SUBJECT: **2024-2025 FLORIDA DISTRICT AND SCHOOL GRADES**

This memorandum highlights the school and district grades released on Monday, July 7, 2025, by the Florida Department of Education (FDOE). Schools and districts must have tested at least 95% of eligible students to receive a school grade in the 2024-2025 school year. The 2024-2025 school and district grades include English Language Arts (ELA) Achievement, Math Achievement, Science Achievement, Social Studies Achievement, Middle School Acceleration, High School Acceleration, and Graduation Rate, learning gains for ELA and Math, learning gains for the lowest 25th percentile for ELA and Math, and an additional Grade 3 ELA Achievement component for elementary, combination schools, and districts. Included in the 2024-2025 school and district grades calculations are the results from the Florida Alternate Assessment (FAA).

The State Board approved two scales for the 2023-2024 school and district grades. One scale applies to elementary schools and the other to middle, high, combination, and district grades. The following table displays the state's district and overall school grade percentage scale, which was adopted for the 2023-2024 school year. The 2023-2024 school and district scales are carried over to the 2024-2025 and subsequent school years.
