Can all players come to weekly training?

Players of all abilities are welcome at We Make Footballers from ages 4-12. Our fun, engaging and challenging syllabus often provides children with their first introduction to football. Our coaching team will ensure that your child is developing at each session both technically and socially.

Why so many 1 on 1 challenges?

Our coaches encourage players to play creatively, freely and to make their own decisions in a game situation.

The fundamentals covered in the other section of our sessions give players the knowledge, the skillset and opportunity to develop to become more technically gifted footballers.
