

What is a UCP complaint?

A complaint under the Uniform Complaint Procedures (UCP) is a written and signed statement by an individual, public agency, or organization alleging a violation of federal or state laws governing certain educational programs.

What agencies are subject to the UCP?

The UCP covers alleged violations by school districts, and local public or private agencies which receive direct or indirect funding from the State to provide any school programs, activities, or related services.

Educational programs covered by the UCP include:

- Accommodations for Pregnant and Parenting Pupils
- Adult Education
- After School Education and Safety
- Agricultural Career Technical Education
- Career Technical and Technical Education; Career Technical and Technical Training Programs
- Child Care and Development
- Compensatory Education
- Consolidated Categorical Aid Programs
- Course Periods without Educational Content
- Discrimination, harassment, intimidation, or bullying against any protected group as identified under sections 200 and 220 and Section 11135 of the Government Code, including any actual or perceived characteristic as set forth in Section 422.55 of the Penal Code, or on the basis of a person's association with a person or group with one or more of these actual or perceived characteristics, in any program or activity conducted by an educational institution, as defined in Section 210.3, that is funded directly by, or that receives or benefits from, any state financial assistance
- Educational and graduation requirements for pupils in foster care, pupils who are homeless, pupils from military families and pupils formerly in Juvenile Court now enrolled in a school district
- Every Student Succeeds Act
- Local Control and Accountability Plans (LCAP)
- Migrant Education
- Physical Education: Instructional Minutes
- Pupil Fees
- Reasonable Accommodations to a Lactating Pupil
- Regional Occupational Centers and Programs
- School Safety Plans
- Schoolsite Councils
- State Preschool
- State Preschool Health and Safety Issues in LEAs Exempt From Licensing

What issues are not covered by the UCP?

Not all complaints fall under the scope of the UCP. Many concerns are the responsibility of the LEA, including classroom assignments, common core, grades, graduation requirements, hiring and evaluation of staff, homework policies and practices, provision of core curricula subjects, student advancement and retention, student discipline, students' records, The Bagley-Keene Open Meeting Act, the Brown Act, and other general education requirements. NVUSD, however, may use its local complaint procedures to address complaints not covered by the UCP. Only allegations within the subject matters falling within the UCP can be appealed to the CDE.

In addition, the following complaints are referred to other agencies for appropriate resolution and are not subject to the UCP:

- Allegations of child abuse are referred to County Departments of Social Services, Protective Services Divisions, or appropriate law enforcement agency.
- Health and safety complaints regarding licensed facilities operating a Child Development Program are referred to the Department of Social Services.
- Employment complaints are sent to the California Department of Fair Employment and Housing.

How do I file a UCP complaint and how is it processed?

NVUSD's UCP complaint policies and procedures provide the information needed to file a local complaint. NVUSD must annually notify its students, employees, parents/guardians, school and district advisory committees, appropriate private school officials and other interested parties of NVUSD's UCP complaint policies and procedures, and the opportunity to appeal NVUSD's Investigation Report to the CDE. NVUSD must provide their complaint policies and procedures free of charge.

What are the responsibilities of the complainant?

- Receives and reviews the UCP complaint policies and procedures from NVUSD.
- Files a written complaint by following the steps described in the NVUSD's UCP complaint procedures. 1) The signature on a complaint may be handwritten, typed (including in an email) or electronically-generated; 2) A complaint filed on behalf of an individual student may only be filed by that student or that student's duly authorized representative; 3) All complaints must be filed within one year from the date of the alleged violation. For Local Control and Accountability Plan (LCAP) complaints, the date of the alleged violation is the date when the reviewing authority approved the LAP or annual update that was adopted by NVUSD.
- Cooperates in the investigation and provides the NVUSD investigator with information and other evidence related to the allegations in the complaint.
- May file a written appeal to the CDE within 30 calendar days of receiving NVUSD's decision if they believe NVUSD's decision is incorrect.
- Must specify the basis for the appeal and whether NVUSD's facts are incorrect and/or the law is misapplied. The appeal packet must contain a copy of the original complaint to NVUSD and a copy of NVUSD's decision.
- Where applicable, within 30 calendar days of receiving the CDE's decision or report, may submit a request for reconsideration by the Superintendent of Public Instruction at the CDE or their designee. The request for reconsideration must specify and explain the reason(s) for contesting the findings of fact, conclusions of law, or corrective actions in the appeal Decision.
- When filing an appeal with the CDE, must specify and explain the basis for the appeal, including at least one of the following: 1) NVUSD failed to follow its complaint procedures, and/or; 2) Relative to the allegations for the complaint, NVUSD's Investigation Report lacks material findings of fact necessary to reach a conclusion of law, and/or; 3) The material findings of fact in NVUSD's Investigation Report are not supported by substantial evidence, and/or; 4) The legal conclusion in the LEA Investigation Report is inconsistent with the law, and/or; 5) In a case in which NVUSD found noncompliance, the corrective actions fail to provide a proper remedy.

What are the responsibilities of NVUSD?

