CGPD Statement on the Passing of K9 Oszy

GREENWOOD, IN (July 7, 2025) – It is with heavy hearts that the Center Grove Police Department (CGPD) announces the passing of K9 Oszy, a loyal partner and beloved member of our law enforcement family.

In early 2025, Oszy began experiencing health issues. During a veterinary checkup, a large and aggressive mass was discovered in his abdomen. After careful consultation with his veterinarian and in consideration of his quality of life, the extremely difficult decision was made to humanely lay him to rest to prevent further suffering.

K9 Oszy served the Center Grove community with dedication and heart as a certified narcotics detection and tracking dog. He was assigned full-time to CGPD Sergeant David Beasley, his handler and partner. Together, they played a vital role in promoting safety within our schools and community.

Beyond his service, Oszy was known for his playful personality. He especially loved playing with any toy he could chase. In the schools, Oszy quickly became a favorite among students and staff. His calm and friendly demeanor made him approachable to all, and he never turned down an opportunity for a few moments of affection from anyone.

Our thoughts and prayers are with Sergeant Beasley and his family, who shared a deep and enduring bond with Oszy. We are forever grateful for K9 Oszy's service.
