Grade Span: K-6

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Admission Requirements for the University of California (UC)

Admission requirements for the UC follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements, please visit the UC Admissions Information website at <https://admission.universityofcalifornia.edu/>.

Admission Requirements for the California State University (CSU)

Eligibility for admission to the CSU is determined by three factors: (1) Specific high school courses, (2) Grades in specified courses and test scores, and (3) Graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application, and fee information, see the CSU website at <https://www2.calstate.edu/>.

About Our School

Raymond School ensures academic growth for every child by offering a wide variety of engaging activities that promote creativity and innovation in a language-rich environment. Students broaden their awareness of self and others through connections made in literature, and they deepen their comprehension by seeking multiple perspectives and expressing their interests and opinions in various writing and speaking opportunities. Raymond's 1:1 iPad program supports all academic subjects, along with facilitating student engagement, innovation, and personalized learning in all classrooms. Integrating art and technology augments our high expectations for all students and accompanies the infusion of GATE strategies designed to unlock deeper and more complex thinking.

Raymond is very proud to feature The Fullerton School District Dual Immersion Program called The Dual Language Academy (DLA) on our campus as an additional strand of choice for parents for grades K-6. The Dual Language Academy ensures that students reach high levels of academic achievement in a first and second language to develop bilingualism, biliteracy, and cross-cultural competencies needed to succeed in a multicultural society and global economy.

Raymond has a diverse student population that totals 600 students in 21 classrooms. Classrooms consist of 1 full-day Transitional Kindergarten, 1 Kindergarten co-teach class, 2 Kindergarten classes, 1 First/Second-grade combination class, 2 First grade classrooms, 2 Second-grade classes, 1 Two/Three combination classes, 2 Third grade classrooms, 3 Fourth, 3 Fifth, and 3 Sixth grade classrooms.

Student ethnicity data indicates our population breakdown as follows: 73% Hispanic, 20% White, 1% Asian, 1% Black or African American, and 4% Dual Race/Other/Unspecified. Raymond is categorized as a Title 1 School because 59% of our students are eligible for free or reduced lunch. Second language learners comprise 20% of our total student population. Clusters of GATE-identified students are grouped in classrooms from Third to Sixth grades. Raymond also participates in the research-based Positive Behavioral Intervention Support (PBIS) system. Students learn appropriate choices, receive rewards for appropriate behaviors, and adhere to the tenets of being Respectful, Responsible, Really Safe, and Ready to learn.

School Description and Mission Statement (School Year 2024–25)

Raymond School, established in 1952, boasts a rich history of academic excellence and community engagement. Over the years, the school has continually evolved to meet the diverse needs of its student body. In 2016, Raymond School took a significant stride by introducing a Spanish Dual Language Program, reflecting its commitment to fostering bilingualism and cultural diversity. Raymond is also proud to house various specialized programs, including the All the Arts program, Response to Intervention program in Reading and Math, After School Interventions for Reading and Math, Positive Behavior Interventions and Supports program, After School Education and Safety program, Lady Leaders, the Student Council program, the Library Club, Garden Club, E-Sports, Speech and Debate, a Soccer Lunch Program, and STAGE Performing Arts. These initiatives contribute to students' holistic development and underscore Raymond School's dedication to providing a well-rounded education that goes beyond the conventional curriculum.

As the school's accountability report card reflects, Raymond School is a testament to our ongoing commitment to academic achievement, character development, and a vibrant school community. With this in mind, our mission is to provide an innovative and creative environment for all learners. With the support of our

community, families, and staff, we provide learning environments for our students through diverse learning experiences in and out of the classroom.