- Ensures compliance with federal and state laws and regulations.
- Adopts UCP complaint policies and procedures consistent with the *California Code of Regulations*, Title 5 Sections 4600–4694.
- Designates a staff member to be responsible for receiving, investigating and resolving complaints and makes sure the staff member is knowledgeable about laws/programs they are assigned. In NVUSD this is:
Assistant Superintendent, Human Resources
2425 Jefferson St., Napa, CA 9558
(707) 253-3571
- Must give the filing party an opportunity to present information and/or evidence relevant to the complaint.
- Protects complainants from retaliation.
- Resolves the complaint and completes a written report within 60 calendar days of receipt of the complaint unless extended by written agreement of the complainant.
- Must advise the complainant of the right to appeal NVUSD's Investigation Report to the CDE within 30 calendar days of receiving the report.
- If NVUSD finds merit in a complaint, it must impose corrective actions for, including, but not limited to complaints involving pupil fees, courses of study, instructional minutes for physical education and LCAP, and must include a remedy to all affected pupils, parents and guardians.
- NVUSD shall provide the investigative file to CDE within 10 days of notification of an appeal. NVUSD's failure to provide a timely and complete response may result in the CDE ruling on the appeal without considering information from the district.

What are the responsibilities of the California Department of Education (CDE)?

The UCP authorizes the CDE to process appeals of SVUSD's Investigation Report on UCP complaints; or, in certain specified situations, to intervene directly and investigate the allegations in the complaint. The CDE:

- Reviews, monitors and provides technical assistance to NVUSD regarding the adoption of UCP complaint policies and procedures by NVUSD's governing board.
- Refers a complaint to NVUSD for resolution when appropriate.
- Considers a variety of alternatives to resolve a complaint or appeal when:
 1. The complainant alleges and the CDE verifies that, through no fault of the complainant, NVUSD fails to act within 60 calendar days of receiving the complaint.
 2. The complainant appeals NVUSD's decision if they believe the decision is factually and/or legally incorrect.
 3. When requested by the complainant, the CDE determines when direct intervention is applicable.
- Requires corrective action by NVUSD if noncompliance issues are identified during the investigation.
- Provides monitoring and technical assistance to NVUSD to ensure resolution of findings of noncompliance.
- Where applicable, notifies the parties of the right to request reconsideration of the CDE's decision/report by the Superintendent of Public Instruction at the CDE within 30 calendar days of the receipt of the decision/report.
- For those programs governed by part 76 of Title 34 of the *Code of Federal Regulations*, notifies the parties of the right to appeal to the United States Secretary of Education.
- If the CDE finds merit in an appeal, it must issue corrective actions for, including, but not limited to, complaints involving pupil fees, courses of study, instructional minutes for physical education, and local control and accountability plans, and must include a remedy to all affected pupils, parents, and guardians.

- The CDE must issue an appeal Decision within 60 days, unless extended by written agreement with the Appellant, or the CDE documents exceptional circumstances and informs the Appellant, or the CDE receives notice that the matter has been resolved at the local level, or the CDE receives notice that the matter has been judicially decided.
- On reconsideration, the CDE will not consider new information unless it was unknown during the appeal and could not have become known with due diligence.
- The CDE must act on the reconsideration request within 60 days. During the reconsideration period, the CDE appeal Decision remains in effect and enforceable, unless stayed by a court.
- The CDE may at its discretion directly intervene without waiting for NVUSD's investigation in certain enumerated situations.
- The CDE must directly intervene if the complaint alleges that an agency that is not an LEA violated laws relating to a Child Care and Development Program
- When CDE declines direct intervention in an anonymous complaint, the CDE will not forward the complaint to NVUSD without the complainant's permission.
- When the CDE directly intervenes, the CDE must issue a Department Investigation Report within 60 days, unless the parties have agreed to extend the timeline or the CDE documents exceptional circumstances and informs the complainant, or the matter has been resolved at the local level or judicially decided.
- On reconsideration, the CDE will not consider new information unless it was unknown during the investigation and could not have become known with due diligence.
- The CDE must act on the reconsideration request within 60 days. During the reconsideration period, the CDE Investigation Report remains in effect and enforceable, unless stayed by a court.
- Within 30 days of the date of the CDE's appeal Decision, either party may request reconsideration. Within 30 days of the date of the CDE's Investigation Report, either party may request reconsideration.

Williams Complaints

A Williams complaint concerns instructional materials, emergency or urgent facilities conditions that pose a threat to the health and safety of pupils, and teacher vacancy or misassignment, and may be filed anonymously. NVUSD must have a complaint form available for these types of complaints, but will not reject a complaint if the form is not used as long as the complaint is submitted in writing. Under applicable regulations, a notice must be posted in each classroom in each school notifying parents and guardians of the matters subject to a Williams complaint and where to obtain a form to file a complaint.

A Williams complaint must be resolved by the school principal or by the district superintendent or his or her designee. A complainant who is not satisfied with the resolution has the right to describe the complaint to the governing board of the school district at a regularly scheduled meeting of the board. Except for complaints involving a condition of a facility that poses an emergency or urgent threat, there is no right of appeal to the CDE.

In the case of complaints concerning a condition of a facility that poses an emergency or urgent threat, a complainant who is not satisfied with the resolution has the right to file an appeal to the Superintendent of Public Instruction at the CDE within 15 calendar days of receiving the report.

For further information on Williams complaints please go to the CDE Web site and search for Williams Facilities Complaints and Appeals.
