

GaDOE ELA Professional Learning Opportunities at Metro RESA

Integrating Practices into Texts, Language, and Foundations

In this session, educators will discover ways to elevate their students' literacy skills through a deeper understanding of how the Practices domain informs the Texts, Language, and Foundations domains. Teachers will unpack the Big Ideas and grow in their understanding of how the Practices domain serves as a tool to intentionally strengthen students' active engagement with text both as consumers and producers. **Virtual Only, 9:00 AM - 3:00 PM**

- Elementary Virtual Session, October 8, 2025
- Secondary Virtual Session, October 9, 2025

Digging into the Domains

This session will allow teachers to take a deeper dive into one of the four domains in Georgia's K-12 ELA Standards: Foundations (K-5), Language (K-12), Texts (K-12), or Practices (K-12). The GaDOE ELA team will share evidence-based instructional strategies that can be readily implemented into instruction. Support will also be provided to begin designing and planning for instruction in the selected domain. This workshop is available as a K-5 or 6-12 full-day, in-person OR virtual session. **Virtual and Face-to-Face Sessions, 9:00 AM - 3:00 PM**

- Elementary Virtual Session, November 5, 2025
- Secondary Virtual Session, November 6, 2025
- Elementary F2F Session, March 31, 2026 (Metro RESA Campus)
- Secondary F2F Session, April 1, 2026 (Metro RESA Campus)

Resourceful Teaching

Amplify ELA Learning with GaDOE Tools: In this immersive session, participants learn how to access, navigate, and use ELA resources to support instructional design and create their own content through leveraging a variety of GaDOE platforms: GaDOE Inspire, SuitCASE, and Velocity. Educators will apply session content to develop and/or enhance instructional lessons/units to support their students' learning. **Virtual Only, 9:00 AM - 12:00 PM**

- K-12 Virtual Session, November 4, 2025
- K-12 Virtual Session, June 3, 2026 (Repeat Session)