Our vision is to be a united multilingual and multicultural community that is inclusive of all voices and fosters the whole child through their social, emotional, cognitive, and physical health.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Teacher Preparation and Placement (School Year 2020–21)

School Facility Conditions and Planned Improvements

The District takes great efforts to ensure that all schools are clean, safe, and functional. Listed below is more specific information on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment. Raymond Elementary School has 24 classrooms, a library media center, and a multi-purpose room. The main campus was built in 1953. Additions were constructed in 1954 and 1960. The library/media center was added in 1991, and one portable classroom was added in 1997. District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority. The District has established cleaning standards for all schools in the district. A summary of these standards is available at the district maintenance office. The Maintenance and Operations staff works with the custodial staff to develop cleaning schedules to ensure a clean and safe school. The District participates in the State School Deferred Maintenance Program, which provides state matching funds on a dollar-for-dollar basis, to assist school districts with expenditures for major repair or replacement of existing school building components. Typically, this includes roofing, plumbing, heating, air conditioning, electrical systems, interior and exterior painting, and floor systems. During 2023-24, the District spent \$0 on Deferred Maintenance. For the 2024-25 school year, the District budgeted \$5 for Deferred Maintenance expenditures.

School Facility Good Repair Status

Using the **most recently collected** Facility Inspection Tool (FIT) data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected
- The overall rating

Year and month of the most recent FIT report: December 2024

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes assessments for English language arts/literacy [ELA], mathematics, and science for students in the general education population and the California Alternate Assessment [CAA]. Only eligible students may participate in the administration of the CAA. CAA items are aligned with alternate achievement standards, which are linked with the Common Core Standards [CCSS] or California Next Generation Science Standards [CA NGSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAA for ELA** in grades three through eight and grade eleven.
 2. **Smarter Balanced Summative Assessments and CAA for mathematics** in grades three through eight and grade eleven.
 3. **California Science Test (CAST) and CAA for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
- **College and Career Ready:** The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in ELA and Mathematics for All Students taking and completing state-administered assessments Grades Three through Eight and Grade Eleven Percentage of Students Meeting or Exceeding the State Standard

Mathematics (grades 3-8 and 11)	47%	51%	49%	50%	34%	35%

Note: To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: ELA and Mathematics test results include the Smarter Balanced Summative Assessments and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAA divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site

Opportunities for Parental Involvement (School Year 2024–25)

Raymond Elementary School is dedicated to promoting parent involvement in various aspects of school life. Through initiatives such as the Parent-Teacher Association (PTA), School Site Council, English Learner Advisory Committee (ELAC), Monthly Parent Coffees, Monthly Dual Language Academy Parent Meetings & DLA Steering Committee Meetings, School Carnival, District ELAC, and Parent staff development opportunities, the school actively engages parents in the educational process. At Raymond Elementary, there is a commitment to creating a warm and welcoming atmosphere, which is evident from the moment one enters the front office door. Parents are encouraged and always welcome to participate in the vibrant and inclusive school community.

For more information regarding the PTA, families can contact Mrs. Jessica Tea, PTA President at raymondfullertonpta@gmail.com. For more information regarding ELAC, families can contact Mrs. Vanessa Estrella, ELAC President at (714) 447-7740. Families can contact Raymond School at (714) 447-7740 for all other information regarding parental involvement.

School Safety Plan (School Year 2024–25)

A comprehensive school safety plan was developed and approved in compliance with Education Code Sections 33126, 35256, and 32286, as well as applicable District policies and regulations. Each year, prior to March 1, the school's safety plan is reviewed, updated, and discussed with staff and School Site Council. Annually, the school's staff reports on the status of its safety plan with the school leadership team, PTA, and School Site Council. Status reports, and updates are reviewed at the beginning of each school year and again in December before the finished School Safety Plan is approved by the members of the School Site Council prior to March 1. The key elements of the plan include: a) providing a safe teaching and learning environment for all students and staff members, b) ensuring that all students are safe and secure while at school sponsored activities, c) making district programs and community resources available to students and parents, and d) creating a school where students, programs, and community members interact in an atmosphere of mutual respect that enhances the environment for learning. Each year the school submits along with the safety plan a detailed "action plan" which addresses the identified areas the staff and School Site Council has brought forward as critical areas of concern or how they should improve. A copy of the plan is available at all times in the school office and will provide a more detailed description of each element of the plan including specific actions, resources and time lines to be implemented by the school. Copies are also available at the District Office in the office of Child Welfare and Attendance.

Updated and discussed with staff: January 06, 2025
