

Parent's Right-to-Know Letter

Dear Parents and/or Guardians:

In accordance with ESSA, school districts who receive Title I funds to support students' academic success are required to notify families they have the right to request, and receive in a timely manner, information regarding the professional qualifications of the student's classroom teachers, including, at a minimum, the following:

- (I) Whether the student's teacher—
 - (i) has met State qualification and licensing criteria for the grade levels and subject areas in which the teacher provides instruction;
 - (ii) is teaching under emergency or other provisional status through which State qualification or licensing criteria have been waived; and
 - (iii) is teaching in the field of discipline of the certification of the teacher.
- (II) Whether the child is provided services by paraprofessionals and, if so, their qualifications.

If at any time your child has been taught for 4 or more consecutive weeks by a teacher not highly qualified, the school will notify you.

Our staff is committed to helping your child develop the academic knowledge and critical thinking he/she needs to succeed in school and beyond. That commitment includes making sure that all of our teachers and paraprofessionals are highly skilled.

If you have any questions about your child's assignment to a teacher or paraprofessional, please contact me.

Sincerely,
