## *"Introduction"*

### Building a Positive School Climate

LiveSchool is a proactive approach to promoting positive behavior and academic responsibility. By encouraging student engagement in academics, attendance, and citizenship, LiveSchool helps foster a safe and supportive school community.

### What is LiveSchool?

LiveSchool focuses on rewarding good habits, encouraging positive character traits, and reinforcing school and classroom expectations. **This includes Grades, Citizenship, and Attendance.**

Students earn points for meeting expectations and demonstrating positive habits throughout the school day.

**Quarterly Celebrations**
Students can earn access to end-of-quarter celebrations by accumulating points in a variety of ways.

**Automatic Qualification**
Students who meet the following criteria will automatically receive enough points to "purchase" the end of quarter celebration:

- GPA of 2.5 or higher
- No F's and no more than one D per grading period
- Attendance rate of 94% or higher
- No major office referrals

**Alternative Qualification**
Students who do not meet the automatic criteria can still earn points through positive behaviors and use them to "purchase" the end of quarter celebration.

## *"Incentives"*

### LiveSchool Points

Throughout the year, students earn digital currency/points from staff members within our school building. Students can use their points to shop at the **New Mark LiveSchool Store** throughout the year. Items and experiences will be listed on a store menu shared at the start of the school year.

**Sample Celebrations** *(subject to change)*:

- **1st Quarter:** T-shirts, Ice Cream Social, Technology Time
- **2nd Quarter:** Movie at New Mark, Bingo/Raffle
- **3rd Quarter:** New Mark Carnival (weather permitting)
- **4th Quarter:** Off-Campus Event (Main Event, Movie Theater, Worlds of Fun)

***Any student participating in the end of quarter celebrations are subject to administration's approval.*
