Bus service for grades K through 12 is available at schools where 50 or more students are contracted to ride the bus or where ridership has been mandated. Service will not start until a signed contract with payment is submitted to DS Bus Lines. Bus routes and stops are established during the summer and available to students at their school of attendance by the end of July. Bus rules are located on the district web site under Families - Transportation. **Kindergarten and 1st graders will need an adult to be at the bus stop to receive the student.**

Bus stops can be up to ¼ mile away for Elementary Students and ½ mile away for Secondary Students

We reserve the right to hold the parents or guardian of any rider responsible for any vandalism their child may do on the bus.

This contract shall be binding on both parties for its duration, the only exceptions being if a student moves outside the attendance area or ceases to attend school. In either event, the bus company must be notified in writing by the parent (guardian) in order for the parent (guardian) to be reimbursed, which will be based on a quarterly pro-rated basis. Students may start mid-semester as long as contracted bus services already exist at that school. Those fees will be bases on a Quarterly Pro-Rated Basis.

STUDENTS ARE TO BE AT THEIR BUS STOPS 5 MINUTES PRIOR TO SCHEDULED BUS STOP TIME

Please sign up to receive LATE BUS NOTIFICATIONS

Individuals may sign up to receive text alerts when buses may be running late due to unexpected incidents or inclement weather conditions. We encourage family members to take advantage of the free service by signing up!

SHAWNEE MISSION

SCHOOL DISTRICT

Dear Parents:

If your student is riding a school bus, please know that safety is a priority in the Shawnee Mission School District. We abide by regulations set forth by the Kansas State Department of Education/School Transportation as well as supplemental district policies and expectations in order to maintain a safe and efficient transportation program. The bus ride is considered an extension of the school day. Therefore, it is important that students understand all school expectations that apply while riding on the bus. Additionally, buses are equipped with video cameras which record both visual and audio. ***Bus stops can be up to ¼ mile away for Elementary students and ½ mile away for Secondary students. Kindergarten and 1st graders will need an adult to be at the bus stop to receive the student.***

Please review the safety regulations below with your student. Remember the bus is an extension of the school and classroom and those expectations apply as well. Failure to comply with these safety regulations may lead to a suspension of bus privileges.

Procedures for Bus Riders Requesting Multiple Bus Stops

DS Bus Lines is only authorized to assign routes and bus stops to students at corner bus stops near their home addresses according to the SMSD student information system. If a parent/guardian would like their student dropped off at any other location on a regular basis throughout the school year, please refer to the procedures below.

1. The parent should provide the school with a written request giving permission for their student to be dropped off and/or picked up at a bus stop different than the one they are assigned to on our computer records.
2. The parent must choose an existing bus stop listed on the bus route for the alternative bus stop. A new stop will not be created as an alternative bus stop.
3. If the school approves the parent request for an alternative bus stop, the school should inform DS Bus Lines and DS Bus Lines will inform the driver.
