Where can I find lunch menus?

Go to: <https://www.fdmealplanner.com/>

Type "St. Benedict at Auburndale" in the search bar. This page also offers pricing of a la carte items.

DECLINING BALANCE PROGRAM A LA CARTE

Students may purchase individually priced a la carte items through our declining balance program in addition to their Daily Meal Plan offerings. This program is ideal for breakfast, snacks and extras or second servings at lunch. A student's balance decreases as purchases are made, much like a debit card.

The declining balance program is NOT used to fund the Daily Meal Plan. It pays only for a la carte breakfast, snacks and lunch items.

FUNDING YOUR ACCOUNT

How do I fund my declining balance account?

To fund your student's declining balance account, go to www.MySchoolBucks.com and log into your account. If you are a first time user, you will need to set up an account using your student's 4 or 5 digit Veracross student ID number. The MySchoolBucks website will walk you through the setup process.

How much should I put in the account?

We suggest a \$50 minimum starting balance. You can fund your account with a debit card, VISA, MasterCard or e-check. Your MySchoolBucks account will allow you to:

- Monitor student purchases
- Receive low balance email reminders (recommended)
- Set up auto-payment for your account (recommended)
- Make split payments for multiple students

Can a student charge into a negative balance?

Yes. Students may charge up to **\$25.00** into the negative. If the account is **\$25.00 negative** at lunch, the student will receive an alternative meal (sandwich, chips, bottled water, and applesauce). Accounts over the limit will be referred to the school to notify the student account and request payment.

Should every student have a declining balance account in addition to the Meal Plan?

While not required, every student will want one.

How can I see what my student is buying?

Log on to your student's account at MySchoolBucks.com.

Is the online account information secure?

Yes. MySchoolBucks is PCI and VeriSign certified.
