAL SERVICES AT FOUR SCHOOLS

Background: For the past 52 years, Ayuda International has provided close to free dental care to underserved individuals in California and throughout the world. During the past decade, Ayuda International has partnered with the Fullerton Rotary Club to bring dental care to students living in the Richman and Valencia Park communities. During the months of June to September, Ayuda International will provide four clinics designed to not only restore decayed teeth, but to also educate children on how to take care of their teeth for a lifetime.

Rationale: The Fullerton School District is recipient of the Title IV grant, which takes a comprehensive approach to meeting the needs of our students. Through this grant, the District recognizes that learning also depends on physical, social-emotional, and mental health. For this reason, dental, vision, and mental health wellness are components of the grant. The four dental clinics will serve to address the needs of students as well as requirements of the grant.

Funding: Cost not to exceed \$46,400 and is to be paid from Title IV grant funds (#227).

Recommendation: Approve Agreement with Ayuda International to provide oral hygiene, education, and dental care at four schools.
