

WELCOME TO TEAM IMPACT!

Communication with Team Impact:

Our school uses Parent Square and email for all contact with parents. We also use Google Classroom for communication regarding assignments and reminders for students. Please make sure that you are aware of how to access all three of these for your child. Our TEAM EMAIL is lcmsw-8-team-impact@lee.k12.ga.us This email will allow you to contact the team of teachers. Individual emails will be sent at the beginning of the year. Thank you!
