Ethnic and Racial Demographic Designation Form

Student's First Name: _____ Middle: _____ Last: _____

Date of Birth: _____ District: _____ School: _____

Schools are required to report ethnicity and race to the state and to the U.S. Department of Education. Because of recent changes to Minnesota state law, Minnesota disaggregates each category into detailed groups to further represent our student populations. Parents or guardians are not required to answer the federal questions (**in bold**) for their children. If you choose not to answer the federal questions (**in bold**), federal law requires schools to choose for you. This is a last resort—we prefer if parents or guardians complete the form. State questions are labeled as “Optional” and schools will not fill in this information for you.

This information helps improve teaching and learning for everyone and helps us accurately identify and advocate for students currently underserved. The information this form collects is considered private information. Based upon the results of the test, your student may be entitled to English language development instruction. **Access to instruction is required by federal and state law. As a parent or guardian, you have the right to decline English Learner instruction at any time.** Every enrolling student must be provided with the Minnesota Language Survey during enrollment. Immunization Requirements - 7th Grade

Dear Parent/Guardian:

To enter 7th grade, all students are required by MN state law to have the following additional immunizations before school starts:

- 1) Tdap - a tetanus and diphtheria booster including pertussis
- 2) Meningococcal (MenACWY/MPSV4) - one dose required for 7th grade, and a second dose is required before entering 12th grade.

MN State law requires all students attending public school to have a complete history of all required immunizations or a copy of legal exemption from immunizations on file at school.

You will need to provide proof of immunization on or before the first day of school. Records can be sent to the school, e-mailed to me or dropped off at the office.

Looking forward to a healthy school year!

BUS ASSIGNMENT PROCEDURE

BUS ASSIGNMENT GUIDELINES FOR GRADES K-12

Where busing is available to/from school of record:

1. Any student who is transported by school bus will be allowed one designated pick up location and one designated drop off location per household. If a student lives at more than one residence due to parental separation/divorce or foster care and each is registered on Skyward student database as a residence of the student, then the student may have one designated pick up location and one designated drop off location for each household.
2. Transportation will be provided from/to a student's residence(s), a licensed daycare, the residence of a family or friend, a parent's place of employment, or an approved open enrollment bus stop location. Transportation will not be provided to appointments/activities not sponsored by the school district.
3. Students will be required to ride the bus(es) they are assigned or for which they have a temporary bus pass.

PROCEDURE FOR REGULAR BUS ASSIGNMENTS

1. Every student attending DLPS will need to submit their transportation information to the Transportation Department whether he/she intends to ride the school bus or not. This registration should be submitted: before the start of each school year, when a new student starts attending a DLPS school, or when a transportation change is required (residence change, daycare change, etc.). Registration should be done online at: [DLSCHOOLS.NET > PARENTS > STUDENT TRANSPORTATION > STUDENT TRANSPORTATION REGISTRATION](#)
2. Students residing inside the district where busing is available to their school of record will automatically be assigned transportation between their primary address (as listed in Skyward) to their school of record.
3. A pick up and/or drop off location may be requested instead of the primary residence, provided it is in accord with the bus assignment guidelines.
4. New bus assignments will go into effect the Monday after the transportation registration is submitted as this is when drivers will receive their weekly route information. When there is a situation such as family displacement or emergency foster care, the bus assignment will go into effect as soon as it can be arranged.

PROCEDURE FOR TEMPORARY BUS ASSIGNMENTS

1. Temporary bus assignments (e.g. when parents are away on vacation) will be allowed if:
 - Space is available on the bus.
 - Requests are submitted at least two (2) school days before it is to go into effect. An exception may be allowed for family emergencies requiring a student to ride a bus to which he/she is not assigned.
 - The pick-up location and/or drop off location follow the bus assignment guidelines.
2. A Temporary Bus Pass will be issued to the student and valid for the time the temporary bus assignment is required. The student will need to have the bus pass when utilizing the temporary bus assignment.
3. Temporary bus assignment requests may be made once per student per month.

PROCEDURE FOR EARLY RELEASE DAYS

1. Procedures for after school on early release days will not change: **ROOSEVELT AND ROSSMAN SCHOOLS** will collect after school information for their students and provide it to the Transportation Department, **DLHS & DLMS** students will do as they would any other school day.

If you have questions, please go to Dlschools.net / Departments/Transportation/ Bus Policies and Procedures or call Kathy Boelter at 218-847-9271.

For Parent/Guardians:

Definitions:

Indian means an individual who is (1) A member of an Indian Tribe or Band, as membership is defined by the Indian Tribe or Band, including any Tribe or Band terminated since 1940, and any Tribe or Band recognized by the State in which the Tribe or Band resides; (2) A descendant of a parent or grandparent who meets the requirements described in paragraph (1) of this definition; (3) Considered by the Secretary of the Interior to be an Indian for any purpose; (4) An Eskimo, Aleut, or other Alaska Native; or (5) A member of an organized Indian group that received a grant under the Indian Education Act of 1988 as it was in effect on October 19, 1994.

Student Information: Write the name of the child, date of birth, grade level, name of school and school district. Only name one child per form.

Tribal Membership: Write the name of the individual with the tribal membership, if it is not the child listed. Only one name is needed for this section, even though multiple persons may have tribal membership. Select only one identifier: the child, child's parent or grandparent, for whom you can provide membership information.

Write the name and address of the organization that maintains updated and accurate membership data for such Tribe or Band of Indians. The name does not need to be the official name as it appears exactly on the Department of Interior's list of federally recognized Tribes, but the name must be recognizable and be of sufficient detail to permit verification of the eligibility of the Tribe. Check only one box indicated whether it is a Federally Recognized, State Recognized, Terminated Tribe or Organized Indian Group. Write the enrollment number establishing the membership for the child, parent or grandparent, if readily available, or other evidence of membership.

Attestation Statement: Provide the printed name of parent/guardian and signature, address, phone number and email of the parent or guardian of the child. The signature of the parent or guardian of the child verifies the accuracy of the information supplied.

Paperwork Burden Statement: According to the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless such collection displays a valid OMB control number. The valid OMB control number for this information collection is 1810-0021.
