A Message from this week's Editor: Mrs Kaur

What a busy week it has been! Colnbrook PTA had their Summer Fair on Tuesday, and it was a huge success! It's always lovely to see lots of families come together to join in the fun which raises money for our school. Our PTA are very proud to see our community come together to support the school!

Also, years 5 & 6 have had their residential trip to Grittleton Adventures, which gave them the opportunity to develop independence and build teamwork skills in an outdoor setting with adventurous activities.

Worship

This week we focused on change and how we can overcome, adapt and even embrace it.
As Cardinal Newman once said, 'To live is to change'.

Thank you to all the parents for coming to these events!

Mini Police

Year 5 and 6 got an extra 'cute' Mini Police session this week. They met a Police Puppy called 'Ward' who is in training!

The children learnt about how all different breeds of dogs are used to help the Police with their work and the rigorous training they undergo to pass their tests.

Everyone Can Play

Year 3 had a wonderful visit to the Singh Sabha Sports Centre, where they performed in front of a large audience of adults. They also enjoyed live performance by a fantastic band.

"It was so fun and exciting. We got to do so many activities. One of my favourite activities was water wars, because we got to play games with water and I soaked Mrs Bharj!!"

Kyla- Year 6

Year 5 and 6 had an amazing, fun and busy time at Grittleton Adventures. The children used this new experience away from home to develop independence, build bonds and work together as a team. They have come back ready for the next big chapters in their lives, moving onto secondary school and becoming role models as year 6 children.
