

# Enhancing Engagement through Diverse Modes of Discourse and Groupings

K-12 educators are invited to grow their skills in engagement strategies and collaborative learning practices.

- Discover innovative strategies to increase student engagement
- Explore the power of varied modes of discourse to deepen student interaction and understanding
- Learn how to utilize group dynamics and flexible groupings to foster inclusivity and collaboration
- Examine the impact of incorporating multimedia and interactive discussion formats
- Engage in hands-on, collaborative activities that model effective instructional practices
