

Below is a copy of some Number Jingles. The jingles help children write various numbers correctly and in a fun way. Many of your children need additional help writing and recognizing the numbers. Your assistance at home will be greatly appreciated.  
(Tune: Here We Go Round The Mulberry Bush)

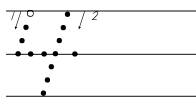

Come straight down to make a come,  
Come straight down to make a one,  
Come straight down to make a one,  
So early in the morning.

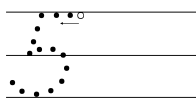

Half way round and back again,  
Half way round and back again,  
Half way round and back again,  
To make the number 2.

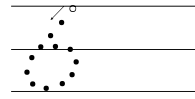

Half way round and back again,  
Half way round and back again,  
Half way round and back again,  
To make the number 3.

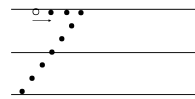

Down and across and down again,  
Down and across and down again  
Down and across and down again  
To make the number 4.

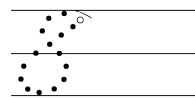

Down and around and put on his cap,  
Down and around and put on his cap,  
Down and around and put on his cap,  
To make the number 5.

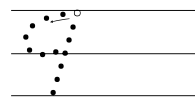

Come straight down and curl his tail,  
Come straight down and curl his tail,  
Come straight down and curl his tail,  
To make the number 6.

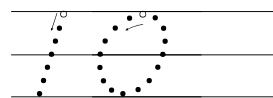

Dash across and come straight down,  
Dash across and come straight down,  
Dash across and come straight down,  
To make the number 7.

Make a snake and then go up,  
Make a snake and then go up,  
Make a snake and then go up,  
To make the number 8.

Make a balloon and then the stick,  
Make a balloon and then the stick,  
Make a balloon and then the stick,  
To make the number 9.

One and zero make a ten,  
One and zero make a ten,  
One and zero make a ten,  
So early in the morning.
