## Student Dress Code\*

- (J) Inappropriate Dress: The MVCTC dress code is not intended to create hardship, but is to enhance the learning environment. Therefore, students will dress in a manner that is neat, clean and safe. Items of personal attire and accessories that present a substantial likelihood of disruption of school are not permitted. This includes but is not limited to costumes, masks, face paint, etc.

The principal is the final authority in the determination of appropriate attire.

### Guidelines for Appropriate Dress:

- (1) In an effort to prepare students for success in the workplace, every attempt will be made by staff to reinforce acceptable workplace attire thus creating a professional learning environment for the students. Clothing, jewelry, and other items of apparel must meet requirements of career technical program. Each supervisor will have requirements for all programs on file with the appropriate principal. Students who are not prepared to work in lab because of lack of safe apparel or equipment may be denied admission to lab, given alternate work, given detention, and for repeated violations may be referred to the principal.
  - (2) Clothing shall not include words or visuals that are lewd, obscene, disruptive, abusive or discriminatory or that advertise drugs, alcohol/tobacco, firearms, gangs or related material. Furthermore, any such clothing, which could be offensive to ethnic, religious or racial groups, is prohibited (flags, symbols, etc.). Dress or grooming that is disruptive of the classroom or school atmosphere is not allowed. Shoes must be worn at all times for health and safety reasons.
  - (3) Wallet chains and necklaces/bracelets/belts with spikes are not permitted.
  - (4) Brief and Revealing Clothing: Students must recognize that brief and/or revealing clothing is not appropriate apparel in school.
    - a. Students shall not wear tank tops, halter-tops, garments with spaghetti straps, off-the-shoulder garments or strapless garments.
    - b. Garments that are see-through, cut low or expose one's midriff are not acceptable.
    - c. Undergarments should not be visible.
  - (5) Sleeveless garments:
    - a. Tee shirts with sleeves that have been cut off are not appropriate school attire and must be covered with another shirt.
    - b. Sleeveless garments must extend to the end of the shoulders and fit closely under the arms.
  - (6) Lower garment:
    - a. The bottom hem of the lower garment must extend below the student's fingertips in the front, back and sides when their arms are held to their sides in a standing position or not be distracting to the educational process. If the garment has a slit, the slit must not extend above the student's fingertips when their arms are held to their sides in a standing position
    - b. Students opting to wear Leggings, Yoga Pants, Jeggings, or other form-fitting attire must make sure that the sweater or other upper garment extends so that it is not distracting to the educational process.
    - c. Students shall not wear pajama bottoms or bedroom slippers to school.
    - d. Sagging pants: Students shall not wear pants that, when fastened, sag or fit below the waist. All pants must fit around the waist and be properly fastened.
    - e. Long pants/skirts may not drag the floor. Shoes must be visible to ensure the student's safety.
    - f. Undergarments should not be visible.
    - g. Holes in the lower garment are not permitted above the student's fingertips in the front, back and sides when their arms are held to their sides in a standing position.
  - (7) Hats, hoods or head coverings (including bandanas) are not to be worn in classrooms, during assemblies, or at other times unless permitted by a staff member.
- (1) Sunglasses are not to be worn inside the school building.
  - (2) Appropriate shoes must be worn. Many lab settings require that a particular type of shoe be worn for safety reasons. Students are not permitted to wear bedroom slippers.
  - (3) Students are required to wear the designated dress code attire for their particular program according to the guidelines outlined by the lab instructor(s) and/or department supervisor.
  - (4) Dress code may be varied for certain theme days at the discretion of the principal.
  - (5) Students are not permitted to bring blankets into the school building because of the safety and health hazards associated with their use.
  - (6) Students must wear on their person their MVCTC STUDENT ID card or temporary student ID in a manner that is appropriate, safe and visible (at or above the waist). The student ID card must be attached by an approved lanyard with a breakaway clasp around neck or clipped to shirt or belt.
    - a. Student ID cards and their replacements are school property.
    - b. Student ID cards may not be defaced.
  - (7) Baseball/softball bats and other sporting equipment should be stowed in the lockers near the MAC during the school day.
