

GROSSE POINTE PUBLIC SCHOOL SYSTEM

Empowering Students · Valuing Diversity · Inspiring Curiosity · Pushing Possibilities

Pierce 2021-22 Annual Report

Mission Statement

The mission of Pierce Middle School is to create a caring and respectful environment where all students can grow intellectually, ethically and socially.

Attendance Rate: 93%

Percentage of Parents Participating in Parent-Teacher Conferences:

- 2021-22 95% (483 students)
- 2020-21 98% (557 students)

Assignment of Studies

The Board has determined attendance areas and students shall be expected to attend school within that area. A parent may request a transfer or appeal a placement decision on behalf of their student.

The principal shall be responsible for assigning students to classes. In elementary schools, the principal, in determining the grade level for any new student, may take into consideration the previous schooling of the student but may assign the student to a lower grade level or higher grade level, if in the principal's judgment such an assignment would be in the best interest of the student. In middle school and high school, students will be assigned to counselors, classes, and instructors by the building principal. GPPSS also has policies and guidelines which guide promotion and retention.

Introduction

Named after the United States of America and State of Michigan's first state superintendent, John D. Pierce Middle School demonstrated another year of excellence in academics, arts, athletics, and service during the 2021-22 school year. Pierce students met the rigorous expectations of our academic programs and actively participated in our Pierce School Community where all students work to "*Make Memories We're Proud of.*"

All grade levels were honored and recognized for participation and outstanding performance in academic and citizenship. A majority of Pierce students earn Academic Honors recognition. Our students participated in many academic contests including You Be the Chemist, Social Studies Geography Bee, Social Studies Olympiad, Destination

Imagination, National Spelling Bee, and Lakeshore Optimist Oratorical Contest, to name a few. Pierce also has a robust National Junior Honor Society.

Our Fine Arts programs were recognized many times over this year for their exemplary performances at the MSBOA and MSVMA festivals. Our Band, orchestra and vocal music students earned superior ratings at local, state, and national adjudicating music competitions. Our 8th Grade Choir was selected by the Michigan School Vocal Music Associate to perform at its annual conference in Grand Rapids.

At Pierce, students follow the mantra of "*Making Memories We're Proud of.*" Fifth and sixth grade students at Pierce are welcomed into Middle School by participating in an orientation Where Everyone Belongs (WEB) led by eighth grade WEB Leaders. The program provides mentoring to our fifth and sixth grade students as they transition into the middle school experience. Activities are carried out throughout the year with special events and through Advisory-P2.

Our Pierce Pride (P2) hour provides students the opportunity to focus on and strengthen our positive school culture. Advisory lessons and activities centered on monthly themes such as kindness, empathy, diversity, and perseverance/grit. An example activity was students placing sticky notes of positive affirmations on lockers. Pierce students also participated in service projects in conjunction with these themes.

Students continued their involvement outside the school day as well as with their involvement in many co-curricular activities including Art Club, First Robotics, Future Cities, NJHS and WEB.

Our PTO supports the successes of our students and our positive school culture by organizing student and community events. New this year, our PTO introduced the Trojan Trolley to support and encourage teachers and staff during remote learning.

Pierce Middle School is a place where all students can "*Make Memories We're Proud of*" and we look forward to continuing to provide opportunities for all students to be successful both academically and socially.

Nondiscrimination Statement

The District shall not discriminate on the basis of race, color, national origin, sex (including sexual orientation or transgender identity), disability, age, religion, height, weight, marital or family status, military status, ancestry, genetic information, or any other legally protected category in its programs and activities, including employment opportunities.

The Superintendent shall designate not less than two compliance officers who are responsible for coordinating the District's compliance with applicable federal and state laws and regulations, and for investigating reports of discrimination. The Superintendent shall ensure that all required notices under the civil rights or other laws are provided to staff members. The Superintendent shall develop and implement administrative guidelines to enforce this policy.

For further information on nondiscrimination, visit: www.gpschools.org under School Board - Policy or <http://wdcrobcolp01.ed.gov/CFAPPS/OCR/contactus.cfm> for the address and phone number of the office that serves your area, or call 1-800-421-3481.

