

Advantages for parents and students

The insurance fully covers the tuition fee for one academic year for the child in adverse circumstances such as loss of life, occurrence of one of 15 severe critical illnesses, permanent disability, or loss of working capacity for one or both parents.

One or both parents can be insured under this policy, with coverage limited to the amount of the tuition fee.

Features of PROTECTED EDUCATION

01

In the event of an insured event, it covers the tuition fee for the child for one academic year.

02

The insurance benefits children, students, and trainees in private educational institutions up to the age of 25.

03

Either one or both parents can be insured.

04

The insurance is concluded in euros and is paid as part of the annual tuition fee.

05

An option for deferred payment of the insurance premium is available.

Coverage under PROTECTED EDUCATION

01

Loss of life of a parent due to accident or illness;

02

Permanent disability (over 71%) due to accident or illness of a parent;

03

Diagnosis with one of 15 life-threatening diseases and conditions (for parents up to 60 years old).
