

GENERAL SAFETY RULES

- Students will be courteous to fellow students, the school bus driver, and assistants. They will follow directions the first time given.
- Students will board and leave the bus at their designated stops only, both in the AM & PM.
- If students do not ride for five consecutive days, drivers are not required to make the stop until a parent or guardian calls GOLDSTAR Transit at (940) 233-7214 to resume pickups.
- It is the responsibility of the parent or guardian to provide transportation to school or home if a child misses his/her school bus. The student should **NEVER** chase after the bus.
- If any article drops or rolls near or under the bus, **DO NOT GO AFTER IT**. Go to the door of the bus and ask the driver for help.
- A parent or guardian must accompany any student (2nd grade and below) who boards or unloads the bus if that student travels without a sibling. If travelling with a sibling (3rd grade or higher), the younger student(s) may board and unload with them.
- If the parent or guardian is not at the designated stop location to receive their student (2nd grade and below) for more than 3 consecutive occasions, afternoon transportation may be revoked.
- If the bus is equipped with seatbelts, the student will be required to have the seatbelt properly fastened, **AT ALL TIMES**. Failure for the student to follow this guideline will result in progressive discipline and may result in the suspension of transportation services.
