

Hello and Welcome to Kindergarten! My name is Mrs. Ellison and I will be your teacher this year. Our home is room 104. I'm really excited to meet you and get our year started! We will be learning about all of our letters, letter sounds, making words, and reading. We will also be learning about numbers, addition and subtraction, and shapes. Most importantly, we will be making new friends, learning how to work together, and having FUN!

The first week of school is an exciting time that we will be getting to know each other. Please bring in something from your summer that you can share with the class. An example would be a seashell, a small toy, a lego creation, a doll etc. Once you take your turn to share, you can bring your item home. It usually takes a few days to get through the whole class.

As for supplies, I would like you to bring a box of crayons, a pack of glue sticks, a container of wipes, and a container of hand sanitizer. You do not need a pencil box and you don't need to label any of the supplies. Please make sure your backpack is FULL size. We have lots of projects that are large and we need them to fit in the back pack. No worries if you are unable to purchase some of these supplies. I have extra!

I hope that I will get to meet you at Back to School Night on Tuesday, August 20th from 6:00 - 7:00 pm.

Enjoy the remainder of your summer! I can't wait to meet you!

Sincerely,

Mrs. Ellison
