

GULF SHORES CITY SCHOOLS  
2025-2026 SALARY SCHEDULE

## INTRODUCTION

The salary schedule provides a uniform and equitable payment of wages for services rendered by certificated and classified employees. Certified employees must possess a valid Alabama Teacher's or be eligible for a waiver from the State Department of Education. Classified personnel include all support employees who do not work as certificated employees.

The steps within each of the pay grades are compensation steps and are not based on experience credit. Personnel can be assigned to a compensation step based on factors other than experience. Consistent with economic and job market indicators, the Superintendent retains the right to recommend the initial assignment and/or reassignment of a job title to a specific pay grade, salary schedule and/or step. It is the responsibility of the employee to submit appropriate verification of experience, degree/certification, and/or other information offering compensation to the Human Resource Coordinator.

For certified staff, experience credit shall be given for teaching full-time under contract in public K-12 schools registered with their state's department of education or in regionally accredited private schools. For classified staff, experience credit shall be given for full-time, relative experience in public K-12 schools registered with their state's department of education or in regionally accredited private schools.

In general, when experience verification is received during the first year of hire, credit will be given retroactively to the date of hire. Experience credit received after the first year of hire will be given retroactively to the beginning of the school year in which the documentation is received and NOT the date of hire. Experience verification received after the last day of school will be honored only for the succeeding year forward (i.e. pay will not be retroactive to prior school year).

It shall be the sole responsibility of each employee to complete the experience credit verification process for all eligible prior employers. Upon employee request, verification forms will be furnished to the employee by the Human Resources Coordinator. The employee shall be responsible for ensuring the correctness of his/her records and pay. Errors attributable to the board may be corrected for the current school term and the two years preceding, as appropriate. Errors not attributable to the board may be corrected for the current school term only.

In accordance with Alabama act #2024-299, Certificated teachers hired on or after June 1, 2024, shall receive 1 year of experience on the local teacher schedule for every 2 years of full-time experience earned in a public school while employed as a paraprofessional or classroom teachers' aide.

For classified staff, experience credit shall be given for full-time employees, in public K-12 schools and shall receive credit toward step raises for school experience verified in accordance under contract in secondary and postsecondary public schools registered with their state's department of education or in regionally accredited private schools.

Employees hired prior to January 1 of the calendar year or who work 50% or more of their employee calendar year will receive the appropriate step increase at the beginning of the subsequent school year.

The state of Alabama recently authorized the hire of Adjunct Instructors. The rates of pay for these specialized, often part time, instructors may vary greatly based on the type of instruction

involved. The Superintendent is authorized to negotiate such reasonable salaries as necessary to hire said Adjunct Instructors.

Employees are generally paid in twelve equal monthly installments, regardless of the term of the appointment. Employees not employed in a 12-month position who are hired after the start of the school year are paid a prorated portion of their annual contract pay. The prorated amount is calculated by multiplying the employees' daily rate of pay by the number of working days left on the corresponding work calendar for the contract year. That amount is divided by the number of remaining payrolls in the current school year according to the contract payment schedule. The payroll period normally extends from the first Sunday of each month through the last Saturday of each month. Payroll checks shall be released on the last workday of the month according to the twelve (12) month employee work calendar.

Participation in the Retirement Systems of Alabama is mandatory if an individual is employed in a position that is eligible for coverage and is employed on a full-time basis.

### **Certificated Salaries**

Certificated employees will be paid at the level of their highest earned degree from a regionally accredited institution upon proper documentation of that degree and verification of that degree by the Alabama State Department of Education. Changes in degree will be effective upon receipt of the highest degree recognized by the ALSDE with payment at a higher rate degree to begin with the monthly period after the State Department of Education recognizes the degree. It should be noted that State Department reviews for higher degree are only performed for individuals with current valid Alabama certification. Teachers holding career and technical education certificates endorsed in technical education or healthcare science and technology shall be paid at the appropriate degree equivalency.

### **Classified Salaries\***

Employees with a bachelor's degree on the classified pay schedules will receive an additional \$250 monthly supplement for each month employed. Eligible job classifications include student support, bus mechanic, CNP, office support, maintenance, and information technology. All degrees must be verified with an official transcript reflecting the degree conferral. Employees with an associate degree or higher will be paid at Step 6 of that salary schedule.
