NOTES

For the 2025-2026 school year, 1st grade students will use a 10th/11th Generation iPad. The only port on these iPads is a USB-C port. 1st graders will need a headset that has both a USB-C connector AND a microphone.

Based on experience, D103 strongly recommends the following headphone for your student: AVID AP-400 WonderEars Classroom Headphone with Microphone USB-C. Families can purchase at Amazon.com (make sure to select the USB-C style headphones)

*****Cordless Bluetooth headphones are not recommended due to the need to keep them charged and because they are considered a security risk and potential disruption during state and local assessments.*****
