The student may apply for readmission on or after June 15, 2002. Moved by Marjorie Pogue, seconded by Lynn Thornley and carried unanimously (4-0) that the findings and conclusions of the Board be adopted, and that pursuant to California Education Code section 48916, a rehabilitation plan be developed by the superintendent or designee and recommended to the student and the student's parents for completion during the period of expulsion.

Readmission to the District at the end of the expulsion period will be contingent upon satisfactory completion of the rehabilitation plan. Moved by Marjorie Pogue, seconded by Lynn Thornley and carried unanimously (4-0) that the order of expulsion be suspended for both semesters of the period of expulsion and that the student be placed on probationary status. The student shall be assigned to another school during the period of the suspended expulsion as determined by the superintendent or designee. Violation of school rules as described in the contract will reinstate the expulsion order. The student will not be readmitted until a contract or agreement is written and signed by the student, the parents/guardian, the principal, and the superintendent or superintendent's designee.
