[Amanda] Hi, my name is Amanda Mahoney. I'm a physical therapist here at the Faculty Practice Clinic.	Woman (Amanda) in blue blazer standing in a physical therapy clinic Text: Amanda Mahoney, P.T., D.P.T., O.C.S., W.C.S. Orthopaedic Physical Therapist and Women's Health Specialist
I am double board certified in orthopedic and in women's health. I enjoy treating patients with urinary incontinence, fecal incontinence, and pelvic pain	
because it really helps improvements in quality of life. Once we help with the symptoms.	Amanda in clinic working on arm exercises with a female patient
[Matthew] Hi, my name is Matthew Martin. I am a physical therapist and a board certified clinical specialist in neurologic physical therapy.	Man (Matthew) with goatee and glasses standing in a physical therapy clinic Text: Matthew Martin, P.T., D.P.T., N.C.S. Neurologic Physical Therapist
I also have a subspecialty certification in vestibular rehab, which means I treat patients with dizziness.	Matthew on camera
My favorite thing about working here is that in our clinic, we have access to the latest and greatest technology and equipment,	Matthew working with patient on Vector deweighting equipment
and that allows us to provide really excellent care for our patients and ensure the best possible outcomes for them.	Patient standing on balance board as they touch a screen to test balance
[April] My name is April Brown. I'm a physical therapist, and I'm board certified in orthopedic physical therapy. I'm also a certified	Woman (April) in green top standing in physical therapy clinic Text: April Brown, P.T., D.P.T., O.C.S., F.A.A.O.M.P.T. Orthopaedic Physical Therapist

Audio	Video
dry needling practitioner, and I'm a fellow of the American Academy of Orthopedic Manual Physical Therapy. I've been practicing since 2013, and I enjoy working with patients with a variety of orthopedic conditions	April on camera
whether it's a new onset of pain or pain that's persisted for years. It's a lot of fun to help people achieve their movement goals, whether it's getting up and down from the floor or returning to sport.	April working with patient wearing blood restriction band on his thigh
[Nick] I'm Nick Russell. I am a physical therapist at the L.S.U. Health Shreveport Faculty Practice clinic.	Man (Nick) with redhair and beard wearing a dark polo shirt standing in physical therapy clinic Text: Nick Russell, P.T., D.P.T., O.C.S. Orthopaedic Physical Therapist
I am a board certified orthopedic clinical specialist and a certified strength and conditioning specialist. I enjoy working with patients with orthopedic injuries of all types,	Nick on camera
especially shoulder and knee dysfunctions. I enjoy working in the clinic because we're surrounded by other expert clinicians, so we can always bounce ideas off each other.	Patients walking on treadmills and doing side steps between parallel bars
[Noelle] My name is Noel Burton. I'm an occupational therapist. I've been an occupational therapist for a little over eight years.	Woman (Noelle) wearing dark scrubs standing in physical therapy clinic Text: Noelle Burton, M.O.T., L.O.T.R., C.B.I.S. Occupational Therapist
I have additional certifications as a certified brain injury specialist as well as a stroke rehab specialist. I really enjoy working with clients after they've undergone a stroke or some sort of traumatic brain injury, helping them get back to their greatest quality of life, whether it be that we're working on	Noelle on camera
we're working on things like self-care, like grooming, bathing, toileting all the way up to	Therapist demonstrating task of unloading dishwasher to patient
higher level things like returning to driving, returning to work, all the things that we do every single day.	Patient driving on drive simulator

[Amy] Hi, my name is Amy Rinder. I'm an occupational therapist and a certified hand therapist. I've been an occupational therapist	Woman (Amy) wearing light purple top and cardigan standing in physical therapy clinic Text: Amy Rinder, O.T., C.H.T. Occupational Therapist
for 30 years and a certified hand therapist since 2001. I specialize in the hand and the upper extremity injuries, but I also specialize in persistent pain that can include concussions, migraines, and other full body experiences.	Amy on camera
I love working here because it gives me the opportunity to treat my patients, as well as teach in the school.	Patient on balance board connecting dots on a large monitor
[Sarah] My name is Sarah Murnane. I'm a physical therapist here at L.S.U. Health Shreveport‘s Faculty Practice Clinic.	Woman (Sarah) wearing dark blazer standing in wound care treatment room Text: Sarah Murnane, P.T., D.P.T., C.W.S. Wound Care & Lymphedema
I am a certified wound specialist as well as a certified lymphedema therapist. So I have a dual role, in that I treat patients both with wounds as well as patients suffering from lymphedema, largely post cancer related.	Sarah on camera
I really enjoy my time here at the clinic and helping my patient’s wounds heal	Patient having wound wrapped
and helping my lymphedema patients get back to their highest level of function.	Sarah and resident placing air wraps on a patient’s legs
