- Must hold or be eligible to obtain a North Carolina Teaching License in Music Education (Grades 9-12)
- Job-related teaching experience is required
- Must maintain active licensure and complete required Continuing Education Units (CEUs)

ESSENTIAL JOB FUNCTIONS:

- Teach music appreciation, harmony, and choral music to high school students
- Plan and implement a balanced music program within the allotted instructional time
- Provide individual and small group instruction tailored to student needs

- Encourage students to develop their individual musical talents and skills
- Use a diverse repertoire of traditional and contemporary music appropriate for student age and skill levels
- Maintain and care for school-owned instruments, music, and equipment
- Perform minor instrument maintenance and request repairs as needed
- Evaluate students' musical growth, performance, and understanding
- Assess each student's contribution to group performances
- Select and requisition appropriate music, books, and instructional materials
- Collaborate with school staff to provide music for assemblies, events, and seasonal programs
- Communicate regularly with parents and staff about student progress
- Uphold all school and district policies related to instruction, safety, and student engagement

WORKING ENVIRONMENT:

The usual and customary methods of performing the job's functions require the following physical demands: some lifting, carrying, pushing, and/or pulling; and significant fine finger dexterity. Work in this classification is considered light physical work requiring the exertion of up to 20 pounds of force occasionally and a negligible amount of force frequently or constantly to move objects. Generally, the job requires sitting, walking, and standing. This job is performed in a generally clean and healthy environment.

Employment will require extensive background check.