FERPA Notice

The Grosse Pointe Public School System may, upon request, release the following directory information: student name, grade level, graduation date, height and weight if an athlete, participation in school activities, honors and awards, photographs and videos of students in school activities, and student name, addresses and telephone numbers when requested by military recruiters. GPPSS also publishes student information via school sponsored or school-related media, including activities of the Grosse Pointe Foundation for Public Education.

Parents or students, 18 years or older, who do not wish this information made public should click the FERPA directory information button during K-12 online registration.

Core Curriculum

Grosse Pointe Public School System (GPPSS) engages in a system of continuous improvement through collaboration and continuity while focusing on our Vision: *One Inclusive Community Learning Together*, and our Mission: *Cultivate Educational Excellence By: Empowering Students, Valuing Diversity, Inspiring Curiosity, and Pushing Possibilities*. GPPSS builds a robust and equitable educational community where all learners are empowered to reach their unique potential. We strive to provide students opportunities to acquire the attitudes, values, knowledge and skills that prepare them to be contributing members of society.

Thoughtful, carefully aligned practices ensure the district's curriculum, instructional approaches and system of assessments are designed to maximize student learning and provide all students a rigorous aligned from preschool through graduation. An innovative, evolving and articulated curriculum that is responsive to the rapidly changing world, broad-based to meet the needs of all students at all levels, and designed to challenge every student to realize their true potential, is essential. Differentiated and culturally responsive instructional approaches based on best practices and research; high expectations for student and staff performance; and flexibility, innovation and individual teaching styles are the basis for quality learning experiences in every class, every day. Modifications to the curriculum or instructional approaches are driven by data obtained from assessments implemented by the district.

The GPPSS core curriculum is developed under the guidance of the Educational Programs Leadership Council (EPLC), a group of teachers, parents, students, and administrators who meet monthly. The core curriculum is based upon state standards in all subjects and extends beyond those by incorporating exemplary local and national standards. Reports of the curriculum committees are submitted first to the EPLC, then the Board of Education, and include recommendations regarding assessment, professional development, integration of technology, and differentiated and culturally responsive instruction to cultivate academic diversity within curriculum development. The district also offers a wide array of advanced placement and challenging enrichment courses and a comprehensive special education program.

The curriculum review process uses the District's Strategic Plan as a lens to review, construct, and implement curriculum and instructional practices. Based on our district curriculum studies timeline (5 -7 years), curriculum reviews occur in the following phases:

- Phase 1 - curriculum review/study (entering this phase are Social Studies, Counseling, Library/Media, and TV Production)
- Phase 2 - construction of goals/objectives and programs
- Phase 3 - implementation
- Phase 4 - maintenance

District-wide professional development is part of a comprehensive plan that uses teacher choice as well as mandatory training in areas identified by our district professional development team.

Fall Events

September 7, 6 pm

Back to School Night

September 12

Late Start Mondays begin for Staff PLC, Parcells PTO 6:30 p.m., Board of Education Mtg. 7 p.m.

September 15

Back to School Night for North and South

September 22

Picture Day (retake 10/6)

September 26

7 pm School Board Mtg

September 27

LWV Candidate Forum, 7 p.m. Brownell MPR

September 28

Listening Session at Pierce with Superintendent Dean, 3:45 p.m.

October 5

Student Count Day

October 7

PTO Fun Run

October 11

PSAT Test for 8th Grade

October 19

Middle School (MS) Evening Conferences

October 20

1/2 day for Students
MS Afternoon and Evening Conferences

October 31

1/2 day a.m. for Students
(PD for staff)

November 4

Middle/High School end of first quarter

November 6

GPPSS Open House

November 8 - Vote

Full Day of PD—no school for students

November 23-27

Thanksgiving Break

December 26-January 3

Winter break. Classes resume Wednesday 1/4

January 10

Rising 5th Grade Parent Info Night

January 11

Rising Freshman Parent Info Night North & South

School Improvement Plan

The School Improvement Plan consists of four processes. Pierce stakeholders:

