

SEA-TECH CAN GET YOU WHERE YOU WANT TO GO

SEA-Tech students get the full high school experience of clubs, athletics, and cultural activities, while exploring career paths and enjoying the classes and resources of Cape Fear Community College.

Located just a half mile from the CFCC North Campus in Castle Hayne, SEA-Tech has been one of New Hanover County's nine high schools since opening in 2017 and serves students from New Hanover and Pender Counties.

The SEA-Tech experience allows students a flexible and accelerated timeline to complete academic requirements. Whether students start with a career focus or explore multiple certificate areas, through blended and project based learning they will find high school relevant, relatable, and rewarding.

Apply Now!

The application period for SEA-Tech opens in December. Reach out to us to find out more about the process or to schedule a personal tour.
