CHRISTOPHER KINNEY - SUPERINTENDENT OF SCHOOLS

---

July 1, 2025

Dear Mountainside School Community,

I am honored to introduce myself as the new Superintendent of Schools for the Mountainside School District. It is with great enthusiasm that I join this incredible district, and I look forward to working in partnership with our students, families, educators, and community members to continue fostering an environment of excellence and innovation.

The Mountainside School District has a well-earned reputation for its strong academic programs, dedicated staff, and supportive community. As I step into this role, my priority is to listen, learn, and collaborate to ensure we continue to provide the best possible education for every child. I am committed to upholding the district's traditions while also exploring opportunities for growth, particularly in leveraging technology, supporting our teachers, and ensuring that all students receive the resources they need to thrive.

Over the coming months, I will be visiting our schools, meeting with stakeholders, and engaging in conversations to better understand the unique strengths and opportunities within our district. Your insights and feedback are invaluable, and I encourage you to share your thoughts and aspirations for our schools.

As we prepare for the 2025–2026 school year, I am excited about the journey ahead. Together, we will build upon Mountainside School District's success and ensure that our students continue to receive an exceptional education that prepares them for the future.

I look forward to meeting you and working alongside you in the months and years ahead. Please enjoy a restful and enjoyable summer, and I look forward to welcoming everyone back in September!

Best regards,

Christopher Kinney