1. Plan (outline strategy)
2. Do (implement plan)
3. Study (analyze data) and
4. Act (make adjustments, and repeat).

The Plan is re-evaluated yearly, taking into consideration new student achievement data, as well as current trends and research-based instructional practices. Entering 2021-22, we continued to focus on:

School Climate: School-wide Positive Behavior Intervention Support System (PBIS) with tiered interventions, and student leadership/mentoring opportunities:

- Students will be supplied with a PBIS matrix defining expectations for Pierce students to demonstrate respectful, responsible, and safe behavior in all school settings.
- Faculty and staff continue to implement a multi-disciplinary team approach in identifying and assisting students with significant problem behaviors.
- Peer to Peer and WEB student leadership programs will provide opportunities for student modeling, leadership, and growth.

Reading: All Pierce Middle School students, will improve their reading proficiency as measured by managing complex text.

- Students will develop their skills in making inferences and analyzing characters and content.
- Students will utilize strategies including: Close Reading, and Graphic Organizers.
- Students will use Claim Evidence Reasoning (CER) when analyzing text.

Writing: All Pierce students will improve their proficiency in writing:

- Students will utilize the 8 and 11 sentence paragraph, to organize their thoughts and demonstrate a deeper understanding by drawing conclusions, problem-solving unfamiliar language, making inferences, and synthesizing the information.

Math: All Pierce students will improve their ability to reason abstractly and quantitatively

- Students will represent abstract and contextual situations symbolically, estimate for reasonableness, create and use multiple representations.
- Students will attend to precision through precise vocabulary (orally and written) and carefully formulate questions and explanations using the CER (Claim Evidence Reasoning) strategy.

PIERCE MICHIGAN STUDENT TEST OF EDUCATIONAL PROGRESS (M-STEP)

M-STEP ENGLISH LANGUAGE ARTS TEST Percentage Scoring SATISFACTORY									
Grade 5				Grade 6			Grade 7		
Year	All	Female	Male	All	Female	Male	All	Female	Male
21-22	76% (43%)	78%	74%	55% (38%)	61%	50%	60% (38%)	58%	62%
20-21	64% (44%)	60%	67%	61% (39%)	60%	61%	60% (41%)	67%	52%

M-STEP MATHEMATICS TEST Percentage Scoring SATISFACTORY

Year	All	Female	Male	All	Female	Male
21-22	65% (38%)	65%	66%	61% (36%)	61%	61%
20-21	46% (29%)	40%	49%	44% (23%)	41%	46%

NOTE: Due to COVID-19, M-STEP tests were not administered in the spring of 2020, so to meet Public Act 25 requirements previous years' data is shared here. Total with Other Tests refers to percentage tested with M-STEP or MI-ACCESS (alternative state test) in each area.

Pierce M-STEP Data is not reported by Racial/Ethnic minority group, Special Education, or Economically Disadvantaged because no group is significantly large enough to report M-STEP results without revealing the identity of individual students.

Spring 2021 was the first time science M-STEP tests were taken so there is no prior year data. Last year was also the first year for fifth grade in middle school, so there is no prior data for that either.

*State of Michigan M-STEP results have been shown in parentheses for comparison to school results. In 2018-19 the M-STEP Math and English tests for 8th grade changed to PSAT.

PSAT Grade 8 Percentage Achieving SATISFACTORY			
Year	All	Female	Male
21-22 English	84% (60%)	91%	77%
20-21 English	83% (64%)	85%	81%
21-22 Math	60% (36%)	62%	57%
20-21 Math	60% (36%)	47%	72%

	19-20	70	73	68	62	57	66
8	21-22	67	71	64	64	66	62
	20-21	68	69	67	64	62	65
	19-20	74	72	76	74	77	70

NOTE: The Grosse Pointe Writing Assessment was not administered during the spring 2020 closure. Due to COVID-19, 2019-20 NWEA data is from the fall test as the spring test was not administered during the statewide school closure. A percentile is the percentage of students in a national norms group who scored at or below a particular score. Fifth grade moved to the middle schools in 2020-21, so prior year data is not available.
