Consequences for Dress Code Violations

It is important students/parents abide by DAEP's Dress Code. If a student's dress cannot be corrected at the alternative school, parent must take student home to correct. Parents are required to bring student back during the allotted time. If parent does not return student back to school, then student will receive an unexcused absence. If parent is unable to take student home to correct dress code, student may serve afterschool detention the following day.

A student who habitually fails to comply with dress code will receive a discipline referral. Student will be afforded 3 opportunities to correct. A 4th dress code violation will result in a discipline referral. Dress code discipline referral will prohibit student from meeting the early exit criteria.

Cold Weather

Student may wear a jacket or sweatshirt with **NO HOOD** at the administrator's or designee's discretion. The student may also wear a solid long sleeve shirt under the black polo if needed for warmth.

During the winter season, students will be allowed to wear their jacket inside the classroom. If the jacket becomes a distraction, then student will be asked to remove his/her jacket and place on the back of the chair.

Excessively large jackets **will not be** permitted.

No drug, alcohol, or gang related symbols or logos permitted on jackets or sweatshirts.

Dress Code as outlined in the Student Code of Conduct will be followed except for the modifications listed above. **The administrator will make the final determination.** Further dress code regulations found in the Student Code of Conduct will be followed. **The Student Code of Conduct book is provided at the student's home campus at the beginning of the school year upon request or is available on line at www.clint.net.**
